(the “**Company**”) entered into a support agreement (the “**Transaction Support Agreement**”) with certain holders (the “**Supporting Holders**”) of the Company’s outstanding 5.875% Senior Notes due 2020 (the “**2020 Senior Notes**”) and 5.000% Senior Notes due 2021 (together with the 2020 Senior Notes, the “**Existing Notes**”). In connection with the entry into the Transaction Support Agreement, the Company commenced offers to exchange (the “**Exchange Offers**”) up to all of the Existing Notes for a combination of its newly issued 10.000% Senior Notes due 2023 (the “**2023 Senior Notes**”) and 5.500% Senior Notes due 2025 (together with the 2023 Senior Notes, the “**New Notes**”), a private offer to purchase (the “**Cash Tender Offer**”) and, together with the Exchange Offers, the “**Offers**”) for cash up to \$66.7 million in aggregate principal amount of Existing Notes upon the terms and conditions set forth in a confidential offer to exchange and consent solicitation statement dated February 14, 2020, as well as a solicitation of consents to proposed amendments with respect to the indentures governing the Existing Notes and certain releases (the “**Consent Solicitations**”) and such consents, the “**Consents**”).

Pursuant to the Transaction Support Agreement, the Supporting Holders have agreed to, among other things: (i) validly tender in the Offers, approximately 80% of the \$224.3 million aggregate principal amount of outstanding 2020 Notes and 89% of the \$450.0 million aggregate principal amount of outstanding 2021 Senior Notes; (ii) deliver the Consents and associated releases with respect to such Existing Notes; (iii) not to withdraw or revoke any Existing Notes tendered and any Consents and releases delivered in the Offers and Consent Solicitations; and (iv) cooperate with and support the Company’s efforts to consummate the Offers and Consent Solicitations.

The Company’s and the Supporting Holders’ obligations under the Transaction Support Agreement are subject to various customary conditions set forth in the Transaction Support Agreement.

(h) in the case of an Exchanging Holder that is a "Lender" (as such term is used in the Second Lien Term Loan Agreement), to support, consent to, execute and take such other reasonable actions that are within the applicable Exchanging Holder's control as are reasonably requested by the Company to effectuate any amendment, consent, waiver or forbearance of the Second Lien Term Loan Agreement that is solely related to the event of default under the Second Lien Term Loan Agreement resulting from the Interest Payment Default;

(i) to notify the Company promptly in writing of any breach of such Exchanging Holder's obligations under this Agreement; and

(j) not to authorize, agree, resolve or consent to actions in contravention of any of the foregoing.

3.2 Transfers.

(a) As long as a Termination Event has not occurred, each Exchanging Holder agrees that it shall not sell, transfer, assign or otherwise dispose of, or grant, issue or sell any option, right to acquire, participation or other interest in (each, a "Transfer") any Existing Notes, as applicable, unless the following criteria are met: (i) (x) with respect to any Transfer to any Person that is not an Exchanging Holder, such Exchanging Holder provides at least two Business Days' prior written notice to Milbank LLP ("Milbank") and (y) with respect to any Transfer to any Exchanging Holder, such Exchanging Holder provides written notice to Milbank substantially concurrently with or promptly after such Transfer, and (ii) such Exchanging Holder delivers to Milbank for the benefit of the other Parties a joinder in form and substance reasonably acceptable to the Requisite Exchanging Holders and the Company (a "Joinder") signed by the transferee (unless such transferee is already an Exchanging Holder and in such case no Joinder shall be required). No Exchanging Holder may create or utilize any Affiliate to acquire any Existing Notes without first causing such Affiliate to deliver to Milbank a Joinder. Notwithstanding anything in this Agreement to the contrary, without the prior written consent of the Requisite Exchanging Holders, in no event shall any Exchanging Holder Transfer any Existing Notes to a competitor (or any Affiliate or significant shareholder thereof) of the Company or any Company Party in the business of providing the services of offshore supply vessels, or offshore service vessels (including, without limitation, crew boats, fast supply vessels, multi-purpose support vessels, construction vessels, anchor handling towing supply vessels, tugs, double hulled tank barges and double hulled tankers or other complementary offshore marine vessels) or any other marine vessel business, including any logistics services related thereto or any ancillary, complementary or related line of business.

(b) Upon compliance with the requirements of this Section 3.2 (x) the transferee shall be deemed to constitute an Exchanging Holder for all purposes of this Agreement, and (y) the transferor shall be deemed to relinquish its rights and be released from its obligations under this Agreement (other than any liability for its breach or non-performance of any of its obligations hereunder prior to such Transfer), in each case to the extent of such Transfer.

(c) Any Transfer that does not comply with the foregoing shall be deemed *void ab initio*.

(d) Notwithstanding the foregoing:

(i) An Exchanging Holder may either (x) permit its prime broker to hold Existing Notes as part of a custodian arrangement or (y) pledge Notes in connection with any Exchanging Noteholder's regular course debt financing arrangements, provided that in each case such Exchanging Holder retains all of its rights to tender such Existing Notes in the Exchange Offers and its voting rights with respect to such Existing Notes prior to the occurrence of a Termination Event that has not been duly waived in accordance with the terms hereof; and

(ii) a Qualified Marketmaker, acting solely in its capacity as such, that acquires any Existing Notes subject to this Agreement shall not be required to execute a Joinder or otherwise agree to be bound by the terms and conditions set forth in this Agreement if, and only if: (I) such Qualified Marketmaker sells or assigns such Existing Notes within five (5) Business Days of its acquisition; and (II) the purchaser or assignee of such Existing Notes is an Exchanging Holder or an entity that executes and provides a Joinder in accordance with the terms set forth in this Section 3.2. To the extent, however, a Qualified Marketmaker, acting solely in its capacity as such, acquires Existing Notes from an entity who is not an Exchanging Holder (collectively, "Qualified Unrestricted Claims"), such Qualified Marketmaker may Transfer any right, title or interest in such Qualified Unrestricted Claims without the requirement that the transferee execute a Joinder. Any such Qualified Marketmaker that is an Exchanging Holder shall otherwise be subject to the terms and conditions of this Agreement with respect to Qualified Unrestricted Claims pending the completion of any such Transfer.

3.3 Additional Notes. This Agreement shall in no way be construed to preclude any Exchanging Holder from acquiring additional Existing Notes, provided, that any such additional Existing Notes shall automatically be deemed to be subject to the terms of this Agreement.

3.4 Exchanging Holder Forbearance and Waiver to Facilitate the Transaction. Each Exchanging Holder hereby agrees that, commencing upon the Effective Date and continuing through the Termination Date:

(a) such Exchanging Holder will not, and, pursuant to Section 6.05 of the 2021 Notes Indenture, will direct the Trustee under the 2021 Notes Indenture to not, exercise any rights or remedies or take any other actions under the 2021 Notes Indenture, with respect to any failure to make any interest payments under the 2021 Notes Indenture to all holders of 2021 Notes during such period (along with any missed notices or other administrative matters in connection with any such missed interest payment) (collectively, the "Interest Payment Default"); and

(b) to the extent such Exchanging Holder is a “Lender” (as such term is used in the Second Lien Term Loan Agreement), such Exchanging Holder will both agree to forbear and will not exercise any rights or remedies or take any other action under the Second Lien Term Loan Agreement with respect to any default or event of default arising under the Second Lien Term Loan Agreement in respect of the Interest Payment Default (along with any missed notices or other administrative matters in connection with any such missed interest payment), provided, such Exchanging Holders, when taken together with other Lenders (as such term is used in the Second Lien Term Loan Agreement) that have agreed with the Company to so forbear and not exercise any rights or remedies or take any other action under the Second Lien Term Loan Agreement, constitute holders of a majority in principal amount of loan obligations under the Second Lien Term Loan Agreement.

