## ARTICLE IV
## TRANSFERS

Section 4.1 Rights and Obligations of Transferees. In connection with any Transfer of Company Securities (including any issuance of any Company Securities by the Company), other than in connection with a Transfer pursuant to Section 4.7, as a condition thereto, the applicable Transferee, unless already a party to this Agreement, shall agree in writing, by executing and delivering the form of Joinder Agreement, to become a party to this Agreement and assume all of the obligations in this Agreement applicable to the Transferring Securityholder with respect to the Company Securities being Transferred.

Section 4.2 Transferability. Each Securityholder shall not be restricted by this Agreement from Transferring any of its Company Securities;*provided*, that such Transfer complies with this Article IV and the other provisions of this Agreement, the Company's other Organizational Documents and Applicable Law (including the Jones Act and the Jones Act Restriction).

Section 4.3 Restrictions on Transfer.

(a) No Transfer of any Company Securities shall be permitted if:

(i) such Transfer would cause the record number of Securityholders of any class of Company Securities to exceed the applicable threshold for registration under the Exchange Act, or if the Board otherwise determines that such Transfer could result in the Company's being required to file reports with the Commission under the Exchange Act or otherwise;

(ii) such Transfer would violate the Securities Act or applicable federal and state securities or blue sky laws;

(iii) such Transfer is made to a Person who lacks the legal right, power or capacity to own such Company Securities; or

(iv) such Transfer is made to a Disqualified Person other than any Transfer (A) approved with the prior written consent of the Board or (B) pursuant to Section 4.7.

(b) To the extent any Company Securities are represented by certificates (a "**Certificate**"), all such Certificates held by any Securityholder shall bear a legend substantially to the following effect:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A SECURITYHOLDERS AGREEMENT AMONG HORNBECK OFFSHORE SERVICES, INC. AND THE HOLDERS PARTY THERETO, A COPY OF WHICH IS ON FILE WITH THE SECRETARY OF HORNBECK OFFSHORE SERVICES, INC. THE SECURITYHOLDERS AGREEMENT CONTAINS, AMONG OTHER THINGS, CERTAIN PROVISIONS RELATING TO THE TRANSFER OF THE SECURITIES SUBJECT TO THE AGREEMENT. NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY, DIRECTLY OR INDIRECTLY, BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH SECURITYHOLDERS AGREEMENT. THE HOLDER OF THIS CERTIFICATE, BY ACCEPTANCE OF THIS CERTIFICATE, AGREES TO BE BOUND BY ALL OF THE PROVISIONS OF SUCH SECURITYHOLDERS AGREEMENT.

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND MAY NOT BE TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS THEY HAVE BEEN REGISTERED UNDER THAT ACT OR AN EXEMPTION FROM REGISTRATION IS AVAILABLE."

Notwithstanding anything to the contrary in the foregoing, only the condition set forth in Section 4.3(a)(ii) (and not any of the other conditions listed above) shall apply to any Transfer in a Drag Transaction.

Section 4.4 Transfers Not in Compliance. Notwithstanding anything to the contrary contained in this Agreement, any Transfer or attempted Transfer of any Company Securities in violation of any provision of this Agreement shall be null and void *ab initio* and of no force or effect whatsoever, no such Transfer shall be recorded on the Company's books and the purported Transferee in any such Transfer shall not be treated (and the Securityholder proposing to make any such Transfer shall continue be treated) as the owner of such Company Securities for all purposes of this Agreement. The Company may institute legal proceedings to force rescission of a Transfer prohibited by this Agreement and to seek any other remedy available to it at law, in equity or otherwise, including an injunction prohibiting any such Transfer.

Section 4.5 IPO Demand Rights.

(a) Subject to Section 4.5(d), any one or more Securityholders (collectively, the "**Initiating IPO Securityholder**") collectively holding (A) during the period of three (3) years from the Effective Date, 60% or more of the Fully Diluted Securities and (B) thereafter, 30% or more of the Fully Diluted Securities, shall have the right to effect, and to cause the Company and each other Securityholder to consent, to a Qualified IPO.

(b) In connection with any such Qualified IPO, each Securityholder shall be required to vote, if such a vote is required by this Agreement, Applicable Law, or otherwise, its Voting Stock of the Company in favor of such Qualified IPO at any Stockholders Meeting called to vote on or approve such Qualified IPO and/or to consent in writing to such Qualified IPO, and the Securityholders and the Company shall take all other Necessary Action to cause, and shall not interfere with, the consummation of such Qualified IPO on the terms and conditions proposed or approved by the Initiating IPO Securityholder, including executing, acknowledging and delivering consents, waivers and other documents or instruments, furnishing information and copies of documents, and filing applications, reports, returns and other documents or instruments with governmental authorities; *provided* that in each case, each Securityholder shall be provided with reasonable prior notice of, and the opportunity to review (including with its external advisors), any such actions so required by Securityholders to cause the consummation of such Qualified IPO.

(c) Each Securityholder and the Company shall cooperate in any such Qualified IPO and will take all Necessary Action in connection with the consummation of the Qualified IPO as are reasonably requested by the Initiating IPO Securityholder (including the restructuring of the Company and its Subsidiaries to facilitate such Qualified IPO). Without limiting the generality of the foregoing, in connection with any such Qualified IPO, the Company shall take all necessary steps to engage an internationally recognized financial institution as the managing underwriter selected by the Board to lead such Qualified IPO, and each Securityholder, the Company and its Subsidiaries and their respective employees, officers, and advisors shall reasonably cooperate with such underwriter in connection with such Qualified IPO.

(d) The Initiating IPO Securityholder shall, in its sole discretion, decide whether or not to pursue, consummate, postpone or abandon such proposed Qualified IPO initiated pursuant to this Section 4.5 and the terms and conditions hereof. Except as expressly provided in this Section 4.5, the Board shall make all other decisions regarding the Qualified IPO. No Securityholder or Affiliate of a Securityholder shall have any liability to any other Securityholder or the Company arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any proposed Qualified IPO subject to this Section 4.5, except to the extent such Securityholder shall have failed to comply with the provisions of this Section 4.5.

Section 4.6 Tag-Along Right.

(a) Each of the Securityholders hereby agrees that if any one or more Securityholders (each, an "**Initiating Tag Securityholder**") shall, in any one transaction or any series of related transactions, directly or indirectly, propose to Transfer Common Stock or Jones Act Warrants that represent greater than 50% of the Fully Diluted Securities (such Common Stock or Jones Act Warrants, the "**Tag-Along Securities**") to any Person, other than a Person that is a Permitted Transferee of an Initiating Tag Securityholder (a "**Tag-Along Transaction**"), the Initiating Tag Securityholders (or a designated representative acting on their behalf) shall deliver written notice (a "**Tag-Along Notice**") to the Company, and the Company shall deliver such Tag-Along Notice to each Securityholder other than the Initiating Tag Securityholders (the "**Tag-Along Rightholders**"), at least fifteen (15) Business Days prior to the consummation of such Tag-Along Transaction, offering the Tag-Along Rightholders the opportunity to participate in such Tag-Along Transaction on the terms and conditions set forth in the Tag-Along Notice (which terms and conditions shall be the same as those terms and conditions applicable to the Initiating Tag Securityholders, except as to the number of Company Securities proposed to be sold and except that any Tag-Along Rightholder shall be permitted to sell either Common Stock or Jones Act Warrants (such Company Securities which Tag-Along Rightholders are so entitled to sell, the "**Tag-Eligible Securities**" and, together with the Tag-Along Securities, the "**Tag Securities**"). The Tag-Along Notice shall contain a general description of the material terms and conditions of the Tag-Along Transaction, including the identity of the parties to the proposed Tag-Along Transaction, the total number of Tag-Along Securities proposed to be sold, the proposed amount and form of consideration and whether any termination fee, break-up fee or similar fee would be payable by the Initiating Tag Securityholders and the Tag-Along Rightholders if the Tag-Along Transaction is not consummated (and the amount of any such termination fee, break-up fee or similar fee), and a copy of any acquisition agreement entered into in connection with such Tag-Along Transaction.

(b) Each Tag-Along Rightholder may, by written notice to the Initiating Tag Securityholders (or their designated representative) delivered within ten (10) Business Days after delivery of the Tag-Along Notice to such Tag-Along Rightholder (the "**Tag-Along Notice Period**"), elect to sell an amount up to its pro rata portion (based on the relative ownership of the then-outstanding Fully Diluted Securities as of the date of the Tag-Along Notice) of the Tag Securities to be Transferred to the proposed Transferee on the same terms and conditions as the Initiating Tag Securityholders. Failure to respond within the Tag-Along Notice Period shall constitute an irrevocable rejection of the offer made pursuant to the Tag-Along Notice and an irrevocable waiver by such Tag-Along Rightholder of its rights under this Section 4.6 only with respect to the applicable Tag-Along Transaction. If at the end of the Tag-Along Notice Period (i)

any Tag-Along Rightholder has declined to exercise its rights under this Section 4.6 or (ii) any Tag-Along Rightholder has elected to exercise its rights under this Section 4.6 with respect to less than all of such Tag-Along Rightholder's pro rata portion (the Tag-Along Securities described in clauses (i) and (ii) for which a Tag-Along Rightholder did not elect to exercise its rights under this Section 4.6, the "**Reallotment Securities**"), the Initiating Tag Securityholders shall give prompt written notice thereafter to each Tag-Along Rightholder that has elected to fully exercise its rights under this Section 4.6 (each such Person, a "**Full Tagging Person**"), of the right to sell in the Tag-Along Transaction a number of additional Tag-Along Securities in an amount up to its pro rata portion (based on the relative ownership of the then-outstanding Fully Diluted Securities held by all Full Tagging Persons and the Initiating Tag Securityholders as of the date of the Tag-Along Notice) of the Reallotment Securities (or such greater portion of the Reallotment Securities (up to all of the Reallotment Securities) as such Full Tagging Person may indicate in its election to exercise such right (*provided*, that if more than one Full Tagging Person elects to sell such greater portion, and the elections of all such Full Tagging Persons cannot be accommodated in full, then the right to sell more than each such Full Tagging Person's pro rata portion shall be allocated among all such Full Tagging Persons and the Initiating Tag Securityholders pro rata to such Full Tagging Persons' relative ownership of the then-outstanding Fully Diluted Securities held by all Full Tagging Persons as of the date of the Tag-Along Notice). Each such Full Tagging Person shall have three (3) Business Days to notify the Initiating Tag Securityholders of its election to exercise its rights to sell additional Tag-Along Securities pursuant to this Section 4.6(b).

(c) In connection with any Tag-Along Transaction in which any Tag-Along Rightholder elects to participate pursuant to this Section 4.6, each such Tag-Along Rightholder will take all necessary or desirable actions reasonably requested by the Initiating Tag Securityholders or the Company in connection with the consummation of such Tag-Along Transaction, including executing and delivering the applicable purchase agreement, merger agreement, indemnity agreement, escrow agreement, letter of transmittal or other agreements or documents governing or relating to such Tag-Along Transaction that the Company, the Initiating Tag Securityholders or the Transferee in such Tag-Along Transaction may reasonably request (the "**Tag-Along Transaction Documents**"), pursuant to which such Initiating Tag Securityholder and Tag-Along Rightholder shall agree to (A) provide customary representations and warranties regarding its legal status and authority, its ownership of the Tag Securities being Transferred (free and clear of liens and encumbrances), the due execution of the Tag-Along Transaction Documents and their enforceability, no conflicts with material agreements, law or judgment, order or decree of any governmental authority and customary (several but not joint) indemnities regarding the same, (B) participate pro rata based on the consideration to be received by such Tag-Along Rightholder in any customary indemnities with respect to matters other than the representations and warranties described in clause (A) above, it being understood that such participation shall be limited to funding, out of consideration to be received by such Tag-Along Rightholder, on a pro rata basis based on the consideration to be received by such Tag-Along Rightholder, any escrow arrangements related thereto and being responsible for such Tag-Along Rightholder's pro rata share of any withdrawals therefrom and (C) a customary confidentiality covenant; *provided*, that in no event shall any Tag-Along Rightholder be obligated to (x) agree to any restrictive covenant, including any non-competition covenant, employee non-solicit covenant or other similar agreement restricting the business operations or investments of the Tag-Along Rightholder or any of its Affiliates as a condition of participating in such Transfer other than the customary

confidentiality covenant described above (in each case except as otherwise provided in any Management Securityholder's employment or similar agreement in effect immediately prior to the consummation of the proposed Tag-Along Transaction), or (y) to agree to any indemnification obligations or contribute any amount in excess of the net cash amount received by such Tag-Along Rightholder in any such Tag-Along Transaction. In the event that the proposed Transferee in a Tag-Along Transaction does not purchase the number of Tag-Eligible Securities required to be included pursuant to this Section 4.6 on the terms and conditions of this Section 4.6, then no Initiating Tag Securityholder or Tag-Along Rightholder shall be permitted to sell any Tag-Along Securities to the proposed Transferee in such Tag-Along Transaction.

(d) At the closing of any Tag-Along Transaction in which any Tag-Along Rightholder has exercised its rights under this Section 4.6, such Tag-Along Rightholder shall deliver, against payment of the consideration therefor in accordance with the terms of the Tag-Along Transaction Documents, certificates or other documentation (or other evidence thereof reasonably acceptable to the Transferee of such Company Securities) representing its Tag-Eligible Securities to be sold, duly endorsed for Transfer or accompanied by duly endorsed stock powers, and such other documents as are deemed reasonably necessary by the Initiating Tag Securityholders, the Transferee and/or the Company for the proper Transfer of such Tag-Eligible Securities on the books of the Company, free and clear of any liens (other than liens imposed by this Agreement, the other Organizational Documents or Applicable Law or that are otherwise permitted pursuant to the Tag-Along Transaction Documents).

(e) Each Initiating Tag Securityholder and each Tag-Along Rightholder electing to participate in a Tag-Along Transaction will bear its pro rata share (based upon the relative number of Tag Securities, on an as-converted or exercised basis, to be sold by each such Person in such Tag-Along Transaction) of the costs and expenses of any such Tag-Along Transaction to the extent such costs and expenses are incurred for the benefit of all such Securityholders and are not otherwise paid by the Company or the Transferee. Costs and expenses incurred by any such Securityholder on its own behalf will not be considered costs of the Tag-Along Transaction and will be borne solely by such Securityholder.

(f) The Company shall, and shall use its commercially reasonable efforts to cause its Officers, managers, employees, agents, contractors and others under its control to, cooperate and assist in any proposed Tag-Along Transaction.

(g) If any Tag-Along Rightholder electing to participate in a Tag-Along Transaction breaches any of its obligations under this Section 4.6 or under any of the Tag-Along Transaction Documents, then such Tag-Along Rightholder will be provided a notice of such breach promptly (and in any event within three (3) Business Days) following the identification thereof and a reasonable opportunity to cure any such breach (if curable) and, if such breach remains uncured as of the date that is ten (10) Business Days following delivery of such notice, then such Tag-Along Rightholder will not be permitted to participate in such Tag-Along Transaction and the Initiating Tag Securityholders may proceed to close such Tag-Along Transaction excluding the sale of such Tag-Along Rightholder's Tag-Along Securities therefrom.

(h) The consideration to be received by a Tag-Along Rightholder shall be the same form and amount of consideration per Tag Security to be received by the Initiating Tag Securityholder, and the terms and conditions of such sale shall be the same as those upon which the Initiating Tag Securityholder sells its Tag-Along Securities; *provided*, that if the Initiating Tag Securityholder shall have a *bona fide* election as to the form of consideration to be received in a Tag-Along Transaction, the Tag-Along Rightholders shall have the opportunity to make the same election with respect thereto. If any Securityholders of Tag Securities are given an option as to the form and amount of consideration to be received in the Tag-Along Transaction, all the Tag-Along Rightholders must be given the same option.

(i) Any Tag-Along Transaction pursuant to this Section 4.6 shall occur within ninety (90) days after delivery of the Tag-Along Notice to the Tag-Along Rightholders; *provided* that, if such Tag-Along Transaction is subject to regulatory approval and such regulatory approval is required by the binding, definitive agreement entered into to give effect to such transactions, such ninety (90)-day period shall be extended until the expiration of 10 Business Days after all such approvals have been received or the relevant transaction document is terminated. If, at the end of such period, the Initiating Tag Securityholder has not completed the sale or other disposition of all of the Company Securities being held by the Company in accordance with the terms and conditions of the proposed Tag-Along Transaction, the Company shall return to each of the Tag-Along Rightholders any unsold certificates or evidences of ownership delivered in accordance with Section 4.6(d) above, together with any other documents in the possession of the Company executed by the Tag-Along Rightholders in connection with the proposed Tag-Along Transaction, and all the restrictions on Transfer contained in this Agreement with respect to the unsold Company Securities that are returned to the Tag-Along Rightholders shall again be in effect.

(j) The provisions of this Section 4.6 shall not apply in the event that an Initiating Drag Securityholder Transfers Company Securities in a Drag Transaction in which such Initiating Drag Securityholder exercises its rights under Section 4.7.

Section 4.7 Drag-Along Right.

(a) Subject to Section 4.7(h), and the prior approval of the Board, any one or more Securityholders (the "**Initiating Drag Securityholder**") collectively holding greater than 60% of the Fully Diluted Securities shall have the right to effect, and to cause the Company and each other Securityholder to consent to and participate in, a sale of all of the Company Securities or all or substantially all of the assets of the Company, as the case may be, to any Person, other than a Person that is a Permitted Transferee of any of the Initiating Drag Securityholders, in a single transaction or series of related transactions, whether pursuant to a sale of the Company Securities or an alternate form of transaction at the election of the Initiating Drag Securityholder (whether by a merger transaction, business combination, consolidation or sale of all of the Company Securities or all or substantially all of the assets of the Company) (a "**Drag Transaction**"), and if requested by the Initiating Drag Securityholder, each other Securityholder (each, a "**Selling Securityholder**") shall be required to sell all of its Company Securities (or, if applicable, to take all Necessary Action to support and consummate such alternate form of transaction) in accordance with this Section 4.7.

(b) In connection with a Drag Transaction, all Securityholders shall receive the same type and amount of consideration per share of each class of Company Securities as is received by other Securityholders of such class of Company Securities (and, subject to appropriate adjustments to reflect the exercise price of Warrants in accordance with the Warrant Agreements, shall receive the same type and amount of consideration per share as is received by other Securityholders for Common Stock), whether cash, securities or otherwise (and, subject to clause (y) below, if any Securityholder is given an option as to the form of consideration to be received in respect of its Company Securities, all other Securityholders shall be given the same option on the same terms), in each case in accordance with the Organizational Documents and the Warrant Agreements, and the terms and conditions of such Drag Transaction shall be the same as those applicable to the Initiating Drag Securityholder; *provided*, (w) that in no event shall a Selling Securityholder be obligated to accept any form of consideration in connection with any Drag Transaction other than cash or publicly traded Equity Interests that are not subject to restrictions on Transfer as a result of contractual provisions or Applicable Laws, (x) to the extent any Management Securityholder obtains the right to make a debt or equity investment in a purchaser or one of its Affiliates in connection with a Drag Transaction (whether directly or through a contribution of Equity Securities of the Company) (a "**Rollover Investment**"), such Rollover Investment shall not in itself constitute such Management Securityholder receiving different consideration from the other Securityholders, (y) in the event that any Selling Securityholder is not an Accredited Investor, such Selling Securityholder may, in the discretion of the Board, receive, and hereby agrees to accept, in lieu of any consideration in the form of unregistered securities, cash consideration with an equivalent value to such securities as determined by the Board, and (z) the aggregate consideration receivable by all Securityholders shall be allocated among the Securityholders in the manner specified by the Organizational Documents and Warrant Agreements. In connection with the Drag Transaction, each Selling Securityholder shall agree (A) to provide customary representations and warranties regarding its legal status and authority, its ownership of the Company Securities being Transferred (free and clear of liens and encumbrances,), the due execution of the transaction documents and their enforceability, no conflicts with material agreements, law or judgment, order or decree of any governmental authority and customary (several but not joint) indemnities regarding the same, and (B) to participate pro rata based on the consideration to be received by such Selling Securityholder in any customary indemnities with respect to matters other than the representations and warranties described in clause (A) above, it being understood that such participation shall be limited to funding out of the consideration to be received by such Selling Securityholder, on a pro rata basis based on the consideration to be received by such Selling Securityholder, any escrow arrangements related thereto and being responsible for such Securityholder's pro rata share, on an as-converted basis, of any withdrawals therefrom. Notwithstanding anything to the contrary contained herein, in no event shall (I) any Selling Securityholder (other than a Management Securityholder) be required to agree to any restrictive covenant, including any non-competition covenant, employee non-solicit covenant or other similar agreement restricting the Securityholder from engaging or investing in any business as a condition of participating in such Transfer, other than confidentiality, (II) any Management Securityholder be required to agree to any restrictive covenant other than reconfirming the terms of any agreement then in effect between such Management Securityholder and the Company, or (III) any Securityholder be required to agree to any indemnification obligations or contribute any amount in excess of the net cash amount received by such Selling Securityholder in any such Drag Transaction.

(c) In connection with any Drag Transaction, each Selling Securityholder shall be required to vote, if such a vote is required by this Agreement, Applicable Law or otherwise, its Voting Stock of the Company in favor of such Drag Transaction at any Securityholders Meeting called to vote on or approve such Drag Transaction or to consent in writing to such Drag Transaction, and the Securityholders and the Company shall take all other Necessary Action to cause, and shall not interfere with, the consummation of such Drag Transaction on the terms and conditions proposed by the Initiating Drag Securityholder, including executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments, furnishing information and copies of documents, and filing applications, reports, returns and other documents or instruments with governmental authorities; *provided* that in each case, a Selling Securityholder shall be provided with reasonable prior notice of, and the opportunity to review (including with its external advisors), any such actions so required by Selling Securityholders to cause the consummation of a Drag Transaction. Without limiting the foregoing, (A) each Securityholder shall vote or cause to be voted all Voting Stock of the Company that such Securityholder holds or with respect to which such Securityholder has the power to direct the voting and which are entitled to vote on such Drag Transaction in favor of such Drag Transaction and shall waive any dissenter's rights, appraisal rights or similar rights which such Securityholder may have in connection therewith and (B) if the proposed Drag Transaction is structured as or involves a sale or redemption of Company Securities, then each Securityholder shall agree to sell such Securityholder's Company Securities being sold in such Drag Transaction on the terms and conditions approved by the Board or proposed by the Initiating Drag Securityholder, as applicable, and such Securityholders shall execute all documents reasonably necessary or required to effectuate such Drag Transaction.

(d) Each Selling Securityholder shall cooperate in the Drag Transaction and will take all Necessary Actions in connection with the consummation of the Drag Transaction as are reasonably requested, including, in the event of a Drag Transaction involving the Transfer of Company Securities, delivering the duly endorsed certificate or certificates if any, representing the Company Securities beneficially owned by such Selling Securityholder to be sold or, in the event the Company Securities are held in book entry, such evidence of ownership and Transfer as the transfer agent for the Company Securities may reasonably require in order to effect the Transfer thereof, and a stock power and limited power-of-attorney authorizing the Company to take all Necessary Actions to sell or otherwise dispose of such securities on the terms contemplated by this Section 4.7 in the Drag Transaction. Such power-of-attorney shall be irrevocable and coupled with an interest. In the event that a Selling Securityholder should fail to deliver such certificates and/or documentation, the Company shall cause the books and records of the Company to show that such Company Securities is bound by the provisions of this Section 4.7 and that such Company Securities may be Transferred to the purchaser in such Drag Transaction.

(e) The fees and expenses, other than those payable to any Selling Securityholder or any of their respective Affiliates, incurred in connection with a Drag Transaction under this Section 4.7 and for the benefit of all Selling Securityholders (it being understood that costs incurred by or on behalf of a Selling Securityholder for his, her or its sole benefit, will not be considered to be for the benefit of all Selling Securityholders), to the extent not paid or reimbursed by the Company or the Transferee or acquiring Person, shall be shared by all the Selling Securityholders on a pro rata basis, in proportion to the consideration received by each Selling Securityholder; *provided*, that no Selling Securityholder shall be obligated to make anyout-of-pocket expenditure prior to the consummation of the Drag Transaction consummated pursuant to this Section 4.7 (excluding de minimis expenditures).

(f) The Initiating Drag Securityholder shall provide written notice (the "**Drag-Along Notice**") to each Selling Securityholder of any proposed Drag Transaction as soon as practicable; *provided*, that such Drag-Along Notice shall be provided to each Selling Securityholder no later than twenty (20) Business Days prior to the consummation of the Drag Transaction. The Drag-Along Notice will include the material terms and conditions of the Drag Transaction, including (x) the name and address of the proposed Transferee, (y) the proposed amount and form of consideration and (z) the proposed Transfer date, if known. The Initiating Drag Securityholder will deliver or cause to be delivered to each Selling Securityholder copies of all transaction documents (including any schedules, exhibits and annexes thereto) relating to the Drag Transaction promptly as the same become available. Any Drag Transaction pursuant to this Section 4.7 shall occur within one hundred eighty (180) days after delivery of the Drag-Along Notice to the Selling Securityholder unless agreed in writing to be extended by the Board and the Selling Securityholders; *provided* that, if such Drag Transaction is subject to regulatory approval and such regulatory approval is required by the binding, definitive agreement entered into to give effect to such transactions, such one hundred eighty (180)-day period shall be extended until the expiration of ten (10) Business Days after all such approvals have been received or the relevant transaction document is terminated. If, at the end of such period, the Company has not completed the sale or other disposition of the Company Securities in accordance with the terms and conditions of the proposed Drag Transaction, the Company shall return to each of the Selling Securityholders any certificates or evidences of ownership delivered in accordance with Section 4.7(d) and any limited powers-of-attorney received by the Company, together with any other documents in the possession of the Company executed by the Selling Securityholder in connection with the proposed Drag Transaction, and all the restrictions on Transfer contained in this Agreement with respect to the Company Securities shall again be in effect.

(g) If the Board, in connection with a Drag Transaction, appoints a Securityholders' representative (the "**Securityholders' Representative**") with respect to matters affecting the Selling Securityholders under the related transaction documentation, such Securityholders' Representative shall be a third-party firm that provides such transaction services and each Selling Securityholder agrees (A) to consent to (1) the appointment of such Securityholders' Representative, (2) the establishment of any applicable escrow, expense or similar fund in connection with any indemnification or similar obligations and (3) the payment of such Selling Securityholders' pro rata portion (from the applicable escrow) of any and all reasonable fees and expenses to such Securityholders' Representative in connection with such Drag Transaction and its related service as the Securityholders' Representative and (B) not to assert any claim or commence any suit against the Securityholders' Representative in connection with its services as the Securityholders' Representative, absent fraud, gross negligence or willful misconduct.

(h) The Initiating Drag Securityholder shall, in its sole discretion, decide whether or not to pursue, consummate, postpone or abandon any proposed Transfer subject to this Section 4.7 and the terms and conditions hereof. No Securityholder or Affiliate of a Securityholder shall have any liability to any other Securityholder or the Company arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any proposed Transfer subject to this Section 4.7, except to the extent such Securityholder shall have failed to comply with the provisions of this Section 4.7.

**ARTICLE V**
**PREEMPTIVE RIGHTS**

Section 5.1 Preemptive Rights.

(a) *Generally*. The Board, subject to the Company's Organizational Documents, with respect to the preemptive rights provided for in this Article V, and the consent rights provided for in Section 2.2(a), shall have the authority to issue Company Securities and/or Subsidiary Securities and issue or incur any indebtedness for borrowed money in such amounts and for such consideration per Company Security or Subsidiary Security, as applicable, as the Board shall determine.

(b) *Procedure.* In the event that the Company or any of its Subsidiaries proposes to (i) sell or otherwise issue Company Securities and/or Subsidiary Securities or (ii) issue or incur any indebtedness for borrowed money (other than Company Securities and/or Subsidiary Securities) (any of the foregoing, "**Dilutive Instruments**") other than in a Permitted Offering (each a "**Proposed Offering**"), each Preemptive Rights Securityholder shall have the right to acquire or lend, as applicable, that number or amount of such Dilutive Instruments as is determined in accordance with Section 5.1(c) below, at the same price and upon the same terms and conditions as such Dilutive Instruments are being offered by the Company or its Subsidiary, as applicable, in the Proposed Offering.

(c) *Notice and Offer.* As promptly as practicable prior to the consummation of any Proposed Offering to which this Section 5.1 applies, the Company shall give written notice thereof to each Preemptive Rights Securityholder (the "**Company Sale Notice**"), setting forth the number and class of the Dilutive Instruments and the consideration per Dilutive Instrument to be issued or incurred in such Proposed Offering as well as the other terms and conditions on which the Dilutive Instruments are being offered in such Proposed Offering, as applicable, and offering to sell, issue or incur, as applicable, to or from, as applicable, each Preemptive Rights Securityholder its pro rata share (subject to Section 5.1(h), based on the relative ownership of the then-outstanding Fully Diluted Securities held by all applicable Preemptive Rights Securityholders as of the date of the Company Sale Notice) of such Dilutive Instruments on the same terms and conditions as are set forth in the applicable Company Sale Notice (the "**Preemptive Rights Offer**").

(d) *Exercise of Rights.* Each Preemptive Rights Securityholder shall be entitled to accept any Preemptive Rights Offer by providing written notice to the Company not later than ten (10) Business Days after the date of the applicable Company Sale Notice. A delivery of such notice (which notice shall specify the number of Company Securities and/or Subsidiary Securities, as applicable, requested to be purchased by the Preemptive Rights Securityholder submitting such notice, up to the maximum amount determined pursuant to Section 5.1(c)) by such Preemptive Rights Securityholder shall constitute a binding agreement of such Preemptive Rights Securityholder to purchase, for the per share consideration and on the terms and conditions specified in the Company Sale Notice, the number of Dilutive Instruments specified in such

Preemptive Rights Securityholder's notice. If, at the end of such ten (10) Business Day period, any Preemptive Rights Securityholder has not exercised its right to purchase any of its pro rata share of the Preemptive Rights Offer by delivering such notice, such Preemptive Rights Securityholder shall be deemed to have waived all of its rights under this Article V with respect to, and only with respect to, the purchase of such Dilutive Instruments specified in the applicable Company Sale Notice.

(e) *Failure to Exercise*. If following the expiration of the period specified in Section 5.1(c) (i) any Preemptive Rights Securityholder has declined or failed to exercise its preemptive rights under this Section 5.1, or (ii) any Preemptive Rights Securityholder exercises its rights under this Section 5.1 with respect to less than all of such Preemptive Rights Securityholder's pro rata portion (the difference between (x) the total number or amount, as applicable, of Dilutive Instruments to be issued or incurred in the Proposed Offering and (y) the number or amount, as applicable, of Dilutive Instruments attributable to the Preemptive Rights Securityholders described in clauses (i) and (ii), the "**Preemptive Rights Excess Instruments**"), then the Company or its Subsidiary, as applicable, shall give prompt written notice thereafter to each Preemptive Rights Securityholder that has elected to fully exercise its rights under this Section 5.1 (each such Preemptive Rights Securityholder, a "**Full Preemptive Rights Securityholder**"), of its right to purchase such Full Preemptive Rights Securityholder's pro rata portion of any Preemptive Rights Excess Instruments (based on the relative ownership of the then-outstanding Fully Diluted Securities held by all Full Preemptive Rights Securityholders as of the date of the Company Sale Notice) (with an option for each Full Preemptive Rights Securityholder to indicate that it would purchase up to all such Preemptive Rights Excess Instruments, to the extent that other Full Preemptive Rights Securityholders do not exercise their over-subscription rights pursuant to this Section 5.1(d)) and for the same per share consideration and on the same terms as those specified in the Company Sale Notice, and such Full Preemptive Rights Securityholder shall have two (2) Business Days following the expiration of the period specified in Section 5.1(c) to exercise its rights pursuant to this Section 5.1(e) with respect to the Preemptive Rights Excess Instruments by delivering written notice thereof to the Company.

(f) *Timing*. Subject to compliance with this Article V, the Company or its Subsidiary, as applicable, shall have sixty (60) days after the date of the Company Sale Notice to consummate the Proposed Offering with respect to any Dilutive Instruments that the Preemptive Right Securityholders have elected not to purchase at the same (or higher) per share consideration and upon such other terms and conditions that, taken as a whole, are not materially less favorable to the Company or its Subsidiary, as applicable, than those specified in the Company Sale Notice; *provided*, that, if such Proposed Offering is subject to regulatory approval, such 60-day period shall be extended until the expiration of five (5) Business Days after all such approvals have been received. If the Company or its Subsidiary, as applicable, proposes to consummate a Proposed Offering (x) during such 60-day period at a lower per share consideration or on such other terms that are, taken as a whole, materially less favorable to the Company or its Subsidiary, as applicable, or (y) at any point after such 60-day period, in each case it shall again comply with the procedures set forth in this Article V prior to such Proposed Offering. Subject to Section 5.1(h), the purchase of Dilutive Instruments by the Preemptive Rights Securityholders agreeing to purchase any such Dilutive Instruments pursuant to this Section 5.1 shall be consummated simultaneously with the closing of the applicable Proposed Offering.

(g) Notwithstanding the foregoing, the Company or its Subsidiary, as applicable, shall have the right to offer to, issue to, or incur from, the Appointing Persons (pro rata based on the relative ownership of the then outstanding Fully Diluted Securities held by the Appointing Persons as of the date of the Company Sale Notice) any Dilutive Instruments without first providing a Preemptive Rights Offer as described in Section 5.1(c) to the Preemptive Right Securityholders as long as the Company promptly thereafter (and in any event within sixty (60) days) makes a Preemptive Rights Offer to the other Preemptive Rights Securityholders on the same terms (including at the same price) as such Securityholders would have been entitled to exercise such preemptive rights if the Company had offered such Dilutive Instruments at the time of the original Proposed Offering.

(h) *Disclaimer of Liability.* The Company shall be under no obligation to consummate any proposed issuance or incurrence of Dilutive Instruments, nor shall there be any liability on the part of the Company or the Board to any Preemptive Rights Securityholder if the Company has not consummated any proposed issuance or incurrence of Dilutive Instruments for whatever reason, except for issuances or incurrences made in breach of this Agreement, regardless of whether the Board shall have delivered a Company Sale Notice in respect of such proposed issuance.

(i) *Jones Act Compliance.* Notwithstanding anything to the contrary set forth herein, if and to the extent required to satisfy the Jones Act Restriction, and solely to such extent, Preemptive Rights Securityholders exercising preemptive rights pursuant to this Section 5.1 that are Non-U.S. Citizens shall receive, on a proportionate basis with each other Non-U.S. Citizen (*i.e.*, each Non-U.S. Citizen shall receive the same proportion of Company Securities as each other Non-U.S. Citizen) otherwise entitled to receive any class of Company Securities pursuant to this Agreement, Jones Act Warrants in lieu of all or a portion of such Dilutive Instruments in an amount such that, in the aggregate with all other Non-U.S. Citizens (including after giving effect to this Section 5.1(i)), the Jones Act Restriction is satisfied. For the avoidance of doubt, any Preemptive Rights Securityholder to which Jones Act Warrants are issued in lieu of Company Securities shall remain obligated to pay the same purchase price therefor and to make such payment at the same time and otherwise on the same terms and conditions as if such holder were purchasing Company Securities pursuant hereto.

(j) *CEO Director Issuances*. For so long as Todd Hornbeck remains the Chief Executive Officer and a Director, for purposes of the preemptive rights set forth in this Article V, (x) the Common Stock underlying any options, restricted stock or other incentive equity beneficially owned by Todd Hornbeck (whether or not vested) shall be taken into account in determining the Fully Diluted Securities and each Preemptive Rights Securityholder's pro rata share of the Preemptive Rights Offer and (y) if the total Fully Diluted Securities beneficially owned by Todd Hornbeck and his Affiliates as calculated in accordance with clause (x) does not equal or exceed 2% of the Fully Diluted Securities (including for purposes of clause (x)), then Todd Hornbeck and his Affiliates, taken as a group, will be deemed to hold 2% of the Fully Diluted Securities.

**ARTICLE VI**
**REGISTRATION RIGHTS**

Section 6.1 Demand Registration.

(a) Subject to Section 6.1(b) and the other terms of this Article VI, each 10% Securityholder shall have the right to, in each case, pursuant to Section 6.1(c) or Section 6.1(d), request the Company to effect the registration under and in accordance with the provisions of the Securities Act of the offering of all or any portion of the Registrable Securities at an aggregate proposed price to the public of not less than $10,000,000 beneficially owned by such 10% Securityholder by submitting a written request for such registration and specifying the amount of Registrable Securities proposed to be registered and the intended method (or methods) and plan of disposition thereof, including whether such requested registration is to involve an underwritten offering (a "**Registration Demand**"). The Company shall give prompt written notice thereof (a "**Demand Registration Notice**") (and in any event within five (5) Business Days from the date of receipt of such Registration Demand) to each of the 2% Securityholders, each of whom shall be entitled to elect to include, subject to the terms and conditions set forth in this Article VI, Registrable Securities beneficially owned by it in the Registration Statement to which a Demand Registration Notice relates, by submitting a written request to the Company (a "**Registration Request**") within fifteen (15) Business Days after the date of such Demand Registration Notice, specifying the number of Registrable Securities that such 2% Securityholder intends to dispose of pursuant to such Registration Statement. Except as otherwise provided in this Agreement, the Company shall prepare and use its reasonable best efforts to file with the SEC, within ninety (90) days after the date of the applicable Registration Demand, a Registration Statement with respect to the following (in either case subject to Section 6.1(j) if the Registrable Securities will be sold in an underwritten offering): (i) all Registrable Securities of the Requesting Securityholder included in such Registration Demand and (ii) all Registrable Securities that other Requesting Securityholders elect to include in such Registration Statement, pursuant to one or more timely submitted Registration Requests. Thereafter, the Company shall use its reasonable best efforts, in accordance with Section 6.6, to effect the registration of the offering of such Registrable Securities under the Securities Act and applicable state securities laws, for disposition in accordance with the intended method or methods of disposition stated in the underlying Registration Demand. The Company may include in such Registration Statement such number of shares of Common Stock or other Company Securities of the Company as the Company proposes to offer and sell for its own account or the account of any other Person.

(b) *Limitation on Demand Registration.* Notwithstanding anything to the contrary in this Section 6.1, no 10% Securityholder may make a Registration Demand until six months following the Company's IPO.

(c) *Form S-1 Registration.* Subject to the terms and conditions of this Article VI, any 10% Securityholder shall have the right to submit a Registration Demand to effect the registration on Form S-1 (or if available Form S-3) or any successor form of all or any portion of the Registrable Securities beneficially owned by such Securityholder and its Affiliates; provided that each 10% Securityholder (taken as a group with its Affiliates) shall be limited to three such Registration Demands pursuant to this Section 6.1(c). Any registration pursuant to such a Registration Demand may, if so requested in the underlying Registration Demand, be a "shelf" registration for an offering of Registrable Securities on a continuous or delayed basis pursuant to Rule 415 under the Securities Act (or any successor rule that is subsequently adopted by the SEC).

(d) *Registration; Shelf Registration*. Subject to the terms and conditions of this Article VI, at any time that the Company is eligible to use Form S-3 for the registration of Registrable Securities for resale, any 2% Securityholder shall have the right, subject to the terms and conditions of this Article VI, to submit a Registration Demand to effect the registration on Form S-3 (or any successor form) of the Registrable Securities beneficially owned by such 2% Securityholder. Any registration pursuant to such a Registration Demand may, if so requested in the underlying Registration Demand, be a "shelf" registration for an offering of Registrable Securities on a continuous or delayed basis pursuant to Rule 415 under the Securities Act (or any successor rule that is subsequently adopted by the SEC). Subject to paragraph (f), the number of Registration Demands that may be made pursuant to this paragraph is unlimited. Notwithstanding the foregoing, the Company shall not be obligated to effect any Registration Demand on Form S-3 if the Registrable Securities sought to be included in such Registration Demand have a fair market value of less than $3,000,000. Notwithstanding the foregoing, no 2% Securityholder may make a Registration Demand on Form S-3 pursuant to this Section 6.1(d) until six months following the Company's IPO.

