### PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Hornbeck Offshore Services, Inc. (the "Company") is filing this Notification of Late Filing on Form 12b-25 with respect to its Form 10-K for the fiscal year ended December 31, 2019 (the "Form 10-K"). The Company was unable to file its Form 10-K within the prescribed time period without unreasonable effort or expense for the reasons set forth below. The Company is currently engaged in liability management efforts and is actively engaging in discussions with certain holders of the Company's long-term debt with respect to potential deleveraging or restructuring transactions. These discussions have involved significant resources and have been a priority for management.

The Company can offer no assurance regarding if or when it will agree on the terms of or consummate any potential restructuring or deleveraging transactions. The Company's financial, accounting and administrative personnel have been supporting these negotiations and have been focused on maintaining the Company's ongoing operations and implementing operational reviews and initiatives. These negotiations and activities involve significant resources, place increased burdens on the Company's management and staff and occurred at the time during which year-end close procedures are normally conducted.

Furthermore, the COVID-19 pandemic and the recent oil price war initiated by Russia and Saudi Arabia have had significant negative impact on the offshore oil and gas industry and the Company. Much of the Company's resources and many of its personnel related to its accounting, finance and administrative functions have been displaced due to COVID-19-related shelter-in-place orders.

If the answer is no, identify report(s).  Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a result of the matters discussed in Part III above, the Company is not in a position to provide specific estimates of anticipated significant changes in results of operations from the fiscal year ended December 31, 2018 to the fiscal year ended December 31, 2019 that may be reflected in the financial statements to be included in the Company's Form 10-K for the fiscal year ended December 31, 2019.

The Company anticipates that its loss from operations will be higher for the year ended December 31, 2019 compared to the year ended December 31, 2018.

The foregoing statements are based on the Company's current expectations as of the date of this filing and involve a number of risks and uncertainties which may cause actual results to differ.