8. Entire Agreement; Conflicts. This Agreement, including all exhibits, schedules and annexes hereto, constitutes the entire agreement of the Company Parties and the Exchanging Holders with respect to the subject matter of this Agreement, and supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement, other than the Confidentiality Agreements which remain unaltered. In the event the terms and conditions as set forth in the Term Sheet and this Agreement are inconsistent, the terms and conditions contained in the Term Sheet shall control.

9. Reservation of Rights. Except as expressly set forth herein or in any Definitive Document, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of an Exchanging Holder to pursue, protect and preserve its rights, remedies, and interests, including, without limitation, its claims against any Company Party. Nothing contained herein effects a modification of the 2020 Notes, the 2021 Notes, the 2020 Notes Indenture or the 2021 Notes Indenture or any other document or agreement. If the transactions contemplated herein are not consummated, or if this Agreement terminates for any reason, the Parties fully reserve any and all of their rights.

10. Counterparts. This Agreement may be executed in one or more counterparts, each of which, when so executed, shall constitute the same instrument and the counterparts may be delivered personally or by electronic mail in portable document format (.pdf).

11. Amendments. This Agreement, the Term Sheet, and the Definitive Documents may not be modified, amended or supplemented, or any provisions herein or therein waived, without the prior written consent of the Company and the Requisite Exchanging Holders; provided, that (a) any such amendment, modification, supplement or waiver of this Section 11 or Section 15 shall require the prior written consent of the Company and all of the Exchanging Holders and (b) any such amendment, modification, supplement or waiver that would reasonably be expected to have a disproportionate and adverse effect on any Exchanging Holder as compared to the other Exchanging Holders shall require the prior written consent of such Exchanging Holder so affected. The foregoing sentence shall not apply to the Side Letter, which letter shall not be modified, amended, supplemented, or any provisions therein waived, other than as expressly provided therein, and in any event without the prior written consent of the Backstop Lenders.

12. No Assignment. Except as provided by, and subject to, Section 3.2 hereunder, this Agreement shall not be assigned by any party hereto without the prior written consent of the Requisite Exchanging Holders.

13. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof.

14. Relationship Among Parties. It is understood and agreed that any Exchanging Holder may trade in the Existing Notes or other debt or equity securities of the Company without the consent of the Company or any other Exchanging Holder, subject to applicable securities laws and Section 3.2. No Party shall have any responsibility for any such trading by any other Party by virtue of this Agreement. No prior history, pattern or practice of sharing confidences among or between Parties shall in any way affect or negate this understanding and agreement. No Exchanging Holder shall, as a result of its entering into and performing its obligations under this Agreement, be deemed to be a part of a "group" (as that term is used in Section 13(d) of the Exchange Act) with any other Party or party to the Stockholder Support Agreement. For the avoidance of doubt, no action taken by an Exchanging Holder pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Parties that any of the Exchanging Holders are in any way acting in concert or as such a "group."

15. Several Obligations; No Liability. Notwithstanding anything to the contrary in this Agreement, the Parties agree that (a) the representations and warranties of each Exchanging Holder made in this Agreement are being made on a several, and not joint, basis, (b) the obligations of each Exchanging Holder under this Agreement are several obligations of each of them and (c) no Exchanging Holder shall have any liability for the breach of any representation, warranty, covenant, commitment, or obligation by any other Exchanging Holder. Nothing in this Agreement requires any Exchanging Holder to advance capital to any Company Party or incur any material liability.

16. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach, including, without limitation, an order of a court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

17. Survival. Notwithstanding (i) any Transfer of the Existing Notes in accordance with Section 3.2 or (ii) the termination of this Agreement in accordance with its terms, only Sections 4.1(d)(iii), 4.1(l), 5, 8, 9, 10, 11, 12, 13, 14, 15, 18, 19, 20, 21 and 22, and this Section 17 shall survive such Transfer and/or termination and shall continue in full force and effect for the benefit of the Exchanging Holder in accordance with the terms hereof. Unless previously terminated in accordance with its terms and except as otherwise provided in the Side Letter, the Side Letter shall survive the termination of this Agreement.

18. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. Each of the parties hereto hereby irrevocably and unconditionally consents to submit to the exclusive jurisdiction of the courts of the State of New York and of the United States of America in each case located in New York County for any action arising out of or relating to this Agreement or the Term Sheet and the transactions contemplated hereby and thereby (and agrees not to commence any action relating hereto or thereto except in such courts), and further agrees that service of any process, summons, notice or document by U.S. registered mail to its address set forth in Section 19 shall be effective service of process for any action brought against it in any such court.

19. Notices. All notices, requests and other communications hereunder must be in writing and will be deemed to have been duly given only if delivered personally or by electronic mail format (.pdf) with first class mail confirmation to the Parties at the following addresses or email addresses:

20. No Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of the Parties and their respective successors and permitted assigns, and it is not the intention of the Parties to confer third-party beneficiary rights upon any other Person.

21. No Offer or Solicitation. Exchange Offer
Summary of Indicative Terms and Conditions

February 14, 2020

This Summary of Indicative Terms and Conditions is intended merely as an outline of certain of the material terms of the proposed Exchange Offer. It is not intended to limit the scope of discussion and negotiation of any matters not consistent with the specific matters set forth herein. Formal proposals to the Ad Hoc Group (as defined below) and responses to negotiations must be authorized by a Special Committee of the Board of Directors (the "Board") of the Issuer established for that purpose in order to constitute a position of the Issuer. Notwithstanding anything to the contrary herein, any discrepancies between this term sheet and the forms of indenture to be agreed upon in connection with entering into the TSAs (as defined below), such forms of indenture shall control.

Overview of the Transactions

Transaction Overview:

The Issuer will offer to exchange (the "Exchange Offer") all outstanding 5.875% Senior Notes due 2020 (the "2020 Notes") and 5.000% Senior Notes due 2021 (the "2021 Notes") and, together with the 2020 Notes, the "Existing Notes") issued by Hornbeck Offshore Services, Inc. (the "Issuer", together with all of its affiliates and subsidiaries, the "Company," for a combination of (i) its new 10.00% Senior Notes due June 15, 2023 (the "2023 Senior Notes") and (ii) its new 5.50% Senior Notes due September 30, 2025 (the "2025 Senior Notes" and, together with the 2023 Senior Notes, the "New Notes"), each of which shall be contingently convertible upon the occurrence of certain events of default under the New Notes or the Company's other debt unless (in the case of a non-payment default) permanently cured or permanently waived (See "Conversion" below) into the Company's common stock (the "Common Stock"), par value \$0.00001 per share, and in each case as described in further detail below (the "Transaction"). The Issuer will also offer to purchase up to \$67.0 million principal amount of the Existing Notes for a maximum of \$20.0 million of cash as described below in "Cash Tender."

Transaction Support Agreements:

The Issuer, the ad hoc group of holders of the Existing Notes that are advised by Milbank LLP and Moelis & Company LLC (the "Ad Hoc Group"), and holders of a majority of the Issuer's issued and outstanding Common Stock (the "Required Stockholders"), and together with the Issuer, the Ad Hoc Group, and the Required Stockholders, the "TSA Parties") will sign one or more transaction support agreements (the "TSAs").