(e) *Delay for Disadvantageous Condition.* If, in connection with any registration requested or ongoing pursuant to a Registration Demand, the Company provides a certificate to the Requesting Securityholders, signed by the President or Chief Executive Officer of the Company and stating that, in the good-faith judgment of the Board, it would be materially detrimental to the Company or its Securityholders for such Registration Statement either to become effective or to remain effective for as long as such Registration Statement otherwise would be required to remain effective, or if the Company is prohibited by the terms of any applicable underwriting or securities purchase agreement, then the Company shall have the right to defer taking action with respect to such Registration Statement and any time periods with respect to filing or effectiveness thereof shall be tolled correspondingly; provided, however, that the aggregate number of days in all such delay periods in any period of twelve (12) consecutive months shall not exceed sixty (60) days.

(f) *Limitation on Successive Registrations and Underwritten Offerings.* The Company shall not be required to effect a registration of Registrable Securities pursuant to Section 6.1(c) or Section 6.1(d) for a period of ninety (90) days immediately following the effective date of any Registration Statement filed pursuant to this Section 6.1 or a Registration Statement otherwise filed by the Company as permitted by this Agreement to register Company Securities to be sold by the Company and in no event shall the Company be required to file more than three Registration Statements pursuant to Section 6.1(d) during any period of twelve (12) consecutive months.

(g) *Demand Withdrawal.* With respect to any registration requested pursuant to this Section 6.1, any Requesting Securityholder may withdraw its Registrable Securities from such registration, in either case by providing written notice to the Company at any time (x) in the case of an underwritten offering, prior to the filing of the preliminary prospectus pursuant to such registration, and (y) in the case of non-underwritten offering, prior to the effective date of the

Registration Statement relating to such Registration Demand. If all of the Registrable Securities to be included in the registration pursuant to any Registration Demand are so withdrawn, then such Registration Demand shall be deemed withdrawn. In the event of any such actual or deemed withdrawal of a Registration Demand, the Company shall cease all efforts to effect the registration of the Registrable Securities requested to be included in such registration, without liability to any Requesting Securityholder. Such registration will be deemed to have been effected (including for purposes of Section 6.1(c) and Section 6.1(d), with respect to a Registration Demand made thereunder) unless each Requesting Securityholder who has withdrawn its Registration Demand or has withdrawn all of its Registrable Securities from such registration has paid (or reimbursed the Company for), pursuant to and if required by Section 6.4, its pro rata share (based on a fraction, the numerator of which is the number of Registrable Securities that such Requesting Securityholder asked to be included in such withdrawn registration and the denominator of which is the aggregate number of Registrable Securities that all Requesting Securityholders, collectively, requested to be included in such withdrawn registration) of the Registration Expenses incurred by the Company in connection with such withdrawn registration.

(h) *Effective Registration.* Notwithstanding anything to the contrary in this Agreement, except to the extent expressly set forth in Section 6.1(g), a Registration Statement filed pursuant to this Section 6.1 shall not be deemed to have been requested or effected (including for purposes of Section 6.1(c) and Section 6.1(d), with respect to a Registration Demand made thereunder) unless it has been declared effective by the SEC and shall have remained effective for one hundred eighty (180) days (excluding any periods of time during which such Registration Statement is tolled or suspended pursuant to Section 6.1(e) or Section 6.5(c)) or such shorter period as may be required to sell all Registrable Securities included in such Registration Statement; provided that in the case of any registration of Registrable Securities that are intended to be offered on a continuous or delayed basis, such one hundred eighty (180) day period shall be extended, if necessary, to keep the Registration Statement effective until all such Registrable Securities are sold. In no event shall a registration be deemed to have been effected if (i) after the Registration Statement has been declared effective by the SEC, such registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court, for any reason other than a misrepresentation or an omission by any Requesting Securityholder and, as a result thereof, the Registrable Securities requested to be registered therein cannot be completely distributed in accordance with the plan of distribution set forth in such Registration Statement or (ii) the conditions to closing the sale of Registrable Securities specified in any purchase agreement or Underwriting Agreement, which agreement was entered into in connection with such registration for the purpose of distributing Registrable Securities in accordance with the plan of distribution set forth in the applicable Registration Statement, are not satisfied or waived other than solely by reason of some act or omission by any Requesting Securityholder.

(i) *Selection of Underwriters.* Subject to Section 6.1(f), any registration of Registrable Securities pursuant to this Section 6.1 may, if so requested in the underlying Registration Demand, be effected as an underwritten offering, and in such event the Company shall have the right to select the managing underwriter or underwriters for the offering; provided that such underwriter or underwriters shall be reasonably acceptable to the Requesting Securityholder(s).

(j) *Priority*. Notwithstanding any other provision of this Section 6.1, if the underwriters advise the Requesting Securityholder(s) in writing that marketing factors require a limitation on the number of shares to be underwritten in a registration pursuant to this Section 6.1 (other than Section 6.1(k)), the number of Registrable Securities that may be so included shall be allocated as follows: (i) (A) in the case of a registration pursuant to Section 6.1(c), (I) first, among all 10% Securityholders requesting to include Registrable Securities in such registration statement based on the pro rata percentage of Registrable Securities beneficially owned by such 10% Securityholders and (II) second, among all 2% Securityholders (other than 10% Securityholders participating in clause (I)) requesting to include Registrable Securities in such registration statement based on the pro rata percentage of Registrable Securities beneficially owned by such 2% Securityholders, and (B) in the case of a registration pursuant to Section 6.1(d), first, among all 2% Securityholders requesting to include Registrable Securities in such registration statement based on the pro rata percentage of Registrable Securities beneficially owned by such 2% Securityholders; and (ii) thereafter, to the Company, which the Company may allocate, at its discretion, for its own account, or for the account of other Securityholders.

(k) *Company Registration*. Notwithstanding the provisions of this Section 6.1 to the contrary, the Company shall not be obligated to effect a registration requested pursuant to this Section 6.1 if within thirty (30) days after the date of the applicable Registration Demand under this Section 6.1, the Company notifies all 2% Securityholders of its intention to file a registration statement for a firm commitment underwritten public offering of Common Stock and within ninety (90) days after the date of the applicable Registration Demand, files a Registration Statement for such offering and provided that 2% Securityholders shall have rights to include Registrable Securities in such Registration Statement in accordance with Section 6.2. In such case, the Securityholders shall have all the rights provided herein as if no such Registration Demand had been submitted. If at any time the Company fails diligently to pursue its Registration Statement or the offering, the provisions of the preceding sentence shall not apply, and the Company shall be obligated to satisfy its obligations otherwise due under Section 6.1. With respect to such registration, the Company shall have sole authority to select or terminate the employment of underwriters, and to make all decisions in connection with the filing, effectiveness and consummation of the proposed offering, subject to the express provisions hereof.

Section 6.2 Piggyback Registration.

(a) *Notice of Registrations.* In the event that the Company proposes to file a Registration Statement with respect to Company Securities (other than a Registration Statement (i) filed in connection with the Company's IPO, (ii) filed pursuant to Section 6.1, or (iii) filed solely in connection with a dividend reinvestment plan or an employee benefit plan covering only officers, directors, consultants or advisors of the Company or its Affiliates), whether or not for sale for its own account, the Company shall provide each 2% Securityholder with written notice of its intention to do so (a "**Piggyback Registration Notice**") at least thirty (30) days prior to filing such Registration Statement. Any 2% Securityholder may elect to include Registrable Securities beneficially owned by it in the Registration Statement to which a Piggyback Registration Notice relates, by submitting a written request (a "**Piggyback Registration Request**") to the Company within fifteen (15) Business Days after the date of such Piggyback Registration Notice, specifying the number of Registrable Securities that such 2% Securityholder intends to dispose of pursuant

to such Registration Statement, and the intended method of disposition thereof. The Company shall use its reasonable best efforts to effect the registration under the Securities Act of all Registrable Securities that 2% Securityholder have requested, pursuant to timely submitted Registration Requests, to be included in the Registration Statement to which the underlying Piggyback Registration Notice relates. Notwithstanding the foregoing, no 2% Securityholder may make a Piggyback Registration Request pursuant to this Section 6.2(a) until six months following the Company's IPO.

(b) *Withdrawal of Registration.* If, at any time after the Company provides a Piggyback Registration Notice and prior to the effective date of any Registration Statement filed in connection therewith, the Company shall determine for any reason not to register the Company Securities to which such Piggyback Registration Notice relates, the Company may, in its sole discretion, give the Requesting Securityholders written notice of such determination and thereupon shall be relieved of its obligation to register any Registrable Securities that the Requesting Securityholders requested to be registered pursuant to a Piggyback Registration Request delivered in response to such Piggyback Registration Notice. Each Securityholder shall be permitted to withdraw all or any portion of the Registrable Securities of such Securityholder from a Piggyback Registration at any time prior to the effective date of such Piggyback Registration.

(c) *Priority.* Notwithstanding any other provision of this Section 6.2, if the underwriters advise the Requesting Securityholder(s) in writing that marketing factors require a limitation on the number of shares to be underwritten, the number of Registrable Securities that may be so included shall be allocated as follows: (i) first, to the Company with respect to the Company Securities that the Company proposes to offer and sell for its own account in such registration; (ii) second, among all 2% Securityholders requesting to include Registrable Securities in such registration statement based on the pro rata percentage of Registrable Securities beneficially owned by such 2% Securityholders; and (iii) third, to the Company, which the Company may allocate, at its discretion, for the account of other Securityholders.

(d) *Not a Demand Registration.* No registration of Registrable Securities effected under this Section 6.2 shall relieve the Company of its obligation to effect any registration of Registrable Securities pursuant to Section 6.1.

Section 6.3 Certain Information. In connection with any request for registration pursuant to Section 6.1 or Section 6.2, each Selling Securityholder shall furnish to the Company such information regarding itself, the Registrable Securities beneficially owned by it, and the intended method of disposition of such Registrable Securities as the Company shall reasonably request, to the extent required to complete the filing of such Registration Statement in accordance with applicable law (including the Securities Act and any state securities or "blue sky" laws).

Section 6.4 Expenses. Except as expressly provided otherwise in this Agreement, if the Company is required to effect the registration of any Registrable Securities pursuant to Section 6.1 or Section 6.2, the Company shall pay all Registration Expenses with respect to such registration; *provided* that each Selling Securityholder shall bear its pro rata share, on the basis of the number of Registrable Securities or shares of Common Stock, as applicable, sold in such registration, of all underwriting discounts, selling commissions and stock transfer taxes, and each such Selling

Securityholder shall be responsible for any fees and expenses of any persons retained by such Selling Securityholder. Notwithstanding the foregoing, in the event that any registration of Registrable Securities or shares of Common Stock, as applicable, requested pursuant to Section 6.1 is withdrawn or deemed withdrawn pursuant to Section 6.1(g) and the Requesting Securityholder(s) elects not to have such withdrawn registration counted as a registration under Section 6.1, the Requesting Securityholder(s) and each Requesting Securityholder withdrawing all of its Registrable Securities or shares of Common Stock, as applicable, shall pay (or reimburse the Company for) its pro rata share (in proportion to the number of Registrable Securities or shares of Common Stock, as applicable, that it asked to be included in such withdrawn registration) of the Registration Expenses incurred by the Company with respect to such withdrawn registration. The immediately preceding sentence shall not apply if such registration is withdrawn (i) as a result of information concerning the occurrence of a material adverse change in the business or financial condition of the Company that is made known to the Requesting Securityholders after the date on which such registration was requested, (ii) if the revocation of such Selling Securityholder's request for registration is based on the Company's failure to comply in any material respect with its obligations hereunder or (iii) if the registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court for any reason other than a misrepresentation or omission by any Requesting Securityholder.

Section 6.5 Registration and Qualification.

(a) In the event that the Company is required to effect the registration of any Registrable Securities or shares of Common Stock, as applicable, pursuant to this Article VI, the Company shall:

(i) use its reasonable best efforts to, as promptly as practicable, prepare, file and cause to become effective and remain effective a Registration Statement relating to such Registrable Securities or shares of Common Stock, as applicable;

(ii) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to the Registration Statement for such Registrable Securities or shares of Common Stock, as applicable, and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective and to comply with the provisions of the Securities Act with respect to the disposition of all such Registrable Securities or shares of Common Stock, as applicable, until such time as all of such Registrable Securities or shares of Common Stock, as applicable, have been disposed of; provided that the Company shall, as far in advance as practicable but at least five (5) Business Days prior to filing a Registration Statement or prospectus (or any amendment or supplement thereto), furnish to each Selling Securityholder, for their review, copies of such Registration Statement or prospectus (or amendment or supplement) as proposed to be filed (including, upon the request of such Selling Securityholder, documents to be incorporated by reference therein); provided further that each Selling Securityholder may request reasonable changes to such Registration Statement, prospectus, amendment or supplement (as the case may be) and the Company shall be required to comply therewith to the extent necessary to lawfully complete such filing or maintain the effectiveness of such Registration Statement;

(iii) furnish to each Selling Securityholder and each underwriter of such Registrable Securities or shares of Common Stock, as applicable, such number of conformed copies of such Registration Statement and each amendment and supplement thereto (in each case including all exhibits), such number of copies of the prospectus included in such Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity with the requirements of the Securities Act, such documents as are incorporated by reference in such Registration Statement or prospectus (including any amendments or supplements thereto), and such other documents as such Selling Securityholder or underwriter may reasonably request;

(iv) promptly notify each Selling Securityholder in writing of the effectiveness of the Registration Statement and of any stop order issued or threatened by the SEC with respect thereto, use its reasonable best efforts to prevent the entry of any such stop order that is threatened and promptly remove any such stop order that has been entered, and promptly notify each Selling Securityholder of such lifting or withdrawal of any such stop order;

(v) use its reasonable best efforts to (x) register or qualify all Registrable Securities or shares of Common Stock, as applicable, covered by such Registration Statement under the securities or blue sky laws of such jurisdictions as may be requested by any Selling Securityholder or underwriter of such Registrable Securities or shares of Common Stock, as applicable, and promptly notify the Selling Securityholders of the receipt of any notification with respect to the suspension of the qualification of Registrable Securities or shares of Common Stock, as applicable, for sale or offer in any such jurisdiction and (y) obtain all appropriate registrations, permits and consents in connection with such registrations and qualifications, and do any and all other acts and things (including using reasonable best efforts to promptly remove any such suspension) necessary or advisable to enable the Selling Securityholders and underwriters to consummate the disposition of such Registrable Securities or shares of Common Stock, as applicable, in such jurisdictions; *provided* that the Company shall not be required to qualify to do business as a foreign corporation in any such jurisdiction where it is not so qualified, to consent to general service of process in any such jurisdiction or to amend its Organizational Documents;

(vi) in an underwritten offering, use its reasonable best efforts to furnish to each underwriter of such Registrable Securities or shares of Common Stock, as applicable, (x) an opinion of counsel to the Company addressed to each such underwriter and dated the date of the closing under the Underwriting Agreement and (y) "cold comfort" letters dated the effective date of the Registration Statement (and brought down to the date of closing under the Underwriting Agreement) addressed to each underwriter and signed by the independent public accountants who have certified the Company's financial statements included in such Registration Statement, in each such case covering substantially the same matters as are customarily covered in such opinions and cold comfort letters in connection with underwritten public offerings of securities;

(vii) if requested by the managing underwriter, use its reasonable best efforts to list all such Registrable Securities or shares of Common Stock, as applicable, covered by such registration on each National Securities Exchange on which shares of Common Stock are then listed;

(viii) furnish for delivery in connection with the closing of the registered offering of such Registrable Securities or shares of Common Stock, as applicable, unlegended certificates representing ownership of such Registrable Securities or shares of Common Stock, as applicable, in such denominations as shall be requested by the Selling Securityholders or the underwriters (if any) for such Registrable Securities or shares of Common Stock, as applicable;

(ix) not later than the effective date of the applicable Registration Statement, (x) retain a transfer agent and registrar (if the Company does not already have one), (y) obtain a CUSIP number for all Registrable Securities or shares of Common Stock, as applicable, included in such Registration Statement and (z) provide the applicable transfer agent with printed certificates for the Registrable Securities or shares of Common Stock, as applicable, which are in a form eligible for deposit with The Depository Trust Company or other applicable clearing agency;

(x) in the case of an underwritten offering of such Registrable Securities or shares of Common Stock, as applicable, cause its senior executive officers to participate in such customary "road show" presentations as may be reasonably requested by the managing underwriter, and to otherwise facilitate, cooperate with, and participate in each proposed offering of Registrable Securities or shares of Common Stock, as applicable, pursuant to this Article VI and customary selling efforts related thereto; and

(xi) otherwise use its reasonable best efforts to comply with all applicable securities laws, including the Securities Act, the Exchange Act, and state securities and "blue sky" laws.

(b) In the event that the Company delivers a prospectus covering Registrable Securities or shares of Common Stock, as applicable, to the Selling Securityholders and such prospectus is subsequently amended to comply with the requirements of the Securities Act, the Company shall promptly notify each Selling Securityholder and may, in its discretion, request that the Selling Securityholders cease making offers of Registrable Securities or shares of Common Stock, as applicable, and return to the Company all prospectuses in their possession. In the event that the Company makes such a request each Selling Securityholder shall immediately cease making such offers and shall promptly return all such prospectuses. The Company shall promptly provide the Selling Securityholders with revised prospectuses and each Selling Securityholder shall be free, following its receipt of such revised prospectuses, to resume making offers of the Registrable Securities or shares of Common Stock, as applicable.

(c) In the event that the Company determines, in its reasonable discretion, that it is advisable to suspend use of a prospectus included in a Registration Statement due to pending material developments or other events that have not yet been publicly disclosed and as to which the Company believes public disclosure would be materially detrimental to the Company, the Company shall direct the Selling Securityholders to discontinue sales of Registrable Securities or shares of Common Stock, as applicable, pursuant to such prospectus, and each Selling Securityholder shall immediately so discontinue, until such Selling Securityholder has received copies of a supplemented or amended prospectus or until such Selling Securityholder is advised in writing by the Company that the then-current prospectus may be used and has received copies of

any additional or supplemental filings that are incorporated or deemed incorporated by reference in such prospectus. The Company shall promptly furnish to each Selling Securityholder copies of any such supplemented or amended prospectuses or additional or supplemental filings, as the case may be. Notwithstanding anything to the contrary in this Agreement, the Company shall not exercise its rights under this Section 6.5(c) to suspend sales of Registrable Securities or shares of Common Stock, as applicable, for a period when taken together with all delay periods under Section 6.1(e) in excess of sixty (60) days during any period of three hundred sixty-five (365) consecutive days.

Section 6.6 Underwriting; Due Diligence. In the event of an underwritten offering of Registrable Securities pursuant to a registration requested under this Article VI, the Company shall, if requested by the underwriters for such offering, enter into an underwriting agreement with such underwriters (an "**Underwriting Agreement**"). Any such Underwriting Agreement shall contain such representations, warranties and covenants by the Company and such other terms and provisions as are customarily contained in underwriting agreements with respect to secondary distributions, and shall include indemnification and contribution provisions substantially to the effect and extent of those set forth in Section 6.7, and agreements as to the provision of opinions of counsel and accountants' letters substantially to the effect and extent of those set forth in Section 6.5(a)(vi). The Selling Securityholders on whose behalf such Registrable Securities are to be distributed by the underwriters shall enter into such Underwriting Agreement, which shall also contain such representations, warranties and indemnities by the Selling Securityholders as are customarily provided by selling Securityholders in underwriting agreements with respect to secondary distributions. With respect to any Underwriting Agreement: (i) all of the conditions precedent to the obligations of the underwriters thereunder shall be conditions precedent to the obligations of the Selling Securityholders and (ii) no Selling Securityholder shall be required to make any representations or warranties to, or agreements with, the Company or the underwriters, other than customary representations, warranties or agreements generally made by selling Securityholders in similar offerings.

Section 6.7 Indemnification and Contribution.

(a) *The Company's Indemnification Obligations.* To the fullest extent permitted by law, the Company agrees to indemnify and hold harmless each Selling Securityholder, its Affiliates, and their respective directors, officers, members, managers, partners, employees, Securityholders, agents, advisors, investment managers and any Person who "controls" such Selling Securityholder (within the meaning of Section 15 of the Securities Act), from and against any and all losses, claims, damages and liabilities, including any legal or other costs, fees and expenses reasonably incurred in connection with defending or investigating any such action or claim (collectively, "**Losses**") insofar as such Losses are caused by (i) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or amendment thereto, any free writing prospectus, any preliminary prospectus or prospectus (as amended or supplemented) relating to the Registrable Securities, (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) any violation by the Company of any federal, state or common law rule or regulation applicable to the Company and relating to action required of or inaction by the Company in connection with such registration, except insofar as such Losses (x) relate to a transaction or

sale made by a Selling Securityholder in violation of Section 6.5(c) or (y) are caused by any such untrue statement or omission or alleged untrue statement or omission that is based upon and in conformity with information relating to a Selling Securityholder which is furnished to the Company in writing by such Selling Securityholder expressly for use therein; provided that clause (y) shall not apply to the extent that the Selling Securityholder has furnished in writing to the Company prior to the filing of such Registration Statement, free writing prospectus, preliminary prospectus, prospectus, amendment or supplement information expressly for use in such document which information corrected or made not misleading the information previously furnished to the Company by such Selling Securityholder, and the Company failed to include such information therein.

(b) *The Selling Securityholders' Indemnification Obligations.* To the fullest extent permitted by law, each Selling Securityholder agrees to indemnify and hold harmless the Company, all Affiliates of the Company, each of their respective directors, officers, members, managers, partners, employees, Securityholders, agents and advisors and each Person, if any, who "controls" (within the meaning of Section 15 of the Securities Act) the Company, from and against any and all Losses insofar as such Losses are caused by any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or amendment thereto, any free writing prospectus, preliminary prospectus or prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) relating to the Registrable Securities, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with reference to information relating to such Selling Securityholder furnished in writing by or on behalf of such Selling Securityholder expressly for use in such Registration Statement, free writing prospectus, preliminary prospectus, prospectus, amendments or supplement; *provided* that such Selling Securityholder shall not be liable in any such case to the extent that it has furnished in writing to the Company prior to the filing of any such Registration Statement, free writing prospectus, preliminary prospectus, prospectus, amendment or supplement information expressly for use in such document which information corrected or made not misleading the information previously furnished to the Company by such Selling Securityholder, and the Company failed to include such information therein. Notwithstanding anything to the contrary in this Section 6.7, each Selling Securityholder's indemnification obligations under this paragraph are several, and not joint and several, and shall not exceed, with respect to any given registration of Registrable Securities pursuant to this Article VI, the amount of net proceeds received by such Selling Securityholder in connection with the offering of its Registrable Securities under such registration.

(c) Each party that is entitled to indemnification underparagraph (a) or (b) of this Section 6.7 shall, promptly after receipt of notice of a claim or action against such indemnified party in respect of which indemnity may be sought hereunder, notify the indemnifying party in writing of the claim or action and the indemnifying party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such indemnified party, and shall assume the payment of all fees and expenses; provided that the failure of any indemnified party to so notify the indemnifying party shall not relieve the indemnifying party of its obligations hereunder except to the extent that the indemnifying party is materially prejudiced by such failure to notify. In any such action, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the sole expense of such indemnified party

unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) in the reasonable judgment of such indemnified party, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them, in which case the fees and expenses of such counsel shall be at the sole expense of the indemnifying party; *provided* that in the event that the Company, as indemnifying party, is required to pay expenses of separate legal counsel for any one or more Selling Securityholders as indemnified party, the Company shall only be required to pay expenses for a single counsel, which shall be designated in writing to the Company by the Selling Securityholder with the largest number of Registrable Securities included in such registration. All such fees and expenses shall be reimbursed as they are incurred. The indemnifying party shall not be liable for any settlement of any claim or action effected without its written consent, which consent shall not be unreasonably withheld or delayed, but if settled with such consent, or if there be a final judgment for the plaintiff, the indemnifying party shall indemnify and hold harmless such indemnified parties from and against any loss or liability (to the extent stated above) by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened claim or action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability arising out of such proceeding and imposes no obligations on such indemnified party other than the payment of monetary damages (which damages will be paid by the indemnifying party hereunder).

(d) If the indemnification provided for in this Section 6.7 shall for any reason be unavailable (other than in accordance with its terms) to an indemnified party in respect of any Loss referred to therein, then the indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by the indemnified party as a result of such Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the indemnified party on the other. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. Notwithstanding anything to the contrary in this paragraph, no indemnifying party (other than the Company) shall be required to contribute any amount in excess of the amount by which the net proceeds received by such indemnifying party from the sale of Registrable Securities in the offering to which the Loss relates exceeds the amount of any damages which such indemnifying party has otherwise been required to pay by reason of such untrue statement or omission. The parties to this Agreement agree that it would not be just and equitable if contribution pursuant to this paragraph were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in Section 6.7(c). No Person who is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) that results in a Loss shall be entitled to contribution with respect to such Loss from any Person who is not guilty of such fraudulent misrepresentation.

(e) Indemnification and contribution similar to that specified in the preceding paragraphs of this Section 6.7 (with appropriate modifications) shall be given by the Company, the Selling Securityholders and the underwriters with respect to any required registration or other qualification of Registrable Securities under any state law or regulation or governmental authority.

(f) The obligations of the parties under this Section 6.7 shall be in addition to any liability which any party may otherwise have to any other party. If indemnification is available under this Section 6.7, the indemnifying parties shall indemnify each indemnified party to the fullest extent permitted by Applicable Law and as provided in paragraphs (a) and (b) hereof without regard to the relative fault of said indemnifying parties or indemnified party.

(g) The rights and obligations of the Company and the Selling Securityholders under this Section 6.7 shall survive the termination of this Agreement.

Section 6.8 Rule 144 Information. The Company hereby covenants and agrees that as soon as practicable after the IPO, it shall (a) file such periodic reports as it is required to file under the Exchange Act or if the Company is not required to file such reports, it shall, upon the reasonable request of any Securityholder, use commercially reasonable efforts to make publicly available such information as is necessary to permit such Securityholder to sell Registrable Securities pursuant to Rule 144 under the Securities Act and (b) use commercially reasonable efforts to take such further action as any Securityholder may reasonably request, to the extent such action is necessary to permit such Securityholder to sell Registrable Securities pursuant to Rule 144 under the Securities Act.

Section 6.9 Transfer of Registration Rights. A Securityholder may Transfer all or any portion of its registration rights under this Article VI with respect to any of its Registrable Securities in connection with any Transfer of such Registrable Securities that fully complies with the terms and conditions of this Agreement; provided that any such recipient will be subject to the limitations with respect to such registration rights that are set forth in this Agreement, including with respect to the threshold ownership levels required to have certain rights. Any other purported direct or indirect Transfer of such registration rights by any Securityholders shall be null and void and of no force or effect.

Section 6.10 Grant of Additional Registration Rights. Except for the registration rights granted pursuant to this Article VI, the Company shall not grant any registration rights with respect to shares of Common Stock to any other Person without the prior written consent of Securityholders holding a majority of the Fully Diluted Securities at such time unless such registration rights so granted do not materially affect the rights of the Securityholders under this Agreement with respect to their priority following the IPO.

Section 6.11 Termination. All of the Company's obligations to register Registrable Securities under Sections 6.1 and 6.2 shall terminate on the date on which the Securityholder cease to beneficially own any Registrable Securities.

## ARTICLE VII
## CORPORATE OPPORTUNITIES

Section 7.1 Corporate Opportunities. Notwithstanding any duty otherwise existing at law or in equity, to the fullest extent permitted by Applicable Law, the Company and the Securityholders agree that:

(a) Any of the Securityholders who are not employed by the Company or any of its Subsidiaries, each Director who is employed by an Appointing Person or any of its Affiliates, any of the foregoing Persons' respective Affiliates, and any one or more of the respective managers, directors, principals, officers, employees and other representatives of such Persons or their respective Affiliates (the foregoing Persons being referred to, collectively, as "**Identified Persons**") may now engage, may continue to engage, or may, in the future, engage in the same or similar activities or lines of business as those in which the Company or any of its Affiliates, directly or indirectly, now engage or may engage or other business activities that overlap with, are complementary to, or compete with those in which the Company or any of its Affiliates, directly or indirectly, now engage or may engage (any such activity or line of business, an "**Opportunity**"). No Identified Person shall, as a result of its capacity as such, have any duty to refrain, directly or indirectly, from (i) engaging in any Opportunity or (ii) otherwise competing with the Company or any of its Affiliates. No Identified Person shall, as a result of its capacity as such, have any duty or obligation to refer or offer to the Company or any of its Affiliates any Opportunity except for any Identified Person who is a Director, who shall have the duty to refer or offer to the Company any Opportunity that is expressly first presented in writing to such Director in his or her capacity as a Director or if knowledge of such Opportunity is first acquired by such Director solely as a result of such Director's position as a Director, and the Company hereby renounces any interest or expectancy of the Company in, or in being offered, an opportunity to participate in any other Opportunity which may be a corporate (or analogous) or business opportunity for the Company or any of its Affiliates.

(b) In the event that any Identified Person acquires knowledge of a potential transaction or other corporate (or analogous) or business opportunity which may be an Opportunity for the Company or any of its Affiliates, such Identified Person shall have no duty to communicate or offer such Opportunity to the Company or any of its Affiliates and shall not be liable to the Company or the Securityholders for breach of any purported fiduciary duty by reason of the fact that such Identified Person pursues or acquires such Opportunity for itself (or any of its Affiliates), or offers or directs such Opportunity to another Person (including any Affiliate of such Identified Person); provided that each Identified Person who is a Director shall have the duty to communicate or offer to the Company any Opportunity that is expressly first presented in writing to such Director in his or her capacity as a Director or if knowledge of such Opportunity is first acquired by such Director solely as a result of such Director's position as a Director, and the Company does not waive any claims in respect of breaches of fiduciary duty arising therefrom. For the avoidance of doubt, none of the waivers of the corporate opportunities doctrine or related duties set forth in this Section 7.1 shall apply to any Officer, employee or consultant of the Company or any of its Subsidiaries.

(c) Except as provided herein with respect to any Securityholder that becomes a Disqualified Person (and without limiting such provisions of this Agreement), the Identified Persons may now own, may continue to own, and from time to time may acquire and own, investments in one or more Persons (such Persons, collectively, "**Related Companies**") that are direct competitors of, or that otherwise may have interests that do or could conflict with those of, the Company , any Securityholders or any of their respective Affiliates (including Disqualified Persons), and (i) the enjoyment, exercise and enforcement of the rights, interests, privileges, powers and benefits granted or available to the Identified Persons under this Agreement, the Certificate or the Bylaws shall not be in any manner reduced, diminished, affected or impaired, and the obligations of the Identified Persons under this Agreement, the Certificate or the Bylaws shall not be in any manner augmented or increased, by reason of any act, circumstance, occurrence or event arising from or in any respect relating to (A) the ownership by an Identified Person of any interest in any Related Company, (B) the affiliation of any Related Company with an Identified Person or (C) any action taken or omitted by an Identified Person in respect of any Related Company, (ii) no Identified Person shall, by reason of such ownership, affiliation or action, become subject to any fiduciary duty to the Company , any of the Securityholders or any of their respective Affiliates, (iii) none of the duties imposed on an Identified Person, whether by contract or law, do or shall limit or impair the right of any Identified Person lawfully to compete with the Company , any of its Securityholders or any of their respective Affiliates and (iv) except as set forth in Section 7.1(a) and Section 7.1(b), the Identified Persons are not and shall not be obligated to disclose to (A) the Company or any of its Subsidiaries or (B) any of the Securityholders or any of their respective Affiliates any information related to their respective businesses or opportunities, including acquisition opportunities, and shall not be obligated to refrain from or in any respect to be restricted in competing against the Company , any of the Securityholders or any of their respective Affiliates in any such business or as to any such opportunities.

(d) In addition to and notwithstanding the foregoing provisions of this Article VII, a corporate (or analogous) or business opportunity shall not be deemed to be an Opportunity for the Company or any of its Affiliates if it is an opportunity (i) that the Company is not legally able or contractually permitted to undertake or (ii) which the Board has affirmatively elected to refrain from continued evaluation or pursuing.

Any Person purchasing or otherwise acquiring any interest in any shares of capital stock of the Company shall be deemed to have notice of and to have consented to the provisions of this Article VII.

Section 8.3 Governing Law. This Agreement and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance of this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

Section 8.4 Submission to Jurisdiction. Any action, suit or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby must be brought in Delaware Chancery Court; *provided* that if such court does not have jurisdiction then such action, suit or proceeding must be brought in the United States District Court for the District of Delaware. Each party consents to the exclusive jurisdiction and venue of such courts (and of the appropriate appellate courts therefrom) in any such action, suit or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such, action, suit or proceeding in any such court or that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

Section 8.5 Waiver of Jury Trial. Each of the parties to this Agreement hereby agrees to waive its respective rights to a jury trial of any claim or cause of action based upon or arising out of this Agreement. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this Agreement, including contract claims, tort claims and all other common law and statutory claims. Each party hereto acknowledges that this waiver is a material inducement to enter into this Agreement, that each has already relied on this waiver in entering into this Agreement and that each will continue to rely on this waiver in their related future dealings. Each party hereto further warrants and represents that it has reviewed this waiver with its legal counsel and that it knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.5 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

Section 8.6 Successors and Assigns. Neither this Agreement nor any right, remedy, obligation or liability arising hereunder or by reason hereof shall be assignable by any party hereto pursuant to any Transfer of Company Securities or otherwise, except that each Securityholder may assign all or a portion of its rights hereunder to any Transferee in connection with a Transfer of Company Securities by such Securityholder to such Transferee in compliance with the terms of this Agreement. Subject to the rights and restrictions on Transfers set forth in this Agreement, this Agreement shall be binding upon the Company, each Securityholder, and their respective successors and permitted assigns.

Section 8.7 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. This Agreement and any signed agreement entered into in connection herewith or contemplated hereby, and any amendments hereto or thereto, to the extent signed and delivered by facsimile, by electronic mail in "portable document format" (".pdf") form, or any other electronic transmission, shall be treated in all manner and respects as an original contract and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

Section 8.8 Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction (including any provision hereof that would violate the Jones Act) is, as to such jurisdiction, ineffective to the extent of any such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof, or affecting the validity, enforceability or legality of such provision in any other jurisdiction, unless the ineffectiveness of such provision would result in such a material change as to cause completion of the transactions contemplated hereby to be unreasonable. Upon a determination that any provision of this Agreement is prohibited, unenforceable or not authorized (including any determination that any provision hereof that would violate the Jones Act), the parties hereto agree to negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible, in a mutually acceptable manner, in order that the transactions contemplated hereby are consummated as originally contemplated to the fullest extent possible.

Section 8.9 Specific Performance. Each party hereto agrees that irreparable harm would occur to the other parties hereto, for which monetary damages would not be an adequate remedy, in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, including if any party hereto fails to take any action required of them hereunder, or threatened to be breached. It is accordingly agreed that, in addition to any and all other rights and remedies that may be available to them at law or equity, the parties hereto shall be entitled to an injunction or injunctions, without proof of damages, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement. Each party hereto agrees that it will not oppose the granting of an injunction or a temporary restraining order, specific performance or other equitable relief from a court of competent jurisdiction (without any requirement to post bond) on the basis that (i) the other party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or in equity. Each of the parties hereto hereby waives (i) any defenses in any action for specific performance, including the defense that a remedy at law would be adequate and (ii) any requirement under any law to post a bond or other security as a prerequisite to obtaining equitable relief.

Section 8.10 No Waivers; Amendments; Termination.

(a) No waiver by any party shall operate or be construed as a waiver in respect of any failure, breach, or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.The remedies provided for herein are cumulative and are not exclusive of any remedies that may be available to the Company or any Securityholder at law or in equity or otherwise.

(b) Subject to Section 2.2(a), and without limiting the rights of any Securityholders under the other Organizational Documents, this Agreement and the other Organizational Documents may only be amended, waived or otherwise modified (including restated or supplemented) (whether by merger, consolidation or otherwise) or terminated by an instrument in writing executed by the Securityholder(s) beneficially owning at least 75% of the Fully Diluted Securities, which must include each Appointing Person; *provided*, that no provision of this Agreement or the other Organizational Documents shall be amended, waived or otherwise modified (including restated or supplemented) (whether by merger, consolidation or otherwise) or terminated (i) (A) in a manner that is disproportionately and materially adverse to any Securityholder (as compared to other Securityholders holding the same class of Company Securities), (B) in a manner that would materially and adversely affect the rights of any Securityholder provided in Article III, Sections 4.6, 4.7, or Article V, or (C) in a manner that would materially increase the transfer restrictions applicable to any Securityholder, in each case without the prior written consent of such Securityholder so affected or (ii) in a manner that would reduce the threshold for termination set forth in Section 8.2 without the prior written consent of the Securityholders beneficially owning at least ninety percent (90%) of the Fully Diluted Securities at such time. Notwithstanding the foregoing, Exhibit B-4 may be amended by resolution of the Board, and Schedule I may be amended by resolution of the Board with the requisite consent of the Appointing Persons. The Company shall give prompt written notice to the Securityholders of any amendments, waivers or modifications of the provisions of this Agreement.

Section 8.11 Non-Recourse. All claims, obligations, liabilities, or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are expressly limited to) the entities that are expressly identified as parties in the preamble to this Agreement ("**Contracting Parties**"). No Person who is not a Contracting Party, including any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, or representative of, and any financial advisor or lender to, any Contracting Party, or any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, or representative of, and any financial advisor or lender to, any of the foregoing ("**Non-Party Affiliates**"), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance, or breach; and, to the maximum extent permitted by law, each Contracting Party hereby waives and releases all such liabilities, claims, causes of action, and obligations against any such Non-Party Affiliates.

The obligations of each Securityholder hereunder are several and not joint with the obligations of any other Securityholder, and no provision of this Agreement is intended to confer any obligations on any Securityholder vis-à-vis any other Securityholder. Nothing contained herein, and no action taken by any Securityholder pursuant hereto, shall be deemed to constitute the Securityholders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Securityholders are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated herein.

Section 8.16 No Third-Party Beneficiaries. Except for Section 7.1 and Section 8.10, this Agreement is for the sole benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

**FORM OF CONFIDENTIALITY AGREEMENT**

**EXHIBIT C**
**FORM OF**

**CONFIDENTIALITY AGREEMENT**

This confidentiality agreement (this "Agreement"), dated as of [•], is entered into by and between Hornbeck Offshore Services, Inc. (the "Company"), [•] ("Transferor"), and the undersigned transferee ("Transferee") in connection with Transferee's request of information concerning the Company pursuant to discussions between Transferor and Transferee regarding a potential transfer of Company Securities (as defined in the Securityholders Agreement of the Company, dated as of [•], 2020 (as amended, modified and supplemented from time to time, the "**Securityholders Agreement**")) from Transferor to Transferee.

As a condition to the furnishing of information to Transferee, Transferee agrees, on behalf of itself and its Representatives (as defined below), for the benefit of the Company and Transferor, that it will keep strictly confidential and will not, and will cause its Representatives not to, without the Company's prior written consent, disclose, divulge or use for any purpose other than to evaluate an investment in the Company, any and all information, whether written or oral, relating to the Company and its direct and indirect subsidiaries and affiliates furnished by or on behalf of Transferor or the Company to Transferee or its Representatives, whether prior to or after Transferee's acceptance of this letter and irrespective of the form of communication (such information, including any notes, memoranda, summaries, analyses, compilations, studies and other writings or documents relating thereto or based thereon prepared by Transferee, its Representatives or others being referred to herein as the "Confidential Information"), unless such Confidential Information is known or becomes known to the public in general (other than as a result of a disclosure by Transferee or its Representatives in breach of this Agreement) or is or becomes available on a non-confidential basis from a source other than Transferor or its Representatives (provided, to the Transferee's knowledge, such source is not bound by a confidentiality agreement with, or other contractual, legal or fiduciary obligation of confidentiality or secrecy to, the Transferor or the Company); provided, however, that Transferee may disclose (on a confidential basis) Confidential Information (a) to its attorneys, accountants, consultants, other professionals, or to any director, officer, employee, partner, member or regulator of Transferee in the ordinary course of business who need to know the information to evaluate an investment in the Company (collectively, Transferee's "Representatives"), or (b) as may otherwise be required by applicable law or judicial or administrative process; provided, further, that in the case of any such disclosure under this clause (b), Transferee shall (1) notify the Company, as promptly as practicable, of such request or requirement so that the Company may, at its expense, seek an appropriate protective order or waive compliance with the provisions of this Agreement, and/or take any other mutually agreed action, and (2) cooperate with the Company in any actions it may choose to take in seeking to prevent or limit disclosure, (3) disclose only that portion of the requested information which Transferee is advised by counsel is legally required to be disclosed, (4) exercise reasonable best efforts to obtain reliable assurance that confidential treatment will be

accorded the information and (5) take, at the Company's expense, all reasonable steps requested by the Company to minimize the extent of any such required disclosure, and to the extent practicable, await the final outcome of any motion for a protective order that the Company may file before disclosing any Confidential Information; provided, that Transferee agrees not to make any such disclosure or transmission of Confidential Information unless such Representatives have agreed to act in accordance with this Agreement; provided, further, that the acts and omissions of any person or entity to whom Transferee may disclose Confidential Information pursuant to the foregoing clause (a) shall be attributable to Transferee for purposes of determining Transferee's compliance with this Agreement and Transferee shall be liable for all breaches of this Agreement by it or its Representatives, unless such Person and the Company have entered into a confidentiality agreement between them that imposes confidentiality restrictions on such Person that are no less restrictive than those contained in this Agreement, in which case the acts and omissions of such Person shall not be attributable to Transferee.

