Registration Statement on Form S-4
Filed June 12, 2012
File No. 333-182061**

Dear Mr. Dobbie:

Hornbeck Offshore Services Inc. and its guarantor co-registrants (collectively, the "Company") have filed a Registration Statement on Form S-4 (File No. 333-182061) (the "Registration Statement") relating to the offer to exchange (the "Exchange Offer") the Company's outstanding 5.875% Senior Notes due 2020 (the "Outstanding Notes"), for a new series of notes with terms that are substantially identical to the terms of the Outstanding Notes (the "Exchange Notes"). In connection with the Registration Statement, the Company hereby confirms and represents that:

1. The Company is registering the Exchange Offer in reliance on the positions contained in the Exxon Capital Holdings Corp., SEC No-Action Letter (April 13, 1988), the Morgan Stanley & Co. Inc., SEC No-Action Letter (June 5, 1991) and the Sherman & Sterling, SEC No-Action Letter (July 2, 1993) (collectively, the "No-Action Letters").
2. The Company has not entered into any arrangement or understanding with any person to distribute the Exchange Notes to be received in the Exchange Offer and to the best of the Company's information and belief, each person participating in the Exchange Offer is acquiring the Exchange Notes in its ordinary course of business and has no arrangement or understanding with any person to participate in the distribution of the Exchange Notes to be received in the Exchange Offer. In this regard, the Company will make each person participating in the Exchange Offer aware (through the Exchange Offer prospectus or otherwise) that if the Exchange Offer is being registered for the purpose of secondary resales, any securityholder using the Exchange Offer to participate in a distribution of the Exchange Notes to be acquired in the registered Exchange Offer (1) could not rely on the staff position enunciated in the No-Action Letters and (2) must comply with registration and prospectus delivery requirements of the Securities Act of 1933, as amended (the "Securities Act") in connection with a secondary resale transaction. The Company acknowledges that such a secondary resale transaction should be covered by an effective registration statement containing the selling securityholder information required by Item 507 of Regulation S-K.

3. The Company will make each person participating in the Exchange Offer aware (through the Exchange Offer prospectus) that any broker-dealer who holds the Outstanding Notes acquired for its own account as a result of market-making activities or other trading activities, and who receives Exchange Notes in exchange for such Outstanding Notes pursuant to the Exchange Offer, may be a statutory underwriter and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Notes.
4. The Company will include in the transmittal letter or similar documentation to be executed by an exchange offeree in order to participate in the Exchange Offer the following additional provision if the exchange offeree is a broker-dealer holding Outstanding Notes acquired for its own account as a result of market-making activities or other trading activities, an acknowledgment that it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of Exchange Notes received in respect of such Outstanding Notes pursuant to the Exchange Offer. The transmittal letter or similar documentation may also include a statement to the effect that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.
5. Neither the Company nor any of its affiliates have entered into any arrangement or understanding with any broker-dealer to distribute the Exchange Notes.

Sincerely yours,

HORNBECK OFFSHORE SERVICES, INC.