Pursuant to the TSAs:

(A) the Ad Hoc Group (and any other holder of Existing Notes that enters into a TSA) will agree to, among other matters, the following:

- (1) tender their Existing Notes into the Exchange Offer;
 - (2) support the Consent Solicitation (as defined below); and
 - (3) vote any Common Stock of the Issuer in favor of the transactions contemplated herein; and
 - (4) forbear during the duration of the TSAs (as such duration may be extended from time to time pursuant to the TSAs) from exercising any rights or remedies under the indenture governing the 2021 Notes (and agree to direct the trustee under the 2021 Notes to not exercise any rights or remedies) or, if applicable, the Second Lien Term Loans on account of any missed interest payments under the 2021 Notes (and any missed notices or other administrative matters in connection therewith); provided, with respect to such forbearance under the Second Lien Term Loans, that such holders, when taken together with other lenders under the Second Lien Term Loans, that have agreed with the Company to so forbear constitute holders of a majority in principal amount of the Second Lien Term Loan.
- (B) the Required Stockholders will agree to, among other matters, vote in favor of: (I) amendments to the Issuer's governing documents to facilitate the Transactions (the "Charter and Bylaws Amendments"), including to (1) increase the number of authorized shares of Common Stock, (2) decrease the par value of Common Stock and the Company's preferred stock to \$0.00001, (3) effective as of the earlier to occur of (x) the Contingent Preferred Election (as defined below) and (y) the Conversion Election (as defined below) (such earlier event, the "Trigger Event"), permit stockholder written consents and the calling by stockholders holding 25% or more of the outstanding shares of Common Stock of special stockholder meetings, (4) effective as of the occurrence of the Trigger Event, opt out of Section 203 of the Delaware General Corporation Law, and (5) provide that the Company may not file for any voluntary proceeding for the bankruptcy or reorganization of any Company or enter into a plan of liquidation for any Company without the approval of the Board, which Board approval must include the Noteholder Director (as defined below); and (II) the necessary approvals required by any exchange upon which the Common Stock is listed (or trading market on which such shares are quoted or traded, as applicable) for the issuance of all securities contemplated in connection with the Transactions.
- (C) the Issuer will agree to, among other matters:
- (1) apply \$50 million of cash collateral (the "ABL Cash Collateral") for the \$100.0 million senior secured asset-based revolving credit facility (the "Senior Credit Facility") to reduce the outstanding balance thereof, and amend the Senior Credit Facility to reduce commitments thereunder; provided, however, that in lieu of such repayment and reduction of commitments under the Senior Credit

Facility, the Company may (i) replace the ABL Cash Collateral with other pledged collateral comprised of (1) HOS Port, (2) non-trade receivables and (3) any other pledged collateral acceptable to the Ad Hoc Group, and (ii) use such released ABL Cash Collateral only for the business and operations of the Company (and not to fund exchange offers, restricted payments, restricted investments or the like), as will be more fully described in the indentures governing the New Notes (the "Permitted Capital Uses");

(2) elect to pay PIK interest on First Lien Term Loans pursuant to Section 3.02(f) of the First Lien Term Loan Agreement as further described in "Covenants" below, subject to Ad Hoc Group consent to such PIK payment during the duration of the TSAs (as such closing may be extended from time to time pursuant to the TSAs) if necessary under the Existing Notes effective concurrent with the execution of the TSAs;

(3) as further discussed under "Covenants," no later than the Settlement Date, cause a wholly owned restricted subsidiary of the Company to form a new wholly owned domestic unrestricted subsidiary (the "Tier 1 Unrestricted Subsidiary"), which in turn will form a new domestic unrestricted subsidiary (the "Tier 2 Unrestricted Subsidiary"), which in turn will form a new wholly owned domestic unrestricted subsidiary (the "Tier 3 Unrestricted Subsidiary"), which in turn will form a new wholly owned domestic unrestricted subsidiary (the "Tier 4 Unrestricted Subsidiary") and contribute to the Tier 1 Unrestricted Subsidiary, which then will contribute to the Tier 2 Unrestricted Subsidiary, which then will contribute to the Tier 3 Unrestricted Subsidiary, which then will contribute to the Tier 4 Unrestricted Subsidiary the following five ultra high-spec 320 class OSVs: (i) HOS Caledonia; (ii) HOS Captain; (iii) HOS Claymore; (iv) HOS Commander; and (v) HOS Crockett (the "Drop Down Assets") (it being agreed and understood that the Tier 2 Unrestricted Subsidiary and its subsidiaries shall be a platform for consummating accretive merger and acquisition transactions). Pooling arrangements with respect to the Drop Down Assets shall not be required as of the Settlement Date and, instead, shall be put in place thereafter on terms as agreed between the Company and the Tier 3 Unrestricted Subsidiary's (or one of its subsidiaries') financing source, but in any event within 90 days of the Settlement Date;

(4) create and issue the following two new classes of preferred stock (with the preferred stock described in (ii) below to be issued only upon the occurrence of a Trigger Event): (i) two non-economic voting shares of preferred stock (the "Special Preferred Shares") to be issued to the trustee under the 2023 Senior Notes and one Special Preferred Share to be issued to the trustee under 2025 Senior Notes at the closing of the Exchange Offer, as further described below under "Governance," and (ii) shares of preferred stock (the "Contingent Preferred Shares") to the holders of New Notes in accordance with the provisions of the indenture governing the New Notes; and

(5) approve all issuances of shares of Common Stock, Special Preferred Shares and Contingent Preferred Shares issuable under the indentures governing the New Notes (including as a result of the conversion of the New Notes or exercise of warrants issued under such indentures) and irrevocably authorize the Noteholder Director (as defined below) to cause the issuances of such shares in accordance with the terms of such indentures (and such warrants), as more fully described under "Governance" below;

(D) the Company and the Required Stockholders will agree to (the "Stockholder Rights Plan Waiver and Amendment"), (i) cause application of the provisions of the Issuer's Rights Agreement, dated as of July 1, 2013, by and between the Issuer and Computershare Inc. (the "Rights Agreement") to be irrevocably waived with respect to the New Notes, Special Preferred Shares, Contingent Preferred Shares, Contingent Preferred Warrants (as defined below), Automatic Conversion Shares (as defined below) and Automatic Conversion Warrants (as defined below), to the extent set forth under "Stockholder Rights Plan" below and (ii) cause the Rights Agreement to be automatically terminated upon the occurrence of the Trigger Event; and

(E) as a condition to closing of the Exchange Offer, the Charter and Bylaws Amendments and the Stockholder Rights Plan Waiver and Amendment shall have been approved and be in full force and effect.

For purposes hereof, (a) the aggregate number of Preferred Shares to be issued shall not be reduced with any reduction in principal amount of the outstanding New Notes and (b) New Notes held by the Company or any of its subsidiaries will be treated as not outstanding for purposes of the issuance of Preferred Shares.

Conversion:

New Notes: For as long as any New Notes remain outstanding, and unless any of the defaults referred to in the following clauses (i) and (ii) have otherwise been permanently cured or permanently waived under the New Notes or such other existing or future debt, upon the occurrence of (i) any event of default under the New Notes, subject to customary grace periods, (ii) any event of default under the Company's other existing or future debt, subject to applicable original grace periods (without giving effect to any amendments to those grace periods except in the case of certain covenants to be specified in the definitive documentation¹), or (iii) any payment event of default under the Company's existing and future debt or payment default under the Company's existing and future debt which would, with the passage of time or the giving of notice or both, become an event of default under such debt, at the election of the holders of a majority in principal amount of the New Notes voting as a single class (a "Conversion Election"), all 2023 Senior Notes and 2025 Senior Notes will automatically convert into shares of Common Stock (the "Automatic Conversion Shares") such that ownership of Common Stock by holders of all of the then-outstanding New Notes shall equal, following such conversion, 98% of the outstanding shares of Common Stock on a *pro forma* basis (including, in each case, any equity securities then outstanding), which will be issued in the form of par value warrants with exercise conditions (the "Automatic Conversion Warrants") for holders otherwise entitled to

¹ NTD: To include, among other items, covenant breaches caused by third parties outside of the Company's control and affirmative covenants in the credit facilities.

Automatic Conversion Shares that do not certify they are U.S. citizens (but only to the extent necessary to allow the Issuer to maintain compliance with the Issuer's certificate of incorporation and bylaws and Jones Act requirements). For purposes hereof, (a) such 98% shall not be reduced with any reduction in principal amount of the outstanding New Notes and (b) New Notes held by the Company or any of its subsidiaries will be automatically canceled and deemed to be not outstanding immediately prior to such conversion without any entitlement to any Automatic Conversion Shares.