Transferee recognizes and agrees, on behalf of itself and its Representatives, that nothing in this Agreement shall be construed as granting Transferee or any of its Representatives any rights, by license or otherwise, in or to any Confidential Information. Upon the written request of Transferor, Transferee will, and will cause its Representatives to, promptly (and in no event later than ten (10) business days after such request) redeliver or cause to be redelivered to Transferor or destroy, subject to applicable law, all copies of the Confidential Information furnished to or in the possession of Transferee and/or any of its Representatives by or on behalf of Transferor and destroy or cause to be destroyed all Confidential Information, including such portion of any notes, memoranda, summaries, analyses, compilations, studies and other writings or documents relating thereto or based thereon prepared by Transferee or any of its Representatives that contains Confidential Information. Any such destruction shall be confirmed in writing by one of Transferee's authorized officers. Notwithstanding the foregoing, Transferee and all of its Representatives shall be permitted to retain such copies of the Confidential Information as are required to comply with their respective legal, regulatory and internal record- retention policies, subject to their respective confidentiality obligations hereunder for so long as such Confidential Information is retained. No redelivery or destruction will affect Transferee's or its Representatives obligations hereunder, all of which obligations shall continue in effect for the term of this Agreement.

Transferee hereby acknowledges that it is aware (and that its Representatives that are otherwise unaware have been advised) of the restrictions imposed by federal and state securities laws on a person possessing material nonpublic information about a company, and restrictions on sharing such information with other persons who may engage in such trading.

Transferee acknowledges that Transferor makes no express or implied representation or warranty as to the accuracy or completeness of the Confidential Information. Further, Transferee agrees that Transferor shall not have any liability to Transferee or any of its Representatives based on the Confidential Information, errors therein or omissions therefrom. Transferee agrees that it is not entitled to rely on the accuracy or completeness of the Confidential Information.

Transferee acknowledges and agrees that money damages would not be a sufficient remedy for any breach of any provision of this Agreement by Transferee or any of its Representatives, and that in addition to all other remedies which Transferor may have, Transferor and the Company will be entitled to specific performance and injunctive or other equitable relief

as a remedy for any such breach. Transferee agrees not to raise as a defense or objection to the request or granting of such relief that any breach of this Agreement is or would be compensable by an award of money damages, and further agrees to waive and to use reasonable efforts to cause all of its Representatives to waive any requirement for the securing or posting of any bond in connection with any such remedy. No failure or delay by any party hereto in exercising any right, power or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

Transferee agrees that if Transferee purchases Company Securities, the Confidential Information shall be subject in all respects to Section 3.1(c) of the Securityholders Agreement.

This Agreement shall terminate (a) if Transferee purchases any Company Securities, on the date on which Transferee enters into a joinder to the Securityholders Agreement, and (b) otherwise, one year after the date hereof.

If any provision of this Agreement is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of the Agreement shall not in any way be affected or impaired thereby.

This Agreement (a) contains the sole and entire agreement between the parties with respect to the confidentiality of the Confidential Information, (b) may be amended, modified or waived only by a separate written instrument duly executed by or on behalf of the Company, Transferor and Transferee, and (c) shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the conflicts of laws principles thereof. This Agreement may be executed by facsimile, email or in any number of counterparts, each of which when so executed shall be deemed an original, but such counterparts shall together constitute one and the same. Promptly following the execution hereof, Transferor shall provide a copy of this Agreement duly executed by the Company, Transferor and Transferee to the Company and Transferee.

If the foregoing correctly sets forth our agreement with respect to the matters set forth herein, please so indicate by signing this Agreement and returning a copy to us, whereupon this Agreement will constitute our binding agreement with respect to the matters set forth herein.

THIS AMENDMENT NO. 1 to SECURITYHOLDERS AGREEMENT of HORNBECK OFFSHORE SERVICES, INC. (this "Amendment") is entered into as of December 2, 2021 by and among HORNBECK OFFSHORE SERVICES, INC., a Delaware corporation (the "Company"), and each of the undersigned Securityholders of the Company. All capitalized terms which are not specifically defined in this Amendment shall have the meanings ascribed thereto in the Existing Agreement (as defined below).

## RECITALS

WHEREAS, the Company is conducting an offering of up to $35 million of its common stock (the "Equity Offering");

WHEREAS, the Company and the Securityholders entered into that certain Securityholders Agreement of the Company, dated as of September 4, 2020 (the "Existing Agreement");

WHEREAS, pursuant to Sections 2.2(a)(ii) and 8.10(b) of the Existing Agreement, the Existing Agreement may be amended by an instrument in writing executed by the Securityholders beneficially owning at least 75% of the Fully Diluted Securities, which must include each Appointing Person;

WHEREAS, the undersigned Securityholders are Appointing Persons and beneficially own at least 75% of the Fully Diluted Securities in the aggregate; and WHEREAS, the Company and each of the undersigned Appointing Persons wish to amend the Existing Agreement as provided in this Amendment.

## AMENDMENT

NOW, THEREFORE, in consideration of the mutual promises contained in the Existing Agreement and this Amendment, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Existing Agreement is hereby amended as of the date hereof as follows:

1. **Section 1.** The following definition in Section 1 of the Existing Agreement is hereby amended and restated in its entirety to read as follows:

"'**Preemptive Rights Securityholder**' means, in the case of a Proposed Offering of Company Securities, (i) each 2% Securityholder that is an Accredited Investor and (ii) subject to and in accordance with Section 5.1(j), Todd Hornbeck."

2. **Section 5.1(b) through (h).** Section 5.1(b) through (h) of the Existing Agreement are hereby amended and restated in their entirety to read as follows:

"(b) *Procedure.* In the event that the Company or any of its Subsidiaries proposes to sell or otherwise issue Company Securities and/or Subsidiary Securities (any of the foregoing, "**Dilutive Instruments**") other than in a Permitted Offering (a "**Proposed Offering**"), each Preemptive Rights Securityholder shall have the right to acquire that number of such Dilutive Instruments as is determined in accordance with Section 5.1(c) below, at the same price and upon the same terms and conditions as such Dilutive Instruments are being offered by the Company or its Subsidiary, as applicable, in the Proposed Offering.

(c) *Notice and Offer.* As promptly as practicable prior to the consummation of any Proposed Offering to which this Section 5.1 applies, the Company shall give written notice thereof to each Preemptive Rights Securityholder (the "**Company Sale Notice**"), setting forth the number and class of the Dilutive Instruments and the consideration per Dilutive Instrument to be issued in such Proposed Offering as well as the other terms and conditions on which the Dilutive Instruments are being offered in such Proposed Offering, as applicable, and offering to sell or issue to each Preemptive Rights Securityholder its pro rata share (subject to Section 5.1(h), based on the relative ownership of the then-outstanding Fully Diluted Securities held by all applicable Preemptive Rights Securityholders as of the date of the Company Sale Notice) of such Dilutive Instruments on the same terms and conditions as are set forth in the applicable Company Sale Notice (the "**Preemptive Rights Offer**").

(d) *Exercise of Rights.* Each Preemptive Rights Securityholder shall be entitled to accept any Preemptive Rights Offer by providing written notice to the Company not later than ten (10) Business Days after the date of the applicable Company Sale Notice. A delivery of such notice (which notice shall specify the number of Company Securities and/or Subsidiary Securities, as applicable, requested to be purchased by the Preemptive Rights Securityholder submitting such notice, up to the maximum amount determined pursuant to Section 5.1(c)) by such Preemptive Rights Securityholder shall constitute a binding agreement of such Preemptive Rights Securityholder to purchase, for the per share consideration and on the terms and conditions specified in the Company Sale Notice, the number of Dilutive Instruments specified in such Preemptive Rights Securityholder's notice. If, at the end of such ten (10) Business Day period, any Preemptive Rights Securityholder has not exercised its right to purchase any of its pro rata share of the Preemptive Rights Offer by delivering such notice, such Preemptive Rights Securityholder shall be deemed to have waived all of its rights under this Article V with respect to, and only with respect to, the purchase of such Dilutive Instruments specified in the applicable Company Sale Notice.

(e) *Failure to Exercise.* If following the expiration of the period specified in Section 5.1(c) (i) any Preemptive Rights Securityholder has declined or failed to exercise its preemptive rights under this Section 5.1, or (ii) any Preemptive Rights Securityholder exercises its rights under this Section 5.1 with respect to less than all of such Preemptive Rights Securityholder's pro rata portion (the difference between (x) the total number or amount, as applicable, of Dilutive Instruments to be issued in the Proposed Offering and (y) the number of Dilutive Instruments attributable to the Preemptive Rights Securityholders described in clauses (i) and (ii), the "**Preemptive Rights Excess Instruments**"), then the Company or its Subsidiary, as applicable, shall give prompt

written notice thereafter to each Preemptive Rights Securityholder that has elected to fully exercise its rights under this Section 5.1 (each such Preemptive Rights Securityholder, a "**Full Preemptive Rights Securityholder**"), of its right to purchase such Full Preemptive Rights Securityholder's pro rata portion of any Preemptive Rights Excess Instruments (based on the relative ownership of the then-outstanding Fully Diluted Securities held by all Full Preemptive Rights Securityholders as of the date of the Company Sale Notice) (with an option for each Full Preemptive Rights Securityholder to indicate that it would purchase up to all such Preemptive Rights Excess Instruments, to the extent that other Full Preemptive Rights Securityholders do not exercise their over-subscription rights pursuant to this Section 5.1(d)) and for the same per share consideration and on the same terms as those specified in the Company Sale Notice, and such Full Preemptive Rights Securityholder shall have two (2) Business Days following the expiration of the period specified in Section 5.1(c) to exercise its rights pursuant to this Section 5.1(e) with respect to the Preemptive Rights Excess Instruments by delivering written notice thereof to the Company.

(f) *Timing*. Subject to compliance with this Article V, the Company or its Subsidiary, as applicable, shall have sixty (60) days after the date of the Company Sale Notice to consummate the Proposed Offering with respect to any Dilutive Instruments that the Preemptive Right Securityholders have elected not to purchase at the same (or higher) per share consideration and upon such other terms and conditions that, taken as a whole, are not materially less favorable to the Company or its Subsidiary, as applicable, than those specified in the Company Sale Notice; *provided*, that, if such Proposed Offering is subject to regulatory approval, such 60-day period shall be extended until the expiration of five (5) Business Days after all such approvals have been received. If the Company or its Subsidiary, as applicable, proposes to consummate a Proposed Offering (x) during such 60-day period at a lower per share consideration or on such other terms that are, taken as a whole, materially less favorable to the Company or its Subsidiary, as applicable, or (y) at any point after such 60-day period, in each case it shall again comply with the procedures set forth in this Article V prior to such Proposed Offering. Subject to Section 5.1(h), the purchase of Dilutive Instruments by the Preemptive Rights Securityholders agreeing to purchase any such Dilutive Instruments pursuant to this Section 5.1 shall be consummated simultaneously with the closing of the applicable Proposed Offering.

(g) Notwithstanding the foregoing, (i) the Company or its Subsidiary, as applicable, shall have the right to offer or issue to the Appointing Persons (pro rata based on the relative ownership of the then outstanding Fully Diluted Securities held by the Appointing Persons as of the date of the Company Sale Notice) any Dilutive Instruments without first providing a Preemptive Rights Offer as described in Section 5.1(c) to the Preemptive Right Securityholders as long as the Company promptly thereafter (and in any event within sixty (60) days) makes a Preemptive Rights Offer to the other Preemptive Rights Securityholders on the same terms (including at the same price) as such Securityholders would have been entitled to exercise such preemptive rights if the Company had offered such Dilutive Instruments at the time of the original Proposed Offering; and (ii) any Preemptive Rights Securityholder that participates in the Proposed Offering described in the Company Sale Notice, dated as of December 2, 2021 (the "**2021 Proposed Offering**"), may transfer or assign its right to purchase all or any portion of such Preemptive Rights Securityholder's

pro rata portion of Dilutive Instruments (including any Preemptive Rights Excess Instruments) in connection with the 2021 Proposed Offering to (A) any other Preemptive Rights Securityholder participating in the 2021 Proposed Offering or (B) any Director or Officer of the Company or its Subsidiary (each such Person described in clauses (A) and (B), a "**Preemptive Rights Transferee**"), in each case by delivering written notice thereof to the Company concurrently therewith; *provided*, that the transferring Preemptive Rights Securityholder and any such Preemptive Rights Transferee must comply with the provisions set forth in Sections 4.1, 4.2, 4.3 and 4.4 in respect of any such transfer or assignment.

(h) *Disclaimer of Liability*. The Company shall be under no obligation to consummate any proposed issuance of Dilutive Instruments, nor shall there be any liability on the part of the Company or the Board to any Preemptive Rights Securityholder if the Company has not consummated any proposed issuance of Dilutive Instruments for whatever reason, except for issuances made in breach of this Agreement, regardless of whether the Board shall have delivered a Company Sale Notice in respect of such proposed issuance."

3. **Miscellaneous.**

(a) Except as expressly set forth in this Amendment, the terms and conditions of the Existing Agreement shall remain in full force and effect as originally written and amended by this Amendment thereto. This Amendment and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Amendment or the negotiation, execution or performance of this Amendment shall be governed by and construed in accordance with the internal laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

(b) This Amendment may be executed in any number of counterparts, each of which will be deemed to be an original copy of this Amendment and all of which, when taken together, will be deemed to constitute one and the same amendment. This Amendment and any signed agreement entered into in connection herewith or contemplated hereby, and any amendments hereto or thereto, to the extent signed and delivered by facsimile, by electronic mail in "portable document format" (".pdf") form, or any other electronic transmission, shall be treated in all manner and respects as an original contract and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

IN WITNESS WHEREOF, the undersigned has duly executed this Amendment as of the date first above written.

**AMENDMENT**

NOW, THEREFORE, in consideration of the mutual promises contained in the Existing Agreement and this Second Amendment, and for other valuable consideration, the receipt and sufficiency of which are acknowledged, the Existing Agreement is hereby amended as of the date hereof as follows:

1. **Section 1**. The following definition is added in Section 1 of the Existing Agreement:

"'**Second Amendment Date**' means July 7, 2023."

2. **Section 1**. The following definitions in Section 1 of the Existing Agreement are amended and restated in their entirety to read as follows:

"'**Other Director**' has the meaning ascribed to such term in Section 2.1(a)(iii) of this Agreement."

3. **Section 1**. The definitions for "Additional Appointing Person Director" and "Consultation Right" are deleted from Section 1 of the Existing Agreement in their entirety.

4. **Section 2.1(a)**. Section 2.1(a) of the Existing Agreement is amended and restated in its entirety to read as follows:

"(a) *Board Representation; Number of Directors.* From and after the Second Amendment Date, the Board shall consist of nine (9) Directors or such greater number approved by the Board in accordance with Section 4.02 of the Bylaws and the Appointing Persons in accordance with Section 2.2(a)(iii) and, subject to Section 2.1(b) and Section 2.1(h), the Board shall be constituted as follows:

(i) (A) subject to Section 2.1(k), four (4) Directors shall be designated by Ares (or any Person designated as an Appointing Person for such purpose by Ares in accordance with Section 2.1(h)), for so long as Ares (or such Person designated as an Appointing Person) is an Appointing Person; (B) two (2) Directors shall be designated by Whitebox (or any Person designated as an Appointing Person for such purpose by Whitebox in accordance with Section 2.1(h)), for so long as Whitebox (or such Person designated as an Appointing Person) is an Appointing Person and (C) two (2) Directors shall be designated by Highbridge (or any Person designated as an Appointing Person for such purpose by Highbridge in accordance with Section 2.1(h)), for so long as Highbridge (or such Person designated as an Appointing Person) is an Appointing Person (each such Director, an "**Appointing Person Director**"). Notwithstanding the foregoing, as of the Second Amendment Date and subject to the last sentence of Section 2.1(b), the Directors appointed by Ares and Whitebox shall be appointed by Affiliates of Ares and Whitebox that are U.S. Citizens. Pursuant to this Section 2.1(a)(i): (x) Piyush "Bobby" Jindal, Kurt Cellar, Aaron Rosen and Scott Graves shall be the initial Board Designees of Ares; (y) Evan Behrens and Jacob Mercer shall be the initial Board Designees of Whitebox; and (z) L. Don Miller and Sylvia Jo Sydow Kerrigan shall be the initial Board Designees of Highbridge;

(ii) the duly-appointed and acting Chief Executive Officer of the Company (the "**Chief Executive Officer**"), who shall initially be Todd Hornbeck, shall be designated as a Director;

(iii) if any seats on the Board remain unfilled after the exercise of the Director Designation Rights set forth above, candidates for such additional seats (each, an "**Other Director**") shall be nominated by the Board and shall be subject to election by the holders of Common Stock in accordance with the Certificate of Incorporation and Bylaws;

(iv) Directors designated pursuant to Section 2.1(a)(i), Section 2.1(a)(ii) or appointed to fill a vacancy by an Appointing Person as provided in Section 2.1(c)(iv) shall be referred to as the "**Board Designees**";

(v) For so long as Todd Hornbeck is the Chief Executive Officer, Todd Hornbeck shall serve as chairman of the Board (the "**Chairman**"). After such time, the Board shall vote to elect the Chairman by a majority vote of the Board and shall thereafter vote to elect the Chairman annually by a majority vote of the Board."

5. **Section 2.1(c)(i)**. Section 2.1(c)(i) of the Existing Agreement is amended and restated in its entirety to read as follows:

(i) *Removals*. At the request and direction of any Appointing Person, the Company and each Securityholder agrees to take all Necessary Action to remove any Director that was designated for election by such Appointing Person. If the person serving as the Chief Executive Officer is removed, resigns or is otherwise replaced, then such person shall automatically, and without any action by the Board or stockholders of the Company, cease to be a Director.

6. **Section 2.1(c)(ii)**. Section 2.1(c)(ii) of the Existing Agreement is amended and restated in its entirety to read as follows:

(ii) *Term*. Notwithstanding anything to the contrary in this Agreement, to the extent the right of an Appointing Person to designate a Director is terminated, then any Director designated by such Appointing Person shall be entitled to continue serving in such capacity for the remainder such Director's term of office as determined in accordance with Section 4.02 of the Bylaws. The Board may request, however, that any such Director resign from the Board or may remove any such Director at any time after the right of the applicable Appointing Person to designate a Director is terminated.

7. **Section 2.1(c)(iv)(A)**. Section 2.1(c)(iv)(A) of the Existing Agreement is amended and restated in its entirety to read as follows:

8. **Section 2.1(e)**. Section 2.1(e) of the Existing Agreement is amended and restated in its entirety to read as follows:

(e) *Subsidiaries*. Except as set forth in the last sentence of thisSection 2.1(e) or when the Board determines to otherwise create or approve a board of managers or similar governing body at any of the Company's Subsidiaries, the Chief Executive Officer (or other Officer of the Company as designated in writing by the Board) shall be the sole manager of each of the Company's Subsidiaries. Notwithstanding the foregoing, in the event either through a Board determination or through other Necessary Action (including, for the avoidance of doubt, by any board of managers or similar governing body of any Subsidiary of the Company), a board of managers or similar governing body is created or approved for any of the Company's Subsidiaries holding or operating under a Facility Clearance, as defined in the in the National Industrial Security Program Operating Manual (the "**NISPOM**"), then, that board or other similar governing body shall exclude any Board Designee of Highbridge. If the Board so determines to otherwise create or approve a board of directors or similar governing body at any of the Company's Subsidiaries, to the extent requested by an Appointing Person, the Company and the Securityholders shall take all Necessary Action to cause the Board Designees designated by such Appointing Person to be designated as members of the board of directors or similar governing body of any of the Company's Subsidiaries with the same proportionate representation of such Appointing Person on such other board or governing body as on the Board. The rights set forth in the preceding sentence shall not apply to Highbridge and the Company and each Securityholder shall not honor, any such request from Highbridge for representation on the board of directors or similar governing body of any Subsidiary of the Company holding or operating under a Facility Clearance (as defined in the NISPOM). The Company and each Securityholder agree to take all Necessary Action to cause any Subsidiary of the Company holding or operating under a Facility Clearance (as defined in the NISPOM) to have, and be managed under the direction of, a board of managers or similar governing body.

9. **Section 2.1(h)**. Section 2.1(h) of the Existing Agreement is amended and restated in its entirety to read as follows:

(h) *Transfer of Appointing Person Rights.* Subject to the restrictions on Transfer set forth inArticle IV, if (i) any Appointing Person, taken together with its Affiliates, Transfers to any Transferee Company Securities representing a Securityholder Ownership Percentage of greater than or equal to 10%, and (ii) (A) the Transferring Appointing Person designates such Transferee as an Appointing Person with respect to all or a portion of such Transferring Appointing Person's Director Designation Rights and (B) such designation would not result in the number of directors that Non-U.S. Appointing Persons have the right to designate pursuant to the Director Designation Rights being more than a minority of the number of Directors necessary to constitute a quorum of the Board, then effective as of the date of such Transfer, (x) such Transferring Appointing Person shall cease to be an Appointing Person if the Director Designation Right(s) so transferred are the Transferring Appointing Person's last remaining Director Designation Rights and (y) such Transferee shall become an Appointing Person solely with respect to the Director Designation Rights so transferred and solely for purposes of Sections 2.1(a), 2.1(c), 2.1(e), 2.1(h), 2.1(i), 3.1(c)(iv), 7.1(a), 8.12, Exhibit B-2 and Exhibit B-3, and not for purposes of any other provision of this Agreement whatsoever (including, for the avoidance of doubt, Sections 2.2, 2.3 and 8.10).

10. **Section 2.1(k)**. Section 2.1(k) of the Existing Agreement is amended and restated in its entirety to read as follows:

(k) *Reduction; Termination of Rights.* The rights of the Appointing Persons to designate Directors under this Section 2.1 shall be reduced and terminated, as applicable, as follows: Notwithstanding anything to the contrary in Sections 2.1(a)(i)(A) and 2.1(h), if any Appointing Person with the right to designate directors pursuant to Section 2.1(a)(i)(A) (A) has a Securityholder Ownership Percentage of less than 30% but greater than or equal to 20% and has the right to designate more than two Directors pursuant to Section 2.1(a)(i)(A), the number of Directors such Appointing Person has the right to designate pursuant to Section 2.1(a)(i)(A) shall be reduced to two Directors, and (B) has a Securityholder Ownership Percentage of less than 20% but greater than or equal to 10% and has the right to designate more than one Director pursuant to Section 2.1(a)(i)(A), the number of Directors such Appointing Person has the right to designate pursuant to Section 2.1(a)(i)(A) shall be reduced to one Director; provided that if the Company issues Fully Diluted Securities in a transaction under Clause (B) of Permitted Offering that does not trigger the preemptive rights under Section 5.1, the ownership percentages in this Section 2.1(k) shall be adjusted for the new Fully Diluted Securities issued in such Permitted Offering.

11. **CFIUS**. Notwithstanding anything herein to the contrary, this Second Amendment shall only be effective with respect to Highbridge if and when any required CFIUS clearance therefor ("**CFIUS Clearance**") has been obtained, and unless and until CFIUS Clearance has been obtained, (a) Highbridge's rights under the Existing Agreement shall not be amended or otherwise modified in any respect by or pursuant to this Second Amendment, including that Highbridge's and Whitebox's rights with respect to the "Additional Appointing Person Director" shall not be removed from the Existing Agreement, (b) L. Don Miller shall be deemed to be the sole initial Board Designee of Highbridge, and (c) Sylvia Jo Sydow Kerrigan shall be deemed to be the Additional Appointing Person Director (unless she is removed or resigns in accordance with the Existing Agreement). The Company agrees to cooperate with Highbridge with respect to any necessary filings and the provision of information reasonably required to obtain CFIUS Clearance. If and to the extent that CFIUS Clearance has not been obtained, then, at Highbridge's request, the undersigned Securityholders and the Company shall engage in good faith discussions regarding other appropriate amendments or modifications to the board composition and board designation rights of the Securityholders under the Securityholders Agreement, as amended. For the avoidance of doubt, this Section 11 shall not limit or otherwise affect the rights of any Securityholder pursuant to this Second Amendment other than (i) Highbridge and (ii) Whitebox, to the extent that Whitebox shall retain its rights with respect to the Additional Appointing Person Director as provided herein.

12. **Miscellaneous**.

(a) Except as expressly set forth in this Second Amendment, the terms and conditions of the Existing Agreement shall remain in full force and effect as originally written and amended by this Second Amendment thereto. This Second Amendment and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Second Amendment or the negotiation, execution or performance of this Second Amendment shall be governed by and construed in accordance with the internal laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

(b) This Second Amendment may be executed in any number of counterparts, each of which will be deemed to be an original copy of this Second Amendment and all of which, when taken together, will be deemed to constitute one and the same amendment. **Exhibit 10.2**

**2020 MANAGEMENT INCENTIVE PLAN**
**OF**
**HORNBECK OFFSHORE SERVICES, INC.**

**ARTICLE I PURPOSE**

**1.1 Purposes of the Plan**. This 2020 Management Incentive Plan (as amended from time to time, the "Plan") of Hornbeck Offshore Services, Inc., a Delaware corporation (the "Company"), is designed to provide an incentive to executives, senior management, certain consultants and advisors, and non-employee directors of the Company or any of its Affiliates (collectively, the "Eligible Individuals") and to offer an additional inducement in obtaining the services of such individuals.

**ARTICLE II SHARE LIMITATION**

**2.1 Shares Subject to the Plan**. Subject to the provisions of Article XI, the aggregate number of shares of Common Stock that may be issued or used for reference purposes with respect to which Awards may be granted under the Plan shall be equal to 2,198,044 shares of the Company's Common Stock, with 2,063,011 of such shares of Common Stock to be reserved for grant of Awards exclusively to MIP Participants (the "MIP Reserve") and 135,033 of such shares of Common stock to be reserved for grant of Awards to non-employee directors of the Company or any of its Affiliates. Such shares of Common Stock may, in the discretion of the Board, consist either in whole or in part of authorized but unissued shares of Common Stock or shares of Common Stock held in the treasury of the Company. Subject to the provisions of Section 13.6, any share of Common Stock underlying an Award granted under the Plan which for any reason expires, is canceled, is forfeited, or is terminated unexercised, shall again become available for the granting of Awards under the Plan (in each case with respect to any portion of the Award for which no value was received by Participant). For the avoidance of doubt, the following shares shall not again be made available for delivery to Participants under the Plan: (a) shares used to pay the exercise price or withholding taxes related to an outstanding Award and (b) shares repurchased by the Company.

**2.2 Initial Grants; Future Grants; Automatic Allocation upon Change of Control**

(a) Notwithstanding anything to the contrary contained herein, sixty percent (60%) of the MIP Reserve shall be granted in the form of Options and Restricted Stock Units upon the Effective Date, in the amounts and to the individuals listed on Exhibit A (the "Emergence Awards"). The Emergence Awards shall be granted in accordance with the form Emergence Restricted Stock Unit Award Agreement attached hereto on Exhibit B and the form Emergence Option Award Agreement attached hereto on Exhibit C.

(b) The portion of the MIP Reserve that does not constitute the Emergence Awards, plus any Awards granted pursuant to the MIP Reserve that have been forfeited or cancelled for no value before vesting (collectively, the "Remaining MIP Share Reserve"), will be granted on terms and conditions, and at such times, as are determined by the Board in its discretion following the Effective Date.

(c) As of immediately prior to a Change of Control, if (i) the Remaining MIP Share Reserve has not been fully granted, and (ii) the TEV in connection with such Change of Control is at least $1 billion, then the Board shall make a special RSU grant to Participants who remain in a Service relationship with the Company or its Affiliates at the time of such Change of Control (such grants, the "Special RSUs"). The Special RSUs shall be fully vested upon grant. The amount of shares subject to the Special RSUs granted shall be the lesser of (A) twenty percent (20%) of the MIP Reserve (*i.e.*, 412,602 Shares), and (B) one hundred percent (100%) of the Remaining MIP Share Reserve as of the time of the Change of Control.

**ARTICLE III ADMINISTRATION**

**3.1 Administration of the Plan**. The Plan shall be administered and interpreted by the Committee.

**3.2 Authority of the Committee**. The Committee shall have full authority to grant, pursuant to the terms of the Plan and applicable law, to Eligible Individuals: (i) Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock Units, (iv) Restricted Stock, (v) Performance Awards, (vi) Other Stock-Based Awards, and (vii) Other Cash-Based Awards. Subject to Section 2.2 and Section 13.6, the Committee shall have the full and final authority, in its good faith discretion, to make all determinations relating to the Plan, including, but not limited to, the right to:

(a) select the Eligible Individuals to whom Awards may, from time to time, be granted hereunder;

(b) determine whether and to what extent Awards are to be granted hereunder to one or more Eligible Individuals;

(c) determine whether the Awards are intended to be exempt from, or comply with, the requirements of Section 409A of the Code;

(d) determine the number of shares of Common Stock to be subject to each Award granted hereunder, or the amount of cash (if any) to be covered by each Award granted hereunder;

(e) determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder (including, but not limited to, the exercise or purchase price (if any), the term, any restriction or limitation, any vesting schedule or any forfeiture restrictions or waiver thereof (including, without limitation, providing for the accelerated vesting or lapse of restrictions of any Award at any time, subject, in the discretion of and as determined by the Committee, to any applicable limitations on permitted acceleration under Section 409A of the Code), based on such factors, if any, as the Committee shall determine, in its sole discretion);

(f) determine whether and under what circumstances an RSU may be settled in cash and/or Common Stock;

(g) determine whether an Option is an Incentive Stock Option orNon-Qualified Stock Option;

(h) impose a "blackout" period during which Options may not be exercised;

(i) determine whether shares of Common Stock may be issued upon the exercise of an Option as partly paid and, if so, the dates when future installments of the exercise price shall become due and the amounts of such installments;

(j) determine whether to restrict the sale or other disposition of the shares of Common Stock acquired upon the exercise or settlement of an Award and, if so, whether and under what conditions to waive any such restriction;

(k) determine whether and under what conditions to subject all or a portion of the grant or exercise of an Option or the shares of Common Stock purchased or acquired pursuant to the exercise of an Option or the settlement of an RSU to the fulfillment of certain restrictions or contingencies as specified in the Award Agreement, including, without limitation, restrictions or contingencies relating to financial objectives for the Company or any of its Affiliates, a division of any of the foregoing, a product line or other category, and/or to the period of continued Service of a Participant to the Company or any of its Affiliates, and to determine, in each case, whether such limitations, restrictions or contingencies have been met;

(l) determine the amount, if any, necessary to satisfy the obligation of the Company or any of its Affiliates to withhold taxes or other amounts;

(m) to construe the respective Award Agreement and the Plan;

(n) modify, extend, renew, or cancel an Award, provided, that, such modification, extension, renewal, or cancelation is permitted under the Plan on the date of such modification, extension, renewal, or cancelation, and provided, further, that such Award as modified, extended, renewed, or canceled would continue to be exempt from the application of Section 409A of the Code or would comply (or would continue to comply) with all requirements applicable to deferred compensation under Sections 409A(a)(2), (a)(3) and (a)(4) of the Code; and

(o) prescribe, amend, and rescind rules and regulations relating to the Plan, and to make all other determinations necessary or advisable for administering the Plan.

The good faith determinations of the Committee on the matters referred to in this Section 3.2 shall be conclusive and binding on all parties, including the Company, its Affiliates, Participants, and any Person claiming any rights under the Plan from or through any Participant. The Committee's determinations under the Plan need not be uniform and may be made selectively among Eligible Individuals who are eligible to receive, or actually receive, Awards. Without limiting the generality of the foregoing, the Committee shall be entitled to make non-uniform and selective determinations, amendments, and adjustments to Awards awarded under the Plan and to enter into non-uniform and selective Award Agreements. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers, directors, or managers of the Company or any Affiliate of the Company the authority, subject to such terms as the Committee shall determine, to perform such functions as the Committee may determine, to the extent permitted under applicable law.

**3.3 Emergence Awards**. Notwithstanding anything to the contrary in the Plan, the terms, conditions, and allocations of the Emergence Awards are set forth in Exhibit A, Exhibit B, and Exhibit C hereof, and such Emergence Awards shall be made on the Effective Date without any further action of the Company or the Committee required. This Section 3.3 supersedes any conflicting provision of the Plan.

**3.4 Limitation of Liability**. Each member of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him or her by any officer, director, or other employee of the Company or any of its Affiliates, the Company's independent certified public accountants, or any executive compensation consultant, legal counsel, or other professional retained by the Company to assist in the administration of the Plan. To the fullest extent permitted by applicable law, no member of the Committee, nor any officer, director, or employee of the Company acting on behalf of the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Committee and any officer, director, or employee of the Company acting on its behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, determination, or interpretation.

**3.5 Decisions Final**. Any decision, interpretation, or other action made or taken in good faith by or at the direction of the Committee arising out of or in connection with the Plan shall be within the absolute discretion of the Committee and shall be final, binding and conclusive on all Persons, including all employees and Participants and their respective heirs, executors, administrators, successors, and assigns, subject to any dispute rights set forth in an Award Agreement.

**3.6 Actions by the Board**. The Board may, at any time and from time to time, grant Awards and administer the Plan with respect to such Awards. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

## ARTICLE IV ELIGIBILITY

**4.1 Eligibility**. The Committee may, from time to time, in its sole discretion, consistent with the purposes of the Plan, grant Awards to the Eligible Individuals. Such Awards granted shall cover such number of shares of Common Stock as the Committee may determine, in its sole discretion, as set forth in the applicable Award Agreement.

## ARTICLE V STOCK OPTIONS

**5.1 Stock Options**. Options may be granted alone or in addition to other Awards granted under the Plan. Each Option granted under the Plan shall be either (a) an Incentive Stock Option or (b) a Non-Qualified Stock Option. The Committee shall have the authority to grant to any Eligible Individual one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Options, in each case, pursuant to an Award Agreement and subject to the terms and conditions set forth herein and therein.

**5.2 Exercise Price**. The exercise price of the shares of Common Stock subject to an Option shall be equal to or greater than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of grant.

**5.3 Option Term**. The maximum term of each Option granted pursuant to the Plan shall be equal to ten (10) years from the date of grant thereof; subject, however, to earlier termination as hereinafter provided.

**5.4 Exercisability**. Options granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its discretion, that any Option is exercisable subject to certain limitations (including, without limitation, that such Option is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after the time of grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such Option may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

**5.5 Method of Exercise**. Subject to whatever installment exercise and waiting period provisions apply under Section 5.4, to the extent then-vested and exercisable, Options may be exercised, in whole or in part at any time during the Option term, by giving written notice to the Company (or to its agent specifically designated for such purpose), at the address and in the form established by the Committee (which notice may be provided in an electronic form, to the extent acceptable to the Committee and the Company), specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by a certified check or bank draft payable to the order of the Company for an amount equal to the sum of the aggregate exercise price for such shares of Common Stock and any income taxes and employment taxes required to be withheld. The Committee may, in its sole discretion and subject to applicable law, at the time the Option is granted or at a later date, permit other forms of payment in an Award Agreement or otherwise, including notes, shares of Common Stock, "net exercise", or other contractual obligations of a Participant to make payment on a deferred basis. Any fractional shares of Common Stock shall be settled in cash.

**5.6 Unvested Options**. Unless otherwise determined by the Committee in the applicable Award Agreement or otherwise in accordance with the terms of the applicable Award Agreement and the Plan, Options that are not vested or exercisable as of the date of a Participant's termination of Service for any reason shall terminate and expire as of the date of such termination for no consideration.

**5.7 Non-Transferability of Options**. Except to the extent provided above, no Option granted under the Plan shall be Transferable by a Participant, other than by will or the laws of descent and distribution, and during the lifetime of a Participant, all Options may be exercised only by Participant or Participant's Legal Representatives, and any attempted Transfer shall be null and void ab initio and of no force or effect. Notwithstanding anything to the contrary herein, Options and shares of Common Stock underlying an Option permitted to be transferred hereunder shall be subject to the transfer restrictions set forth in the Securityholders Agreement applicable to Common Stock.

**5.8 Early Exercise**. The Committee may provide that an Award Agreement with respect to an Option include a provision whereby a Participant may elect at any time before a Participant's termination of Service with the Company or any of its Affiliates to exercise the Option as to any part or all of the shares of Common Stock subject to the Option prior to full vesting of the Option, and such shares shall be subject to the original vesting schedule applicable to the predecessor Option. Unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Committee determines to be appropriate, with any such terms to be set forth in the applicable Award Agreement.

**5.9 Termination of Service**. Except as otherwise provided in an Award Agreement, in the event of a Participant's termination of Service with the Company or any of its Affiliates for any reason other than Cause, a Participant may exercise, to the extent exercisable on the date of such termination, any outstanding and vested Options on the date of such termination or at any time within a period of ninety (90) days from the date of such termination, but not thereafter and in no event after the date the Options would otherwise have expired. If a Participant is terminated for Cause, then all vested and unvested Options shall terminate for no consideration on the day immediately before the date of such termination.

**5.10 Incentive Stock Option Limitations**. In the case of Incentive Stock Options, the terms and conditions of such Awards shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code and any regulations implementing such statute. All Options when granted under the Plan are intended to be Non-Qualified Stock Options, unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Stock Option. If an Option is intended to be an Incentive Stock Option, and if for any reason such Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a Non-Qualified Stock Option appropriately granted under the Plan; provided, that, such Option (or portion thereof) otherwise complies with the Plan's requirements relating to Non-Qualified Stock Options.

**ARTICLE VI STOCK APPRECIATION RIGHTS**

**6.1 Stock Appreciation Rights**. The Committee may, from time to time, grant Stock Appreciation Rights to an Eligible Individual pursuant to an Award Agreement. The Stock Appreciation Rights granted shall take such form as determined in the discretion of the Committee, subject to the terms and conditions herein and therein.

**6.2 Base Price**. To the extent a Stock Appreciation Right is not intended to be a "stock right" exempt from Section 409A of the Code, the base price of the shares of Common Stock subject to a Stock Appreciation Right shall be equal to or greater than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of grant.

**6.3 Stock Appreciation Right Term**. The maximum term of each Stock Appreciation Right granted pursuant to the Plan shall be equal to ten (10) years from the date of grant thereof; subject, however, to earlier termination as hereinafter provided.

**6.4 Exercisability**. Stock Appreciation Rights granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its discretion, that any Stock Appreciation Right is exercisable subject to certain limitations (including, without limitation, that such Stock Appreciation Right is exercisable only in installments or within certain time periods),

the Committee may waive such limitations on the exercisability at any time at or after the time of grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such Stock Appreciation Right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

**6.5 Method of Exercise**. Subject to whatever installment exercise and waiting period provisions apply under Section 6.4, to the extent then vested and exercisable, Stock Appreciation Rights may be exercised, in whole or in part, at any time during the Stock Appreciation Right term, by giving written notice to the Company (or to its agent specifically designated for such purpose), at the address and in the form established by the Committee (which notice may be provided in an electronic form to the extent acceptable to the Committee and the Company), specifying the number of Stock Appreciation Rights to be exercised. Such notice shall be accompanied by a certified check or bank draft payable to the order of the Company for an amount equal to any income taxes and employment taxes required to be withheld. The Committee may, in its sole discretion and subject to applicable law, at the time the Stock Appreciation Right is granted or at a later date, permit other forms of payment in an Award Agreement or otherwise, including notes, shares of Common Stock, or other contractual obligations of a Participant to make payment on a deferred basis. Any fractional shares of Common Stock shall be settled in cash.

**6.6 Unvested Stock Appreciation Rights**. Unless otherwise determined by the Committee in the applicable Award Agreement or otherwise in accordance with the terms of the applicable Award Agreement and the Plan, Stock Appreciation Rights that are not vested or exercisable as of the date of a Participant's termination of Service for any reason shall terminate and expire as of the date of such termination for no consideration.

**6.7 Non-Transferability**. Except to the extent provided above, no Stock Appreciation Right shall be Transferable by a Participant other than by will or the laws of descent and distribution, and during the lifetime of a Participant, all Stock Appreciation Rights may be exercised only by Participant or Participant's Legal Representatives, and any attempted Transfer shall be null and void ab initio and of no force or effect. Notwithstanding anything to the contrary herein, Stock Appreciation Rights and shares of Common Stock underlying Stock Appreciation Rights permitted to be transferred hereunder shall be subject to the transfer restrictions set forth in the Securityholders Agreement applicable to Common Stock.

**6.8 Termination of Service**. In the event of a Participant's termination with the Company or any of its Affiliates for any reason, a Participant may exercise, to the extent exercisable on the date of such termination, any outstanding and vested Stock Appreciation Rights on the date of such termination or at any time within a period of ninety (90) days from the date of such termination, but not thereafter and in no event after the date the Stock Appreciation Rights would otherwise have expired; provided, that, if a Participant is terminated for Cause, such Stock Appreciation Rights shall terminate for no consideration on the day immediately before the date of such termination.

**6.9 Form of Payment**. Upon the exercise of a Stock Appreciation Right, a Participant shall be entitled to receive, for each right exercised, an amount in cash and/or shares of Common Stock equal in value to the excess of the Fair Market Value of one share of Common Stock on the date that the right is exercised over the base price.

**ARTICLE VII RESTRICTED STOCK UNITS**

**7.1 Awards of Restricted Stock Units**. RSUs may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of RSUs shall be made, the number of RSUs to be awarded, the price (if any) to be paid by a Participant, the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards. No shares of Common Stock shall be issued at the time an Award of RSUs is made, and the Company will not be required to set aside a fund for the payment of any such Award.

**7.2 Restrictions**. Delivery of Common Stock or cash, as determined by the Committee but subject to the terms of the applicable Award Agreement, will occur upon expiration of the deferred period specified for RSUs by the Committee. The Committee may condition an Award of RSUs or the lapse of restrictions with respect to an Award of RSUs, in whole or in part, on the achievement of certain performance goals determined by the Committee in its sole discretion.

**7.3 Termination**. Except as may otherwise be expressly provided in the applicable Award Agreement, in the event of a Participant's termination of Service with the Company or any of its Affiliates for any reason, all RSUs that are not then vested shall be forfeited for no consideration; provided, that, if a Participant is terminated for Cause all RSUs, whether vested or unvested, shall terminate for no consideration on the day immediately before the date of such termination.

**7.4 Dividend Equivalents**. At the discretion of the Committee, each RSU (representing one share of Common Stock) awarded to a Participant may be credited with dividends paid in respect of one share of Common Stock ("Dividend Equivalents"). Dividend Equivalents credited to a Participant's account and attributable to any particular RSU (and earnings thereon, if applicable) shall be distributed to a Participant upon settlement of such RSU and, if such RSU is forfeited, a Participant shall have no right to such Dividend Equivalents. For the avoidance of doubt, any Dividend Equivalents paid in respect of an RSU shall be subject to the same vesting conditions as apply to the underlying Award.

**7.5 Non-Transferability**. No RSU granted under the Plan shall be Transferable by a Participant other than by will or the laws of descent and distribution, and any attempted Transfer shall be null and void ab initio and of no force or effect. Notwithstanding anything to the contrary herein, RSUs and shares of Common Stock underlying RSUs permitted to be transferred hereunder shall be subject to the transfer restrictions set forth in the Securityholders Agreement applicable to Common Stock.

**7.6 Settlement of RSUs**. Before the Company issues cash or any shares of Common Stock to a Participant pursuant to the settlement of any RSUs, at a Participant's election, the Company shall permit a Participant to make such provision, or furnish the Company such authorization, necessary or desirable so that the Company may satisfy its obligation under applicable tax laws to withhold for income or other taxes due upon or incident to such settlement.

**ARTICLE VIII RESTRICTED STOCK**

**8.1 Awards of Restricted Stock**. Shares of Restricted Stock may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Restricted Stock shall be made, the number of shares to be awarded, the price (if any) to be paid by a Participant (subject to Section 8.2 hereof), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards. The Committee may condition the grant or vesting of Restricted Stock upon the attainment of specified performance targets (including one or more Performance Goals) or such other factor(s) as the Committee may determine, in its sole discretion.

**8.2 Awards and Certificates**. If required by the applicable Award Agreement, Eligible Individuals selected to receive Restricted Stock shall not have any right with respect to such Award, unless and until such Participant has delivered a fully executed copy of the Award Agreement evidencing the Award to the Company, to the extent required by the Committee, and has otherwise complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

(a) Purchase Price. The purchase price of Restricted Stock shall be fixed by the Committee. The purchase price for shares of Restricted Stock may be zero, to the extent permitted by applicable law, and, to the extent not so permitted, such purchase price may not be less than par value.

(b) Acceptance. Awards of Restricted Stock must be accepted within a period of sixty (60) days (or such shorter period as the Committee may specify at grant) after the grant date, by executing a Restricted Stock Award Agreement and by paying whatever price (if any) the Committee has designated thereunder.

(c) Legend. The Company will evidence each Participant's ownership of Restricted Stock pursuant to a designated system, such as book entries by the transfer agent. If a stock certificate for such shares of Restricted Stock is issued, such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by applicable securities laws and/or the Securityholders Agreement, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

> "The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Hornbeck Offshore Services, Inc. (the "Company") 2020 Management Incentive Plan (as it may be amended from time to time, the "Plan") and an Agreement entered into between the registered owner and the Company dated as of _____. Copies of such Plan and Agreement are on file at the principal office of the Company."

(d) Custody. If stock certificates are issued in respect of shares of Restricted Stock, the Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, Participant shall have delivered a duly signed stock power or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate by the Company, which would permit Transfer to the Company of all or a portion of the shares subject to the Restricted Stock Award in the event that such Award is forfeited in whole or part or otherwise transferred to the Company.

**8.3 Restrictions and Conditions**. The shares of Restricted Stock awarded pursuant to the Plan shall be subject to the following restrictions and conditions and such other terms and conditions as may be determined by the Committee in its sole discretion:

(a) Restriction Period. A Participant shall not be permitted to Transfer shares of Restricted Stock awarded under the Plan during the period or periods set by the Committee (the "Restriction Period") commencing on the date of such Award, as set forth in the Award Agreement and such Award Agreement shall set forth a vesting schedule and any event that would accelerate vesting of the shares of Restricted Stock. Within these limits, based on Service, attainment of one or more Performance Goals and/or such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award and/or waive the deferral limitations for all or any part of any Restricted Stock Award.

(b) Rights as a Stockholder. As a condition to receipt, or issuance, of any shares of Restricted Stock, a Participant will execute a joinder to the Securityholders Agreement designated by the Company (in the form attached to such Securityholders Agreement). Except as provided in Section 8.3(a), this Section 8.3(b) or Section 8.3(e), or as otherwise determined by the Committee in an Award Agreement, a Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company, including, without limitation, (i) the right to receive dividends, provided, that, the payment of any dividends in respect of such Restricted Stock shall be deferred (without interest) until, and subject to and conditioned upon, (A) the expiration of the applicable Restriction Period, and (B) the lapse of all applicable restrictions thereon (including any vesting conditions of the underlying shares of Restricted Stock), (ii) the right to vote such shares, and (iii) subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares.

(d) Lapse of Restrictions. If and when the Restriction Period expires without a prior forfeiture of the shares of Restricted Stock, such earned shares (and to the extent ownership of such shares is evidenced by stock certificates, the stock certificates for such shares) shall be delivered to Participant. All legends shall be removed from said certificates at the time of delivery to Participant, except as otherwise required by applicable law or other limitations imposed by the Committee. Notwithstanding the end of the Restriction Period, earned shares will remain subject to the terms of the Securityholders Agreement.

**ARTICLE IX PERFORMANCE AWARDS**

**9.1 Performance Awards**. The Committee may designate an Award (including any Restricted Stock and any Other Stock-Based Award) at grant as a Performance Award payable upon the attainment of specific Performance Goals. If the Performance Award is payable in shares of Restricted Stock, such shares shall be transferable to a Participant only upon attainment of the relevant Performance Goal in accordance with this Article IX. If the Performance Award is denominated in cash, it may be paid upon the attainment of the relevant Performance Goals either in cash, shares of Common Stock, restricted stock units, and/or in shares of Restricted Stock (based on the then current Fair Market Value of such shares), as determined by the Committee, in its sole and absolute discretion. Each Performance Award shall be evidenced by an Award Agreement in such form that is not inconsistent with the Plan and that the Committee may, from time to time, approve. If required by the Award Agreement, an Eligible Individual selected to receive Performance Awards shall not have any right with respect to such Award, unless and until such Eligible Individual has delivered a fully executed copy of the Award Agreement evidencing the Award to the Company, to the extent required by the Committee, and has otherwise complied with the applicable terms and conditions of such Award.

**9.2 Terms and Conditions**. Performance Awards awarded pursuant to this Article IX shall be subject to the following terms and conditions and such other terms and conditions as may be determined by the Committee in its sole discretion:

(a) Earning of Performance Award. At the expiration of the applicable performance period, the Committee shall determine the extent to which the Performance Goals established pursuant to Section 9.2(c) are achieved and the percentage of each Performance Award that has been earned and certify such results in writing.

(b) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, Performance Awards may not be Transferred during the performance period. Notwithstanding anything to the contrary herein, Performance Awards and shares of Common Stock underlying Performance Awards permitted to be transferred hereunder shall be subject to the transfer restrictions set forth in the Securityholders Agreement applicable to Common Stock.

(c) Performance Goals, Formulae, or Standards. Performance Awards will be subject to the achievement of the performance goals, formulae, or standards determined by the Committee in its sole discretion.

(d) Payment. Following the Committee's determination in accordance with Section 9.2(a), the Company shall settle Performance Awards, in such form (including, without limitation, in shares of Common Stock, Restricted Stock, RSUs, and/or in cash) as determined by the Committee, in an amount equal to such Participant's earned Performance Awards. Notwithstanding the foregoing, the Committee may, in its sole discretion, award an amount less than the earned Performance Awards and/or subject the payment of all or part of any Performance Award to additional vesting, forfeiture, and deferral conditions as it deems appropriate.

(e) Termination. Subject to the applicable provisions of the Award Agreement and the Plan, upon a Participant's termination of Service for any reason during the performance period for a given Performance Award, the Performance Award in question will vest or be forfeited in accordance with the terms and conditions established by the Committee.

**ARTICLE X OTHER STOCK-BASED AND CASH-BASED AWARDS**

**10.1 Other Stock-Based Awards**. The Committee is authorized to grant to Eligible Individuals Other Stock-Based Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock, including, but not limited to, shares of Common Stock awarded purely as a bonus and not subject to restrictions or conditions, shares of Common Stock in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company or an Affiliate, phantom stock units, stock equivalent units, SARs, RSUs, and Awards valued by reference to book value of shares of Common Stock. Other Stock-Based Awards may be granted either alone, in addition to, or in tandem with other Awards granted under the Plan. Other Stock-Based Awards may be payable in cash, shares of Common Stock, or other property valued in whole or in part by reference to shares of Common Stock.

Subject to the provisions of the Plan, the Committee shall have authority to determine the Eligible Individuals, to whom, and the time or times at which, such Awards shall be made, the number of shares of Common Stock to be awarded pursuant to such Awards, and all other conditions of the Awards. If required by the Award Agreement, an Eligible Individual selected to receive Other Stock-Based Awards shall not have any right with respect to such Award, unless and until such Eligible Individual has delivered a fully executed copy of the Award Agreement evidencing the Award to the Company, to the extent required by the Committee, and has otherwise complied with the applicable terms and conditions of such Award.

**10.2 Terms and Conditions**. Other Stock-Based Awards made pursuant to this Article X shall be subject to the terms of the Plan, including the following terms and conditions, and such other terms and conditions as may be determined by the Committee in its sole discretion:

(a) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, shares of Common Stock subject to Awards made under this Article X may not be Transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance, or deferral period lapses. Notwithstanding anything to the contrary herein, Other Stock-Based Awards and shares of Common Stock underlying Other Stock-Based Awards permitted to be transferred hereunder shall be subject to the transfer restrictions set forth in the Securityholders Agreement applicable to Common Stock.

(b) Vesting. Any Award under this Article X and any Common Stock covered by any such Award shall vest or be forfeited to the extent so provided in the Award Agreement, as determined by the Committee in its sole discretion.

(c) Price. Common Stock issued on a bonus basis under this Article X may be issued for no cash consideration. Common Stock purchased pursuant to a purchase right awarded under this Article X shall be priced as determined by the Committee in its sole discretion.

**10.3 Other Cash-Based Awards**. The Committee may from time to time grant Other Cash-Based Awards to Eligible Individuals in such amounts, on such terms and conditions (subject to the terms of the Plan), and for such consideration, including no consideration or such minimum consideration as may be required by applicable law, as it shall determine in its sole discretion. Other Cash-Based Awards may be granted subject to the satisfaction of vesting conditions or may be awarded purely as a bonus and not subject to restrictions or conditions, and if subject to vesting conditions, the Committee may accelerate the vesting of such Awards at any time in its sole discretion. The grant of an Other Cash-Based Award shall not require a segregation of any of the Company's assets for satisfaction of the Company's payment obligation thereunder.

**ARTICLE XI ADJUSTMENTS UPON CHANGES IN CAPITALIZATION**

**11.1** The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (a) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (b) any merger or consolidation of the Company or any of its Affiliates,

(a) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (d) the dissolution or liquidation of the Company or any of its Affiliates, (e) any sale or transfer of all or part of the assets or business of the Company or any of its Affiliates, or (f) any other corporate act or proceeding.

**11.2** Subject to the provisions of Section 11.1 hereof:

(a) In the event any recapitalization, forward or reverse split, reorganization, merger, consolidation,spin-off, combination, repurchase, or exchange of shares of Common Stock or other securities, any stock dividend or other special and nonrecurring dividend or distribution (whether in the form of cash, securities, or other property), liquidation, dissolution, or other similar transactions or events (including a Change of Control), affects the shares of Common Stock such that the Committee (acting reasonably and in good faith) determines that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Participants under the Plan, then the Committee shall make an equitable or substitution adjustment in (i) the number and kind of shares of Common Stock deemed to be available thereafter for grants of Awards under the Plan, (ii) the number and kind of shares of Common Stock that may be delivered or deliverable in respect of outstanding Awards, and/or (iii) the exercise price of outstanding Options; provided, however, that the manner of any such equitable adjustment shall be determined in the good faith discretion of the Committee. In addition, the Committee shall have discretion to make the foregoing types of adjustments, as well as any adjustments to any performance goals, targets or measures with respect to any Award, and as to all other matters it deems relevant, as it may determine to be equitable in other types of events, including in the event of an acquisition or disposition of any of the businesses of the Company or its Affiliates occurring after the date of grant of any Award. Any adjustments made pursuant to this Section 11.2 shall be determined in a manner consistent with Section 409A of the Code, to the extent so required.

(b) Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 11.1 or this Section 11.2 shall be aggregated until, and eliminated at, the time of exercise or payment by rounding-down for fractions less than one-half (1/2) and rounding-up for fractions equal to or greater than one-half (1/2). No cash settlements shall be required with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

**ARTICLE XII UNFUNDED STATUS OF PLAN**

**12.1 The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation**. With respect to any payment as to which a Participant has a fixed and vested interest, but which are not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any right that is greater than those of a general unsecured creditor of the Company and the Company shall not be required to establish any fund or make any other segregation of assets to assure satisfaction of the Company's obligations under the Plan.

**ARTICLE XIII GENERAL PROVISIONS**

**13.1 Compliance with Securities Laws.**

(a) The Committee may require, in its sole discretion, as a condition to the exercise of any Option hereunder or the settlement in shares of Common Stock of any RSU hereunder, that either (i) the Company shall have obtained a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the issuance of the shares of Common Stock to be issued upon such grant, exercise or settlement shall be effective and current at the time of grant, exercise or settlement, or (ii) there is an exemption from registration under the Securities Act for the issuance of the shares of Common Stock upon such grant, exercise or settlement. Nothing herein shall be construed as requiring the Company to register the issuance of the shares of Common Stock subject to any Award under the Securities Act or to keep any registration statement effective or current.

(b) The Committee may require, in its sole discretion, as a condition to the receipt of an Award or the exercise or settlement of any Award hereunder, that a Participant execute and deliver to the Company customary representations and warranties, in form, substance and scope reasonably satisfactory to the Committee, which representations and warranties the Committee reasonably determines are necessary in connection with qualifying for an exemption from the registration requirements of the Securities Act, applicable state securities laws or satisfying other legal requirements.

(c) In addition, if at any time the Committee shall determine, in good faith, that the listing or qualification of the shares of Common Stock subject to any Award on any securities exchange or under any applicable law, or the consent or approval of any governmental agency or regulatory body, is necessary or desirable as a condition to, or in connection with, the granting of an Award or the issuance of shares of Common Stock thereunder, such Award may not be granted and such Award may not be exercised or settled (as applicable) in whole or in part unless such listing, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee.

**13.2 Award Agreements**. Each Award shall be evidenced by an appropriate Award Agreement which shall be duly executed by the Company and a Participant, and which shall contain such terms, provisions, and conditions as may be determined by the Committee. In the event of a conflict between the terms of the Award Agreement and the Plan, the terms of the Award Agreement shall govern.

**13.3 No Fractional Shares**. In no case may a fraction of a share of Common Stock be purchased or issued under the Plan.

**13.4 Rights as a Stockholder**. Except as otherwise determined by the Committee in an Award Agreement, the holder of an Option or other Award shall not be deemed for any purpose, nor have any of the rights or privileges of, a stockholder of the Company in respect of any shares of Common Stock purchasable upon the exercise of any part of an Option or deliverable in respect of such other Award unless, until and to the extent that (a) such holder has signed a joinder to the Securityholders Agreement designated by the Company (in the form attached to such Securityholders Agreement), (b) in the case of an Option, such Option shall have been exercised pursuant to its terms, (c) the Company shall have issued and delivered such shares to such holder, and (d) the holder's name shall have been entered as a stockholder of record with respect to such shares on the books of the Company. For the avoidance of doubt, no shares of Common Stock will be delivered or issued in respect of an Award unless and until Participant, or Participant's Legal Representative, as applicable, has signed a joinder to the Securityholders Agreement.

**13.5 No Right to Service**. Neither the Plan nor the grant of any Award hereunder shall confer on any Participant any right with respect to continuance of Service with the Company or any of its Affiliates, or interfere in any way with any right of the Company or any of its Affiliates to terminate a Participant's Service at any time for any reason whatsoever or for no reason, without liability to the Company or any of its Affiliates.

**13.6 Amendments and Termination of the Plan**. The Committee may, at any time, alter, amend, suspend, discontinue, or terminate this Plan; provided, however, that no such action shall adversely affect the rights of any Participant with respect to Awards previously granted hereunder without such Participant's express written consent. The power of the Committee to construe and administer any Award granted under the Plan prior to the termination or suspension of the Plan nevertheless shall continue after such termination or during such suspension. The Committee may not, at any time, alter, amend, suspend, discontinue, waive, or terminate Section 2.2(a) or Section 2.2(c), or the terms of any Emergence Award, in a way that adversely affects the rights of any MIP Participant who would otherwise be eligible to benefit from such section, without such Participant's written consent.

**13.7 Legends; Payment of Expenses**. The Company may endorse such legend or legends upon the certificates for shares of Common Stock issued upon exercise or settlement of an Award under the Plan and may issue such "stop transfer" instructions to its transfer agent in respect of such shares as it determines, in its discretion, to be necessary or appropriate to (a) prevent a violation of, or to qualify for an exemption from, the registration requirements of the Securities Act and any applicable state securities laws, or (b) implement the provisions of the Plan or any agreement between the Company and a Participant with respect to such shares of Common Stock.

**13.8 No Assignment of Benefits**. No Award or other benefit payable under the Plan shall, except as otherwise specifically provided by law or permitted by the Committee, be Transferable in any manner, and any attempt to Transfer any such benefit shall be void, and any such benefit shall not in any manner be liable for or subject to the debts, contracts, liabilities, engagements, or torts of any Person who shall be entitled to such benefit, nor shall it be subject to attachment or legal process for or against such Person. Shares received in satisfaction of any Award are subject to the terms and conditions of the Securityholders Agreement.

**13.9 Other Requirements**. Notwithstanding anything herein to the contrary, as a condition to the receipt of shares of Common Stock pursuant to an Award under the Plan, to the extent required by the Committee, a Participant shall execute and deliver documentation that shall set forth certain restrictions on Transferability of the shares of Common Stock acquired upon exercise, purchase or settlement, and such other terms as the Committee shall from time to time establish.

**13.10 Right to Repurchase**. The provisions set forth in this Section 13.10 shall apply until the occurrence of an Initial Public Offering. Except as set forth in an Award Agreement, the following shall apply:

(a) **Right to Repurchase.**

(i) In the case of any Participant whose Service terminates for any reason (including, without limitation, death, Disability, retirement, voluntary resignation or termination, or involuntary termination with or without Cause), the Company shall have the right (but not the obligation) to repurchase from a Participant (or any successor in interest by purchase, gift, or other mode of transfer) some or all shares of Common Stock issued (or issuable in respect of vested but unsettled Awards) to a Participant under the Plan for a repurchase price (the "Repurchase Price") equal to the Fair Market Value of the shares of Common Stock on the date of the Repurchase Notice ("Determination Date") by delivering written notice to such Participant (the "Repurchase Notice") as set forth in this Section 13.10; provided, that, the Repurchase Price may be subject to adjustment subject to Section 13.10(c).

(ii) The Company's right to repurchase shall be exercisable by the Company at any time within either (A) the six (6)-month period following the termination of a Participant's Service with the Company or any of its Affiliates for any reason (including, without limitation, death, Disability, retirement, voluntary resignation or termination, or involuntary termination with or without Cause) or (B) the six (6)-month period following any vesting of an Option or portion thereof, in each case, which vests following a Qualifying Termination (such period, the "Repurchase Period"). The Company must (x) deliver the Repurchase Notice to such Participant during the Repurchase Period, and (y) tender payment of the Repurchase Price of such shares of Common Stock to a Participant within thirty (30) days of the delivery of such written notice.

(b) The closing of the transactions contemplated by this Article XIII will take place on the date designated in the Repurchase Notice, which date will not be more than ninety (90) days after the delivery of such notice. The Company will pay for the shares of Common Stock to be purchased by delivery of a check payable to the holder of such shares of Common Stock.

(c) Notwithstanding the foregoing clause (b), if the repurchase would violate the terms of the Company's credit agreements with third parties, the ninety (90) day period described herein shall be tolled until such repurchase would no longer result in violation of any such credit agreement, and the Company shall have thirty (30) days following such date to repurchase the shares of Common Stock subject to the Repurchase Notice, and to account for such delay as contemplated by this Section 13.10(c), the Repurchase Price for such shares of Common Stock shall be the greater of the Fair Market Value of such shares on (i) the Determination Date and (ii) the date of the closing of the transactions contemplated by this Article XIII. The Company shall make commercially reasonable efforts to ensure that such credit agreements with third parties include sufficient baskets to accommodate the foregoing repurchases.

**13.11 Section 409A of the Code**. The Plan is intended to comply with the applicable requirements of Section 409A of the Code and shall be limited, construed, and interpreted in accordance with such intent. To the extent that any Award is subject to Section 409A of the Code, it shall be structured in a manner that will comply with or be exempt from Section 409A of the Code, including proposed, temporary, or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. The Company shall have no liability to a Participant, or any other Person, if an Award that is intended to be exempt from, or compliant with, Section 409A of the Code is not so exempt therefrom or compliant therewith or for any action taken by the Committee or the Company and, in the event that any amount or benefit under the Plan becomes subject to penalties under Section 409A of the Code, responsibility for payment of such penalties shall rest solely with the affected Participants and not with the Company. Notwithstanding any contrary provision in the Plan or Award Agreement, any payment(s) of "nonqualified deferred compensation" (within the meaning of Section 409A of the Code) that are otherwise required to be made under the Plan to a "specified employee" (as defined under Section 409A of the Code) as a result of such employee's "separation from service" (as defined under Section 409A of the Code, and excluding any payments that are not subject to Section 409A of the Code) shall be delayed for the first six (6) months following such separation from service (or, if earlier, the date of death of the specified employee) and shall instead be paid (in a manner set forth in the Award Agreement) upon expiration of such six (6)-month delay period. Furthermore, notwithstanding any contrary provision of the Plan or Award Agreement, any payment of "nonqualified deferred compensation" (within the meaning of Section 409A of the Code) under the Plan that may be made in installment shall be treated as a right to receive a series of separate and distinct payments.

**13.12 Governing Law; Construction**. The Plan, any Award Agreement and the actions taken in connection therewith, and all related matters shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to conflict of law provisions. Neither the Plan nor any Award Agreement shall be construed or interpreted with any presumption against the Company by reason of the Company causing the Plan or any Award Agreement to be drafted. Whenever from the context it appears appropriate, any term stated in either the singular or plural shall include the singular and plural, and any term stated in the masculine, feminine, or neuter gender shall include the masculine, feminine, and neuter.

**13.13 Jurisdiction; Waiver of Jury Trial**. Any suit, action, or proceeding with respect to the Plan or any Award Agreement, or any judgment entered by any court of competent jurisdiction in respect of any thereof, shall be resolved only in the courts of the State of Delaware or the United States District Court for the District of Delaware and the appellate courts having jurisdiction of appeals in such courts. In that context, and without limiting the generality of the foregoing, the Company and each Participant shall irrevocably and unconditionally (a) submit in any proceeding relating to the Plan or any Award Agreement, or for the recognition and enforcement of any judgment in respect thereof (a "Proceeding"), to the exclusive jurisdiction of the courts of the State of Delaware, the court of the United States of America for the District of Delaware, and appellate courts having jurisdiction of appeals from any of the foregoing, and agree that all claims in respect of any such Proceeding shall be heard and determined in such Delaware State court or, to the extent permitted by law, in such federal court, (b) consent that any such Proceeding may and shall be brought in such courts and waives any objection that the Company and each Participant may now or thereafter have to the venue or jurisdiction of any such Proceeding in any such court or that such Proceeding was brought in an inconvenient court and agree not to plead or claim the same, (c) waive all right to trial by jury in any Proceeding (whether based on contract, tort or otherwise) arising out of or relating to the Plan or any Award Agreement, (d) agree that service of process in any such Proceeding may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party, in the case of a Participant, at Participant's address shown in the books and records of the Company or, in the case of the Company, at the Company's principal offices, attention General Counsel, and (e) agree that nothing in the Plan shall affect the right to effect service of process in any other manner permitted by the laws of the State of Delaware.

**13.14 Severability of Provisions**. The invalidity, illegality, or unenforceability of any provision in the Plan, any Award, or Award Agreement shall not affect the validity, legality, or enforceability of any other provision, all of which shall be valid, legal, and enforceable to the fullest extent permitted by applicable law.

**13.15 Modification for Grants Outside the United States**. The Board or the Committee may, without amending the Plan, determine the terms and conditions applicable to grants to individuals who are foreign nationals or employed outside the United States in a manner otherwise inconsistent with the Plan if the Board or the Committee deems such terms and conditions necessary in order to recognize differences in local law or regulations, tax policies, or customs.

**13.16 Successors and Assigns**. The Plan and any applicable Award Agreement(s) shall be binding on all successors and permitted assigns of a Participant, including, without limitation, the estate of such Participant and the executor, administrator, or trustee of such estate.

**13.17 Headings and Captions**. The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan.

**13.18 Effective Date and Term of Plan**. The Plan shall become effective on the effective date of the Debtors' Joint Prepackaged Chapter 11 Plan of Reorganization (the "Effective Date"). Termination, each such amount shall be included in the foregoing calculation at the rate in effect prior to any decrease thereof) (the "Cash Severance"), which amount shall be payable in equal monthly installments over the twenty-four (24) month period following the Termination Date, provided, that, the first installment shall be paid on the sixtieth (60th) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay; and

For the avoidance of doubt, there shall be no duplication of the benefits under Section 4(d). If any such Change of Control Qualifying Termination occurs, the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the Release (as defined in Section 4(g)) but before receiving such amount) shall receive the benefits set forth in Section 4(d), except that (A) the Severance Multiple shall be (I) five (5), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, on or prior to the first anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (II) three and one-half (3.5), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the first anniversary, but on or prior to the second anniversary, of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; and (III) as set forth in Section 4(d)(iii), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the second anniversary of the Effective

Following any such termination of the Executive's employment, except as set forth in this Section 4(f), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(g) Release of Claims, Continued Compliance. Notwithstanding any provision herein to the contrary, the payment and provision of the Severance Benefits pursuant to Section 4(d) or Section 4(e) shall be conditioned upon the Executive's execution, delivery to the Company and non-revocation of the general release of claims substantially in the form attached hereto as Exhibit B (the "Release") (and the expiration of any revocation period contained in such Release) within sixty (60) days following the Termination Date, as well as the Executive's acknowledgement of, and the Executive's material compliance with, the Executive's obligations under Section 6, as further outlined in this paragraph below. If the Executive fails to execute the Release in such a timely manner so as to permit any revocation period to expire prior to the end of such sixty (60)-day period, or timely revokes such release following its execution, the Executive shall not be entitled to any of the Severance Benefits. If the period of time during which the Executive may consider the Release begins in one calendar year and ends in the next calendar year, any amounts payable under this Section 4 that are contingent upon the execution and non-revocation of the Release shall be paid as soon as practicable in the second calendar year (provided, that, the Release has become effective and non-revocable), even if the Release first became effective and non-revocable in the first calendar year. Notwithstanding any provision in this Agreement to the contrary, if the Executive materially breaches any of the covenants contained in Section 6 while receiving the Severance Benefits under Section 4(d), the Company shall have the

right, but not the obligation, to cease providing such Severance Benefits under Section 4(d); provided, that such material breach has a substantial detrimental impact on the Company or could reasonably be expected to have a substantial detrimental impact on the Company as determined by the Board in good faith; provided, further, that a material breach of Section 6 can only occur for purposes of this Section 4(g) (and otherwise, without limiting any other remedies with respect thereto) if (i) the Company provides the Executive with written notice of the circumstances constituting the alleged material breach of such covenants within ninety (90) days after becoming aware of such circumstances and (ii) the alleged breach, if curable (which includes any commercial relationship resulting from such prohibited conduct), has not been cured within fifteen (15) days after receipt of the written notice described in clause (i) above.

(h) No Offset. In the event of termination of the Executive's employment for any reason, the Executive shall be under no obligation to seek other employment, and there shall be no offset against amounts due to the Executive on account of any remuneration or benefits provided by any subsequent employment the Executive may obtain. The Company's obligation to make any payment pursuant to, and otherwise to perform its obligations under, this Agreement shall not be affected by any offset, counterclaim or other right that the Company or any other member of the Company Group may have against the Executive for any reason.

5. **Section 280G of the Code**.

(a) Shareholder Approval Exemption. If the Company is eligible for the shareholder vote exemption at the time of a Change of Control, the Company will subject the Executive's payments to a shareholder vote in accordance with Treasury Regulation Section 1.280G-1 and recommend approval thereof; provided, that, the Executive cooperates with all reasonable and customary requests in connection with such vote, including execution of any required documentation in connection therewith.

(b) Best-Net Cutback. Notwithstanding any other provision of this Agreement or any other plan, arrangement, or agreement to the contrary, if any of the payments or benefits provided or to be provided by the Company Group to the Executive or for the Executive's benefit pursuant to the terms of this Agreement or otherwise ("Covered Payments") constitute parachute payments within the meaning of Section 280G of the Internal Revenue of Code of 1986, as amended (the "Code"), and would, but for this Section 5, be subject to the excise tax imposed under Section 4999 of the Code (or any successor provision thereto) or any similar tax imposed by state or local law or any interest or penalties with respect to such taxes (collectively, the "Excise Tax"), then prior to making the Covered Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Executive of the Covered Payments after payment of the Excise Tax to (ii) the Net Benefit to the Executive if the Covered Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under subparagraph (i) above is less than the amount under subparagraph (ii) above will the Covered Payments be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax. "Net Benefit" shall mean the present value of the Covered Payments net of all federal, state, local, and foreign income, employment, and excise taxes.

(c) Method of Reduction. The Covered Payments shall be reduced in a manner that maximizes the Executive's economic position. In applying this principle, the reduction shall be made in a manner consistent with the requirements of Section 409A of the Code; provided, that, (i) cash payments shall be reduced before non-cash payments; and (ii) payments to be made on a later payment date shall be reduced before payments to be made on an earlier payment date.

(d) Determination. Any determination required under this Section 5, including whether any payments or benefits are parachute payments, shall be made in the sole discretion of a nationally recognized, independent accounting or consulting firm selected and paid for by the Company using reasonable assumptions on the Executive's tax rates (as determined by such firm). The Executive shall provide the Company with such information and documents as the Company and such accounting firm may reasonably request in order to make a determination under this Section 5. The parties shall cooperate to the extent necessary to reduce the Excise Tax, including determining "reasonable compensation" under Sections 280G and 4999 of the Code (which may involve the valuation of the Executive's non-compete obligations). The firm's determination shall be final and binding on the Executive and the Company absent manifest error.

6. **Restrictive Covenants**. The Company and the Executive acknowledge and agree that during the Executive's employment with the Company, the Executive will have access to and may assist in developing Confidential Information and will occupy a position of trust and confidence with respect to the affairs and business of the Company Group. The Executive further acknowledges that (I) the Executive performs services of a unique nature for the Company that are irreplaceable, and that the Executive's performance of such services to a competing business will result in irreparable harm to the Company Group; (II) the Executive has had and will continue to have access to Confidential Information which, if disclosed, would unfairly and inappropriately assist in competition against the Company Group; (III) in the course of the Executive's employment by a competitor, the Executive inevitably would use or disclose such Confidential Information; (IV) members of the Company Group have substantial relationships with their customers, and the Executive has had and will continue to have access to these customers; and (V) the Executive has received and will receive specialized training from the Company and other members of the Company Group. Accordingly, the Executive agrees that the following obligations are necessary to preserve the confidential and proprietary nature of Confidential Information and to protect the Company Group against harmful solicitation of employees and customers, harmful competition and other actions by the Executive that would result in serious adverse consequences for the Company Group:

(a) Confidentiality. During the Executive's employment and at all times thereafter, the Executive shall not, directly or indirectly, use, make available, sell, copy, disseminate, transfer, communicate or otherwise disclose any Confidential Information, other than as authorized in writing by the Company or within the scope of the Executive's duties with the Company as determined reasonably and in good faith by the Executive. Anything herein to the contrary notwithstanding, the term "Confidential Information" shall not include, and the provisions of this Section 6(a) shall not apply to, information that (i) was known to the public prior to its disclosure to the Executive; (ii) becomes generally known to the public subsequent to disclosure to the Executive through no wrongful act of the Executive or any representative of the Executive; (iii) the Executive is required to disclose by applicable law, regulation or legal process (provided, that, to the extent permissible, the Executive provides the Company with prior notice of the contemplated disclosure and cooperates with the Company at its expense in seeking a protective order or other appropriate protection of such information); or (iv) was owned by the Executive and/or any of the Executive's Affiliates and used by the Company (x) pursuant to the Trademark License Agreement or the Facilities Use Agreement or (y) as listed on Schedule 1 hereto.

(b) Materials. The Executive will use Confidential Information only for normal and customary use in the Company's business, as determined reasonably and in good faith by the Company. The Executive will return to the Company all Confidential Information and copies thereof and all other property of the Company or any other member of the Company Group at any time upon the request of the Company and in any event immediately after termination of the Executive's employment. The Executive agrees to identify and return to the Company any copies of any Confidential Information after the Executive ceases to be employed by the Company. Anything to the contrary notwithstanding, nothing in this Section 6 shall prevent the Executive from retaining a home computer (provided all Confidential Information has been removed), papers and other materials of a personal nature, including diaries, calendars and contact lists (excluding customer lists), information relating to the Executive's compensation or relating to reimbursement of expenses, information obtained in the Executive's capacity as an investor in the Company or any of its Affiliates or in his separate capacity in any other commercial relationship, information that may be needed for tax purposes, and copies of plans, programs and agreements relating to the Executive's employment.

(c) Non-Competition; Non-Solicitation.

(i) During the Restricted Period, the Executive shall not, directly or indirectly: (A) solicit, service, or assist any other individual, person, firm, or other entity in soliciting or servicing, any Customer for the purpose of providing and/or selling any products that are provided and/or sold by any member of the Company Group, or performing any services that are performed by any member of the Company Group, or performing any services or providing and/or selling any products that any member of the Company Group proposed to initiate performing, selling or providing during the twelve (12)-month period immediately preceding the Termination Date, based on active discussions with the Board that occurred during such twelve (12)-month period, as evidenced by existing memoranda, Board minutes or other written correspondence, and only to the extent the Company Group was capable of pursuing such proposals as a business and financial matter; (B) interfere with or damage any relationship and/or agreement between any member of the Company Group and any Customer; or (C) associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor, director or otherwise) with any Competitive Enterprise; provided, however, that (x) the Executive may own, as a passive investor, securities of any such entity that has outstanding publicly traded securities, so long as the Executive's direct holdings in any such entity shall not in the aggregate constitute more than 5% of the voting power of such entity, and (y) the exercise of any rights or remedies of the Executive or any of his Affiliates under any other agreements with the Company or any of its Affiliates, including, without limitation, the Trademark License Agreement and the Facilities Use Agreement, will not be deemed to be a breach of this Section 6(c). The Executive acknowledges that this covenant has a unique, very substantial, and immeasurable value to the Company, that the Executive has sufficient assets and skills to provide a livelihood for the Executive while such covenant remains in force, and that, as a result of the foregoing, in the event that the Executive breaches such covenant, monetary damages would be an insufficient remedy for the Company and equitable enforcement of the covenant would be proper.

(ii) During the Restricted Period, the Executive shall not solicit, entice, persuade, or induce any individual who is employed or engaged by any member of the Company Group (or who was so employed or engaged within six (6) months immediately preceding the Executive's Termination Date) to terminate or refrain from continuing such employment or engagement or to become employed by or enter into contractual relations with any other individual or entity other than a member of the Company Group, and the Executive shall not hire, directly or indirectly, on the Executive's behalf or on behalf of any other person, as an employee, consultant, or otherwise, any such person.

(d) Mutual Non-Disparagement. The Executive agrees not to, at any time, make negative comments about or otherwise disparage any member of the Company Group or any officer, director, employee, shareholder, agent or product of any member of the Company Group, other than to officers, employees, or directors of the Company Group in the good faith performance of the Executive's duties to the Company while the Executive is employed by the Company. The Company agrees that it will direct the senior officers of the Company and its Subsidiaries as of the Termination Date and the members of the Board as of the Termination Date to refrain from making negative comments about the Executive or otherwise disparaging the Executive in any manner, including by making or issuing any official public statements or press releases disparaging the Executive. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

(e) Inventions.