Guarantees:

Subject to certain limited exceptions with respect to future guarantors, the New Notes will be guaranteed by (i) those subsidiaries of the Issuer that guarantee the Existing Notes (and, in any case, shall include all subsidiaries that are required to guarantee the First Lien Term Loan Agreement other than the wholly owned restricted subsidiary of the Company that will own the Tier 1 Unrestricted Subsidiary) and (ii) each other subsidiary of the Issuer to be agreed upon in definitive documentation that has assets with an aggregate book value on a standalone basis in excess of \$10 million; provided that the aggregate book value of the assets of all subsidiaries (other than the Tier 2 Unrestricted Subsidiary and its subsidiaries) not providing a guarantee shall not be in excess of an amount to be mutually agreed upon between the Company and the Ad Hoc Group, it being understood that the giving of such guarantees may require guarantees to also be given in respect of other tranches of indebtedness.

Collateral:

The New Notes will be secured by a non-recourse pledge of all of the equity of the Tier 2 Unrestricted Subsidiary on a first-lien basis. The New Notes will not be secured by any other assets of the Issuer or its subsidiaries. The Issuer will provide proposal of limitations on financings and acquisitions at the Tier 2 Unrestricted Subsidiary level (and below) in connection with drafting of definitive documentation.

Covenants:

Covenants will be satisfactory to the Existing Holders in all respects and in particular shall include restrictions on investments, other restricted payments, dispositions and incurrence of debt or liens; *provided, however, that*

(a) (i) the Tier 2 Unrestricted Subsidiary will be permitted to form one or more acquisition vehicles for acquisitions with certain limitations to be agreed to by the parties and to contribute the Drop Down Assets (including any contract rights, receivables or other ancillary assets related to the foregoing) if required by any prospective lender to the Unrestricted Subsidiary holding such assets and (ii) if required by any prospective lender to facilitate the incurrence of project financing indebtedness of the type described pursuant to clause (d)(3) below, one or both of the HOS Warhorse and HOS Wild Horse MPSVs may be contributed to an unrestricted subsidiary that is a third tier unrestricted subsidiary or a direct or indirect subsidiary of a third tier unrestricted subsidiary to complete their construction so long as such unrestricted subsidiary is subject to substantially similar restrictions and parameters

as the Tier 2 Unrestricted Subsidiary and its subsidiaries (including parameters on management agreements and a commercial brokerage fee agreement to be agreed upon in definitive documentation) (it being agreed and understood that such financing shall not be required to meet the parameters of clause (d)(3) below and shall be permitted to fund the construction of draw payments, interest payments, management fees, overhead costs, start-up costs, other bona fide out-of-pocket expenses and other ordinary course of business items (to the extent such funded amounts exceed a principal amount of \$65 million (other than on account of amounts funded to pay management fees to the Issuer or a restricted subsidiary), the "New Build UnSub Financing Overage"). Mergers of the unrestricted subsidiaries described in clause (a)(ii) with any unrestricted subsidiaries described in (a)(i) (or any merger of any of such unrestricted subsidiaries with the Issuer or any restricted subsidiary) shall be permitted subject to certain parameters to be agreed in the definitive documentation,

(b) if the Company applies the ABL Cash Collateral to the permanent repayment of the Senior Credit Facility, the Company will be permitted to incur up to \$50 million of additional indebtedness under the First Lien Term Loan or an equivalent facility satisfying the First Lien Terms and Conditions Requirements (defined below) (including a permitted refinancing of the First Lien Term Loan) and the net proceeds of which are used only for Permitted Capital Uses,

(c) in the event the Company refinances the First Lien Term Loans pursuant to a permitted refinancing and the resulting refinanced debt does not permit interest payments to be paid in kind, the Company will be permitted to incur up to \$50 million of additional indebtedness under such resulting refinanced debt or an equivalent facility satisfying the First Lien Terms and Conditions Requirements (the "Base PIK Basket") (which Base PIK Basket will increase to \$75 million if the Company is successful in extending the maturity of the First Lien Term Loan Agreement by at least one year pursuant to such permitted refinancing (the "PIK Step-Up")); provided, that, the PIK Step-Up shall be decreased on a dollar-for-dollar basis by the amount of the New Build UnSub Financing Overage if the Company shall have contributed the HOS Warhorse and HOS Wild Horse MPSVs to an unrestricted subsidiary as contemplated under clause (a) above), provided further, that such indebtedness shall be limited to: a cap of \$25 million for the first year following the Closing Date, a cumulative cap of \$50 million for the two years immediately following the Closing Date and a cumulative cap of \$75 million for the three years immediately following the Closing date (the "PIK Replacement Basket"). The PIK Replacement Basket shall be made available pursuant to a non-revolving delayed draw term loan and is expected to be subject to minimum draw and advanced notice withdrawal periods as required by the capital provider of such indebtedness. The Company shall be permitted to make a draw under the PIK Replacement Basket if the Issuer and its restricted subsidiaries have unrestricted cash and cash equivalents of not more than \$125 million at the time of (and giving pro forma effect to) such draw and any expected

use of proceeds for the 90 day period following such draw (it being understood that, notwithstanding such maximum \$125 million liquidity requirement, the Issuer and its restricted subsidiaries may exceed \$125 million in liquidity and still draw if such excess is solely as a result of being required to draw down the minimum amount as required under the terms of such debt). For the avoidance of doubt and without duplication, the Base PIK Basket and PIK Step-Up shall be reduced on a dollar-for-dollar basis by the amount of any indebtedness incurred under the First Lien PIK Interest Basket; and

(d) in addition to the indebtedness permitted by (b) and (c) above, the Company will be permitted to incur the following additional indebtedness under one or more facilities, including existing facilities:

(1) additional debt and liens as a result of PIK interest paid on the First Lien Term Loans, as provided above (the “First Lien PIK Interest Basket”);

(2) up to \$29 million in priority lien indebtedness, (i) which satisfies the First Lien Terms and Conditions Requirement, and (ii) the net proceeds of which are used only for Permitted Capital Uses;

(3) up to \$65 million in indebtedness to fund amounts actually incurred by the Company or a Restricted Subsidiary to complete construction of the HOS Warhorse and HOS Wild Horse MPSVs, which may be funded through (A) a delayed draw feature or other expansion of the First Lien Term Loans (or any permitted refinancing thereof or equivalent financing satisfying the First Lien Terms and Conditions Requirements) or (B) a project finance arrangement which shall be subject to customary terms and conditions for project financings of such type as reasonably determined by the Issuer in good faith (including, without limitation, lender protections in the form of reserve, construction, disbursement and similar accounts), and (ii) the net proceeds of which are used only for Permitted Capital Uses; provided, that, the Company shall not be permitted to utilize such basket to the extent the HOS Warhorse and HOS Wild Horse MPSVs are contributed to an unrestricted subsidiary as contemplated in clause (a) above;

(4) the Company will be permitted to incur permitted refinancing indebtedness (which refinancing indebtedness, for the avoidance of doubt, may include, among other things, indebtedness incurred under any debt facility, indenture or commercial paper facility providing for revolving credit loans, term loans, notes, capital market financings, receivables financings or letters of credit) related to any indebtedness; provided, however, that (a) the principal amount of such permitted refinancing indebtedness does not exceed (A) the principal amount of the indebtedness being refinanced plus (B) any prepayment premiums or commitment termination fees or underwriting discounts or fees; provided, however, that, in respect of all permitted refinancing transactions since the issue date, the amounts in clause (B) shall not