(i) The Executive acknowledges and agrees that all ideas, methods, inventions, discoveries, improvements, work products, developments, software, know-how, processes, techniques, works of authorship, and other work product, whether patentable or unpatentable, (A) that are reduced to practice, created, invented, designed, developed, contributed to or improved with the use of any Company Group resources and/or within the scope of the Executive's work with the Company, or that relate to the business, operations or actual or demonstrably anticipated research or development of the Company Group, and that are made or conceived by the Executive, solely or jointly with others, during the Term, or (B) suggested by any work that the Executive performs in connection with the Company, either while performing the Executive's duties with the Company or on the Executive's own time, shall belong exclusively to the Company Group (or its designee), whether or not patent or other applications for intellectual property protection are filed thereon (the "Inventions"). The Executive will keep full and complete written records (the "Records"), in the manner prescribed by the Company, of all Inventions and will promptly disclose all Inventions completely and in writing to the Company. The Records shall be the sole and exclusive property of the Company, and the Executive will surrender them upon the termination of the Term, or upon the Company's earlier written request. The Executive irrevocably conveys, transfers and assigns to the Company the Inventions and all patents or other intellectual property rights that may issue thereon in any and all countries, whether during or subsequent to the Term, together with the right to file, in the Executive's name or in the name of the Company (or its designee), applications for patents and equivalent rights (the "Applications"). The Executive will, at any time during and subsequent to the Term, make such applications, sign such papers, take all rightful oaths and perform all other acts as may be requested from time to time by

the Company to perfect, record, enforce, protect, patent or register the Company's rights in the Inventions, all without additional compensation to the Executive from the Company. The Executive will also execute assignments to the Company (or its designee) of the Applications, and give the Company and its attorneys all reasonable assistance (including the giving of testimony) to obtain the Inventions for the Company's benefit, all without additional compensation to the Executive from the Company, but entirely at the Company's expense.

(ii) In addition, the Inventions will be deemed Work for Hire, as such term is defined under the copyright laws of the United States, on behalf of the Company, and the Executive agrees that the Company will be the sole owner of the Inventions, and all underlying rights therein, in all media now known or hereinafter devised, throughout the universe and in perpetuity without any further obligations to the Executive. If the Inventions, or any portion thereof, are deemed not to be Work for Hire, or the rights in such Inventions do not otherwise automatically vest in the Company, the Executive hereby irrevocably conveys, transfers and assigns to the Company all rights, in all media now known or hereinafter devised, throughout the universe and in perpetuity, in and to the Inventions, including, without limitation, all of the Executive's right, title and interest in the copyrights (and all renewals, revivals and extensions thereof) to the Inventions, including, without limitation, all rights of any kind or any nature now or hereafter recognized, including, without limitation, the unrestricted right to make modifications, adaptations and revisions to the Inventions, to exploit and allow others to exploit the Inventions and all rights to sue at law or in equity for any infringement, or other unauthorized use or conduct in derogation of the Inventions, known or unknown, prior to the date hereof, including, without limitation, the right to receive all proceeds and damages therefrom. In addition, the Executive hereby waives any so-called "moral rights" with respect to the Inventions. To the extent that the Executive has any rights in the results and proceeds of the Executive's service to the Company that cannot be assigned in the manner described herein, the Executive agrees to unconditionally waive the enforcement of such rights. The Executive hereby waives any and all currently existing and future monetary rights in and to the Inventions and all patents and other registrations for intellectual property that may issue thereon, including, without limitation, any rights that would otherwise accrue to the Executive's benefit by virtue of the Executive being an employee of or other service provider to the Company.

(iii) 18 U.S.C. Section 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. Section 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. Section 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(iv) The term "intellectual property," as used in this Section 6(e), expressly includes all intellectual property, except for any trade names and trademarks owned by HFR and licensed to the Company pursuant to the Trademark License Agreement.

(f) Conflicting Obligations and Rights. The Executive agrees to inform the Company of any apparent conflicts between the Executive's work for the Company and any obligations the Executive may have to preserve the confidentiality of another's proprietary information or related materials before using the same on the Company's behalf. The Company shall receive such disclosures in confidence and consistent with the objectives of avoiding any conflict of obligations and rights or the appearance of any conflict of interest.

(g) Reasonableness of Restrictive Covenants. In signing this Agreement, the Executive gives the Company assurance that the Executive has carefully read and considered all of the terms and conditions of this Agreement, including the restraints imposed under this Section 6 hereof. The Executive agrees that these restraints are necessary for the reasonable and proper protection of the Company and the other members of the Company Group and their Confidential Information, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area, and that these restraints, individually or in the aggregate, will not prevent the Executive from obtaining other suitable employment during the period in which the Executive is bound by the restraints. The Executive acknowledges that each of these covenants has a unique, very substantial and immeasurable value to the Company and the other members of the Company Group, and that the Executive has sufficient assets and skills to provide a livelihood while such covenants remain in force. The Executive further covenants that the Executive will not challenge the reasonableness or enforceability of any of the covenants set forth in this Section 6. It is also agreed that each member of the Company Group will have the right to enforce all of the Executive's obligations to any other member of the Company Group under this Agreement, including, without limitation, pursuant to this Section 6.

(h) Reformation. If it is determined by a court of competent jurisdiction in any state that any restriction in this Section 6 is excessive in duration or scope or is unreasonable or unenforceable under applicable law, it is the intention of the parties that such restriction may be modified or amended by the court to render it enforceable to the maximum extent permitted by the laws of that state.

(i) Enforcement. The Executive acknowledges that, in the event of any breach or threatened breach of this Section 6, the business interests of the Company and the other members of the Company Group might be irreparably injured, the full extent of the damages to the Company and the other members of the Company Group might be impossible to ascertain, monetary damages might not be an adequate remedy for the Company and the other members of the Company Group, and the Company will be entitled to seek to enforce this Agreement by a temporary, preliminary and/or permanent injunction or other equitable relief. The Executive understands that the Company may waive some of the requirements expressed in this Agreement, but that such a waiver to be effective must be made in writing and should not in any way be deemed a waiver of the Company's right to enforce any other requirements or provisions of this Agreement. The Executive agrees that each of the Executive's obligations specified in this Agreement is a separate and independent covenant and that the unenforceability of any of them shall not preclude the enforcement of any other covenants in this Agreement.

7. **Cooperation**. Upon the receipt of reasonable notice from the Company (including through outside counsel), the Executive agrees that, while employed by the Company and thereafter, the Executive will respond and provide information with regard to matters in which the Executive has knowledge as a result of the Executive's employment with the Company, and will provide reasonable assistance to the Company, other members of the Company Group and their respective representatives, in defense of any claims that may be made against the Company or any other member of the Company Group, and will assist the Company and other members of the Company Group in the prosecution of any claims that may be made by the Company or any other member of the Company Group, to the extent that such claims are based on facts occurring during the Executive's employment with the Company (collectively, the "Claims"). During the pendency of any litigation or other proceeding involving Claims, the Executive shall not communicate with anyone (other than the Executive's attorneys and tax and/or financial advisors**,** and except to the extent that the Executive determines in good faith is necessary in connection with the performance of the Executive's duties hereunder) with respect to the facts or subject matter of any pending or potential litigation or regulatory or administrative proceeding involving the Company or any other member of the Company Group without, to the extent legally permitted to do so, giving prior written notice to the Company or the Company's counsel. Upon presentation of appropriate documentation, the Company shall pay or reimburse the Executive for all reasonable out-of-pocket travel, duplicating or telephonic expenses incurred by the Executive in complying with thisSection 7. The Company shall cooperate with the Executive on the timing and location of the Executive's cooperation and use its good faith efforts to limit any travel or interference with the Executive's other professional commitments. In addition, following the Executive's termination of employment, to the extent the Executive is not receiving any Severance Benefits in respect of such post-termination period, the Executive shall be compensated for the time spent for such cooperation at an hourly rate determined based on the Executive's Base Salary at the rate in effect as of the Termination Date.

8. **Whistleblower Protection; Protected Activity**.

(a) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede the Executive (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures, and the Executive shall not be required to notify the Company that such reports or disclosures have been made.

(b) The Executive hereby acknowledges and agrees that nothing in this Agreement shall in any way limit or prohibit the Executive from engaging for a lawful purpose in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean (i) filing a charge, complaint or report with, or otherwise communicating with, cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Equal Employment Opportunity Commission, the Department of Labor, the Occupational Safety and Health Administration, and the National Labor Relations Board (the "Government Agencies"); or (ii) any rights the Executive

may have under Section 7 of the National Labor Relations Act or equivalent state law to engage in concerted protected activity or to discuss the terms of employment or working conditions with or on behalf of coworkers, or to bring such issues to the attention of the Board at any time. The Executive understands that, in connection with such Protected Activity, the Executive is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, the Executive agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Confidential Information to any parties other than the relevant Government Agencies. The Executive further understands that Protected Activity does not include the disclosure of any Company attorney-client privileged communications, and that any such disclosure without the Company's written consent shall constitute a material breach of this Agreement.

9. **Notices**. All notices, demands, requests or other communications, which may be or are required to be given or made by any party to any other party pursuant to this Agreement, shall be in writing and shall be hand delivered, mailed by first-class registered or certified mail, return receipt requested, postage prepaid, delivered by overnight air courier, or transmitted by e-mail or facsimile transmission, addressed as follows:

Each notice, demand, request or communication that shall be given or made in the manner described above shall be deemed sufficiently given or made for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, confirmation of facsimile transmission or the affidavit of messenger being deemed conclusive but not exclusive evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation.

10. **Severability**. The provisions of this Agreement shall be deemed severable. The invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by applicable law. If any term or provision of this Agreement is found to be invalid or unenforceable by a final determination of a court of competent jurisdiction, the invalid or unenforceable term or provision hereof shall be deemed replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision hereof.

11. **Survival**. It is the express intention and agreement of the parties hereto that the provisions ofSections 5 through 22 shall survive the termination of employment of the Executive. In addition, all obligations of the Company to make payments hereunder shall survive any termination of this Agreement on the terms and conditions set forth herein.

12. **No Assignments**. The rights and obligations of the parties to this Agreement shall not be assignable or delegable, except that (a) in the event of the Executive's death, the personal representative or legatees or distributees of the Executive's estate, as the case may be, shall have the right to receive any amount owing and unpaid to the Executive hereunder; and (b) the rights and obligations of the Company hereunder shall be assignable and delegable to an Affiliate or in connection with any subsequent merger, consolidation, sale of all or substantially all of the assets or equity interests of the Company, or similar transaction involving the Company or a successor corporation. The Company shall require any successor to the Company to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

13. **Binding Effect**. Subject to any provisions hereof restricting assignment, this Agreement shall be binding upon the parties hereto and shall inure to the benefit of the parties and their respective heirs, devisees, executors, administrators, legal representatives, successors and assigns.

14. **Amendments; Modifications; Waivers**. No provision of this Agreement may be amended, modified, waived or discharged, unless such amendment, modification, waiver or discharge is agreed to in writing and signed by the Executive and such officer or director of the Company as may be designated by the Board. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time unless such waiver specifically states that it is to be construed as a continuing waiver.

15. **Section Headings; Inconsistency**. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof. In the event of any inconsistency between the terms of this Agreement and any form, award, plan or policy of the Company, the terms of this Agreement shall govern and control, unless otherwise expressly provided.

16. **Governing Law**. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Louisiana (but not including any choice of law rule that would cause the laws of another jurisdiction to apply).

17. **Dispute Resolution**. Each of the parties hereto irrevocably and unconditionally (a) WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING RELATING TO THIS AGREEMENT OR THE EXECUTIVE'S EMPLOYMENT BY THE COMPANY OR ANY OTHER MEMBER OF THE COMPANY GROUP, or for the recognition and enforcement of any judgment in respect thereof (a "Proceeding"), whether such Proceeding is based on contract, tort or otherwise; (b) agrees that service of process in any such Proceeding may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at the Executive's or its address as provided in Section 9; and (c) agrees that nothing in this Agreement shall affect the right to effect service of process in any other manner permitted by applicable law.

18. **Entire Agreement; Advice of Counsel**. This Agreement constitutes the entire agreement between the parties respecting the employment of the Executive, there being no representations, warranties or commitments except as set forth herein, and supersedes and replaces all other agreements related to the subject matter hereof of, including, without limitation, the Original Agreement. The Executive acknowledges that, in connection with the Executive's entry into this Agreement, the Executive was advised, or had the opportunity to be advised, by an attorney of the Executive's choice on the terms and conditions of this Agreement, including, without limitation, on the application of Section 409A of the Code on the payments and benefits payable or to be paid to the Executive hereunder.

19. **Counterparts**. This Agreement may be executed (including by email with scan attachment) in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

20. **Withholding**. The Company may withhold from any and all amounts payable under this Agreement or otherwise such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

21. **Section 409A of the Code**.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code and the regulations and guidance promulgated thereunder (collectively, "Section 409A of the Code"), and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. If the Executive notifies the Company (with specificity as to the reason therefor) that the Executive believes that any provision of this Agreement (or of any award of compensation, including equity compensation or benefits) would cause the Executive to incur any additional tax or interest under Section 409A of the Code and the Company concurs with such belief or the Company (without any obligation whatsoever to do so) independently makes such determination, the Company shall, after consulting with the Executive, reform such provision to attempt to comply with Section 409A of the Code through good faith modifications to the minimum extent reasonably appropriate to conform with Section 409A of the Code. To the extent that any provision hereof is modified in order to comply with Section 409A of the Code, such modification shall be made in good faith and shall, to the

maximum extent reasonably possible, maintain the original intent and economic benefit to the Executive and the Company of the applicable provision without violating the provisions of Section 409A of the Code. For the sake of clarity, the Company shall have no obligation to indemnify the Executive for liabilities incurred as a result of Section 409A of the Code.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A of the Code, and for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If the Executive is deemed on the Termination Date to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then with regard to any payment or the provision of any benefit that is considered deferred compensation under Section 409A of the Code payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6) month period measured from the date of such "separation from service" of the Executive, and (ii) the date of the Executive's death, to the extent required under Section 409A of the Code. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 22(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to the Executive in a lump sum with interest at the prime rate as published in *The Wall Street Journal* on the first business day following the date of the "separation from service," and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive; (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit; and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(d) For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Section 409A of the Code be subject to offset by any other amount unless otherwise permitted by Section 409A of the Code.

22. **Definitions**.

(a) "Affiliate" means any entity controlled by, in control of, or under common control with, the Company.

(b) "Cause" shall be limited to the following events: (i) the Executive's conviction of either (A) a felony involving moral turpitude or (B) any crime in connection with the Executive's employment that causes the Company Group a substantial detriment (in each case, excluding traffic offenses); (ii) actions or inactions by the Executive that clearly are contrary to the best interests of the Company Group and the express directives of the Board; provided, that, such actions or inactions by the Executive cause the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (iii) the Executive's willful failure to take actions permitted by law and necessary to implement policies of the Board that the Board has communicated to him in writing; provided, that, such policies that are reflected in minutes of a Board meeting attended in its entirety by the Executive shall be deemed communicated to the Executive to the extent the Executive received a copy of such minutes from the Secretary or the General Counsel of the Company promptly following approval by the Board; (iv) the Executive's continued failure to attend to his material duties as an executive officer of the Company Group following the Executive's receipt of written notice from the Board of such failure; provided, that, such failure by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (v) the Executive's commission of an act of fraud or material act of dishonesty or misappropriation involving the Company Group; (vi) the Executive's willful violation of law or gross negligence that is substantially detrimental to the Company; (vii) the material breach or material violation by the Executive of this Agreement or any other written agreement with a member of the Company Group, or any material violation of any written policy of the Company Group; provided, that, such material breach or material violation by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; or (viii) the Executive's habitual use of illicit drugs or habitual abuse of alcohol that, in the reasonable good faith opinion of the Board, renders the Executive unfit to serve as an officer of the Company Group. If any determination of habitual use or substantial dependence under clause (viii) is disputed by the Executive, the parties hereto agree to abide by the decision of a panel of three (3) physicians appointed in the manner specified in Section 22(h) of the Agreement. For purposes of this "Cause" definition, no action or inaction will be considered "willful" or will constitute "gross negligence", if the Executive had a reasonable, good faith belief that such action or inaction was in the best interests of the Company Group. Anything herein to the contrary notwithstanding, the Executive shall not be terminated for "Cause" hereunder, unless (A) written notice stating the basis for the termination is provided to the Executive, and (B) with the exception of clause (i) of this paragraph, the Executive is given ten (10) business days to cure the neglect or conduct that is the basis of such claim, to the extent curable.

(c) "Change of Control" has the meaning set forth in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.

(d) "Company Group" means the Company and each of its Subsidiaries and Affiliates.

(e) "Competitive Enterprise" means the offshore transportation of refined and unrefined petroleum products, offshore towing, offshore supply vessel services, anchor handling and towing services, well stimulation vessel services, well-test services, offshore pipeline remediation services, ROV support services, offshore construction services, and other services required in the offshore construction, energy exploration and production industry and in specialty services in coastal waters in the Restricted Area.

(f) "Confidential Information" means all non-public information concerning trade secrets, know-how, software, developments, inventions, processes, technology, designs, financial data, strategic business plans or any proprietary or confidential information, documents or materials in any form or media, including any of the foregoing relating to research, operations, finances, current and proposed products and services, vendors, customers, advertising and marketing, and other non-public, proprietary and confidential information of the Company Group. Notwithstanding anything to the contrary contained herein, the general skills, knowledge and experience gained during the Executive's employment with the Company, information publicly available or generally known within the industry or trade in which the Company competes, and information or knowledge possessed by the Executive prior to the Executive's employment by the Company shall not be considered Confidential Information.

(g) "Customer" means any person, firm, corporation or other entity whatsoever to whom the Company or its Subsidiaries provided or actively sought to provide services or sold or actively sought to sell any products within a twelve (12)-month period on, before, or after the Executive's Termination Date.

(h) "Disability" means that the Executive is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, receiving income replacement benefits for a period of at least three (3) months under any long term disability plan maintained by the Company that covers the Executive. In the absence of such a long term disability plan, "Disability" means the inability of the Executive, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, to perform the duties required of him under this Agreement for a period of at least ninety (90) days in any one (1)-year period. Upon such determination, the Board may terminate the Executive's employment under this Agreement, subject to providing ten (10) days' prior written notice. The Executive agrees, in the event of any dispute hereunder as to whether a Disability exists, the parties hereto agree to abide by the decision of a panel of three (3) physicians. The Executive and the Board shall each appoint one member to the panel, and the third member of the panel shall be appointed by the other two members. The Executive agrees to make himself available for, and submit to examinations by, such physicians as may be directed by the Board. Failure to submit to any such examination shall constitute a breach of a material part of this Agreement. This Section 22(h) shall be interpreted and applied so as to comply with the provisions of the Americans with Disabilities Act and any applicable state or local laws.

(i) "Good Reason" means, unless otherwise agreed to in writing by the Executive, (i) any material diminution in the Executive's titles, duties, responsibilities, status or authorities with the Company or any of its material operating Subsidiaries; (ii) a material reduction in the Executive's Base Salary or Target Bonus; (iii) a relocation of the Executive's primary place of employment to a location more than thirty-five (35) miles farther from the Executive's primary residence than the current location of the Company's offices in Louisiana as of the Effective Date; or (iv) a material breach by the Company of this Agreement or any other agreement between the Company and the Executive. In order to invoke a termination for Good Reason, (A) the Executive must provide written notice within forty-five (45) days of the Executive becoming aware of the occurrence of any event of "Good Reason," (B) the Company must fail to cure such event within thirty (30) days of the giving of such notice, and (C) the Executive must terminate employment within forty-five (45) days following the expiration of the Company's cure period.

(j) "Restricted Area" means (i) the United States or (ii) any other country in which the Company Group conducts or takes concrete, active steps to conduct the Competitive Enterprise during the Executive's employment or service with the Company Group during the Restricted Period, as evidenced by existing memoranda, Board minutes or other written correspondence.

**GENERAL RELEASE**

I, **Todd M. Hornbeck**, in consideration of payment by Hornbeck Offshore Operators, LLC (together with its Subsidiaries, the "Company") of the amounts set forth in Section 4[(d)][(e)][1] of the Employment Agreement, dated as of Steptember 4, 2020 (the "Agreement"), do hereby release and forever discharge, as of the date hereof, the Company and its Affiliates and all of their respective present, former and future managers, directors, officers, employees, successors and assigns of the Company and its Affiliates and direct or indirect owners[, (which, for the avoidance of doubt, shall include the Permitted Holders (as defined in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.))] (collectively, the "Released Parties") to the extent provided below (this "General Release"). The Released Parties are intended to be third-party beneficiaries of this General Release, and this General Release may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Released Parties hereunder. Terms used herein but not otherwise defined shall have the meanings given to them in the Agreement.

1. My employment with the Company terminated as of [Date], and I hereby resign from any position as an officer, member of the board of managers or directors (as applicable) or fiduciary of the Company or any other member of the Company Group (or reaffirm any such resignation that may have already occurred). I understand that any payments or benefits paid or granted to me under Section 4 of the Agreement represent, in part, consideration for signing this General Release and are not salary, wages or benefits to which I was already entitled. I understand and agree that I will not receive certain of the payments and benefits specified in Section 4 of the Agreement, unless I execute this General Release and do not revoke this General Release within the time period permitted hereafter. I understand and agree that such payments and benefits are subject to my continued material compliance with Section 6 of the Agreement (as more fully set forth in the Agreement) during the period in which I am paid the Severance Benefits pursuant to Section 4[(d)][(e)][2] of the Agreement, which (as noted below) expressly survive my termination of employment and the execution of this General Release. Such payments and benefits will not be considered compensation for purposes of any employee benefit plan, program, policy, or arrangement maintained or hereafter established by the Company or its Affiliates.

2. Except as provided in paragraphs 4 and 5 below and except for the provisions of the Agreement which expressly survive the termination of my employment with the Company, I knowingly and voluntarily (for myself and my heirs, executors, administrators and assigns) release and forever discharge the Company and the other Released Parties from any and all claims, suits, controversies, actions, causes of action, cross-claims, counter-claims, demands, debts, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs and attorneys' fees, or liabilities of any nature whatsoever in law and in equity, both past and present (through the date on which I execute this General Release) and whether known or unknown, suspected, or claimed against the Company or any of the Released Parties, which I, my spouse, or any of my heirs, executors, administrators or assigns may have, which arise out of or are connected with my employment with, or my separation or termination from, the Company (including, but not limited to, any allegation, claim, or violation, arising under: Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the Age

Discrimination in Employment Act of 1967, as amended (including the Older Workers Benefit Protection Act); the Equal Pay Act of 1963, as amended; the Americans with Disabilities Act of 1990; the Family and Medical Leave Act of 1993; the Worker Adjustment Retraining and Notification Act; the Employee Retirement Income Security Act of 1974; Sections 23:301 to 23:369 of the Louisiana Revised Statutes; Article 2315 of the Louisiana Civil Code; the Louisiana Workers' Compensation Act; any applicable Executive Order Programs; the Fair Labor Standards Act; or their state or local counterparts; or under any other federal, state or local civil or human rights law, or under any other local, state, or federal law, regulation or ordinance; or under any public policy, contract or tort, or under common law; or arising under any policies, practices or procedures of the Company; or any claim for wrongful discharge, breach of contract, infliction of emotional distress, or defamation; or any claim for costs, fees, or other expenses, including attorneys' fees, incurred in these matters) (all of the foregoing collectively referred to herein as the "Claims").

3. I represent that I have made no assignment or transfer of any right, claim, demand, cause of action or other matter covered by paragraph 2 above.

4. I agree that this General Release does not waive or release any rights or claims that I may have under the Age Discrimination in Employment Act of 1967 which arise after the date I execute this General Release. I acknowledge and agree that my separation from employment with the Company in compliance with the terms of the Agreement shall not serve as the basis for any claim or action (including, without limitation, any claim under the Age Discrimination in Employment Act of 1967).

5. I agree that I hereby waive all rights to sue or obtain equitable, remedial or punitive relief from any or all Released Parties of any kind whatsoever in respect of any Claim, including, without limitation, reinstatement, back pay, front pay and any form of injunctive relief. Notwithstanding the above, I further acknowledge that I am not waiving and am not being required to waive any right that cannot be waived under law, including the right to file an administrative charge or participate in an administrative investigation or proceeding; provided, however, that I disclaim and waive any right to share or participate in any monetary award resulting from the prosecution of such charge or investigation or proceeding. Additionally, I am not waiving (a) any right to the Accrued Benefits or any Severance Benefits to which I am entitled under Section 4[(d)][(e)][3] of the Agreement, (b) any rights I have under Section 4(e) of the Agreement in the event a Qualifying Termination becomes a Change of Control Qualifying Termination, (c) any claim relating to directors' and officers' liability insurance coverage or any right of indemnification under the Company's organizational documents or otherwise, or (d) my rights as an equity or security holder in the Company or its Affiliates.

6. In signing this General Release, I acknowledge and intend that it shall be effective as a bar to each and every one of the Claims hereinabove mentioned or implied. I expressly consent that this General Release shall be given full force and effect according to each and all of its express terms and provisions, including those relating to unknown and unsuspected Claims (notwithstanding any state or local statute that expressly limits the effectiveness of a general release of unknown, unsuspected and unanticipated Claims), if any, as well as those relating to any other Claims hereinabove mentioned or implied. I acknowledge and agree that this waiver

is an essential and material term of this General Release and that without such waiver the Company would not have agreed to the terms of the Agreement. I further agree that in the event I should bring a Claim seeking damages against the Company, or in the event I should seek to recover against the Company in any Claim brought by a governmental agency on my behalf, this General Release shall serve as a complete defense to such Claims to the maximum extent permitted by law. I further agree that I am not aware of any pending claim of the type described in paragraph 2 above as of the execution of this General Release.

7. I agree that neither this General Release, nor the furnishing of the consideration for this General Release, shall be deemed or construed at any time to be an admission by the Company, any Released Party or myself of any improper or unlawful conduct.

8. I agree that I will forfeit all amounts payable by the Company pursuant to the Agreement if I challenge the validity of this General Release. I also agree that if I violate this General Release by suing the Company or the other Released Parties, I will pay all costs and expenses of defending against the suit incurred by the Released Parties, including reasonable attorneys' fees, and return all payments received by me pursuant to the Agreement on or after the termination of my employment.

9. I agree that this General Release and the Agreement are confidential and agree not to disclose any information regarding the terms of this General Release or the Agreement, except to my immediate family and any tax, legal or other counsel I have consulted regarding the meaning or effect hereof or as required by law, and I will instruct each of the foregoing not to disclose the same to anyone. The Company agrees to disclose any such information only to any tax, legal, or other counsel of the Company as required by law.

10. Any non-disclosure provision in this General Release does not prohibit or restrict me (or my attorney) from responding to any inquiry about this General Release or its underlying facts and circumstances by the Securities and Exchange Commission (SEC), the National Association of Securities Dealers, Inc. (NASD), any other self-regulatory organization or governmental entity.

11. I hereby acknowledge that Sections 5 through 22 of the Agreement shall survive my execution of this General Release.

12. I represent that I am not aware of any claim by me other than the claims that are released by this General Release. I acknowledge that I may hereafter discover claims or facts in addition to or different than those which I now know or believe to exist with respect to the subject matter of the release set forth in paragraph 2 above and which, if known or suspected at the time of entering into this General Release, may have materially affected this General Release and my decision to enter into it, but I nonetheless shall continue to be bound by this General Release in all respects.

13. Notwithstanding anything in this General Release to the contrary, this General Release shall not relinquish, diminish, or in any way affect any rights or claims arising out of any breach by the Company or by any Released Party of the Agreement after the date hereof.

14. Whenever possible, each provision of this General Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this General Release is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this General Release shall be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

BY SIGNING THIS GENERAL RELEASE, I REPRESENT AND AGREE THAT:

(i) I HAVE READ IT CAREFULLY;

(ii) I UNDERSTAND ALL OF ITS TERMS AND KNOW THAT I AM GIVING UP IMPORTANT RIGHTS, INCLUDING, BUT NOT LIMITED TO, RIGHTS UNDER THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967, AS AMENDED; TITLE VII OF THE CIVIL RIGHTS ACT OF 1964, AS AMENDED; THE EQUAL PAY ACT OF 1963; THE AMERICANS WITH DISABILITIES ACT OF 1990; AND THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED;

(v) I HAVE HAD AT LEAST **TWENTY-ONE (21)** DAYS FROM THE DATE OF MY RECEIPT OF THIS GENERAL RELEASE TO CONSIDER IT AND THE CHANGES MADE SINCE MY RECEIPT OF THIS GENERAL RELEASE ARE NOT MATERIAL OR WERE MADE AT MY REQUEST AND WILL NOT RESTART THE REQUIRED TWENTY-ONE (21)-DAY PERIOD;

**AMENDED AND RESTATED EMPLOYMENT AGREEMENT**

This **AMENDED AND RESTATED EMPLOYMENT AGREEMENT** (this "Agreement") is entered into as of September 4, 2020, by and between Hornbeck Offshore Operators, LLC, a Delaware limited liability company (the "Company"), and James O. Harp, Jr., an individual (the "Executive"). This Agreement shall become effective on the effective date of the Company's Plan of Reorganization (such date, the "Effective Date"). Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in Section 22.

**WHEREAS**, the Executive and the Company are party to that certain Amended and Restated Employment Agreement (as amended from time to time, the "Original Agreement"), which this Agreement will replace and supersede in its entirety, effective as of the Effective Date;

**WHEREAS**, the Executive is currently employed as the Executive Vice President and Chief Financial Officer of the Company; and

**WHEREAS**, the Company and the Executive desire to enter into this Agreement to set out the terms and conditions for the continued employment relationship of the Executive with the Company.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto agree as follows:

1. **Term**. The Company agrees to continue to employ the Executive pursuant to the terms of this Agreement, and the Executive agrees to continue to be so employed, commencing as of the Effective Date and ending on the fourth (4th) anniversary of the Effective Date (the "Initial Term"). On the last day of the Initial Term and on each one (1)-year anniversary thereof, the term of this Agreement shall be automatically extended for an additional one (1)-year period, unless either party hereto elects not to extend this Agreement by giving written notice to the other party at least ninety (90) days prior to any such renewal date. Notwithstanding the foregoing, the Executive's employment hereunder may be earlier terminated in accordance with Section 4 hereof. The period of time between the Effective Date and the termination of the Executive's employment hereunder is referred to herein as the "Term." Upon any termination of the Executive's employment with the Company, the Executive shall be deemed to have resigned from all positions with the Company and all of its Subsidiaries.

2. **Positions and Duties**.

(a) During the Term, the Executive shall serve as the Executive Vice President and Chief Financial Officer of the Company. In these capacities, the Executive shall have the duties, authorities and responsibilities generally commensurate with the duties, authorities and responsibilities of persons serving in similar capacities in similarly sized and situated companies, and such other duties, authorities and responsibilities as the Chief Executive Officer ("CEO") of the Company shall designate from time to time that are not inconsistent with the Executive's positions. The Executive shall report directly to the CEO .

(b) The Executive shall devote substantially all of the Executive's business time to the performance of the Executive's duties hereunder and the advancement of the business and affairs of the Company; provided, that, the Executive shall be entitled to: (i) serve as a member of the board of directors (or equivalent governing body) of, or advisor to, (A) the entities listed on Exhibit A attached hereto and (B) such other entities that are not Competitive Enterprises, subject to the Executive providing prior written notice to the Board of Directors of the Company (the "Board"), (ii) serve on civic, charitable, educational, religious, public interest or public service boards, and (iii) manage the Executive's personal and family investments, in each case, to the extent such activities do not interfere, individually or in the aggregate, with the performance of the Executive's duties and responsibilities hereunder or create a business or fiduciary conflict.

(c) The Executive's principal place of employment will continue to be in Covington, Louisiana; provided, that, the Executive may be required to travel from time to time for business purposes.

3. **Compensation and Benefits**.

(a) Base Salary. During the Term, the Company shall pay to the Executive a base salary at an annual rate of not less than $360,000, in substantially equal installments in accordance with the regular payroll practices of the Company, but not less frequently than monthly. The Executive's base salary shall be subject to annual review by the Compensation Committee of the Board (the "Committee") and may be increased, but not decreased, from time to time by the Committee. The base salary as determined herein and adjusted from time to time shall constitute "Base Salary" for purposes of this Agreement.

(b) Annual Bonus. During each fiscal year during the Term, the Executive shall be eligible to participate in the Company's annual bonus plan, as established by the Committee and in effect from time to time for its senior executives, and will be paid a cash annual bonus under such plan (the "Annual Bonus"), to the extent earned based on performance against reasonably obtainable objective performance criteria. The performance criteria for each fiscal year shall be determined by the Committee, after consultation with the CEO, no later than ninety (90) days following the commencement of the applicable fiscal year. The Executive's target Annual Bonus opportunity for each fiscal year shall equal 100% of the Executive's annualized Base Salary for that fiscal year (the "Target Bonus"). The Executive's actual Annual Bonus for each fiscal year will equal a percentage of the Target Bonus, determined as follows: (i) 100% of the Target Bonus, if target levels of performance for that fiscal year are achieved; (ii) 50% of the Target Bonus, if threshold levels of performance for that fiscal year are achieved; (iii) 200% of the Target Bonus, if maximum levels of performance for that fiscal year are achieved; and (iv) a percentage of the Target Bonus determined in accordance with the plan, if performance for that fiscal year is in between threshold, target and maximum levels of performance. Unless otherwise determined by the Committee, the Executive will not earn an Annual Bonus if threshold levels of performance are not achieved. The Executive's Annual Bonus for each fiscal year shall be determined by the Committee after the end of the applicable fiscal year and shall be paid to the Executive when bonuses for such fiscal year are paid to other senior executives of the Company generally, but in no event later than seventy-four (74) days following the end of such fiscal year, subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned. In carrying out its functions under this Section 3(b), the Committee shall at all times act reasonably and in good faith.

(c) Benefit Plans. During the Term, the Executive shall be entitled to participate in any employee benefit plan that the Company has adopted or may adopt, maintain or contribute to for the benefit of its employees generally and/or for the benefit of its senior executives as in effect from time to time, subject to satisfying the applicable eligibility requirements, except to the extent such plans are duplicative of the benefits otherwise provided hereunder; provided, however, that the Company shall make commercially reasonable efforts to ensure that any health insurance benefit plan will not provide for a preexisting condition limitation. The Executive's participation will be subject to the terms of the applicable plan documents and generally applicable Company policies. Notwithstanding the foregoing, the Company may modify or terminate any employee benefit plan at any time.

(d) Business Expenses. The Executive is authorized to incur reasonable business expenses in carrying out the Executive's duties and responsibilities under this Agreement. The Executive shall be promptly reimbursed for all reasonable out-of-pocket business expenses incurred and paid by the Executive during the Term, subject to and in accordance with the Company's expense reimbursement policy as in effect from time to time.

(e) Automobile. During the Term, the Company shall continue to provide the Executive with an automobile and pay for such automobile's auto insurance, maintenance, and fuel; provided, that, the Executive shall pay all taxes related to the Executive's personal use of the automobile.

4. **Termination of Employment; Severance**.

(a) General. The Executive's employment and the Term shall terminate upon the earliest to occur of (i) the Executive's death, (ii) a termination by the Company due to the Executive's Disability, (iii) a termination by the Company with or without Cause, (iv) a termination by the Executive with or without Good Reason, and (v) the expiration of the Term (the date of such termination, the "Termination Date"). On the Termination Date, the Executive's role as (A) an officer of any member of the Company Group, (B) a member of the Board or similar body of any member of the Company Group and (C) a fiduciary of any Company Group benefit plan shall be deemed to have terminated, in each case, to the extent applicable and the Executive shall confirm the foregoing by submitting to the Company a written confirmation of such resignations upon request by the Board; provided, that, the foregoing shall not modify or diminish in any way the rights and/or remedies otherwise available to the Executive in connection with such termination.

(b) Termination Due to the Executive's Death or Disability. The Executive's employment and the Term shall terminate automatically upon the Executive's death. The Company may terminate the Executive's employment and the Term upon a final determination as to the occurrence of the Executive's Disability (with such determination made, for the avoidance of doubt, in accordance with the definition of Disability set forth below), with such termination to be effective ten (10) days following the date on which the Company provides written notice to the Executive of such determination in accordance with this Agreement and of such termination. Upon a termination of the Executive's employment and the Term due to the Executive's death or Disability, the Executive's estate or the Executive, as applicable, shall be entitled to the following:

(i) payment of any earned but unpaid Base Salary through the Termination Date, no later than sixty (60) days following the Termination Date (or such earlier date as may be required by applicable law);

(ii) payment of any earned but unpaid Annual Bonus for the fiscal year preceding the fiscal year in which the Termination Date occurs, to be paid in accordance with Section 3(b) (the "Prior Year Bonus");

(iii) payment in lieu of any earned but unused vacation time in accordance with Company policy as in effect from time to time;

(iv) all other payments, benefits, or fringe benefits to which the Executive shall be entitled under the terms of any applicable compensation arrangement or benefit, equity or fringe benefit plan or program or grant or this Agreement, payable in accordance therewith;

(v) reimbursement for any unreimbursed business expenses incurred through the Termination Date, in accordance with Section 3(d) (with the payments and benefits described in subparagraphs (i), (ii), (iii), (iv) and (v) hereof, collectively, the "Accrued Benefits");

(vi) a pro-rata portion of the Annual Bonus for the fiscal year in which the Termination Date occurs, determined by multiplying (A) the Annual Bonus that the Executive would have received for such fiscal year, based on actual performance (provided, that, any subjective performance goals will be deemed satisfied at target levels), by (B) a fraction, (I) the numerator of which is the number of calendar days that the Executive was employed with the Company during the fiscal year in which the Termination Date occurs, and (II) the denominator of which is the total number of calendar days in the fiscal year in which the Termination Date occurs, which amount shall be paid in accordance with Section 3(b); provided, however, that, for the avoidance of doubt, the requirement in Section 3(b) that payment of the Annual Bonus be subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned shall not apply (the "Pro-Rata Bonus"); and

(vii) subject to the Executive timely electing to continue the Executive's coverage, reimbursement for the employer portion of the monthly cost of maintaining medical, dental and/or vision benefits for the Executive under a group health plan of the Company for purposes of the Consolidated Omnibus Budget Reconciliation Act of 1985 (as amended, "COBRA"), based on the premium rate in effect on the Termination Date (the "Benefit Payment"), until the earlier to occur of (A) twelve (12) months following the Termination Date and (B) the date the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms. The first installment of the Benefit Payment shall be paid on the sixtieth ($60^{th}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay.

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following a termination of the Executive's employment due to death or Disability, except as set forth in this Section 4(b), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) Termination by the Company for Cause. The Company may terminate the Executive's employment at any time for Cause, effective upon delivery to the Executive of written notice of such termination. If the Executive's employment is terminated by the Company for Cause, the Executive shall be entitled only to the Accrued Benefits, exclusive, for the avoidance of doubt, of the Prior Year Bonus (if any), which shall be forfeited upon a termination for Cause.

Following the termination of the Executive's employment by the Company for Cause, except as set forth in this Section 4(c), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) Termination by the Company Without Cause, Termination by the Executive for Good Reason or Termination Due to the Company's Non-Renewal of the Term. The Company may terminate the Executive's employment at any time without Cause, effective upon delivery to the Executive of written notice of such termination. The Executive may terminate the Executive's employment for Good Reason by providing the Company written notice in the manner set forth below. In the event that the Executive's employment is terminated by the Company without Cause (other than due to the Executive's death or Disability), by the Executive for Good Reason or due to the Company's non-renewal of the Term (each, a "Qualifying Termination"), in each case, subject to Section 4(g) below, the Executive shall be entitled to:

(i) the Accrued Benefits;

(ii) if the Qualifying Termination occurs at least halfway through the applicable fiscal year, the Pro-Rata Bonus;

(iii) an amount equal to two (2) (the "Severance Multiple") times the sum of the Executive's (A) Base Salary, at the rate in effect as of the Termination Date, and (B) Target Bonus, at the rate in effect as of the Effective Date (provided, that, if the Qualifying Termination is due to the Executive's termination of employment for Good Reason caused, in whole or in part, by a reduction in the Executive's Base Salary and/or Target Bonus, or if the Executive would have had grounds to terminate the Executive's employment for Good Reason on such basis at the time of a Qualifying Termination, each such amount shall be included in the foregoing calculation at the rate in effect prior to any decrease thereof) (the "Cash Severance"), which amount shall be payable in equal monthly installments over the twenty-four (24) month period following the Termination Date, provided, that, the first installment shall be paid on the sixtieth ($60^{h}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay; and

(iv) the Benefit Payment for the twenty-four (24)-month period following the Termination Date, or, if earlier, until the date on which the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms (with the payments described in subparagraphs (ii), (iii), and (iv) hereof, collectively, the "Severance Benefits").

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Payments and benefits provided in this Section 4(d) shall be in lieu of any termination or severance payments or benefits for which the Executive may be eligible under any of the plans, policies or programs of the Company or under the Worker Adjustment Retraining Notification Act of 1988 or any similar state statute or regulation.

Following the termination of the Executive's employment due to a Qualifying Termination, except as set forth in this Section 4(d), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(e) Change of Control Qualifying Termination. This Section 4(e) shall apply if (i) the Executive's Qualifying Termination occurs during the two (2)-year period immediately following a Change of Control, or (ii) the Executive is terminated by the Company without Cause within the six (6)-month period immediately prior to a Change of Control (each, a "Change of Control Qualifying Termination"). To the extent a Change of Control Qualifying Termination occurs and the Executive is already receiving the benefits described in Section 4(d) in accordance with the terms thereof, the Executive shall no longer be eligible for the benefits described in Section 4(d) and instead shall be entitled exclusively to all of the benefits provided in this Section 4(e); provided, that, the benefits set forth under this Section 4(e) shall be reduced by any payments and benefits that the Executive already received in accordance with the terms of Section 4(d). For the avoidance of doubt, there shall be no duplication of the benefits under Section 4(d). If any such Change of Control Qualifying Termination occurs, the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the Release (as defined in Section 4(g)) but before receiving such amount) shall receive the benefits set forth in Section 4(d), except that (A) the Severance Multiple shall be (I) three (3), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, on or prior to the first anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (II) two and one-half (2.5), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the first anniversary, but on or prior to the second anniversary, of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; and (III) as set forth in Section 4(d)(iii), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the second anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (B) the Pro-Rata Bonus set forth in Section 4(d)(ii) shall be payable regardless of when in the applicable fiscal year the Termination Date occurs (*i.e.*, the Pro-Rata Bonus shall be payable even if the Termination Date occurs prior to the midpoint of the applicable fiscal year), and the amount of such Pro-Rata Bonus shall be determined based on deemed achievement of all performance criteria at target levels; and (C) the Pro-Rata Bonus, Cash Severance and Benefit Payment will be payable in a lump sum. For the avoidance of doubt, the Company's reorganization as of the Effective Date will not constitute a Change of Control.

(f) Termination by the Executive Without Good Reason or Due to the Executive's Non-Renewal of the Term. The Executive may terminate the Executive's employment without Good Reason by providing sixty (60) days' prior written notice to the Company or by electing not to renew the Term in accordance with Section 1 hereof. Upon receipt of such notice,

the Company may, in its sole discretion, remove the Executive's title and require that the Executive not attend the workplace, perform any duties or contact any clients, suppliers or employees of the Company or any associated persons through the Termination Date ("the Garden Leave Period"); provided, that, for the avoidance of doubt, the foregoing restriction shall not prohibit the Executive from contacting employees for logistical or human resources purposes, in each case relating to the transition of the Executive's duties and/or termination of his employment, attending the workplace for purposes of removing the Executive's personal effects from the workplace (as reasonably permitted by the Company), or performing other ministerial tasks as required by the Company; and provided, further, that, during the Garden Leave Period, the Company shall continue to (i) pay to the Executive the Base Salary and (ii) provide to the Executive the existing benefits in accordance with the terms of the applicable plans. Upon the Executive's voluntary termination of employment without Good Reason, the Executive shall be entitled only to the Accrued Benefits. For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following any such termination of the Executive's employment, except as set forth in this Section 4(f), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(g) Release of Claims, Continued Compliance. Notwithstanding any provision herein to the contrary, the payment and provision of the Severance Benefits pursuant to Section 4(d) or Section 4(e) shall be conditioned upon the Executive's execution, delivery to the Company and non-revocation of the general release of claims substantially in the form attached hereto as Exhibit B (the "Release") (and the expiration of any revocation period contained in such Release) within sixty (60) days following the Termination Date, as well as the Executive's acknowledgement of, and the Executive's material compliance with, the Executive's obligations under Section 6, as further outlined in this paragraph below. If the Executive fails to execute the Release in such a timely manner so as to permit any revocation period to expire prior to the end of such sixty (60)-day period, or timely revokes such release following its execution, the Executive shall not be entitled to any of the Severance Benefits. If the period of time during which the Executive may consider the Release begins in one calendar year and ends in the next calendar year, any amounts payable under this Section 4 that are contingent upon the execution and non-revocation of the Release shall be paid as soon as practicable in the second calendar year (provided, that, the Release has become effective and non-revocable), even if the Release first became effective and non-revocable in the first calendar year. Notwithstanding any provision in this Agreement to the contrary, if the Executive materially breaches any of the covenants contained in Section 6 while receiving the Severance Benefits under Section 4(d), the Company shall have the right, but not the obligation, to cease providing such Severance Benefits under Section 4(d); provided, that, a material breach of Section 6 can only occur for purposes of this Section 4(g) (and otherwise, without limiting any other remedies with respect thereto) if (i) the Company provides the Executive with written notice of the circumstances constituting the alleged material breach of such covenants within ninety (90) days after becoming aware of such circumstances and (ii) the alleged breach, if curable (which includes any commercial relationship resulting from such prohibited conduct), has not been cured within fifteen (15) days after receipt of the written notice described in clause (i) above.

(h) No Offset. In the event of termination of the Executive's employment for any reason, the Executive shall be under no obligation to seek other employment, and there shall be no offset against amounts due to the Executive on account of any remuneration or benefits provided by any subsequent employment the Executive may obtain. The Company's obligation to make any payment pursuant to, and otherwise to perform its obligations under, this Agreement shall not be affected by any offset, counterclaim or other right that the Company or any other member of the Company Group may have against the Executive for any reason.

5. **Section 280G of the Code**.

(a) Shareholder Approval Exemption. If the Company is eligible for the shareholder vote exemption at the time of a Change of Control, the Company will subject the Executive's payments to a shareholder vote in accordance with Treasury Regulation Section 1.280G-1 and recommend approval thereof; provided, that, the Executive cooperates with all reasonable and customary requests in connection with such vote, including execution of any required documentation in connection therewith.

(b) Best-Net Cutback. Notwithstanding any other provision of this Agreement or any other plan, arrangement, or agreement to the contrary, if any of the payments or benefits provided or to be provided by the Company Group to the Executive or for the Executive's benefit pursuant to the terms of this Agreement or otherwise ("Covered Payments") constitute parachute payments within the meaning of Section 280G of the Internal Revenue of Code of 1986, as amended (the "Code"), and would, but for this Section 5, be subject to the excise tax imposed under Section 4999 of the Code (or any successor provision thereto) or any similar tax imposed by state or local law or any interest or penalties with respect to such taxes (collectively, the "Excise Tax"), then prior to making the Covered Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Executive of the Covered Payments after payment of the Excise Tax to (ii) the Net Benefit to the Executive if the Covered Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under subparagraph (i) above is less than the amount under subparagraph (ii) above will the Covered Payments be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax. "Net Benefit" shall mean the present value of the Covered Payments net of all federal, state, local, and foreign income, employment, and excise taxes.

(c) Method of Reduction. The Covered Payments shall be reduced in a manner that maximizes the Executive's economic position. In applying this principle, the reduction shall be made in a manner consistent with the requirements of Section 409A of the Code; provided, that, (i) cash payments shall be reduced before non-cash payments; and (ii) payments to be made on a later payment date shall be reduced before payments to be made on an earlier payment date.

(d) Determination. Any determination required under this Section 5, including whether any payments or benefits are parachute payments, shall be made in the sole discretion of a nationally recognized, independent accounting or consulting firm selected and paid for by the Company using reasonable assumptions on the Executive's tax rates (as determined by such firm). The Executive shall provide the Company with such information and documents as the Company and such accounting firm may reasonably request in order to make a determination under this Section 5. The parties shall cooperate to the extent necessary to reduce the Excise Tax, including determining "reasonable compensation" under Sections 280G and 4999 of the Code (which may involve the valuation of the Executive's non-compete obligations). The firm's determination shall be final and binding on the Executive and the Company absent manifest error.

6. **Restrictive Covenants**. The Company and the Executive acknowledge and agree that during the Executive's employment with the Company, the Executive will have access to and may assist in developing Confidential Information and will occupy a position of trust and confidence with respect to the affairs and business of the Company Group. The Executive further acknowledges that (I) the Executive performs services of a unique nature for the Company that are irreplaceable, and that the Executive's performance of such services to a competing business will result in irreparable harm to the Company Group; (II) the Executive has had and will continue to have access to Confidential Information which, if disclosed, would unfairly and inappropriately assist in competition against the Company Group; (III) in the course of the Executive's employment by a competitor, the Executive inevitably would use or disclose such Confidential Information; (IV) members of the Company Group have substantial relationships with their customers, and the Executive has had and will continue to have access to these customers; and (V) the Executive has received and will receive specialized training from the Company and other members of the Company Group. Accordingly, the Executive agrees that the following obligations are necessary to preserve the confidential and proprietary nature of Confidential Information and to protect the Company Group against harmful solicitation of employees and customers, harmful competition and other actions by the Executive that would result in serious adverse consequences for the Company Group:

(a) Confidentiality. During the Executive's employment and at all times thereafter, the Executive shall not, directly or indirectly, use, make available, sell, copy, disseminate, transfer, communicate or otherwise disclose any Confidential Information, other than as authorized in writing by the Company or within the scope of the Executive's duties with the Company as determined reasonably and in good faith by the Executive. Anything herein to the contrary notwithstanding, the term "Confidential Information" shall not include, and the provisions of this Section 6(a) shall not apply to, information that (i) was known to the public prior to its disclosure to the Executive; (ii) becomes generally known to the public subsequent to disclosure to the Executive through no wrongful act of the Executive or any representative of the Executive; or (iii) the Executive is required to disclose by applicable law, regulation or legal process (provided, that, to the extent permissible, the Executive provides the Company with prior notice of the contemplated disclosure and cooperates with the Company at its expense in seeking a protective order or other appropriate protection of such information).

(b) Materials. The Executive will use Confidential Information only for normal and customary use in the Company's business, as determined reasonably and in good faith by the Company. The Executive will return to the Company all Confidential Information and copies thereof and all other property of the Company or any other member of the Company Group at any time upon the request of the Company and in any event immediately after termination of the Executive's employment. The Executive agrees to identify and return to the Company any copies of any Confidential Information after the Executive ceases to be employed by the Company. Anything to the contrary notwithstanding, nothing in this Section 6 shall prevent the Executive from retaining a home computer (provided all Confidential Information has been removed), papers and other materials of a personal nature, including diaries, calendars and contact lists (excluding customer lists), information relating to the Executive's compensation or relating to reimbursement of expenses, information that may be needed for tax purposes, and copies of plans, programs and agreements relating to the Executive's employment.

(c) Non-Competition; Non-Solicitation.

(i) During the Restricted Period, the Executive shall not, directly or indirectly: (A) solicit, service, or assist any other individual, person, firm, or other entity in soliciting or servicing, any Customer for the purpose of providing and/or selling any products that are provided and/or sold by any member of the Company Group, or performing any services that are performed by any member of the Company Group, or performing any services or providing and/or selling any products that any member of the Company Group proposed to initiate performing, selling or providing during the twelve (12)-month period immediately preceding the Termination Date, based on active discussions with the Board that occurred during such twelve (12)-month period, as evidenced by existing memoranda, Board minutes or other written correspondence, and only to the extent the Company Group was capable of pursuing such proposals as a business and financial matter; (B) interfere with or damage any relationship and/or agreement between any member of the Company Group and any Customer; or (C) associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor, director or otherwise) with any Competitive Enterprise; provided, however, that the Executive may own, as a passive investor, securities of any such entity that has outstanding publicly traded securities, so long as the Executive's direct holdings in any such entity shall not in the aggregate constitute more than 5% of the voting power of such entity. The Executive acknowledges that this covenant has a unique, very substantial, and immeasurable value to the Company, that the Executive has sufficient assets and skills to provide a livelihood for the Executive while such covenant remains in force, and that, as a result of the foregoing, in the event that the Executive breaches such covenant, monetary damages would be an insufficient remedy for the Company and equitable enforcement of the covenant would be proper.

(ii) During the Restricted Period, the Executive shall not solicit, entice, persuade, or induce any individual who is employed or engaged by any member of the Company Group (or who was so employed or engaged within six (6) months immediately preceding the Executive's Termination Date) to terminate or refrain from continuing such employment or engagement or to become employed by or enter into contractual relations with any other individual or entity other than a member of the Company Group, and the Executive shall not hire, directly or indirectly, on the Executive's behalf or on behalf of any other person, as an employee, consultant, or otherwise, any such person.

(d) Mutual Non-Disparagement. The Executive agrees not to, at any time, make negative comments about or otherwise disparage any member of the Company Group or any officer, director, employee, shareholder, agent or product of any member of the Company Group, other than to officers, employees, or directors of the Company Group in the good faith performance of the Executive's duties to the Company while the Executive is employed by the Company. The Company agrees that it will direct the senior officers of the Company and its Subsidiaries as of the Termination Date and the members of the Board as of the Termination Date to refrain from making negative comments about the Executive or otherwise disparaging the Executive in any manner, including by making or issuing any official public statements or press releases disparaging the Executive. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

(e) Inventions.

(i) The Executive acknowledges and agrees that all ideas, methods, inventions, discoveries, improvements, work products, developments, software, know-how, processes, techniques, works of authorship, and other work product, whether patentable or unpatentable, (A) that are reduced to practice, created, invented, designed, developed, contributed to or improved with the use of any Company Group resources and/or within the scope of the Executive's work with the Company, or that relate to the business, operations or actual or demonstrably anticipated research or development of the Company Group, and that are made or conceived by the Executive, solely or jointly with others, during the Term, or (B) suggested by any work that the Executive performs in connection with the Company, either while performing the Executive's duties with the Company or on the Executive's own time, shall belong exclusively to the Company Group (or its designee), whether or not patent or other applications for intellectual property protection are filed thereon (the "Inventions"). The Executive will keep full and complete written records (the "Records"), in the manner prescribed by the Company, of all Inventions and will promptly disclose all Inventions completely and in writing to the Company. The Records shall be the sole and exclusive property of the Company, and the Executive will surrender them upon the termination of the Term, or upon the Company's earlier written request. The Executive irrevocably conveys, transfers and assigns to the Company the Inventions and all patents or other intellectual property rights that may issue thereon in any and all countries, whether during or subsequent to the Term, together with the right to file, in the Executive's name or in the name of the Company (or its designee), applications for patents and equivalent rights (the "Applications"). The Executive will, at any time during and subsequent to the Term, make such applications, sign such papers, take all rightful oaths and perform all other acts as may be requested from time to time by the Company to perfect, record, enforce, protect, patent or register the Company's rights in the Inventions, all without additional compensation to the Executive from the Company. The Executive will also execute assignments to the Company (or its designee) of the Applications, and give the Company and its attorneys all reasonable assistance (including the giving of testimony) to obtain the Inventions for the Company's benefit, all without additional compensation to the Executive from the Company, but entirely at the Company's expense.

(ii) In addition, the Inventions will be deemed Work for Hire, as such term is defined under the copyright laws of the United States, on behalf of the Company, and the Executive agrees that the Company will be the sole owner of the Inventions, and all underlying rights therein, in all media now known or hereinafter devised, throughout the universe and in perpetuity without any further obligations to the Executive. If the Inventions, or any portion thereof, are deemed not to be Work for Hire, or the rights in such Inventions do not otherwise automatically vest in the Company, the Executive hereby irrevocably conveys, transfers and assigns to the Company all rights, in all media now known or hereinafter devised, throughout the universe and in perpetuity, in and to the Inventions, including, without limitation, all of the Executive's right, title and interest in the copyrights (and all renewals, revivals and extensions thereof) to the Inventions,

including, without limitation, all rights of any kind or any nature now or hereafter recognized, including, without limitation, the unrestricted right to make modifications, adaptations and revisions to the Inventions, to exploit and allow others to exploit the Inventions and all rights to sue at law or in equity for any infringement, or other unauthorized use or conduct in derogation of the Inventions, known or unknown, prior to the date hereof, including, without limitation, the right to receive all proceeds and damages therefrom. In addition, the Executive hereby waives any so-called "moral rights" with respect to the Inventions. To the extent that the Executive has any rights in the results and proceeds of the Executive's service to the Company that cannot be assigned in the manner described herein, the Executive agrees to unconditionally waive the enforcement of such rights. The Executive hereby waives any and all currently existing and future monetary rights in and to the Inventions and all patents and other registrations for intellectual property that may issue thereon, including, without limitation, any rights that would otherwise accrue to the Executive's benefit by virtue of the Executive being an employee of or other service provider to the Company.

(iii) 18 U.S.C. Section 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. Section 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. Section 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(f) Conflicting Obligations and Rights. The Executive agrees to inform the Company of any apparent conflicts between the Executive's work for the Company and any obligations the Executive may have to preserve the confidentiality of another's proprietary information or related materials before using the same on the Company's behalf. The Company shall receive such disclosures in confidence and consistent with the objectives of avoiding any conflict of obligations and rights or the appearance of any conflict of interest.

(g) Reasonableness of Restrictive Covenants. In signing this Agreement, the Executive gives the Company assurance that the Executive has carefully read and considered all of the terms and conditions of this Agreement, including the restraints imposed under this Section 6 hereof. The Executive agrees that these restraints are necessary for the reasonable and proper protection of the Company and the other members of the Company Group and their Confidential Information, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area, and that these restraints, individually or in the aggregate, will not prevent the Executive from obtaining other suitable employment during the period in which the Executive is bound by the restraints. The Executive acknowledges that each of these covenants has a unique, very substantial and immeasurable value to the Company and the

other members of the Company Group, and that the Executive has sufficient assets and skills to provide a livelihood while such covenants remain in force. The Executive further covenants that the Executive will not challenge the reasonableness or enforceability of any of the covenants set forth in this Section 6. It is also agreed that each member of the Company Group will have the right to enforce all of the Executive's obligations to any other member of the Company Group under this Agreement, including, without limitation, pursuant to this Section 6.

(h) Reformation. If it is determined by a court of competent jurisdiction in any state that any restriction in this Section 6 is excessive in duration or scope or is unreasonable or unenforceable under applicable law, it is the intention of the parties that such restriction may be modified or amended by the court to render it enforceable to the maximum extent permitted by the laws of that state.

(i) Enforcement. The Executive acknowledges that, in the event of any breach or threatened breach of this Section 6, the business interests of the Company and the other members of the Company Group might be irreparably injured, the full extent of the damages to the Company and the other members of the Company Group might be impossible to ascertain, monetary damages might not be an adequate remedy for the Company and the other members of the Company Group, and the Company will be entitled to seek to enforce this Agreement by a temporary, preliminary and/or permanent injunction or other equitable relief. The Executive understands that the Company may waive some of the requirements expressed in this Agreement, but that such a waiver to be effective must be made in writing and should not in any way be deemed a waiver of the Company's right to enforce any other requirements or provisions of this Agreement. The Executive agrees that each of the Executive's obligations specified in this Agreement is a separate and independent covenant and that the unenforceability of any of them shall not preclude the enforcement of any other covenants in this Agreement.

7. **Cooperation**. Upon the receipt of reasonable notice from the Company (including through outside counsel), the Executive agrees that, while employed by the Company and thereafter, the Executive will respond and provide information with regard to matters in which the Executive has knowledge as a result of the Executive's employment with the Company, and will provide reasonable assistance to the Company, other members of the Company Group and their respective representatives, in defense of any claims that may be made against the Company or any other member of the Company Group, and will assist the Company and other members of the Company Group in the prosecution of any claims that may be made by the Company or any other member of the Company Group, to the extent that such claims are based on facts occurring during the Executive's employment with the Company (collectively, the "Claims"). During the pendency of any litigation or other proceeding involving Claims, the Executive shall not communicate with anyone (other than the Executive's attorneys and tax and/or financial advisors**,** and except to the extent that the Executive determines in good faith is necessary in connection with the performance of the Executive's duties hereunder) with respect to the facts or subject matter of any pending or potential litigation or regulatory or administrative proceeding involving the Company or any other member of the Company Group without, to the extent legally permitted to do so, giving prior written notice to the Company or the Company's counsel. Upon presentation of appropriate documentation, the Company shall pay or reimburse the Executive for all reasonable out-of-pocket travel, duplicating or telephonic expenses incurred by the Executive in complying with this Section 7. The Company shall cooperate with the Executive on the timing and location of the Executive's cooperation and use its good faith efforts to limit any travel or interference with the

Executive's other professional commitments. In addition, following the Executive's termination of employment, to the extent the Executive is not receiving any Severance Benefits in respect of such post-termination period, the Executive shall be compensated for the time spent for such cooperation at an hourly rate determined based on the Executive's Base Salary at the rate in effect as of the Termination Date.

8. **Whistleblower Protection; Protected Activity**.

(a) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede the Executive (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures, and the Executive shall not be required to notify the Company that such reports or disclosures have been made.

(b) The Executive hereby acknowledges and agrees that nothing in this Agreement shall in any way limit or prohibit the Executive from engaging for a lawful purpose in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean (i) filing a charge, complaint or report with, or otherwise communicating with, cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Equal Employment Opportunity Commission, the Department of Labor, the Occupational Safety and Health Administration, and the National Labor Relations Board (the "Government Agencies"); or (ii) any rights the Executive may have under Section 7 of the National Labor Relations Act or equivalent state law to engage in concerted protected activity or to discuss the terms of employment or working conditions with or on behalf of coworkers, or to bring such issues to the attention of the Board at any time. The Executive understands that, in connection with such Protected Activity, the Executive is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, the Executive agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Confidential Information to any parties other than the relevant Government Agencies. The Executive further understands that Protected Activity does not include the disclosure of any Company attorney-client privileged communications, and that any such disclosure without the Company's written consent shall constitute a material breach of this Agreement.

9. **Notices**. All notices, demands, requests or other communications, which may be or are required to be given or made by any party to any other party pursuant to this Agreement, shall be in writing and shall be hand delivered, mailed by first-class registered or certified mail, return receipt requested, postage prepaid, delivered by overnight air courier, or transmitted by e-mail or facsimile transmission, addressed as follows:

(b) If to the Executive:

Address last shown on the Company's books and records

Each party may designate by notice in writing a new address to which any notice, demand, request or communication may thereafter be so given, served or sent. Each notice, demand, request or communication that shall be given or made in the manner described above shall be deemed sufficiently given or made for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, confirmation of facsimile transmission or the affidavit of messenger being deemed conclusive but not exclusive evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation.

10. **Severability**. The provisions of this Agreement shall be deemed severable. The invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by applicable law. If any term or provision of this Agreement is found to be invalid or unenforceable by a final determination of a court of competent jurisdiction, the invalid or unenforceable term or provision hereof shall be deemed replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision hereof.

11. **Survival**. It is the express intention and agreement of the parties hereto that the provisions ofSections 5 through 22 shall survive the termination of employment of the Executive. In addition, all obligations of the Company to make payments hereunder shall survive any termination of this Agreement on the terms and conditions set forth herein.

12. **No Assignments**. The rights and obligations of the parties to this Agreement shall not be assignable or delegable, except that (a) in the event of the Executive's death, the personal representative or legatees or distributees of the Executive's estate, as the case may be, shall have the right to receive any amount owing and unpaid to the Executive hereunder; and (b) the rights and obligations of the Company hereunder shall be assignable and delegable to an Affiliate or in connection with any subsequent merger, consolidation, sale of all or substantially all of the assets

or equity interests of the Company, or similar transaction involving the Company or a successor corporation. The Company shall require any successor to the Company to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

13. **Binding Effect**. Subject to any provisions hereof restricting assignment, this Agreement shall be binding upon the parties hereto and shall inure to the benefit of the parties and their respective heirs, devisees, executors, administrators, legal representatives, successors and assigns.

14. **Amendments; Modifications; Waivers**. No provision of this Agreement may be amended, modified, waived or discharged, unless such amendment, modification, waiver or discharge is agreed to in writing and signed by the Executive and such officer or director of the Company as may be designated by the Board. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time unless such waiver specifically states that it is to be construed as a continuing waiver.

15. **Section Headings; Inconsistency**. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof. In the event of any inconsistency between the terms of this Agreement and any form, award, plan or policy of the Company, the terms of this Agreement shall govern and control, unless otherwise expressly provided.

16. **Governing Law**. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Louisiana (but not including any choice of law rule that would cause the laws of another jurisdiction to apply).

17. **Dispute Resolution**. Each of the parties hereto irrevocably and unconditionally (a) WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING RELATING TO THIS AGREEMENT OR THE EXECUTIVE'S EMPLOYMENT BY THE COMPANY OR ANY OTHER MEMBER OF THE COMPANY GROUP, or for the recognition and enforcement of any judgment in respect thereof (a "Proceeding"), whether such Proceeding is based on contract, tort or otherwise; (b) agrees that service of process in any such Proceeding may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at the Executive's or its address as provided in Section 9; and (c) agrees that nothing in this Agreement shall affect the right to effect service of process in any other manner permitted by applicable law.

18. **Entire Agreement; Advice of Counsel**. This Agreement constitutes the entire agreement between the parties respecting the employment of the Executive, there being no representations, warranties or commitments except as set forth herein, and supersedes and replaces all other agreements related to the subject matter hereof of, including, without limitation, the Original Agreement. The Executive acknowledges that, in connection with the Executive's entry into this Agreement, the Executive was advised, or had the opportunity to be advised, by an attorney of the Executive's choice on the terms and conditions of this Agreement, including, without limitation, on the application of Section 409A of the Code on the payments and benefits payable or to be paid to the Executive hereunder.

19. **Counterparts**. This Agreement may be executed (including by email with scan attachment) in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

20. **Withholding**. The Company may withhold from any and all amounts payable under this Agreement or otherwise such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

21. **Section 409A of the Code**.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code and the regulations and guidance promulgated thereunder (collectively, "Section 409A of the Code"), and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. If the Executive notifies the Company (with specificity as to the reason therefor) that the Executive believes that any provision of this Agreement (or of any award of compensation, including equity compensation or benefits) would cause the Executive to incur any additional tax or interest under Section 409A of the Code and the Company concurs with such belief or the Company (without any obligation whatsoever to do so) independently makes such determination, the Company shall, after consulting with the Executive, reform such provision to attempt to comply with Section 409A of the Code through good faith modifications to the minimum extent reasonably appropriate to conform with Section 409A of the Code. To the extent that any provision hereof is modified in order to comply with Section 409A of the Code, such modification shall be made in good faith and shall, to the maximum extent reasonably possible, maintain the original intent and economic benefit to the Executive and the Company of the applicable provision without violating the provisions of Section 409A of the Code. For the sake of clarity, the Company shall have no obligation to indemnify the Executive for liabilities incurred as a result of Section 409A of the Code.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A of the Code, and for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If the Executive is deemed on the Termination Date to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then with regard to any payment or the provision of any benefit that is considered deferred compensation under Section 409A of the Code payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6) month period measured from the date of such "separation from service" of the Executive, and (ii) the date of the Executive's death, to the extent required under Section 409A of the Code. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 22(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to the Executive in a lump sum with interest at the prime rate as published in *The Wall Street Journal* on the first business day following the date of the "separation from service," and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive; (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit; and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(d) For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Section 409A of the Code be subject to offset by any other amount unless otherwise permitted by Section 409A of the Code.

22. **Definitions**.

(a) "Affiliate" means any entity controlled by, in control of, or under common control with, the Company.

(b) "Cause" shall be limited to the following events: (i) the Executive's conviction of either (A) a felony involving moral turpitude or (B) any crime in connection with the Executive's employment that causes the Company Group a substantial detriment (in each case, excluding traffic offenses); (ii) actions or inactions by the Executive that clearly are contrary to the best interests of the Company Group and the express directives of the Board; provided, that, such actions or inactions by the Executive cause the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (iii) the Executive's willful failure to take actions permitted by law and necessary to implement policies of the Board that the Board has communicated to him in writing; provided, that, such policies that are reflected in minutes of a Board meeting attended in its entirety by the Executive shall be deemed communicated to the Executive to the extent the Executive received a copy of such minutes from the Secretary or the General Counsel of the Company promptly following approval by the Board; (iv) the Executive's continued failure to attend to his material duties as an executive officer of the Company Group following the Executive's receipt of written notice from the Board of such failure; provided, that, such failure by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (v) the Executive's commission of an act of fraud or material act of dishonesty or misappropriation involving the Company Group; (vi) the Executive's willful violation of law or

gross negligence that is substantially detrimental to the Company; (vii) the material breach or material violation by the Executive of this Agreement or any other written agreement with a member of the Company Group, or any material violation of any written policy of the Company Group; provided, that, such material breach or material violation by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; or (viii) the Executive's habitual use of illicit drugs or habitual abuse of alcohol that, in the reasonable good faith opinion of the Board, renders the Executive unfit to serve as an officer of the Company Group. If any determination of habitual use or substantial dependence under clause (viii) is disputed by the Executive, the parties hereto agree to abide by the decision of a panel of three (3) physicians appointed in the manner specified in Section 22(h) of the Agreement. For purposes of this "Cause" definition, no action or inaction will be considered "willful" or will constitute "gross negligence", if the Executive had a reasonable, good faith belief that such action or inaction was in the best interests of the Company Group. Anything herein to the contrary notwithstanding, the Executive shall not be terminated for "Cause" hereunder, unless (A) written notice stating the basis for the termination is provided to the Executive, and (B) with the exception of clause (i) of this paragraph, the Executive is given ten (10) business days to cure the neglect or conduct that is the basis of such claim, to the extent curable.

(c) "Change of Control" has the meaning set forth in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.

(d) "Company Group" means the Company and each of its Subsidiaries and Affiliates.

(e) "Competitive Enterprise" means the offshore transportation of refined and unrefined petroleum products, offshore towing, offshore supply vessel services, anchor handling and towing services, well stimulation vessel services, well-test services, offshore pipeline remediation services, ROV support services, offshore construction services, and other services required in the offshore construction, energy exploration and production industry and in specialty services in coastal waters in the Restricted Area.

(f) "Confidential Information" means all non-public information concerning trade secrets, know-how, software, developments, inventions, processes, technology, designs, financial data, strategic business plans or any proprietary or confidential information, documents or materials in any form or media, including any of the foregoing relating to research, operations, finances, current and proposed products and services, vendors, customers, advertising and marketing, and other non-public, proprietary and confidential information of the Company Group. Notwithstanding anything to the contrary contained herein, the general skills, knowledge and experience gained during the Executive's employment with the Company, information publicly available or generally known within the industry or trade in which the Company competes, and information or knowledge possessed by the Executive prior to the Executive's employment by the Company shall not be considered Confidential Information.

(g) "Customer" means any person, firm, corporation or other entity whatsoever to whom the Company or its Subsidiaries provided or actively sought to provide services or sold or actively sought to sell any products within a twelve (12)-month period on, before, or after the Executive's Termination Date.

(h) "Disability" means that the Executive is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, receiving income replacement benefits for a period of at least three (3) months under any long term disability plan maintained by the Company that covers the Executive. In the absence of such a long term disability plan, "Disability" means the inability of the Executive, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, to perform the duties required of him under this Agreement for a period of at least ninety (90) days in any one (1)-year period. Upon such determination, the Board may terminate the Executive's employment under this Agreement, subject to providing ten (10) days' prior written notice. The Executive agrees, in the event of any dispute hereunder as to whether a Disability exists, the parties hereto agree to abide by the decision of a panel of three (3) physicians. The Executive and the Board shall each appoint one member to the panel, and the third member of the panel shall be appointed by the other two members. The Executive agrees to make himself available for, and submit to examinations by, such physicians as may be directed by the Board. Failure to submit to any such examination shall constitute a breach of a material part of this Agreement. This Section 22(h) shall be interpreted and applied so as to comply with the provisions of the Americans with Disabilities Act and any applicable state or local laws.

(i) "Good Reason" means, unless otherwise agreed to in writing by the Executive, (i) any material diminution in the Executive's titles, duties, responsibilities, status or authorities with the Company or any of its material operating Subsidiaries; (ii) a material reduction in the Executive's Base Salary or Target Bonus; (iii) a relocation of the Executive's primary place of employment to a location more than thirty-five (35) miles farther from the Executive's primary residence than the current location of the Company's offices in Louisiana as of the Effective Date; or (iv) a material breach by the Company of this Agreement or any other agreement between the Company and the Executive. In order to invoke a termination for Good Reason, (A) the Executive must provide written notice within forty-five (45) days of the Executive becoming aware of the occurrence of any event of "Good Reason," (B) the Company must fail to cure such event within thirty (30) days of the giving of such notice, and (C) the Executive must terminate employment within forty-five (45) days following the expiration of the Company's cure period.

(j) "Restricted Area" means (i) the United States or (ii) any other country in which the Company Group conducts or takes concrete, active steps to conduct the Competitive Enterprise during the Executive's employment or service with the Company Group during the Restricted Period, as evidenced by existing memoranda, Board minutes or other written correspondence.

(k) "Restricted Period" means the period commencing on the Effective Date and ending twenty-four (24) months following the Executive's Termination Date.

(l) "Subsidiary" means any subsidiary corporation of the Company within the meaning of Section 424(f) of the Code.

**GENERAL RELEASE**

I, **James O. Harp, Jr.**, in consideration of payment by Hornbeck Offshore Operators, LLC (together with its Subsidiaries, the "Company") of the amounts set forth in Section 4[(d)][(e)][1] of the Employment Agreement, dated as of September 4, 2020 (the "Agreement"), do hereby release and forever discharge, as of the date hereof, the Company and its Affiliates and all of their respective present, former and future managers, directors, officers, employees, successors and assigns of the Company and its Affiliates and direct or indirect owners[, (which, for the avoidance of doubt, shall include the Permitted Holders (as defined in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.))] (collectively, the "Released Parties") to the extent provided below (this "General Release"). The Released Parties are intended to be third-party beneficiaries of this General Release, and this General Release may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Released Parties hereunder. Terms used herein but not otherwise defined shall have the meanings given to them in the Agreement.

1. My employment with the Company terminated as of [Date], and I hereby resign from any position as an officer, member of the board of managers or directors (as applicable) or fiduciary of the Company or any other member of the Company Group (or reaffirm any such resignation that may have already occurred). I understand that any payments or benefits paid or granted to me under Section 4 of the Agreement represent, in part, consideration for signing this General Release and are not salary, wages or benefits to which I was already entitled. I understand and agree that I will not receive certain of the payments and benefits specified in Section 4 of the Agreement, unless I execute this General Release and do not revoke this General Release within the time period permitted hereafter. I understand and agree that such payments and benefits are subject to my continued material compliance with Section 6 of the Agreement (as more fully set forth in the Agreement) during the period in which I am paid the Severance Benefits pursuant to Section 4[(d)][(e)][2] of the Agreement, which (as noted below) expressly survive my termination of employment and the execution of this General Release. Such payments and benefits will not be considered compensation for purposes of any employee benefit plan, program, policy, or arrangement maintained or hereafter established by the Company or its Affiliates.

2. Except as provided in paragraphs 4 and 5 below and except for the provisions of the Agreement which expressly survive the termination of my employment with the Company, I knowingly and voluntarily (for myself and my heirs, executors, administrators and assigns) release and forever discharge the Company and the other Released Parties from any and all claims, suits, controversies, actions, causes of action, cross-claims, counter-claims, demands, debts, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs and attorneys' fees, or liabilities of any nature whatsoever in law and in equity, both past and present (through the date on which I execute this General Release) and whether known or unknown, suspected, or claimed against the Company or any of the Released Parties, which I, my spouse, or any of my heirs, executors, administrators or assigns may have, which arise out of or are connected with my employment with, or my separation or termination from, the Company (including, but not limited to, any allegation, claim, or violation, arising under: Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the Age

Discrimination in Employment Act of 1967, as amended (including the Older Workers Benefit Protection Act); the Equal Pay Act of 1963, as amended; the Americans with Disabilities Act of 1990; the Family and Medical Leave Act of 1993; the Worker Adjustment Retraining and Notification Act; the Employee Retirement Income Security Act of 1974; Sections 23:301 to 23:369 of the Louisiana Revised Statutes; Article 2315 of the Louisiana Civil Code; the Louisiana Workers' Compensation Act; any applicable Executive Order Programs; the Fair Labor Standards Act; or their state or local counterparts; or under any other federal, state or local civil or human rights law, or under any other local, state, or federal law, regulation or ordinance; or under any public policy, contract or tort, or under common law; or arising under any policies, practices or procedures of the Company; or any claim for wrongful discharge, breach of contract, infliction of emotional distress, or defamation; or any claim for costs, fees, or other expenses, including attorneys' fees, incurred in these matters) (all of the foregoing collectively referred to herein as the "Claims").

3. I represent that I have made no assignment or transfer of any right, claim, demand, cause of action or other matter covered by paragraph 2 above.

4. I agree that this General Release does not waive or release any rights or claims that I may have under the Age Discrimination in Employment Act of 1967 which arise after the date I execute this General Release. I acknowledge and agree that my separation from employment with the Company in compliance with the terms of the Agreement shall not serve as the basis for any claim or action (including, without limitation, any claim under the Age Discrimination in Employment Act of 1967).

5. I agree that I hereby waive all rights to sue or obtain equitable, remedial or punitive relief from any or all Released Parties of any kind whatsoever in respect of any Claim, including, without limitation, reinstatement, back pay, front pay and any form of injunctive relief. Notwithstanding the above, I further acknowledge that I am not waiving and am not being required to waive any right that cannot be waived under law, including the right to file an administrative charge or participate in an administrative investigation or proceeding; provided, however, that I disclaim and waive any right to share or participate in any monetary award resulting from the prosecution of such charge or investigation or proceeding. Additionally, I am not waiving (a) any right to the Accrued Benefits or any Severance Benefits to which I am entitled under Section 4[(d)][(e)][3] of the Agreement, (b) any rights I have under Section 4(e) of the Agreement in the event a Qualifying Termination becomes a Change of Control Qualifying Termination, (c) any claim relating to directors' and officers' liability insurance coverage or any right of indemnification under the Company's organizational documents or otherwise, or (d) my rights as an equity or security holder in the Company or its Affiliates.

6. In signing this General Release, I acknowledge and intend that it shall be effective as a bar to each and every one of the Claims hereinabove mentioned or implied. I expressly consent that this General Release shall be given full force and effect according to each and all of its express terms and provisions, including those relating to unknown and unsuspected Claims (notwithstanding any state or local statute that expressly limits the effectiveness of a general release of unknown, unsuspected and unanticipated Claims), if any, as well as those relating to any other Claims hereinabove mentioned or implied. I acknowledge and agree that this waiver

[3] Note to Draft: To specify applicable termination section.

is an essential and material term of this General Release and that without such waiver the Company would not have agreed to the terms of the Agreement. I further agree that in the event I should bring a Claim seeking damages against the Company, or in the event I should seek to recover against the Company in any Claim brought by a governmental agency on my behalf, this General Release shall serve as a complete defense to such Claims to the maximum extent permitted by law. I further agree that I am not aware of any pending claim of the type described in paragraph 2 above as of the execution of this General Release.

7. I agree that neither this General Release, nor the furnishing of the consideration for this General Release, shall be deemed or construed at any time to be an admission by the Company, any Released Party or myself of any improper or unlawful conduct.

8. I agree that I will forfeit all amounts payable by the Company pursuant to the Agreement if I challenge the validity of this General Release. I also agree that if I violate this General Release by suing the Company or the other Released Parties, I will pay all costs and expenses of defending against the suit incurred by the Released Parties, including reasonable attorneys' fees, and return all payments received by me pursuant to the Agreement on or after the termination of my employment.

9. I agree that this General Release and the Agreement are confidential and agree not to disclose any information regarding the terms of this General Release or the Agreement, except to my immediate family and any tax, legal or other counsel I have consulted regarding the meaning or effect hereof or as required by law, and I will instruct each of the foregoing not to disclose the same to anyone. The Company agrees to disclose any such information only to any tax, legal, or other counsel of the Company as required by law.

10. Any non-disclosure provision in this General Release does not prohibit or restrict me (or my attorney) from responding to any inquiry about this General Release or its underlying facts and circumstances by the Securities and Exchange Commission (SEC), the National Association of Securities Dealers, Inc. (NASD), any other self-regulatory organization or governmental entity.