exceed \$25 million in the aggregate in respect of all permitted refinancings of indebtedness outstanding as of the issue date and \$15 million in the aggregate for all other permitted refinancings; (b) such permitted refinancing indebtedness has a final maturity date no earlier than, and has a weighted average life to maturity equal to or greater than the weighted average life to, the then-current maturity of, the indebtedness being refinanced (or, in the case of a refinancing of the Senior Credit Facility or Second Lien Term Loans, of the First Lien Term Loan); (c) if the indebtedness being refinanced is subordinated to the New Notes or its guarantees, such permitted refinancing indebtedness is subordinated on terms at least as favorable to the New Notes as those contained in the documentation governing the indebtedness being refinanced; (d) such permitted refinancing indebtedness is incurred only by the same obligors as the indebtedness being refinanced; (e) no default or event of default shall have occurred and be continuing or would result from such incurrence; (f) subject to clause (5) below, if such indebtedness being refinanced is secured, such permitted refinancing indebtedness may also be secured by collateral the scope of which is not materially less favorable to the Company or the holders of the New Notes, taken as a whole than the debt being refinanced (or, in the case of a refinancing of the Senior Credit Facility, than the First Lien Term Loan); (g) such permitted refinancing indebtedness does not contain any leverage or coverage financial ratio maintenance covenants that are based on EBITDA or any other proxy for cash flow and (h) (A) in the case of a permitted refinancing of the Senior Credit Facility or First Lien Term Loans, that (i) the First Lien Secured Debt Blended Weighted Average All-In Yield (as defined below), after giving pro forma effect to such indebtedness incurrence, is not greater than 2.00% per annum above the First Lien All-In Yield (as defined below) (provided, further, that the interest rate of such permitted refinancing debt (as determined solely pursuant to clause (a) of the definition of All-in Yield (as defined below)) (the "Interest Rate") is not greater than the Interest Rate of the First Lien Term Loans) and (ii) such indebtedness has call protection that is no less favorable to the Company than NC2/102%/101%/Par (which, during the no-call period, shall be subject to a make-whole at T+50); provided, that, during any default, such call protection shall be no less favorable to the Company than 105%/105%/102%/101% (clauses (g) and (h), together with the maturity date requirement in respect of the First Lien Term Loans described in clause (b) above, the "First Lien Terms and Conditions Requirements") and (B) in the case of a permitted refinancing of the Second Lien Term Loans, the Total Secured Debt Blended Weighted Average All-In Yield (as defined below), after giving pro forma effect to such indebtedness incurrence, is not greater than 3.00% per annum above the First Lien All-In Yield (provided, further, that the interest rate of such permitted refinancing debt (as determined solely pursuant to clause (a) of the definition of All-in Yield (as defined below)) (the "Interest Rate") is not greater than (x) the Interest Rate of the First Lien Term Loans plus (y) 1.00% per annum); and

(5) the Company will be permitted to pledge (i) to the lenders of any permitted priority lien debt incurred under clause (2) or (3) above, or both, or (ii) in connection with the refinancing or amendment of the First Lien Term Loans that results in not less than a one year extension of the existing maturity date of the First Lien Term Loans or (iii) any combination of (i) and (ii) above: (a) HOS Port, (b) HOS Lift, (c) any non-trade receivables, (d) the following six active low-spec OSVs: HOS Brigadoon, HOS Crossfire, HOS Dakota, HOS Deepwater, HOS Dominator and HOS Thunderfoot; (e) the twelve stacked low-spec OSVs; (f) the following vessels (or the equity of entities which own such vessels) HOS Achiever, HOS Brass Ring, HOS Iron Horse and (g) any contract rights, receivables or other ancillary assets related to the foregoing, provided that such other ancillary assets are specifically scheduled as permitted to be so encumbered with the agreement of the Ad Hoc Group. For the avoidance of doubt, it is understood and agreed that a pledge or grant of a lien in favor of the Senior Credit Facility, First Lien Term Loan or Second Lien Term Loan (or any permitted refinancing debt in respect thereof) may result in such lien being required to be granted for the benefit of such other tranches of debt (but not the New Notes) and such grant shall be permitted.

The Company will also covenant, if permitted pursuant to the terms of its First Lien Term Loan Agreement (or, if applicable a permitted refinancing thereof) to pay PIK interest on First Lien Term Loans pursuant to an election made under Section 3.02(f) of the First Lien Term Loan Agreement (or equivalent provision, if any, in any permitted refinancing thereof), provided, that following the first anniversary of the closing of the Exchange Offer, the Company may elect to pay any interest payment on the First Lien Term Loans in cash if at the time of such interest payment (and after giving pro forma effect thereto), the Issuer and its restricted subsidiaries have unrestricted cash and cash equivalents of not less than \$125 million.

The Issuer will agree not to issue any preferred stock other than (1) the Special Preferred Stock and the Contingent Preferred Stock pursuant to the terms of the indentures governing the New Notes, (2) preferred stock issued in connection with the Rights Agreement and (3) preferred stock; in the case of (2) and (3), the issuance of which does not materially and adversely impact the rights of the holders of New Notes, Special Preferred Stock and Contingent Preferred Stock, in each case, following the occurrence of a Trigger Event.

Covenants to include express permission to (i) engage in arms-length intercompany transactions between Issuer or any restricted subsidiary and any unrestricted subsidiary, including management agreements and fees, a commercial brokerage fee agreement, vessel pooling arrangements, bareboat charters, common cost allocations and eventual reunification of the Issuer and the unrestricted subsidiaries, etc. and (ii) make permitted investments in an amount not exceeding \$15 million in the form of equity contributions to the unrestricted subsidiaries to be used for working capital and general corporate purposes.

The Issuer will agree to use the proceeds of any dividends or distributions received by the Issuer or any of its restricted subsidiaries from the unrestricted subsidiaries to offer to repurchase New Notes on a pro rata basis, subject to a carve-out for an amount not exceeding the lesser of (i) the amount of all equity contributions made pursuant to clause (ii) of the immediately preceding paragraph plus \$1.0 million and (ii) \$16 million.

“All-In Yield” means, as to any indebtedness, the yield per annum thereof incurred or payable by the Company in an amount equal to the sum of: (a) the applicable interest rate (assuming an election to pay in kind) (provided, that, in respect of any indebtedness that is subject to a floating reference rate (e.g., LIBOR rate, base rate, etc.), such “floating” portion of the interest rate shall be equated to the “swap rate” applicable to such floating reference rate for the period from the closing date of such indebtedness through the maturity of such indebtedness (or, if such period is not available, the most approximate period available as reasonably determined by the Issuer in good faith), which such swap rate shall be as displayed on the USSW screen on Bloomberg (or any applicable successor page or if such Bloomberg page or successor becomes unavailable, any similar reference screen as reasonably selected by the Issuer in good faith) and (b) original issue discount, upfront fees, closing fees, backend fees, arrangement fees, structuring fees, commitment fees, underwriting fees and any similar fees paid to any lender (or an affiliate of a lender) of such indebtedness (but excluding any so called “call protection” or premiums that step-down over the life of the loan) (the “Applicable Fees”); provided that any Applicable Fees shall be equated to interest rate assuming a 4-year life to maturity on a straight line basis (or, if less, the stated life to maturity at the time of incurrence of the applicable indebtedness); *provided, however*, under no circumstances shall the “All-In Yield” include (u) any Applicable Fees paid to a person that is not a lender (or an affiliate of a lender) of such indebtedness, (v) customary agency fees, (w) consent, waiver and amendment fees paid to consenting lenders, (x) ticking fees on undrawn commitments, (y) interest accruing at the default rate (not to exceed 2.00% per annum) and (z) reimbursement of out-of-pocket expenses and customary indemnities.

The “All-In Yield” in respect of the First Lien Term Loans (the “First Lien All-in Yield”) shall be calculated as of the closing date of the Transaction (the “Closing Date”) pursuant to the definition above, subject to the following assumptions:

(i) the so-called “spread” or “margin” portion of the interest rate shall be deemed to be the average “spread” or “margin” over the “Adjusted LIBO Rate” (as such term is defined in the First Lien Term Loan) calculated from the Closing Date through the remaining term of the First Lien Term Loan;

(ii) the floating reference rate portion of the interest rate shall be deemed to be the LIBOR “swap rate” calculated for the period from the Closing Date through the remaining term of the First Lien Term Loan (or, if such period is not available, the most approximate period available as reasonably determined by the Issuer in good faith); and

(iii) all Applicable Fees shall be equated to interest rate assuming a 4-year life to maturity from the Closing Date on a straight line basis; provided that the exchange component of the First Lien Term Loans shall be deemed to have the same Applicable Fees as the new money components of the First Lien Term Loans.