11. I hereby acknowledge that Sections 5 through 22 of the Agreement shall survive my execution of this General Release.

12. I represent that I am not aware of any claim by me other than the claims that are released by this General Release. I acknowledge that I may hereafter discover claims or facts in addition to or different than those which I now know or believe to exist with respect to the subject matter of the release set forth in paragraph 2 above and which, if known or suspected at the time of entering into this General Release, may have materially affected this General Release and my decision to enter into it, but I nonetheless shall continue to be bound by this General Release in all respects.

13. Notwithstanding anything in this General Release to the contrary, this General Release shall not relinquish, diminish, or in any way affect any rights or claims arising out of any breach by the Company or by any Released Party of the Agreement after the date hereof.

14. Whenever possible, each provision of this General Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this General Release is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this General Release shall be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

BY SIGNING THIS GENERAL RELEASE, I REPRESENT AND AGREE THAT:

(i) I HAVE READ IT CAREFULLY;

(ii) I UNDERSTAND ALL OF ITS TERMS AND KNOW THAT I AM GIVING UP IMPORTANT RIGHTS, INCLUDING, BUT NOT LIMITED TO, RIGHTS UNDER THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967, AS AMENDED; TITLE VII OF THE CIVIL RIGHTS ACT OF 1964, AS AMENDED; THE EQUAL PAY ACT OF 1963; THE AMERICANS WITH DISABILITIES ACT OF 1990; AND THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED;

(iii) I VOLUNTARILY CONSENT TO EVERYTHING IN IT;

(iv) I HAVE BEEN ADVISED TO CONSULT WITH AN ATTORNEY BEFORE EXECUTING IT AND I HAVE DONE SO OR, AFTER CAREFUL READING AND CONSIDERATION, I HAVE CHOSEN NOT TO DO SO OF MY OWN VOLITION;

(v) I HAVE HAD AT LEAST **TWENTY-ONE (21)** DAYS FROM THE DATE OF MY RECEIPT OF THIS GENERAL RELEASE TO CONSIDER IT AND THE CHANGES MADE SINCE MY RECEIPT OF THIS GENERAL RELEASE ARE NOT MATERIAL OR WERE MADE AT MY REQUEST AND WILL NOT RESTART THE REQUIRED TWENTY-ONE (21)-DAY PERIOD;

(vi) I UNDERSTAND THAT I HAVE SEVEN (7) DAYS AFTER THE EXECUTION OF THIS GENERAL RELEASE TO REVOKE IT AND THAT THIS GENERAL RELEASE SHALL NOT BECOME EFFECTIVE OR ENFORCEABLE UNTIL THE REVOCATION PERIOD HAS EXPIRED;

(vii) I HAVE SIGNED THIS GENERAL RELEASE KNOWINGLY AND VOLUNTARILY AND WITH THE ADVICE OF ANY COUNSEL RETAINED TO ADVISE ME WITH RESPECT TO IT; AND

(viii) I AGREE THAT THE PROVISIONS OF THIS GENERAL RELEASE MAY NOT BE AMENDED, WAIVED, CHANGED OR MODIFIED EXCEPT BY AN INSTRUMENT IN WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF THE COMPANY AND BY ME.

**AMENDED AND RESTATED EMPLOYMENT AGREEMENT**

This **AMENDED AND RESTATED EMPLOYMENT AGREEMENT** (this "Agreement") is entered into as of September 4, 2020, by and between Hornbeck Offshore Operators, LLC, a Delaware limited liability company (the "Company"), and John S. Cook, an individual (the "Executive"). This Agreement shall become effective on the effective date of the Company's Plan of Reorganization (such date, the "Effective Date"). Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in Section 22.

**WHEREAS**, the Executive and the Company are party to that certain Employment Agreement (as amended from time to time, the "Original Agreement"), which this Agreement will replace and supersede in its entirety, effective as of the Effective Date;

**WHEREAS**, the Executive is currently employed as the Executive Vice President, Chief Commercial Officer and Chief Information Officer of the Company; and

**WHEREAS**, the Company and the Executive desire to enter into this Agreement to set out the terms and conditions for the continued employment relationship of the Executive with the Company.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto agree as follows:

1. **Term**. The Company agrees to continue to employ the Executive pursuant to the terms of this Agreement, and the Executive agrees to continue to be so employed, commencing as of the Effective Date and ending on the fourth (4th) anniversary of the Effective Date (the "Initial Term"). On the last day of the Initial Term and on each one (1)-year anniversary thereof, the term of this Agreement shall be automatically extended for an additional one (1)-year period, unless either party hereto elects not to extend this Agreement by giving written notice to the other party at least ninety (90) days prior to any such renewal date. Notwithstanding the foregoing, the Executive's employment hereunder may be earlier terminated in accordance with Section 4 hereof. The period of time between the Effective Date and the termination of the Executive's employment hereunder is referred to herein as the "Term." Upon any termination of the Executive's employment with the Company, the Executive shall be deemed to have resigned from all positions with the Company and all of its Subsidiaries.

2. **Positions and Duties**.

(a) During the Term, the Executive shall serve as the Executive Vice President, Chief Commercial Officer and Chief Information Officer of the Company. In these capacities, the Executive shall have the duties, authorities and responsibilities generally commensurate with the duties, authorities and responsibilities of persons serving in similar capacities in similarly sized and situated companies, and such other duties, authorities and responsibilities as the Chief Executive Officer ("CEO") of the Company shall designate from time to time that are not inconsistent with the Executive's positions. The Executive shall report directly to the CEO.

(b) The Executive shall devote substantially all of the Executive's business time to the performance of the Executive's duties hereunder and the advancement of the business and affairs of the Company; provided, that, the Executive shall be entitled to: (i) serve as a member of the board of directors (or equivalent governing body) of, or advisor to, (A) the entities listed on Exhibit A attached hereto and (B) such other entities that are not Competitive Enterprises, subject to the Executive providing prior written notice to the Board of Directors of the Company (the "Board"), (ii) serve on civic, charitable, educational, religious, public interest or public service boards, and (iii) manage the Executive's personal and family investments, in each case, to the extent such activities do not interfere, individually or in the aggregate, with the performance of the Executive's duties and responsibilities hereunder or create a business or fiduciary conflict.

(c) The Executive's principal place of employment will continue to be in Covington, Louisiana; provided, that, the Executive may be required to travel from time to time for business purposes.

3. **Compensation and Benefits**.

(a) Base Salary. During the Term, the Company shall pay to the Executive a base salary at an annual rate of not less than $320,000, in substantially equal installments in accordance with the regular payroll practices of the Company, but not less frequently than monthly. The Executive's base salary shall be subject to annual review by the Compensation Committee of the Board (the "Committee") and may be increased, but not decreased, from time to time by the Committee. The base salary as determined herein and adjusted from time to time shall constitute "Base Salary" for purposes of this Agreement.

(b) Annual Bonus. During each fiscal year during the Term, the Executive shall be eligible to participate in the Company's annual bonus plan, as established by the Committee and in effect from time to time for its senior executives, and will be paid a cash annual bonus under such plan (the "Annual Bonus"), to the extent earned based on performance against reasonably obtainable objective performance criteria. The performance criteria for each fiscal year shall be determined by the Committee, after consultation with the CEO, no later than ninety (90) days following the commencement of the applicable fiscal year. The Executive's target Annual Bonus opportunity for each fiscal year shall equal 100% of the Executive's annualized Base Salary for that fiscal year (the "Target Bonus"). The Executive's actual Annual Bonus for each fiscal year will equal a percentage of the Target Bonus, determined as follows: (i) 100% of the Target Bonus, if target levels of performance for that fiscal year are achieved; (ii) 50% of the Target Bonus, if threshold levels of performance for that fiscal year are achieved; (iii) 200% of the Target Bonus, if maximum levels of performance for that fiscal year are achieved; and (iv) a percentage of the Target Bonus determined in accordance with the plan, if performance for that fiscal year is in between threshold, target and maximum levels of performance. Unless otherwise determined by the Committee, the Executive will not earn an Annual Bonus if threshold levels of performance are not achieved. The Executive's Annual Bonus for each fiscal year shall be determined by the Committee after the end of the applicable fiscal year and shall be paid to the Executive when bonuses for such fiscal year are paid to other senior executives of the Company generally, but in no event later than seventy-four (74) days following the end of such fiscal year, subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned. In carrying out its functions under this Section 3(b), the Committee shall at all times act reasonably and in good faith.

(c) Benefit Plans. During the Term, the Executive shall be entitled to participate in any employee benefit plan that the Company has adopted or may adopt, maintain or contribute to for the benefit of its employees generally and/or for the benefit of its senior executives as in effect from time to time, subject to satisfying the applicable eligibility requirements, except to the extent such plans are duplicative of the benefits otherwise provided hereunder; provided, however, that the Company shall make commercially reasonable efforts to ensure that any health insurance benefit plan will not provide for a preexisting condition limitation. The Executive's participation will be subject to the terms of the applicable plan documents and generally applicable Company policies. Notwithstanding the foregoing, the Company may modify or terminate any employee benefit plan at any time.

(d) Business Expenses. The Executive is authorized to incur reasonable business expenses in carrying out the Executive's duties and responsibilities under this Agreement. The Executive shall be promptly reimbursed for all reasonable out-of-pocket business expenses incurred and paid by the Executive during the Term, subject to and in accordance with the Company's expense reimbursement policy as in effect from time to time.

(e) Automobile. During the Term, the Company shall continue to provide the Executive with an automobile and pay for such automobile's auto insurance, maintenance, and fuel; provided, that, the Executive shall pay all taxes related to the Executive's personal use of the automobile.

4. **Termination of Employment; Severance**.

(a) General. The Executive's employment and the Term shall terminate upon the earliest to occur of (i) the Executive's death, (ii) a termination by the Company due to the Executive's Disability, (iii) a termination by the Company with or without Cause, (iv) a termination by the Executive with or without Good Reason, and (v) the expiration of the Term (the date of such termination, the "Termination Date"). On the Termination Date, the Executive's role as (A) an officer of any member of the Company Group, (B) a member of the Board or similar body of any member of the Company Group and (C) a fiduciary of any Company Group benefit plan shall be deemed to have terminated, in each case, to the extent applicable and the Executive shall confirm the foregoing by submitting to the Company a written confirmation of such resignations upon request by the Board; provided, that, the foregoing shall not modify or diminish in any way the rights and/or remedies otherwise available to the Executive in connection with such termination.

(b) Termination Due to the Executive's Death or Disability. The Executive's employment and the Term shall terminate automatically upon the Executive's death. The Company may terminate the Executive's employment and the Term upon a final determination as to the occurrence of the Executive's Disability (with such determination made, for the avoidance of doubt, in accordance with the definition of Disability set forth below), with such termination to be effective ten (10) days following the date on which the Company provides written notice to the Executive of such determination in accordance with this Agreement and of such termination. Upon a termination of the Executive's employment and the Term due to the Executive's death or Disability, the Executive's estate or the Executive, as applicable, shall be entitled to the following:

(i) payment of any earned but unpaid Base Salary through the Termination Date, no later than sixty (60) days following the Termination Date (or such earlier date as may be required by applicable law);

(ii) payment of any earned but unpaid Annual Bonus for the fiscal year preceding the fiscal year in which the Termination Date occurs, to be paid in accordance with Section 3(b) (the "Prior Year Bonus");

(iii) payment in lieu of any earned but unused vacation time in accordance with Company policy as in effect from time to time;

(iv) all other payments, benefits, or fringe benefits to which the Executive shall be entitled under the terms of any applicable compensation arrangement or benefit, equity or fringe benefit plan or program or grant or this Agreement, payable in accordance therewith;

(v) reimbursement for any unreimbursed business expenses incurred through the Termination Date, in accordance with Section 3(d) (with the payments and benefits described in subparagraphs (i), (ii), (iii), (iv) and (v) hereof, collectively, the "Accrued Benefits");

(vi) a pro-rata portion of the Annual Bonus for the fiscal year in which the Termination Date occurs, determined by multiplying (A) the Annual Bonus that the Executive would have received for such fiscal year, based on actual performance (provided, that, any subjective performance goals will be deemed satisfied at target levels), by (B) a fraction, (I) the numerator of which is the number of calendar days that the Executive was employed with the Company during the fiscal year in which the Termination Date occurs, and (II) the denominator of which is the total number of calendar days in the fiscal year in which the Termination Date occurs, which amount shall be paid in accordance with Section 3(b); provided, however, that, for the avoidance of doubt, the requirement in Section 3(b) that payment of the Annual Bonus be subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned shall not apply (the "Pro-Rata Bonus"); and

(vii) subject to the Executive timely electing to continue the Executive's coverage, reimbursement for the employer portion of the monthly cost of maintaining medical, dental and/or vision benefits for the Executive under a group health plan of the Company for purposes of the Consolidated Omnibus Budget Reconciliation Act of 1985 (as amended, "COBRA"), based on the premium rate in effect on the Termination Date (the "Benefit Payment"), until the earlier to occur of (A) twelve (12) months following the Termination Date and (B) the date the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms. The first installment of the Benefit Payment shall be paid on the sixtieth ($60^{th}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay.

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following a termination of the Executive's employment due to death or Disability, except as set forth in this Section 4(b), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) Termination by the Company for Cause. The Company may terminate the Executive's employment at any time for Cause, effective upon delivery to the Executive of written notice of such termination. If the Executive's employment is terminated by the Company for Cause, the Executive shall be entitled only to the Accrued Benefits, exclusive, for the avoidance of doubt, of the Prior Year Bonus (if any), which shall be forfeited upon a termination for Cause.

Following the termination of the Executive's employment by the Company for Cause, except as set forth in this Section 4(c), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) Termination by the Company Without Cause, Termination by the Executive for Good Reason or Termination Due to the Company's Non-Renewal of the Term. The Company may terminate the Executive's employment at any time without Cause, effective upon delivery to the Executive of written notice of such termination. The Executive may terminate the Executive's employment for Good Reason by providing the Company written notice in the manner set forth below. In the event that the Executive's employment is terminated by the Company without Cause (other than due to the Executive's death or Disability), by the Executive for Good Reason or due to the Company's non-renewal of the Term (each, a "Qualifying Termination"), in each case, subject to Section 4(g) below, the Executive shall be entitled to:

(i) the Accrued Benefits;

(ii) if the Qualifying Termination occurs at least halfway through the applicable fiscal year, the Pro-Rata Bonus;

(iii) an amount equal to two (2) (the "Severance Multiple") times the sum of the Executive's (A) Base Salary, at the rate in effect as of the Termination Date, and (B) Target Bonus, at the rate in effect as of the Effective Date (provided, that, if the Qualifying Termination is due to the Executive's termination of employment for Good Reason caused, in whole or in part, by a reduction in the Executive's Base Salary and/or Target Bonus, or if the Executive would have had grounds to terminate the Executive's employment for Good Reason on such basis at the time of a Qualifying Termination, each such amount shall be included in the foregoing calculation at the rate in effect prior to any decrease thereof) (the "Cash Severance"), which amount shall be payable in equal monthly installments over the twenty-four (24) month period following the Termination Date, provided, that, the first installment shall be paid on the sixtieth ($60^{h}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay; and

(iv) the Benefit Payment for the twenty-four (24)-month period following the Termination Date, or, if earlier, until the date on which the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms (with the payments described in subparagraphs (ii), (iii), and (iv) hereof, collectively, the "Severance Benefits").

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Payments and benefits provided in this Section 4(d) shall be in lieu of any termination or severance payments or benefits for which the Executive may be eligible under any of the plans, policies or programs of the Company or under the Worker Adjustment Retraining Notification Act of 1988 or any similar state statute or regulation.

Following the termination of the Executive's employment due to a Qualifying Termination, except as set forth in this Section 4(d), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(e) Change of Control Qualifying Termination. This Section 4(e) shall apply if (i) the Executive's Qualifying Termination occurs during the two (2)-year period immediately following a Change of Control, or (ii) the Executive is terminated by the Company without Cause within the six (6)-month period immediately prior to a Change of Control (each, a "Change of Control Qualifying Termination"). To the extent a Change of Control Qualifying Termination occurs and the Executive is already receiving the benefits described in Section 4(d) in accordance with the terms thereof, the Executive shall no longer be eligible for the benefits described in Section 4(d) and instead shall be entitled exclusively to all of the benefits provided in this Section 4(e); provided, that, the benefits set forth under this Section 4(e) shall be reduced by any payments and benefits that the Executive already received in accordance with the terms of Section 4(d). For the avoidance of doubt, there shall be no duplication of the benefits under Section 4(d). If any such Change of Control Qualifying Termination occurs, the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the Release (as defined in Section 4(g)) but before receiving such amount) shall receive the benefits set forth in Section 4(d), except that (A) the Severance Multiple shall be (I) three (3), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, on or prior to the first anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (II) two and one-half (2.5), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the first anniversary, but on or prior to the second anniversary, of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; and (III) as set forth in Section 4(d)(iii), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the second anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (B) the Pro-Rata Bonus set forth in Section 4(d)(ii) shall be payable regardless of when in the applicable fiscal year the Termination Date occurs (*i.e.*, the Pro-Rata Bonus shall be payable even if the Termination Date occurs prior to the midpoint of the applicable fiscal year), and the amount of such Pro-Rata Bonus shall be determined based on deemed achievement of all performance criteria at target levels; and (C) the Pro-Rata Bonus, Cash Severance and Benefit Payment will be payable in a lump sum. For the avoidance of doubt, the Company's reorganization as of the Effective Date will not constitute a Change of Control.

(f) Termination by the Executive Without Good Reason or Due to the Executive's Non-Renewal of the Term. The Executive may terminate the Executive's employment without Good Reason by providing sixty (60) days' prior written notice to the Company or by electing not to renew the Term in accordance with Section 1 hereof. Upon receipt of such notice,

the Company may, in its sole discretion, remove the Executive's title and require that the Executive not attend the workplace, perform any duties or contact any clients, suppliers or employees of the Company or any associated persons through the Termination Date ("the Garden Leave Period"); provided, that, for the avoidance of doubt, the foregoing restriction shall not prohibit the Executive from contacting employees for logistical or human resources purposes, in each case relating to the transition of the Executive's duties and/or termination of his employment, attending the workplace for purposes of removing the Executive's personal effects from the workplace (as reasonably permitted by the Company), or performing other ministerial tasks as required by the Company; and provided, further, that, during the Garden Leave Period, the Company shall continue to (i) pay to the Executive the Base Salary and (ii) provide to the Executive the existing benefits in accordance with the terms of the applicable plans. Upon the Executive's voluntary termination of employment without Good Reason, the Executive shall be entitled only to the Accrued Benefits. For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following any such termination of the Executive's employment, except as set forth in this Section 4(f), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(g) Release of Claims, Continued Compliance. Notwithstanding any provision herein to the contrary, the payment and provision of the Severance Benefits pursuant to Section 4(d) or Section 4(e) shall be conditioned upon the Executive's execution, delivery to the Company and non-revocation of the general release of claims substantially in the form attached hereto as Exhibit B (the "Release") (and the expiration of any revocation period contained in such Release) within sixty (60) days following the Termination Date, as well as the Executive's acknowledgement of, and the Executive's material compliance with, the Executive's obligations under Section 6, as further outlined in this paragraph below. If the Executive fails to execute the Release in such a timely manner so as to permit any revocation period to expire prior to the end of such sixty (60)-day period, or timely revokes such release following its execution, the Executive shall not be entitled to any of the Severance Benefits. If the period of time during which the Executive may consider the Release begins in one calendar year and ends in the next calendar year, any amounts payable under this Section 4 that are contingent upon the execution and non-revocation of the Release shall be paid as soon as practicable in the second calendar year (provided, that, the Release has become effective and non-revocable), even if the Release first became effective and non-revocable in the first calendar year. Notwithstanding any provision in this Agreement to the contrary, if the Executive materially breaches any of the covenants contained in Section 6 while receiving the Severance Benefits under Section 4(d), the Company shall have the right, but not the obligation, to cease providing such Severance Benefits under Section 4(d); provided, that, a material breach of Section 6 can only occur for purposes of this Section 4(g) (and otherwise, without limiting any other remedies with respect thereto) if (i) the Company provides the Executive with written notice of the circumstances constituting the alleged material breach of such covenants within ninety (90) days after becoming aware of such circumstances and (ii) the alleged breach, if curable (which includes any commercial relationship resulting from such prohibited conduct), has not been cured within fifteen (15) days after receipt of the written notice described in clause (i) above.

(h) No Offset. In the event of termination of the Executive's employment for any reason, the Executive shall be under no obligation to seek other employment, and there shall be no offset against amounts due to the Executive on account of any remuneration or benefits provided by any subsequent employment the Executive may obtain. The Company's obligation to make any payment pursuant to, and otherwise to perform its obligations under, this Agreement shall not be affected by any offset, counterclaim or other right that the Company or any other member of the Company Group may have against the Executive for any reason.

5. **Section 280G of the Code**.

(a) Shareholder Approval Exemption. If the Company is eligible for the shareholder vote exemption at the time of a Change of Control, the Company will subject the Executive's payments to a shareholder vote in accordance with Treasury Regulation Section 1.280G-1 and recommend approval thereof; provided, that, the Executive cooperates with all reasonable and customary requests in connection with such vote, including execution of any required documentation in connection therewith.

(b) Best-Net Cutback. Notwithstanding any other provision of this Agreement or any other plan, arrangement, or agreement to the contrary, if any of the payments or benefits provided or to be provided by the Company Group to the Executive or for the Executive's benefit pursuant to the terms of this Agreement or otherwise ("Covered Payments") constitute parachute payments within the meaning of Section 280G of the Internal Revenue of Code of 1986, as amended (the "Code"), and would, but for this Section 5, be subject to the excise tax imposed under Section 4999 of the Code (or any successor provision thereto) or any similar tax imposed by state or local law or any interest or penalties with respect to such taxes (collectively, the "Excise Tax"), then prior to making the Covered Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Executive of the Covered Payments after payment of the Excise Tax to (ii) the Net Benefit to the Executive if the Covered Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under subparagraph (i) above is less than the amount under subparagraph (ii) above will the Covered Payments be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax. "Net Benefit" shall mean the present value of the Covered Payments net of all federal, state, local, and foreign income, employment, and excise taxes.

(c) Method of Reduction. The Covered Payments shall be reduced in a manner that maximizes the Executive's economic position. In applying this principle, the reduction shall be made in a manner consistent with the requirements of Section 409A of the Code; provided, that, (i) cash payments shall be reduced before non-cash payments; and (ii) payments to be made on a later payment date shall be reduced before payments to be made on an earlier payment date.

(d) Determination. Any determination required under this Section 5, including whether any payments or benefits are parachute payments, shall be made in the sole discretion of a nationally recognized, independent accounting or consulting firm selected and paid for by the Company using reasonable assumptions on the Executive's tax rates (as determined by such firm). The Executive shall provide the Company with such information and documents as the Company and such accounting firm may reasonably request in order to make a determination under this Section 5. The parties shall cooperate to the extent necessary to reduce the Excise Tax, including determining "reasonable compensation" under Sections 280G and 4999 of the Code (which may involve the valuation of the Executive's non-compete obligations). The firm's determination shall be final and binding on the Executive and the Company absent manifest error.

6. **Restrictive Covenants**. The Company and the Executive acknowledge and agree that during the Executive's employment with the Company, the Executive will have access to and may assist in developing Confidential Information and will occupy a position of trust and confidence with respect to the affairs and business of the Company Group. The Executive further acknowledges that (I) the Executive performs services of a unique nature for the Company that are irreplaceable, and that the Executive's performance of such services to a competing business will result in irreparable harm to the Company Group; (II) the Executive has had and will continue to have access to Confidential Information which, if disclosed, would unfairly and inappropriately assist in competition against the Company Group; (III) in the course of the Executive's employment by a competitor, the Executive inevitably would use or disclose such Confidential Information; (IV) members of the Company Group have substantial relationships with their customers, and the Executive has had and will continue to have access to these customers; and (V) the Executive has received and will receive specialized training from the Company and other members of the Company Group. Accordingly, the Executive agrees that the following obligations are necessary to preserve the confidential and proprietary nature of Confidential Information and to protect the Company Group against harmful solicitation of employees and customers, harmful competition and other actions by the Executive that would result in serious adverse consequences for the Company Group:

(a) Confidentiality. During the Executive's employment and at all times thereafter, the Executive shall not, directly or indirectly, use, make available, sell, copy, disseminate, transfer, communicate or otherwise disclose any Confidential Information, other than as authorized in writing by the Company or within the scope of the Executive's duties with the Company as determined reasonably and in good faith by the Executive. Anything herein to the contrary notwithstanding, the term "Confidential Information" shall not include, and the provisions of this Section 6(a) shall not apply to, information that (i) was known to the public prior to its disclosure to the Executive; (ii) becomes generally known to the public subsequent to disclosure to the Executive through no wrongful act of the Executive or any representative of the Executive; or (iii) the Executive is required to disclose by applicable law, regulation or legal process (provided, that, to the extent permissible, the Executive provides the Company with prior notice of the contemplated disclosure and cooperates with the Company at its expense in seeking a protective order or other appropriate protection of such information).

(b) Materials. The Executive will use Confidential Information only for normal and customary use in the Company's business, as determined reasonably and in good faith by the Company. The Executive will return to the Company all Confidential Information and copies thereof and all other property of the Company or any other member of the Company Group at any time upon the request of the Company and in any event immediately after termination of the Executive's employment. The Executive agrees to identify and return to the Company any copies of any Confidential Information after the Executive ceases to be employed by the Company. Anything to the contrary notwithstanding, nothing in this Section 6 shall prevent the Executive from retaining a home computer (provided all Confidential Information has been removed), papers and other materials of a personal nature, including diaries, calendars and contact lists (excluding customer lists), information relating to the Executive's compensation or relating to reimbursement of expenses, information that may be needed for tax purposes, and copies of plans, programs and agreements relating to the Executive's employment.

(c) Non-Competition; Non-Solicitation.

(i) During the Restricted Period, the Executive shall not, directly or indirectly: (A) solicit, service, or assist any other individual, person, firm, or other entity in soliciting or servicing, any Customer for the purpose of providing and/or selling any products that are provided and/or sold by any member of the Company Group, or performing any services that are performed by any member of the Company Group, or performing any services or providing and/or selling any products that any member of the Company Group proposed to initiate performing, selling or providing during the twelve (12)-month period immediately preceding the Termination Date, based on active discussions with the Board that occurred during such twelve (12)-month period, as evidenced by existing memoranda, Board minutes or other written correspondence, and only to the extent the Company Group was capable of pursuing such proposals as a business and financial matter; (B) interfere with or damage any relationship and/or agreement between any member of the Company Group and any Customer; or (C) associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor, director or otherwise) with any Competitive Enterprise; provided, however, that the Executive may own, as a passive investor, securities of any such entity that has outstanding publicly traded securities, so long as the Executive's direct holdings in any such entity shall not in the aggregate constitute more than 5% of the voting power of such entity. The Executive acknowledges that this covenant has a unique, very substantial, and immeasurable value to the Company, that the Executive has sufficient assets and skills to provide a livelihood for the Executive while such covenant remains in force, and that, as a result of the foregoing, in the event that the Executive breaches such covenant, monetary damages would be an insufficient remedy for the Company and equitable enforcement of the covenant would be proper.

(ii) During the Restricted Period, the Executive shall not solicit, entice, persuade, or induce any individual who is employed or engaged by any member of the Company Group (or who was so employed or engaged within six (6) months immediately preceding the Executive's Termination Date) to terminate or refrain from continuing such employment or engagement or to become employed by or enter into contractual relations with any other individual or entity other than a member of the Company Group, and the Executive shall not hire, directly or indirectly, on the Executive's behalf or on behalf of any other person, as an employee, consultant, or otherwise, any such person.

(d) Mutual Non-Disparagement. The Executive agrees not to, at any time, make negative comments about or otherwise disparage any member of the Company Group or any officer, director, employee, shareholder, agent or product of any member of the Company Group, other than to officers, employees, or directors of the Company Group in the good faith performance of the Executive's duties to the Company while the Executive is employed by the Company. The Company agrees that it will direct the senior officers of the Company and its Subsidiaries as of the Termination Date and the members of the Board as of the Termination Date to refrain from making negative comments about the Executive or otherwise disparaging the Executive in any manner, including by making or issuing any official public statements or press releases disparaging the Executive. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

(e) Inventions.

(i) The Executive acknowledges and agrees that all ideas, methods, inventions, discoveries, improvements, work products, developments, software, know-how, processes, techniques, works of authorship, and other work product, whether patentable or unpatentable, (A) that are reduced to practice, created, invented, designed, developed, contributed to or improved with the use of any Company Group resources and/or within the scope of the Executive's work with the Company, or that relate to the business, operations or actual or demonstrably anticipated research or development of the Company Group, and that are made or conceived by the Executive, solely or jointly with others, during the Term, or (B) suggested by any work that the Executive performs in connection with the Company, either while performing the Executive's duties with the Company or on the Executive's own time, shall belong exclusively to the Company Group (or its designee), whether or not patent or other applications for intellectual property protection are filed thereon (the "Inventions"). The Executive will keep full and complete written records (the "Records"), in the manner prescribed by the Company, of all Inventions and will promptly disclose all Inventions completely and in writing to the Company. The Records shall be the sole and exclusive property of the Company, and the Executive will surrender them upon the termination of the Term, or upon the Company's earlier written request. The Executive irrevocably conveys, transfers and assigns to the Company the Inventions and all patents or other intellectual property rights that may issue thereon in any and all countries, whether during or subsequent to the Term, together with the right to file, in the Executive's name or in the name of the Company (or its designee), applications for patents and equivalent rights (the "Applications"). The Executive will, at any time during and subsequent to the Term, make such applications, sign such papers, take all rightful oaths and perform all other acts as may be requested from time to time by the Company to perfect, record, enforce, protect, patent or register the Company's rights in the Inventions, all without additional compensation to the Executive from the Company. The Executive will also execute assignments to the Company (or its designee) of the Applications, and give the Company and its attorneys all reasonable assistance (including the giving of testimony) to obtain the Inventions for the Company's benefit, all without additional compensation to the Executive from the Company, but entirely at the Company's expense.

(ii) In addition, the Inventions will be deemed Work for Hire, as such term is defined under the copyright laws of the United States, on behalf of the Company, and the Executive agrees that the Company will be the sole owner of the Inventions, and all underlying rights therein, in all media now known or hereinafter devised, throughout the universe and in perpetuity without any further obligations to the Executive. If the Inventions, or any portion thereof, are deemed not to be Work for Hire, or the rights in such Inventions do not otherwise automatically vest in the Company, the Executive hereby irrevocably conveys, transfers and assigns to the Company all rights, in all media now known or hereinafter devised, throughout the universe and in perpetuity, in and to the Inventions, including, without limitation, all of the Executive's right, title and interest in the copyrights (and all renewals, revivals and extensions thereof) to the Inventions, including, without limitation, all rights of any kind or any nature now or hereafter recognized, including, without limitation, the unrestricted right to make modifications, adaptations and revisions to the Inventions, to exploit and allow others to exploit the

Inventions and all rights to sue at law or in equity for any infringement, or other unauthorized use or conduct in derogation of the Inventions, known or unknown, prior to the date hereof, including, without limitation, the right to receive all proceeds and damages therefrom. In addition, the Executive hereby waives any so-called "moral rights" with respect to the Inventions. To the extent that the Executive has any rights in the results and proceeds of the Executive's service to the Company that cannot be assigned in the manner described herein, the Executive agrees to unconditionally waive the enforcement of such rights. The Executive hereby waives any and all currently existing and future monetary rights in and to the Inventions and all patents and other registrations for intellectual property that may issue thereon, including, without limitation, any rights that would otherwise accrue to the Executive's benefit by virtue of the Executive being an employee of or other service provider to the Company.

(iii) 18 U.S.C. Section 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. Section 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. Section 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(f) Conflicting Obligations and Rights. The Executive agrees to inform the Company of any apparent conflicts between the Executive's work for the Company and any obligations the Executive may have to preserve the confidentiality of another's proprietary information or related materials before using the same on the Company's behalf. The Company shall receive such disclosures in confidence and consistent with the objectives of avoiding any conflict of obligations and rights or the appearance of any conflict of interest.

(g) Reasonableness of Restrictive Covenants. In signing this Agreement, the Executive gives the Company assurance that the Executive has carefully read and considered all of the terms and conditions of this Agreement, including the restraints imposed under this Section 6 hereof. The Executive agrees that these restraints are necessary for the reasonable and proper protection of the Company and the other members of the Company Group and their Confidential Information, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area, and that these restraints, individually or in the aggregate, will not prevent the Executive from obtaining other suitable employment during the period in which the Executive is bound by the restraints. The Executive acknowledges that each of these covenants has a unique, very substantial and immeasurable value to the Company and the other members of the Company Group, and that the Executive has sufficient assets and skills to provide a livelihood while such covenants remain in force. The Executive further covenants that the Executive will not challenge the reasonableness or enforceability of any of the covenants set forth in this Section 6. It is also agreed that each member of the Company Group will have the right to enforce all of the Executive's obligations to any other member of the Company Group under this Agreement, including, without limitation, pursuant to this Section 6.

(h) Reformation. If it is determined by a court of competent jurisdiction in any state that any restriction in this Section 6 is excessive in duration or scope or is unreasonable or unenforceable under applicable law, it is the intention of the parties that such restriction may be modified or amended by the court to render it enforceable to the maximum extent permitted by the laws of that state.

(i) Enforcement. The Executive acknowledges that, in the event of any breach or threatened breach of this Section 6, the business interests of the Company and the other members of the Company Group might be irreparably injured, the full extent of the damages to the Company and the other members of the Company Group might be impossible to ascertain, monetary damages might not be an adequate remedy for the Company and the other members of the Company Group, and the Company will be entitled to seek to enforce this Agreement by a temporary, preliminary and/or permanent injunction or other equitable relief. The Executive understands that the Company may waive some of the requirements expressed in this Agreement, but that such a waiver to be effective must be made in writing and should not in any way be deemed a waiver of the Company's right to enforce any other requirements or provisions of this Agreement. The Executive agrees that each of the Executive's obligations specified in this Agreement is a separate and independent covenant and that the unenforceability of any of them shall not preclude the enforcement of any other covenants in this Agreement.

7. **Cooperation**. Upon the receipt of reasonable notice from the Company (including through outside counsel), the Executive agrees that, while employed by the Company and thereafter, the Executive will respond and provide information with regard to matters in which the Executive has knowledge as a result of the Executive's employment with the Company, and will provide reasonable assistance to the Company, other members of the Company Group and their respective representatives, in defense of any claims that may be made against the Company or any other member of the Company Group, and will assist the Company and other members of the Company Group in the prosecution of any claims that may be made by the Company or any other member of the Company Group, to the extent that such claims are based on facts occurring during the Executive's employment with the Company (collectively, the "Claims"). During the pendency of any litigation or other proceeding involving Claims, the Executive shall not communicate with anyone (other than the Executive's attorneys and tax and/or financial advisors**,** and except to the extent that the Executive determines in good faith is necessary in connection with the performance of the Executive's duties hereunder) with respect to the facts or subject matter of any pending or potential litigation or regulatory or administrative proceeding involving the Company or any other member of the Company Group without, to the extent legally permitted to do so, giving prior written notice to the Company or the Company's counsel. Upon presentation of appropriate documentation, the Company shall pay or reimburse the Executive for all reasonable out-of-pocket travel, duplicating or telephonic expenses incurred by the Executive in complying with this Section 7. The Company shall cooperate with the Executive on the timing and location of the Executive's cooperation and use its good faith efforts to limit any travel or interference with the Executive's other professional commitments. In addition, following the Executive's termination of employment, to the extent the Executive is not receiving any Severance Benefits in respect of such post-termination period, the Executive shall be compensated for the time spent for such cooperation at an hourly rate determined based on the Executive's Base Salary at the rate in effect as of the Termination Date.

8. **Whistleblower Protection; Protected Activity**.

(a) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede the Executive (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures, and the Executive shall not be required to notify the Company that such reports or disclosures have been made.

(b) The Executive hereby acknowledges and agrees that nothing in this Agreement shall in any way limit or prohibit the Executive from engaging for a lawful purpose in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean (i) filing a charge, complaint or report with, or otherwise communicating with, cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Equal Employment Opportunity Commission, the Department of Labor, the Occupational Safety and Health Administration, and the National Labor Relations Board (the "Government Agencies"); or (ii) any rights the Executive may have under Section 7 of the National Labor Relations Act or equivalent state law to engage in concerted protected activity or to discuss the terms of employment or working conditions with or on behalf of coworkers, or to bring such issues to the attention of the Board at any time. The Executive understands that, in connection with such Protected Activity, the Executive is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, the Executive agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Confidential Information to any parties other than the relevant Government Agencies. The Executive further understands that Protected Activity does not include the disclosure of any Company attorney-client privileged communications, and that any such disclosure without the Company's written consent shall constitute a material breach of this Agreement.

9. **Notices**. All notices, demands, requests or other communications, which may be or are required to be given or made by any party to any other party pursuant to this Agreement, shall be in writing and shall be hand delivered, mailed by first-class registered or certified mail, return receipt requested, postage prepaid, delivered by overnight air courier, or transmitted by e-mail or facsimile transmission, addressed as follows:

Each notice, demand, request or communication that shall be given or made in the manner described above shall be deemed sufficiently given or made for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, confirmation of facsimile transmission or the affidavit of messenger being deemed conclusive but not exclusive evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation.

10. **Severability**. The provisions of this Agreement shall be deemed severable. The invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by applicable law. If any term or provision of this Agreement is found to be invalid or unenforceable by a final determination of a court of competent jurisdiction, the invalid or unenforceable term or provision hereof shall be deemed replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision hereof.

11. **Survival**. It is the express intention and agreement of the parties hereto that the provisions ofSections 5 through 22 shall survive the termination of employment of the Executive. In addition, all obligations of the Company to make payments hereunder shall survive any termination of this Agreement on the terms and conditions set forth herein.

12. **No Assignments**. The rights and obligations of the parties to this Agreement shall not be assignable or delegable, except that (a) in the event of the Executive's death, the personal representative or legatees or distributees of the Executive's estate, as the case may be, shall have the right to receive any amount owing and unpaid to the Executive hereunder; and (b) the rights and obligations of the Company hereunder shall be assignable and delegable to an Affiliate or in connection with any subsequent merger, consolidation, sale of all or substantially all of the assets or equity interests of the Company, or similar transaction involving the Company or a successor corporation. The Company shall require any successor to the Company to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

13. **Binding Effect**. Subject to any provisions hereof restricting assignment, this Agreement shall be binding upon the parties hereto and shall inure to the benefit of the parties and their respective heirs, devisees, executors, administrators, legal representatives, successors and assigns.

14. **Amendments; Modifications; Waivers**. No provision of this Agreement may be amended, modified, waived or discharged, unless such amendment, modification, waiver or discharge is agreed to in writing and signed by the Executive and such officer or director of the Company as may be designated by the Board. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time unless such waiver specifically states that it is to be construed as a continuing waiver.

15. **Section Headings; Inconsistency**. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof. In the event of any inconsistency between the terms of this Agreement and any form, award, plan or policy of the Company, the terms of this Agreement shall govern and control, unless otherwise expressly provided.

16. **Governing Law**. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Louisiana (but not including any choice of law rule that would cause the laws of another jurisdiction to apply).

17. **Dispute Resolution**. Each of the parties hereto irrevocably and unconditionally (a) WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING RELATING TO THIS AGREEMENT OR THE EXECUTIVE'S EMPLOYMENT BY THE COMPANY OR ANY OTHER MEMBER OF THE COMPANY GROUP, or for the recognition and enforcement of any judgment in respect thereof (a "Proceeding"), whether such Proceeding is based on contract, tort or otherwise; (b) agrees that service of process in any such Proceeding may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at the Executive's or its address as provided in Section 9; and (c) agrees that nothing in this Agreement shall affect the right to effect service of process in any other manner permitted by applicable law.

18. **Entire Agreement; Advice of Counsel**. This Agreement constitutes the entire agreement between the parties respecting the employment of the Executive, there being no representations, warranties or commitments except as set forth herein, and supersedes and replaces all other agreements related to the subject matter hereof of, including, without limitation, the Original Agreement. The Executive acknowledges that, in connection with the Executive's entry into this Agreement, the Executive was advised, or had the opportunity to be advised, by an attorney of the Executive's choice on the terms and conditions of this Agreement, including, without limitation, on the application of Section 409A of the Code on the payments and benefits payable or to be paid to the Executive hereunder.