The “All-In Yield” of the existing Senior Credit Facility shall be deemed to be the First Lien All-in Yield.

“First Lien Secured Debt Blended Weighted Average All-in Yield” means the blended weighted average of the All-in Yield of all outstanding Secured Debt (as defined below) (other than Second Lien Term Loans and any permitted refinancing indebtedness in respect thereof to the extent subject to a lien pari passu with or junior to the lien securing the Second Lien Term Loans).

“Total Secured Debt Blended Weighted Average All-in Yield” means the blended weighted average of the All-in Yield of debt outstanding in respect of the Senior Credit Facility, the First Lien Term Loans, the Second Lien Term Loans, the baskets described in clauses (b), (c), (d)(1), (d)(2) and (d)(3) above and any paid in kind interest in respect thereof, together with any permitted refinancing indebtedness in respect of any of the foregoing (all such debt, the “Secured Debt”).

Reunification:

The Issuer shall not be permitted, and the Issuer shall not permit any of its restricted subsidiaries, to consolidate or merge with or into any unrestricted subsidiary unless (i) all of the New Notes have been redeemed or otherwise paid in full or (ii) (a) all of the 2023 Senior Notes have been redeemed or otherwise paid in full and (b)(A) following the 2023 Senior Notes having been redeemed or otherwise paid in full, the Issuer has an equity market capitalization of at least \$300 million based on a volume-weighted average price (VWAP) of the Common Stock for any 60 consecutive trading days immediately preceding the reunification (the “Test Period”) as well as an equity market capitalization of at least \$300 million immediately prior to the reunification, (B) the Common Stock is listed on a national securities exchange and (C) the Common Stock has an average daily trading volume of at least \$1.0 million over the Test Period.

Events of Default:

The New Notes will have customary events of default which will include cross-defaults (and cross-waiver and cross-cures) to all of the Company’s existing and future debt.

Redemption:

The New Notes shall be redeemable at any time and from time to time, in whole or in part, for 100% of the principal amount to be redeemed plus accrued and unpaid interest, if any, up to but not including the date of redemption.

Issuer Governance:

At the closing of the Exchange Offer, the Issuer will issue (a) two Special Preferred Shares to the trustee under the 2023 Senior Notes and (b) one Special Preferred Share to the trustee under the 2025 Senior Notes. The Special Preferred Shares, voting by majority or acting by majority written consent, will have the right to designate one member of the Board (the "Noteholder Director"). The Special Preferred Shares held by a trustee under the 2023 Senior Notes or the 2025 Senior Notes (each, a "Trustee") will be automatically cancelled upon the repayment in full of such New Notes.

The initial Noteholder Director will be a person selected by the Issuer from a list of three persons that are willing to serve proposed by the Ad Hoc Group and will be elected at the closing of the Exchange Offer. Any replacement Noteholder Director will be elected by the Trustee(s) holding a majority of the Special Preferred Shares at the direction of the holders of a majority of the outstanding New Notes with respect to which such Trustee acts as trustee. The Noteholder Director shall resign or be automatically removed once no New Notes remain outstanding.

The Noteholder Director will have the following rights and authority:

- (a) the Company may not file any voluntary proceeding for the bankruptcy or reorganization of any Company or enter into a plan of liquidation without the consent of the Noteholder Director and, if no Noteholder Director is then in office, no such filing or liquidation may be effected until such time as the Noteholder Director is in office and has approved such filing or liquidation; and
- (b) the irrevocable authority to cause the issuances of the Contingent Preferred Shares, Common Stock, Contingent Preferred Warrants and Automatic Conversion Warrants in accordance with (i) the terms of the indentures governing the New Notes, (ii) the Contingent Preferred Warrants and (iii) the Automatic Conversion Warrants.

The Noteholder Director will be entitled to the same cash and equity compensation, and additional benefits, if any, from the Company as the existing directors of the Company. In addition, to meet the requirements set forth in the Issuer's bylaws, the Issuer will be obligated to cause each Noteholder Director to be issued one share of Common Stock.

Transfer:

Neither the 2023 Senior Notes nor 2025 Senior Notes will be stapled to the other class of New Notes or any other security issued or issuable in the Transaction.

Trustee and Collateral Agent:

Wilmington Savings Fund Society, FSB (the "Trustee").

Notwithstanding the foregoing, in the event that the Company or any of its subsidiaries is in material default under any material indebtedness, no dividends will be permitted (other than Permitted Tax Distributions) and all excess cash flow will be applied to repay the New Secured Loan.

“Permitted Tax Distributions” means cash distributions to the direct or indirect holders of capital stock of the Issuer made not more frequently than once each fiscal quarter which shall be in an amount required to satisfy actual cash tax liabilities of such holders relating to the Issuer and its Subsidiaries for the immediately preceding fiscal quarter.

Specific Events of Default:

To the extent (a) the Issuer experiences a direct or indirect change of control (whether as a result of a sale or bankruptcy of the Company or any of its subsidiaries or creditors otherwise foreclosing on the equity of the Issuer or any parent of the Issuer), (b) the Company or any of its Subsidiaries and/or Tier 1 Acquisition UnSub or any of its Subsidiaries defaults (after giving effect to any applicable cure period) in the pooling arrangement or (c) the Company or any of its Subsidiaries and/or Tier 1 Acquisition UnSub or any of its Subsidiaries materially breaches (and such breach is uncured within the applicable grace period) certain material contracts listed on a schedule attached to the credit agreement governing the New Secured Loan (including pursuant to filing a motion to reject any material contract in bankruptcy) without the consent of the Investors, the Investors will have the right to accelerate the New Secured Loan; provided that, upon any bankruptcy event with respect to the Issuer or any Guarantor, the New Secured Loan will accelerate automatically without any action by the Investors.

Assignments

Investors shall be permitted to assign the New Secured Loan and the commitments to make the New Secured Loan without the consent of the Issuer; provided that the Issuer shall have a right of first refusal (including to bring in a financing source to take such assignment) on identical terms with respect to any assignment, other than any assignment (i) to an Investor, affiliate of an Investor or approved fund or (ii) after the occurrence and during the continuance of a payment or bankruptcy event of default. Any portion of the New Secured Loan assigned to the Issuer shall immediately be cancelled.

In no event shall an Investor be permitted to assign or participate the New Secured Loan or a commitment to make the New Secured Loan to (i) a competitor of the Company or any of its subsidiaries (or any affiliate or significant shareholder thereof) or (ii) banks, financial institutions and other lenders (together with their affiliates that are readily identifiable by name) separately identified in writing by the Company and delivered to, and approved by, the Investors prior to the consummation of the Exchange Transaction.

Indemnity:	The commitment letter and definitive documentation in respect of the Proposed Backstop Financing will contain customary indemnification provisions in favor of the Investors and any agents.
Working Capital Financing:	If necessary, the Investors are willing to provide \$15 million to the Issuer to fund working capital in the form of a secured promissory note, subject to terms and conditions to be agreed.
Equity:	<p>Tier 1 Acquisition UnSub and its subsidiaries (including Tier 3 Acquisition UnSub and the Issuer) (Tier 3 Acquisition UnSub and the Issuer, collectively, the “<u>Issuer Transaction Parties</u>”) will be structured as one or more corporations or limited liability companies which will have appropriate separateness provisions and requirements that material actions be approved by an independent director. One or more Issuer Transaction Parties will be party to a pooling arrangement with a subsidiary of the Company as contemplated by the Term Sheet (as defined in the Transaction Support Agreement, the “<u>Exchange Term Sheet</u>”).</p> <p>Concurrently with the consummation of the Exchange Transaction, the Company or one of its restricted subsidiaries will contribute certain high spec offshore service vessels as contemplated by the Transaction Support Agreement to Tier 1 Acquisition UnSub in exchange for 100% of the equity of Tier 1 Acquisition UnSub on a fully-diluted basis, which, in turn, will contribute such vessels to Tier 2 Acquisition UnSub in exchange for 100% of the equity of Tier 2 Acquisition UnSub on a fully-diluted basis, which in turn will contribute such vessels to Tier 3 Acquisition UnSub in exchange for 100% of the equity of Tier 3 Acquisition UnSub on a fully-diluted basis in the form of Class A common equity, which in turn will contribute such vessels to the Issuer in exchange for 100% of the equity of the Issuer on a fully-diluted basis.</p> <p>In connection with and in consideration for the funding of the New Secured Loan, the Investors will receive 19% of the equity of Tier 3 Acquisition UnSub on a fully-diluted basis in the form of Class B common equity upon funding (if applicable) of the New Secured Loan. A simplified version of the structure of the Company and its subsidiaries following the funding of the New Secured Loan is set forth on Exhibit A.</p> <p>The Class A common equity and Class B common equity of Tier 3 Acquisition UnSub will be <i>pari passu</i>. The governance rights of each of the holders of the Class A common equity and Class B common equity, including consent rights of the Class B common equity, will be agreed between the Company and Investors.</p> <p>In respect of the Class B common equity, if applicable, the holders will have customary (i) post-IPO demand, shelf and piggyback registration rights, (ii) tag-along rights, (iii) preemptive rights and (iv) minority consent rights.</p>

Company Redemption:

Following the date that is the earliest to occur of (x) the date on which all of the New Notes (as defined in the Transaction Support Agreement) have been redeemed or otherwise paid in full, (y) the date on which the 2025 Senior Notes Reconsolidation Conditions have been satisfied and (z) four (4) years from the issuance of the Class B common equity, if applicable, the Company shall have the right to purchase all, but not less than all, of the Class B common equity at a price (the "Redemption Price") in cash equal to the greater of (i) \$15 million and (ii) the value of the Class B common equity determined by multiplying (a) the percentage of the equity represented by the Class B common equity by (b) the sum of (x) 7x LTM EBITDA of the Issuer Transaction Parties (including fully allocated overhead) minus (y) indebtedness of the Issuer Transaction Parties plus (z) cash held by the Issuer Transaction Parties.

Forced Redemption:

If the Class B common equity is issued as contemplated above and the Class B common equity has not been redeemed in full by the Company as set forth above prior to the 5th anniversary of the issuance of the Class B common equity (the "Redemption Date"), then promptly after the Redemption Date, the Company shall commence a sale of all or a portion of the equity or assets of the Issuer Transaction Parties in order to fund the redemption of the Class B common equity in full at the Redemption Price in cash. If definitive documentation in respect of such sale has not been executed on or before six months after the Redemption Date (the "Company Sale Period"), then the holders of Class B common equity shall have the ability to (i) direct a sale of all or a portion of the equity or assets of the Issuer Transaction Parties, but only to the extent necessary to fund the redemption of the Class B common equity in full at the Redemption Price in cash, and (ii) cause such redemption; provided that, at any time during the Company Sale Period, the Company may redeem the Class B common equity in full at the Redemption Price in cash, and thereafter, terminate the sale process.

Transfer Restriction:

The holders of Class B common equity shall agree not to transfer any Class B common equity to any party that is a competitor (to be customarily defined in the definitive documentation) of the Company or any of its subsidiaries (or any affiliate or significant shareholder thereof) without the prior written consent of the Company. Any transfer to a non-affiliate of such holder of Class B common equity shall be subject to a customary right of first refusal in favor of the Company.

Tier 3 Acquisition UnSub will be governed by a management committee and a board. The governing documents of Tier 3 Acquisition UnSub will include appropriate dispute and conflict resolution mechanisms.

This paragraph shall be referred to as the "Expense and Disclosure Provision".

The definitive documentation for the New Secured Loan will contain customary expense reimbursement (including in respect of the negotiation and documentation of such definitive documentation incurred after the consummation of the Exchange Transaction) and indemnity provisions.

Alternative Transaction:

The Company may solicit proposals that are superior to the terms set forth in this Term Sheet as reasonably determined by the Company in good faith (a "Superior Proposal"); provided that the Investors shall have the right to match any such Superior Proposal during the period commencing on the date the Transaction Support Agreement is executed through the earlier of (x) the one year anniversary of the date the Exchange Transaction is consummated and (y) the date of consummation of the first fleet acquisition by the Issuer or any subsidiary thereof that is financed with the proceeds of not less than \$200,000,000 of indebtedness for borrowed money; provided, further, that the Investors shall not have the right to match any such Superior Proposal so long as (i) the party offering such Superior Proposal is the party listed on Schedule A to this Letter Agreement (together with its affiliates and managed or affiliated funds and accounts, the "Approved Party"), (ii) the Superior Proposal does not provide for the Approved Party or any designee to receive any equity in the Company or any of its subsidiaries (including Tier 1 Acquisition UnSub and its subsidiaries) and (iii) the yield to maturity (whether in the form of interest rate, margin, original issue discount, fees of any nature, rate floors or otherwise) of the financing provided for in such Superior Proposal does not exceed 13% per annum.

The Investors shall have the option during the 15 business day period following receipt of such Superior Proposal (the "ROFR Period") to agree to provide financing on the same terms as contemplated by such Superior Proposal. In the event that the Investors elect to provide such financing, the Investors shall enter into a commitment letter on substantially the same terms as provided for in such Superior Proposal no later than the last day of the ROFR Period. If any material terms of the proposed transaction provided in such notice to the Investors change in a manner that is less

favorable to the Company as reasonably determined by the Company in good faith, the Company shall immediately provide notice to the Investors of such change and the ROFR Period shall be extended for an additional 10 business days (or, if the ROFR Period shall have ended prior to delivery of such notice, the ROFR period shall be reinstated for a period of 10 business days following receipt of such notice).

The right of first refusal described above shall be allocated among the Investors pro rata in accordance with the Allocation Schedule. In the event that an Investor elects not to participate (a "Non-Electing Investor"), the Investors electing to participate shall have the right to fund such Non-Electing Investor's portion pro rata in accordance with the Allocation Schedule (after removing such Non-Electing Investor's allocation therefrom).

The right of first refusal described above shall be referred to as the "Right of First Refusal Provision".

As contemplated by the Exchange Term Sheet, the indenture governing the exchange notes will include limitations on financings and acquisitions by the Issuer and its subsidiaries.

Those matters that are not covered herein are subject to the approval and agreement of the Investors and the Issuer, each acting reasonably.

**HORNBECK OFFSHORE ENTERS INTO TRANSACTION SUPPORT AGREEMENT AND
 STOCKHOLDER SUPPORT AGREEMENTS AND COMMENCES
 EXCHANGE OFFERS, TENDER OFFER AND CONSENT SOLICITATIONS
 FOR ANY AND ALL OF ITS \$674 MILLION OF OUTSTANDING
 5.875% SENIOR NOTES DUE 2020 AND 5.000% SENIOR NOTES DUE 2021**

February 14, 2020 — Covington, Louisiana — Hornbeck Offshore Services, Inc. (NYSE:HOS, OTCQB:HOSS) (the “Company”) announced today that with the support of a super-majority of the holders of the Company’s Existing Notes (defined below) and a majority of the Company’s stockholders, it has commenced private offers to exchange (the “Exchange Offers”) any and all of its outstanding 5.875% Senior Notes due 2020 (the “2020 Notes”) and 5.000% Senior Notes due 2021 (the “2021 Notes” and, together with the 2020 Notes, the “Existing Notes”) for a combination of its newly issued 10.000% Senior Notes due 2023 (the “2023 Senior Notes”) and 5.500% Senior Notes due 2025 (the “2025 Senior Notes” and, together with the 2023 Senior Notes, the “New Notes”) and a private offer to purchase (the “Cash Tender Offer” and, together with the Exchange Offers, the “Offers”) for cash up to \$66.7 million in aggregate principal amount (the “Tender Cap”) of Existing Notes upon the terms and conditions set forth in a confidential Offering Memorandum and Consent Solicitation Statement dated February 14, 2020 (the “Offering Memorandum”).

The Company has also entered into a Transaction Support Agreement, dated February 14, 2020 (the “Transaction Support Agreement”) with holders (the “Supporting Holders”) of approximately 80% of the \$224.3 million aggregate principal amount of outstanding 2020 Notes and 89% of the \$450.0 million aggregate principal amount of outstanding 2021 Notes. Pursuant to the Transaction Support Agreement, the Supporting Holders have agreed to (i) validly tender their Existing Notes in the Exchange Offers, (ii) deliver their consents and agreed waiver and releases in connection with the consent solicitation (the “Consent Solicitations” and such consents, the “Consents”) described below, (iii) not to withdraw or revoke any Existing Notes tendered and any Consents delivered in the Exchange Offers and the Consent Solicitations; and (iv) cooperate with and support the Company’s efforts to consummate the Offers and Consent Solicitations.

In connection therewith, the Company has also received advance stockholder support agreements from approximately 52% of the holders of its outstanding common stock to vote in favor of certain proposals contained in a proxy solicitation required as a condition to the Exchange Offers. The proposals will require approval of 66 2/3% of the Company's stockholders.

In addition to extending the Company's upcoming debt maturities, if the Exchange Offers are consummated, the Company will contribute certain vessels and related assets to one or more "unrestricted subsidiaries" that are not subject to most of the restrictions under the indentures governing the New Notes or the Company's existing credit facilities. The Company and certain Supporting Holders (the "Backstop Lenders") have entered into a Letter Agreement Regarding Proposed Backstop Financing, pursuant to which, subject to the terms and conditions thereof, the Backstop Lenders have agreed to pursue in good faith a financing described therein to a to-be-formed unrestricted subsidiary of the Company (the "Borrower") in the form of a senior secured loan (the "New Secured Loan") in a principal amount of not less than \$200,000,000, the proceeds of which are intended to fund the acquisition of certain assets. The Borrower is not required to draw on the New Secured Loan, and this structure will permit the Company to immediately seek separate financings through these unrestricted subsidiaries, increasing liquidity and providing flexibility for the Company to pursue acquisition opportunities. As of the date hereof, there are no agreements or arrangements with respect to the acquisition of any specific assets.

Eligible Holders other than Supporting Holders are eligible to tender Existing Notes for cash and receive for each \$1,000 principal amount of Existing Notes validly tendered (and not validly withdrawn) the consideration set forth in the table above and cash in an amount equal to accrued and unpaid interest, if any, to, but not including, the Settlement Date at or prior to the Early Tender Time (the "Early Tender Consideration") and after the Early Tender Time but at or prior to the Expiration Time (the "Late Tender Consideration"), subject to proration due to application of the Tender Cap. Additionally, Supporting Holders who acquire Existing Notes after the initial date of this Offering Memorandum (the "After Acquired Existing Notes"), are eligible to tender such After Acquired Existing Notes and receive the Early Tender Consideration or Late Tender Consideration, as applicable, subject to proration due to application of the Tender Cap.

If at the Early Tender Time, the aggregate principal amount of Existing Notes validly tendered in the Cash Tender Offer (and not validly withdrawn) exceeds the Tender Cap, subject to the terms and conditions set forth herein, (i) an aggregate principal amount of Existing Notes tendered at or prior to the Early Tender Time equal to the Tender Cap will be accepted for purchase on a pro rata basis and (ii) any Existing Notes validly tendered at or prior to the Early Tender Time and not accepted for purchase due to application of the Tender Cap, along with any Existing Notes Tendered after the Early Tender Time and at or prior to Expiration Time will be deemed to be tendered in the Exchange Offers as described above.

principal amount of Existing Notes tendered after the Early Tender Time and at or prior to the Expiration Time equal to the amount remaining under the Tender Cap after the application of clause (i) will be accepted for purchase on a pro rata basis, and (iii) any Existing Notes not accepted for purchase due to application of the Tender Cap will be deemed to be tendered in the Exchange Offers as described above.

The Offers will expire at 11:59 p.m., New York City time, on March 23, 2020, unless extended (as it may be extended, the "Expiration Time"). Tenders of Existing Notes in the Offers may be validly withdrawn at any time prior to 5:00 p.m., New York City time, on February 28, 2020, unless extended, but will thereafter be irrevocable, even if the Company otherwise extends the Early Tender Time or extends the Offers beyond the Expiration Time, subject to limited exceptions or unless required by law. The Company currently expects the settlement date to be on or about March 25, 2020 (such date, the "Settlement Date").

In conjunction with the Offers, the Company commenced the Consent Solicitation through which it is soliciting Consents from Eligible Holders to (i) eliminate substantially all of the restrictive covenants and certain of the default provisions in the indenture, dated as of March 16, 2012 (the "2020 Notes Indenture"), among the Company, each of the Guarantors named therein, and Wilmington Trust, National Association, as trustee (the "Trustee") (as successor to Wells Fargo Bank, National Association), and the indenture, dated as of March 28, 2013 (the "2021 Notes Indenture" and, together with the 2020 Notes Indentures, the "Existing Notes Indentures"), among the Company, each of the subsidiary guarantors party thereto and the Trustee, (ii) acknowledge, agree and confirm that the exchange offer (the "2019 Exchange Offer") related to the Second Lien Term Loan, which was commenced on January 7, 2019 and settled on February 7, 2019, together with all related transactions, are and were permitted under the Existing Notes Indentures and (iii) constitute a waiver by all Eligible Holders of any Default (as such term is defined in the Existing Notes Indentures, whether alleged or otherwise, under the Existing Notes Indentures as a result of the 2019 Exchange Offer (collectively, the "Proposed Amendments"). Eligible Holders may not tender Existing Notes without delivering the related Consents, and Eligible Holders may not deliver Consents without tendering the related Existing Notes. Eligible Holders will not receive any additional consideration for their Consents. The Company must receive Consents by Eligible Holders representing a majority of the outstanding principal amount of the Existing Notes to adopt the Proposed Amendments.

For as long as any of the New Notes remain outstanding, upon the occurrence of certain events of default that have not, in certain cases, been permanently cured or permanently waived under the New Notes or any of the Company's existing or future debt instruments, at the election of holders of a majority of the outstanding principal amount of the New Notes voting as a single class (i) the Company will issue to the holders of the New Notes shares of the Company's preferred stock \$0.00001 par value per share that on a post-issuance basis represents 98% of the economics of the Company and the right to vote 98% of the voting interests of the Company, and/or (ii) the New Notes will convert into shares of the Common Stock after giving effect to an amendment and restatement of the Company's Certificate of Incorporation, representing 98% post-issuance of the then outstanding shares of Common Stock.

The consummation of the Offers is conditioned upon (i) holders of at least 99% in principal amount of each of the 2020 Notes and the 2021 Notes tendering Existing Notes for New Notes or cash at or prior to the Expiration Time and (ii) approval by 66 2/3% of the Company's stockholders of (A) the issuance of the New Notes as well as the Company's common stock, issuable pursuant to the terms of the New Notes, the securities underlying the New Notes and certain warrants issuable in connection with or coincident with the Exchange Offers as required by the New York Stock Exchange and (B) an amendment to the Company's certificate of incorporation (the "Certificate of Incorporation") to amend certain provisions of the Certificate of Incorporation as set forth in the Offering Memorandum at a special meeting of stockholders of the Company in connection with the Offers. Subject to applicable law and agreements with certain of the Eligible Holders, the Offers and Consent Solicitations may be amended, extended or terminated.

The Offers are being made, and the New Notes are being offered and issued, only to holders of Existing Notes who are reasonably believed to be (a) "qualified institutional buyers" (as defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act")), (b) "accredited investors" as that term is defined in Rule 501(a) of Regulation D under the Securities Act or (c) non-U.S. persons in compliance with Regulation S under the Securities Act, in a private placement in reliance upon an exemption from the registration requirements of the Securities Act. The holders of Existing Notes who are eligible to participate in the Offers pursuant to the foregoing conditions are referred to as "Eligible Holders."