19. **Counterparts**. This Agreement may be executed (including by email with scan attachment) in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

20. **Withholding**. The Company may withhold from any and all amounts payable under this Agreement or otherwise such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

21. **Section 409A of the Code**.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code and the regulations and guidance promulgated thereunder (collectively, "Section 409A of the Code"), and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. If the Executive notifies the Company (with specificity as to the reason therefor) that the Executive believes that any provision of this Agreement (or of any award of compensation, including equity compensation or benefits) would cause the Executive to incur any additional tax or interest under Section 409A of the Code and the Company concurs with such belief or the Company (without any obligation whatsoever to do so) independently makes such determination, the Company shall, after consulting with the Executive, reform such provision to attempt to comply with Section 409A of the Code through good faith modifications to the minimum extent reasonably appropriate to conform with Section 409A of the Code. To the extent that any provision hereof is modified in order to comply with Section 409A of the Code, such modification shall be made in good faith and shall, to the maximum extent reasonably possible, maintain the original intent and economic benefit to the Executive and the Company of the applicable provision without violating the provisions of Section 409A of the Code. For the sake of clarity, the Company shall have no obligation to indemnify the Executive for liabilities incurred as a result of Section 409A of the Code.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A of the Code, and for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If the Executive is deemed on the Termination Date to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then with regard to any payment or the provision of any benefit that is considered deferred compensation under Section 409A of the Code payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6) month period measured from the date of such "separation from service" of the Executive, and (ii) the date of the Executive's death, to the extent required under Section 409A of the Code. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 22(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to the Executive in a lump sum with interest at the prime rate as published in *The Wall Street Journal* on the first business day following the date of the "separation from service," and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive; (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit; and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(d) For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Section 409A of the Code be subject to offset by any other amount unless otherwise permitted by Section 409A of the Code.

22. **Definitions**.

(a) "Affiliate" means any entity controlled by, in control of, or under common control with, the Company.

(b) "Cause" shall be limited to the following events: (i) the Executive's conviction of either (A) a felony involving moral turpitude or (B) any crime in connection with the Executive's employment that causes the Company Group a substantial detriment (in each case, excluding traffic offenses); (ii) actions or inactions by the Executive that clearly are contrary to the best interests of the Company Group and the express directives of the Board; provided, that, such actions or inactions by the Executive cause the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (iii) the Executive's willful failure to take actions permitted by law and necessary to implement policies of the Board that the Board has communicated to him in writing; provided, that, such policies that are reflected in minutes of a Board meeting attended in its entirety by the Executive shall be deemed communicated to the Executive to the extent the Executive received a copy of such minutes from the Secretary or the General Counsel of the Company promptly following approval by the Board; (iv) the Executive's continued failure to attend to his material duties as an executive officer of the Company Group following the Executive's receipt of written notice from the Board of such failure; provided, that, such failure by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (v) the Executive's commission of an act of fraud or material act of dishonesty or misappropriation involving the Company Group; (vi) the Executive's willful violation of law or gross negligence that is substantially detrimental to the Company; (vii) the material breach or material violation by the Executive of this Agreement or any other written agreement with a member of the Company Group, or any material violation of any written policy of the Company Group; provided, that, such material breach or material violation by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; or (viii) the Executive's habitual use of illicit drugs or habitual abuse of alcohol that, in the reasonable good faith opinion of the Board, renders the Executive unfit to serve as an officer of the Company Group. If any determination of habitual use or substantial dependence under clause (viii) is disputed by the Executive, the parties hereto agree to abide by the decision of a panel of three (3) physicians

appointed in the manner specified in Section 22(h) of the Agreement. For purposes of this "Cause" definition, no action or inaction will be considered "willful" or will constitute "gross negligence", if the Executive had a reasonable, good faith belief that such action or inaction was in the best interests of the Company Group. Anything herein to the contrary notwithstanding, the Executive shall not be terminated for "Cause" hereunder, unless (A) written notice stating the basis for the termination is provided to the Executive, and (B) with the exception of clause (i) of this paragraph, the Executive is given ten (10) business days to cure the neglect or conduct that is the basis of such claim, to the extent curable.

(c) "Change of Control" has the meaning set forth in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.

(d) "Company Group" means the Company and each of its Subsidiaries and Affiliates.

(e) "Competitive Enterprise" means the offshore transportation of refined and unrefined petroleum products, offshore towing, offshore supply vessel services, anchor handling and towing services, well stimulation vessel services, well-test services, offshore pipeline remediation services, ROV support services, offshore construction services, and other services required in the offshore construction, energy exploration and production industry and in specialty services in coastal waters in the Restricted Area.

(f) "Confidential Information" means all non-public information concerning trade secrets, know-how, software, developments, inventions, processes, technology, designs, financial data, strategic business plans or any proprietary or confidential information, documents or materials in any form or media, including any of the foregoing relating to research, operations, finances, current and proposed products and services, vendors, customers, advertising and marketing, and other non-public, proprietary and confidential information of the Company Group. Notwithstanding anything to the contrary contained herein, the general skills, knowledge and experience gained during the Executive's employment with the Company, information publicly available or generally known within the industry or trade in which the Company competes, and information or knowledge possessed by the Executive prior to the Executive's employment by the Company shall not be considered Confidential Information.

(g) "Customer" means any person, firm, corporation or other entity whatsoever to whom the Company or its Subsidiaries provided or actively sought to provide services or sold or actively sought to sell any products within a twelve (12)-month period on, before, or after the Executive's Termination Date.

(h) "Disability" means that the Executive is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, receiving income replacement benefits for a period of at least three (3) months under any long term disability plan maintained by the Company that covers the Executive. In the absence of such a long term disability plan, "Disability" means the inability of the Executive, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, to perform the duties required of him under this Agreement for a period of at least ninety (90) days in any one (1)-year period. Upon such determination, the Board may terminate the Executive's employment under this Agreement,

subject to providing ten (10) days' prior written notice. The Executive agrees, in the event of any dispute hereunder as to whether a Disability exists, the parties hereto agree to abide by the decision of a panel of three (3) physicians. The Executive and the Board shall each appoint one member to the panel, and the third member of the panel shall be appointed by the other two members. The Executive agrees to make himself available for, and submit to examinations by, such physicians as may be directed by the Board. Failure to submit to any such examination shall constitute a breach of a material part of this Agreement. This Section 22(h) shall be interpreted and applied so as to comply with the provisions of the Americans with Disabilities Act and any applicable state or local laws.

(i) "Good Reason" means, unless otherwise agreed to in writing by the Executive, (i) any material diminution in the Executive's titles, duties, responsibilities, status or authorities with the Company or any of its material operating Subsidiaries; (ii) a material reduction in the Executive's Base Salary or Target Bonus; (iii) a relocation of the Executive's primary place of employment to a location more than thirty-five (35) miles farther from the Executive's primary residence than the current location of the Company's offices in Louisiana as of the Effective Date; or (iv) a material breach by the Company of this Agreement or any other agreement between the Company and the Executive. In order to invoke a termination for Good Reason, (A) the Executive must provide written notice within forty-five (45) days of the Executive becoming aware of the occurrence of any event of "Good Reason," (B) the Company must fail to cure such event within thirty (30) days of the giving of such notice, and (C) the Executive must terminate employment within forty-five (45) days following the expiration of the Company's cure period.

(j) "Restricted Area" means (i) the United States or (ii) any other country in which the Company Group conducts or takes concrete, active steps to conduct the Competitive Enterprise during the Executive's employment or service with the Company Group during the Restricted Period, as evidenced by existing memoranda, Board minutes or other written correspondence.

(k) "Restricted Period" means the period commencing on the Effective Date and ending twenty-four (24) months following the Executive's Termination Date.

(l) "Subsidiary" means any subsidiary corporation of the Company within the meaning of Section 424(f) of the Code.

**EXHIBIT B**
**GENERAL RELEASE**

I, **John S. Cook**, in consideration of payment by Hornbeck Offshore Operators, LLC (together with its Subsidiaries, the "Company") of the amounts set forth in Section 4[(d)][(e)][1] of the Employment Agreement, dated as of September 4, 2020 (the "Agreement"), do hereby release and forever discharge, as of the date hereof, the Company and its Affiliates and all of their respective present, former and future managers, directors, officers, employees, successors and assigns of the Company and its Affiliates and direct or indirect owners[, (which, for the avoidance of doubt, shall include the Permitted Holders (as defined in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.))] (collectively, the "Released Parties") to the extent provided below (this "General Release"). The Released Parties are intended to be third-party beneficiaries of this General Release, and this General Release may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Released Parties hereunder. Terms used herein but not otherwise defined shall have the meanings given to them in the Agreement.

1. My employment with the Company terminated as of [Date], and I hereby resign from any position as an officer, member of the board of managers or directors (as applicable) or fiduciary of the Company or any other member of the Company Group (or reaffirm any such resignation that may have already occurred). I understand that any payments or benefits paid or granted to me under Section 4 of the Agreement represent, in part, consideration for signing this General Release and are not salary, wages or benefits to which I was already entitled. I understand and agree that I will not receive certain of the payments and benefits specified in Section 4 of the Agreement, unless I execute this General Release and do not revoke this General Release within the time period permitted hereafter. I understand and agree that such payments and benefits are subject to my continued material compliance with Section 6 of the Agreement (as more fully set forth in the Agreement) during the period in which I am paid the Severance Benefits pursuant to Section 4[(d)][(e)][2] of the Agreement, which (as noted below) expressly survive my termination of employment and the execution of this General Release. Such payments and benefits will not be considered compensation for purposes of any employee benefit plan, program, policy, or arrangement maintained or hereafter established by the Company or its Affiliates.

2. Except as provided in paragraphs 4 and 5 below and except for the provisions of the Agreement which expressly survive the termination of my employment with the Company, I knowingly and voluntarily (for myself and my heirs, executors, administrators and assigns) release and forever discharge the Company and the other Released Parties from any and all claims, suits, controversies, actions, causes of action, cross-claims, counter-claims, demands, debts, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs and attorneys' fees, or liabilities of any nature whatsoever in law and in equity, both past and present (through the date on which I execute this General Release) and whether known or unknown, suspected, or claimed against the Company or any of the Released Parties, which I, my spouse, or any of my heirs, executors, administrators or assigns may have, which arise out of or are connected with my employment with, or my separation or termination from, the Company (including, but not limited to, any allegation, claim, or violation, arising under: Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the Age

Discrimination in Employment Act of 1967, as amended (including the Older Workers Benefit Protection Act); the Equal Pay Act of 1963, as amended; the Americans with Disabilities Act of 1990; the Family and Medical Leave Act of 1993; the Worker Adjustment Retraining and Notification Act; the Employee Retirement Income Security Act of 1974; Sections 23:301 to 23:369 of the Louisiana Revised Statutes; Article 2315 of the Louisiana Civil Code; the Louisiana Workers' Compensation Act; any applicable Executive Order Programs; the Fair Labor Standards Act; or their state or local counterparts; or under any other federal, state or local civil or human rights law, or under any other local, state, or federal law, regulation or ordinance; or under any public policy, contract or tort, or under common law; or arising under any policies, practices or procedures of the Company; or any claim for wrongful discharge, breach of contract, infliction of emotional distress, or defamation; or any claim for costs, fees, or other expenses, including attorneys' fees, incurred in these matters) (all of the foregoing collectively referred to herein as the "Claims").

3. I represent that I have made no assignment or transfer of any right, claim, demand, cause of action or other matter covered by paragraph 2 above.

4. I agree that this General Release does not waive or release any rights or claims that I may have under the Age Discrimination in Employment Act of 1967 which arise after the date I execute this General Release. I acknowledge and agree that my separation from employment with the Company in compliance with the terms of the Agreement shall not serve as the basis for any claim or action (including, without limitation, any claim under the Age Discrimination in Employment Act of 1967).

5. I agree that I hereby waive all rights to sue or obtain equitable, remedial or punitive relief from any or all Released Parties of any kind whatsoever in respect of any Claim, including, without limitation, reinstatement, back pay, front pay and any form of injunctive relief. Notwithstanding the above, I further acknowledge that I am not waiving and am not being required to waive any right that cannot be waived under law, including the right to file an administrative charge or participate in an administrative investigation or proceeding; provided, however, that I disclaim and waive any right to share or participate in any monetary award resulting from the prosecution of such charge or investigation or proceeding. Additionally, I am not waiving (a) any right to the Accrued Benefits or any Severance Benefits to which I am entitled under Section 4[(d)][(e)][3] of the Agreement, (b) any rights I have under Section 4(e) of the Agreement in the event a Qualifying Termination becomes a Change of Control Qualifying Termination, (c) any claim relating to directors' and officers' liability insurance coverage or any right of indemnification under the Company's organizational documents or otherwise, or (d) my rights as an equity or security holder in the Company or its Affiliates.

6. In signing this General Release, I acknowledge and intend that it shall be effective as a bar to each and every one of the Claims hereinabove mentioned or implied. I expressly consent that this General Release shall be given full force and effect according to each and all of its express terms and provisions, including those relating to unknown and unsuspected Claims (notwithstanding any state or local statute that expressly limits the effectiveness of a general release of unknown, unsuspected and unanticipated Claims), if any, as well as those relating to any other Claims hereinabove mentioned or implied. I acknowledge and agree that this waiver

[3] Note to Draft: To specify applicable termination section.

is an essential and material term of this General Release and that without such waiver the Company would not have agreed to the terms of the Agreement. I further agree that in the event I should bring a Claim seeking damages against the Company, or in the event I should seek to recover against the Company in any Claim brought by a governmental agency on my behalf, this General Release shall serve as a complete defense to such Claims to the maximum extent permitted by law. I further agree that I am not aware of any pending claim of the type described in paragraph 2 above as of the execution of this General Release.

7. I agree that neither this General Release, nor the furnishing of the consideration for this General Release, shall be deemed or construed at any time to be an admission by the Company, any Released Party or myself of any improper or unlawful conduct.

8. I agree that I will forfeit all amounts payable by the Company pursuant to the Agreement if I challenge the validity of this General Release. I also agree that if I violate this General Release by suing the Company or the other Released Parties, I will pay all costs and expenses of defending against the suit incurred by the Released Parties, including reasonable attorneys' fees, and return all payments received by me pursuant to the Agreement on or after the termination of my employment.

9. I agree that this General Release and the Agreement are confidential and agree not to disclose any information regarding the terms of this General Release or the Agreement, except to my immediate family and any tax, legal or other counsel I have consulted regarding the meaning or effect hereof or as required by law, and I will instruct each of the foregoing not to disclose the same to anyone. The Company agrees to disclose any such information only to any tax, legal, or other counsel of the Company as required by law.

10. Any non-disclosure provision in this General Release does not prohibit or restrict me (or my attorney) from responding to any inquiry about this General Release or its underlying facts and circumstances by the Securities and Exchange Commission (SEC), the National Association of Securities Dealers, Inc. (NASD), any other self-regulatory organization or governmental entity.

11. I hereby acknowledge that Sections 5 through 22 of the Agreement shall survive my execution of this General Release.

12. I represent that I am not aware of any claim by me other than the claims that are released by this General Release. I acknowledge that I may hereafter discover claims or facts in addition to or different than those which I now know or believe to exist with respect to the subject matter of the release set forth in paragraph 2 above and which, if known or suspected at the time of entering into this General Release, may have materially affected this General Release and my decision to enter into it, but I nonetheless shall continue to be bound by this General Release in all respects.

13. Notwithstanding anything in this General Release to the contrary, this General Release shall not relinquish, diminish, or in any way affect any rights or claims arising out of any breach by the Company or by any Released Party of the Agreement after the date hereof.

14. Whenever possible, each provision of this General Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this General Release is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this General Release shall be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

**AMENDED AND RESTATED EMPLOYMENT AGREEMENT**

This **AMENDED AND RESTATED EMPLOYMENT AGREEMENT** (this "Agreement") is entered into as of September 4, 2020, by and between Hornbeck Offshore Operators, LLC, a Delaware limited liability company (the "Company"), and Samuel A. Giberga, an individual (the "Executive"). This Agreement shall become effective on the effective date of the Company's Plan of Reorganization (such date, the "Effective Date"). Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in Section 22.

**WHEREAS**, the Executive and the Company are party to that certain Employment Agreement (as amended from time to time, the "Original Agreement"), which this Agreement will replace and supersede in its entirety, effective as of the Effective Date;

**WHEREAS**, the Executive is currently employed as the Executive Vice President, General Counsel and Chief Compliance Officer of the Company; and

**WHEREAS**, the Company and the Executive desire to enter into this Agreement to set out the terms and conditions for the continued employment relationship of the Executive with the Company.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto agree as follows:

1. **Term**. The Company agrees to continue to employ the Executive pursuant to the terms of this Agreement, and the Executive agrees to continue to be so employed, commencing as of the Effective Date and ending on the fourth (4th) anniversary of the Effective Date (the "Initial Term"). On the last day of the Initial Term and on each one (1)-year anniversary thereof, the term of this Agreement shall be automatically extended for an additional one (1)-year period, unless either party hereto elects not to extend this Agreement by giving written notice to the other party at least ninety (90) days prior to any such renewal date. Notwithstanding the foregoing, the Executive's employment hereunder may be earlier terminated in accordance with Section 4 hereof. The period of time between the Effective Date and the termination of the Executive's employment hereunder is referred to herein as the "Term." Upon any termination of the Executive's employment with the Company, the Executive shall be deemed to have resigned from all positions with the Company and all of its Subsidiaries.

2. **Positions and Duties**.

(a) During the Term, the Executive shall serve as the Executive Vice President, General Counsel and Chief Compliance Officer of the Company. In these capacities, the Executive shall have the duties, authorities and responsibilities generally commensurate with the duties, authorities and responsibilities of persons serving in similar capacities in similarly sized and situated companies, and such other duties, authorities and responsibilities as the Chief Executive Officer ("CEO") of the Company shall designate from time to time that are not inconsistent with the Executive's positions. The Executive shall report directly to the CEO .

(b) The Executive shall devote substantially all of the Executive's business time to the performance of the Executive's duties hereunder and the advancement of the business and affairs of the Company; provided, that, the Executive shall be entitled to: (i) serve as a member of the board of directors (or equivalent governing body) of, or advisor to, (A) the entities listed on Exhibit A attached hereto and (B) such other entities that are not Competitive Enterprises, subject to the Executive providing prior written notice to the Board of Directors of the Company (the "Board"), (ii) serve on civic, charitable, educational, religious, public interest or public service boards, and (iii) manage the Executive's personal and family investments, in each case, to the extent such activities do not interfere, individually or in the aggregate, with the performance of the Executive's duties and responsibilities hereunder or create a business or fiduciary conflict.

(c) The Executive's principal place of employment will continue to be in Covington, Louisiana; provided, that, the Executive may be required to travel from time to time for business purposes.

3. **Compensation and Benefits**.

(a) Base Salary. During the Term, the Company shall pay to the Executive a base salary at an annual rate of not less than $305,000, in substantially equal installments in accordance with the regular payroll practices of the Company, but not less frequently than monthly. The Executive's base salary shall be subject to annual review by the Compensation Committee of the Board (the "Committee") and may be increased, but not decreased, from time to time by the Committee. The base salary as determined herein and adjusted from time to time shall constitute "Base Salary" for purposes of this Agreement.

(b) Annual Bonus. During each fiscal year during the Term, the Executive shall be eligible to participate in the Company's annual bonus plan, as established by the Committee and in effect from time to time for its senior executives, and will be paid a cash annual bonus under such plan (the "Annual Bonus"), to the extent earned based on performance against reasonably obtainable objective performance criteria. The performance criteria for each fiscal year shall be determined by the Committee, after consultation with the CEO, no later than ninety (90) days following the commencement of the applicable fiscal year. The Executive's target Annual Bonus opportunity for each fiscal year shall equal 100% of the Executive's annualized Base Salary for that fiscal year (the "Target Bonus"). The Executive's actual Annual Bonus for each fiscal year will equal a percentage of the Target Bonus, determined as follows: (i) 100% of the Target Bonus, if target levels of performance for that fiscal year are achieved; (ii) 50% of the Target Bonus, if threshold levels of performance for that fiscal year are achieved; (iii) 200% of the Target Bonus, if maximum levels of performance for that fiscal year are achieved; and (iv) a percentage of the Target Bonus determined in accordance with the plan, if performance for that fiscal year is in between threshold, target and maximum levels of performance. Unless otherwise determined by the Committee, the Executive will not earn an Annual Bonus if threshold levels of performance are not achieved. The Executive's Annual Bonus for each fiscal year shall be determined by the Committee after the end of the applicable fiscal year and shall be paid to the Executive when bonuses for such fiscal year are paid to other senior executives of the Company generally, but in no event later than seventy-four (74) days following the end of such fiscal year, subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned. In carrying out its functions under this Section 3(b), the Committee shall at all times act reasonably and in good faith.

(c) Benefit Plans. During the Term, the Executive shall be entitled to participate in any employee benefit plan that the Company has adopted or may adopt, maintain or contribute to for the benefit of its employees generally and/or for the benefit of its senior executives as in effect from time to time, subject to satisfying the applicable eligibility requirements, except to the extent such plans are duplicative of the benefits otherwise provided hereunder; provided, however, that the Company shall make commercially reasonable efforts to ensure that any health insurance benefit plan will not provide for a preexisting condition limitation. The Executive's participation will be subject to the terms of the applicable plan documents and generally applicable Company policies. Notwithstanding the foregoing, the Company may modify or terminate any employee benefit plan at any time.

(d) Business Expenses. The Executive is authorized to incur reasonable business expenses in carrying out the Executive's duties and responsibilities under this Agreement. The Executive shall be promptly reimbursed for all reasonable out-of-pocket business expenses incurred and paid by the Executive during the Term, subject to and in accordance with the Company's expense reimbursement policy as in effect from time to time.

(e) Automobile. During the Term, the Company shall continue to provide the Executive with an automobile and pay for such automobile's auto insurance, maintenance, and fuel; provided, that, the Executive shall pay all taxes related to the Executive's personal use of the automobile.

4. **Termination of Employment; Severance**.

(a) General. The Executive's employment and the Term shall terminate upon the earliest to occur of (i) the Executive's death, (ii) a termination by the Company due to the Executive's Disability, (iii) a termination by the Company with or without Cause, (iv) a termination by the Executive with or without Good Reason, and (v) the expiration of the Term (the date of such termination, the "Termination Date"). On the Termination Date, the Executive's role as (A) an officer of any member of the Company Group, (B) a member of the Board or similar body of any member of the Company Group and (C) a fiduciary of any Company Group benefit plan shall be deemed to have terminated, in each case, to the extent applicable and the Executive shall confirm the foregoing by submitting to the Company a written confirmation of such resignations upon request by the Board; provided, that, the foregoing shall not modify or diminish in any way the rights and/or remedies otherwise available to the Executive in connection with such termination.

(b) Termination Due to the Executive's Death or Disability. The Executive's employment and the Term shall terminate automatically upon the Executive's death. The Company may terminate the Executive's employment and the Term upon a final determination as to the occurrence of the Executive's Disability (with such determination made, for the avoidance of doubt, in accordance with the definition of Disability set forth below), with such termination to be effective ten (10) days following the date on which the Company provides written notice to the Executive of such determination in accordance with this Agreement and of such termination. Upon a termination of the Executive's employment and the Term due to the Executive's death or Disability, the Executive's estate or the Executive, as applicable, shall be entitled to the following:

(i) payment of any earned but unpaid Base Salary through the Termination Date, no later than sixty (60) days following the Termination Date (or such earlier date as may be required by applicable law);

(ii) payment of any earned but unpaid Annual Bonus for the fiscal year preceding the fiscal year in which the Termination Date occurs, to be paid in accordance with Section 3(b) (the "Prior Year Bonus");

(iii) payment in lieu of any earned but unused vacation time in accordance with Company policy as in effect from time to time;

(iv) all other payments, benefits, or fringe benefits to which the Executive shall be entitled under the terms of any applicable compensation arrangement or benefit, equity or fringe benefit plan or program or grant or this Agreement, payable in accordance therewith;

(v) reimbursement for any unreimbursed business expenses incurred through the Termination Date, in accordance with Section 3(d) (with the payments and benefits described in subparagraphs (i), (ii), (iii), (iv) and (v) hereof, collectively, the "Accrued Benefits");

(vi) a pro-rata portion of the Annual Bonus for the fiscal year in which the Termination Date occurs, determined by multiplying (A) the Annual Bonus that the Executive would have received for such fiscal year, based on actual performance (provided, that, any subjective performance goals will be deemed satisfied at target levels), by (B) a fraction, (I) the numerator of which is the number of calendar days that the Executive was employed with the Company during the fiscal year in which the Termination Date occurs, and (II) the denominator of which is the total number of calendar days in the fiscal year in which the Termination Date occurs, which amount shall be paid in accordance with Section 3(b); provided, however, that, for the avoidance of doubt, the requirement in Section 3(b) that payment of the Annual Bonus be subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned shall not apply (the "Pro-Rata Bonus"); and

(vii) subject to the Executive timely electing to continue the Executive's coverage, reimbursement for the employer portion of the monthly cost of maintaining medical, dental and/or vision benefits for the Executive under a group health plan of the Company for purposes of the Consolidated Omnibus Budget Reconciliation Act of 1985 (as amended, "COBRA"), based on the premium rate in effect on the Termination Date (the "Benefit Payment"), until the earlier to occur of (A) twelve (12) months following the Termination Date and (B) the date the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms. The first installment of the Benefit Payment shall be paid on the sixtieth ($60^{th}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay.

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following a termination of the Executive's employment due to death or Disability, except as set forth in this Section 4(b), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) Termination by the Company for Cause. The Company may terminate the Executive's employment at any time for Cause, effective upon delivery to the Executive of written notice of such termination. If the Executive's employment is terminated by the Company for Cause, the Executive shall be entitled only to the Accrued Benefits, exclusive, for the avoidance of doubt, of the Prior Year Bonus (if any), which shall be forfeited upon a termination for Cause.

Following the termination of the Executive's employment by the Company for Cause, except as set forth in this Section 4(c), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) Termination by the Company Without Cause, Termination by the Executive for Good Reason or Termination Due to the Company's Non-Renewal of the Term. The Company may terminate the Executive's employment at any time without Cause, effective upon delivery to the Executive of written notice of such termination. The Executive may terminate the Executive's employment for Good Reason by providing the Company written notice in the manner set forth below. In the event that the Executive's employment is terminated by the Company without Cause (other than due to the Executive's death or Disability), by the Executive for Good Reason or due to the Company's non-renewal of the Term (each, a "Qualifying Termination"), in each case, subject to Section 4(g) below, the Executive shall be entitled to:

(i) the Accrued Benefits;

(ii) if the Qualifying Termination occurs at least halfway through the applicable fiscal year, the Pro-Rata Bonus;

(iii) an amount equal to two (2) (the "Severance Multiple") times the sum of the Executive's (A) Base Salary, at the rate in effect as of the Termination Date, and (B) Target Bonus, at the rate in effect as of the Effective Date (provided, that, if the Qualifying Termination is due to the Executive's termination of employment for Good Reason caused, in whole or in part, by a reduction in the Executive's Base Salary and/or Target Bonus, or if the Executive would have had grounds to terminate the Executive's employment for Good Reason on such basis at the time of a Qualifying Termination, each such amount shall be included in the foregoing calculation at the rate in effect prior to any decrease thereof) (the "Cash Severance"), which amount shall be payable in equal monthly installments over the twenty-four (24) month period following the Termination Date, provided, that, the first installment shall be paid on the sixtieth ($60^{h}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay; and

(iv) the Benefit Payment for the twenty-four (24)-month period following the Termination Date, or, if earlier, until the date on which the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms (with the payments described in subparagraphs (ii), (iii), and (iv) hereof, collectively, the "Severance Benefits").

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Payments and benefits provided in this Section 4(d) shall be in lieu of any termination or severance payments or benefits for which the Executive may be eligible under any of the plans, policies or programs of the Company or under the Worker Adjustment Retraining Notification Act of 1988 or any similar state statute or regulation.

Following the termination of the Executive's employment due to a Qualifying Termination, except as set forth in this Section 4(d), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(e) Change of Control Qualifying Termination. This Section 4(e) shall apply if (i) the Executive's Qualifying Termination occurs during the two (2)-year period immediately following a Change of Control, or (ii) the Executive is terminated by the Company without Cause within the six (6)-month period immediately prior to a Change of Control (each, a "Change of Control Qualifying Termination"). To the extent a Change of Control Qualifying Termination occurs and the Executive is already receiving the benefits described in Section 4(d) in accordance with the terms thereof, the Executive shall no longer be eligible for the benefits described in Section 4(d) and instead shall be entitled exclusively to all of the benefits provided in this Section 4(e); provided, that, the benefits set forth under this Section 4(e) shall be reduced by any payments and benefits that the Executive already received in accordance with the terms of Section 4(d). For the avoidance of doubt, there shall be no duplication of the benefits under Section 4(d). If any such Change of Control Qualifying Termination occurs, the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the Release (as defined in Section 4(g)) but before receiving such amount) shall receive the benefits set forth in Section 4(d), except that (A) the Severance Multiple shall be (I) three (3),if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, on or prior to the first anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (II) two and one-half (2.5), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the first anniversary, but on or prior to the second anniversary, of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; and (III) as set forth in Section 4(d)(iii), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the second anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (B) the Pro-Rata Bonus set forth in Section 4(d)(ii) shall be payable regardless of when in the applicable fiscal year the Termination Date occurs (*i.e.*, the Pro-Rata Bonus shall be payable even if the Termination Date occurs prior to the midpoint of the applicable fiscal year), and the amount of such Pro-Rata Bonus shall be determined based on deemed achievement of all performance criteria at target levels; and (C) the Pro-Rata Bonus, Cash Severance and Benefit Payment will be payable in a lump sum. For the avoidance of doubt, the Company's reorganization as of the Effective Date will not constitute a Change of Control.

(f) Termination by the Executive Without Good Reason or Due to the Executive's Non-Renewal of the Term. The Executive may terminate the Executive's employment without Good Reason by providing sixty (60) days' prior written notice to the Company or by electing not to renew the Term in accordance with Section 1 hereof. Upon receipt of such notice, the Company may, in its sole discretion, remove the Executive's title and require that the Executive not attend the workplace, perform any duties or contact any clients, suppliers or employees of the Company or any associated persons through the Termination Date ("the Garden Leave Period"); provided, that, for the avoidance of doubt, the foregoing restriction shall not prohibit the Executive from contacting employees for logistical or human resources purposes, in each case relating to the transition of the Executive's duties and/or termination of his employment, attending the workplace for purposes of removing the Executive's personal effects from the workplace (as reasonably permitted by the Company), or performing other ministerial tasks as required by the Company; and provided, further, that, during the Garden Leave Period, the Company shall continue to (i) pay to the Executive the Base Salary and (ii) provide to the Executive the existing benefits in accordance with the terms of the applicable plans. Upon the Executive's voluntary termination of employment without Good Reason, the Executive shall be entitled only to the Accrued Benefits. For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following any such termination of the Executive's employment, except as set forth in this Section 4(f), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(g) Release of Claims, Continued Compliance. Notwithstanding any provision herein to the contrary, the payment and provision of the Severance Benefits pursuant to Section 4(d) or Section 4(e) shall be conditioned upon the Executive's execution, delivery to the Company and non-revocation of the general release of claims substantially in the form attached hereto as Exhibit B (the "Release") (and the expiration of any revocation period contained in such Release) within sixty (60) days following the Termination Date, as well as the Executive's acknowledgement of, and the Executive's material compliance with, the Executive's obligations under Section 6, as further outlined in this paragraph below. If the Executive fails to execute the Release in such a timely manner so as to permit any revocation period to expire prior to the end of such sixty (60)-day period, or timely revokes such release following its execution, the Executive shall not be entitled to any of the Severance Benefits. If the period of time during which the Executive may consider the Release begins in one calendar year and ends in the next calendar year, any amounts payable under this Section 4 that are contingent upon the execution and non-revocation of the Release shall be paid as soon as practicable in the second calendar year (provided, that, the Release has become effective and non-revocable), even if the Release first became effective and non-revocable in the first calendar year. Notwithstanding any provision in this Agreement to the contrary, if the Executive materially breaches any of the covenants contained in Section 6 while receiving the Severance Benefits under Section 4(d), the Company shall have the right, but not the obligation, to cease providing such Severance Benefits under Section 4(d); provided, that, a material breach of Section 6 can only occur for purposes of this Section 4(g) (and otherwise, without limiting any other remedies with respect thereto) if (i) the Company provides the Executive with written notice of the circumstances constituting the alleged material breach of such covenants within ninety (90) days after becoming aware of such circumstances and (ii) the alleged breach, if curable (which includes any commercial relationship resulting from such prohibited conduct), has not been cured within fifteen (15) days after receipt of the written notice described in clause (i) above.

(h) No Offset. In the event of termination of the Executive's employment for any reason, the Executive shall be under no obligation to seek other employment, and there shall be no offset against amounts due to the Executive on account of any remuneration or benefits provided by any subsequent employment the Executive may obtain. The Company's obligation to make any payment pursuant to, and otherwise to perform its obligations under, this Agreement shall not be affected by any offset, counterclaim or other right that the Company or any other member of the Company Group may have against the Executive for any reason.

5. **Section 280G of the Code**.

(a) Shareholder Approval Exemption. If the Company is eligible for the shareholder vote exemption at the time of a Change of Control, the Company will subject the Executive's payments to a shareholder vote in accordance with Treasury Regulation Section 1.280G-1 and recommend approval thereof; provided, that, the Executive cooperates with all reasonable and customary requests in connection with such vote, including execution of any required documentation in connection therewith.

(b) Best-Net Cutback. Notwithstanding any other provision of this Agreement or any other plan, arrangement, or agreement to the contrary, if any of the payments or benefits provided or to be provided by the Company Group to the Executive or for the Executive's benefit pursuant to the terms of this Agreement or otherwise ("Covered Payments") constitute parachute payments within the meaning of Section 280G of the Internal Revenue of Code of 1986, as amended (the "Code"), and would, but for this Section 5, be subject to the excise tax imposed under Section 4999 of the Code (or any successor provision thereto) or any similar tax imposed by state or local law or any interest or penalties with respect to such taxes (collectively, the "Excise Tax"), then prior to making the Covered Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Executive of the Covered Payments after payment of the Excise Tax to (ii) the Net Benefit to the Executive if the Covered Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under subparagraph (i) above is less than the amount under subparagraph (ii) above will the Covered Payments be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax. "Net Benefit" shall mean the present value of the Covered Payments net of all federal, state, local, and foreign income, employment, and excise taxes.

(c) Method of Reduction. The Covered Payments shall be reduced in a manner that maximizes the Executive's economic position. In applying this principle, the reduction shall be made in a manner consistent with the requirements of Section 409A of the Code; provided, that, (i) cash payments shall be reduced before non-cash payments; and (ii) payments to be made on a later payment date shall be reduced before payments to be made on an earlier payment date.

(d) Determination. Any determination required under this Section 5, including whether any payments or benefits are parachute payments, shall be made in the sole discretion of a nationally recognized, independent accounting or consulting firm selected and paid for by the Company using reasonable assumptions on the Executive's tax rates (as determined by such firm). The Executive shall provide the Company with such information and documents as the Company and such accounting firm may reasonably request in order to make a determination under this Section 5. The parties shall cooperate to the extent necessary to reduce the Excise Tax, including determining "reasonable compensation" under Sections 280G and 4999 of the Code (which may involve the valuation of the Executive's non-compete obligations). The firm's determination shall be final and binding on the Executive and the Company absent manifest error.

6. **Restrictive Covenants**. The Company and the Executive acknowledge and agree that during the Executive's employment with the Company, the Executive will have access to and may assist in developing Confidential Information and will occupy a position of trust and confidence with respect to the affairs and business of the Company Group. The Executive further acknowledges that (I) the Executive performs services of a unique nature for the Company that are irreplaceable, and that the Executive's performance of such services to a competing business will result in irreparable harm to the Company Group; (II) the Executive has had and will continue to have access to Confidential Information which, if disclosed, would unfairly and inappropriately assist in competition against the Company Group; (III) in the course of the Executive's employment by a competitor, the Executive inevitably would use or disclose such Confidential Information; (IV) members of the Company Group have substantial relationships with their customers, and the Executive has had and will continue to have access to these customers; and (V) the Executive has received and will receive specialized training from the Company and other members of the Company Group. Accordingly, the Executive agrees that the following obligations are necessary to preserve the confidential and proprietary nature of Confidential Information and to protect the Company Group against harmful solicitation of employees and customers, harmful competition and other actions by the Executive that would result in serious adverse consequences for the Company Group:

(a) Confidentiality. During the Executive's employment and at all times thereafter, the Executive shall not, directly or indirectly, use, make available, sell, copy, disseminate, transfer, communicate or otherwise disclose any Confidential Information, other than as authorized in writing by the Company or within the scope of the Executive's duties with the Company as determined reasonably and in good faith by the Executive. Anything herein to the contrary notwithstanding, the term "Confidential Information" shall not include, and the provisions of this Section 6(a) shall not apply to, information that (i) was known to the public prior to its disclosure to the Executive; (ii) becomes generally known to the public subsequent to disclosure to the Executive through no wrongful act of the Executive or any representative of the Executive; or (iii) the Executive is required to disclose by applicable law, regulation or legal process (provided, that, to the extent permissible, the Executive provides the Company with prior notice of the contemplated disclosure and cooperates with the Company at its expense in seeking a protective order or other appropriate protection of such information).

(b) Materials. The Executive will use Confidential Information only for normal and customary use in the Company's business, as determined reasonably and in good faith by the Company. The Executive will return to the Company all Confidential Information and copies thereof and all other property of the Company or any other member of the Company Group at any time upon the request of the Company and in any event immediately after termination of the Executive's employment. The Executive agrees to identify and return to the Company any copies of any Confidential Information after the Executive ceases to be employed by the Company. Anything to the contrary notwithstanding, nothing in this Section 6 shall prevent the Executive from retaining a home computer (provided all Confidential Information has been removed), papers and other materials of a personal nature, including diaries, calendars and contact lists (excluding customer lists), information relating to the Executive's compensation or relating to reimbursement of expenses, information that may be needed for tax purposes, and copies of plans, programs and agreements relating to the Executive's employment.

(c) Non-Competition; Non-Solicitation.

(i) During the Restricted Period, the Executive shall not, directly or indirectly: (A) solicit, service, or assist any other individual, person, firm, or other entity in soliciting or servicing, any Customer for the purpose of providing and/or selling any products that are provided and/or sold by any member of the Company Group, or performing any services that are performed by any member of the Company Group, or performing any services or providing and/or selling any products that any member of the Company Group proposed to initiate performing, selling or providing during the twelve (12)-month period immediately preceding the Termination Date, based on active discussions with the Board that occurred during such twelve (12)-month period, as evidenced by existing memoranda, Board minutes or other written correspondence, and only to the extent the Company Group was capable of pursuing such proposals as a business and financial matter; (B) interfere with or damage any relationship and/or agreement between any member of the Company Group and any Customer; or (C) associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor, director or otherwise) with any Competitive Enterprise; provided, however, that the Executive may own, as a passive investor, securities of any such entity that has outstanding publicly traded securities, so long as the Executive's direct holdings in any such entity shall not in the aggregate constitute more than 5% of the voting power of such entity. The Executive acknowledges that this covenant has a unique, very substantial, and immeasurable value to the Company, that the Executive has sufficient assets and skills to provide a livelihood for the Executive while such covenant remains in force, and that, as a result of the foregoing, in the event that the Executive breaches such covenant, monetary damages would be an insufficient remedy for the Company and equitable enforcement of the covenant would be proper.

(ii) During the Restricted Period, the Executive shall not solicit, entice, persuade, or induce any individual who is employed or engaged by any member of the Company Group (or who was so employed or engaged within six (6) months immediately preceding the Executive's Termination Date) to terminate or refrain from continuing such employment or engagement or to become employed by or enter into contractual relations with any other individual or entity other than a member of the Company Group, and the Executive shall not hire, directly or indirectly, on the Executive's behalf or on behalf of any other person, as an employee, consultant, or otherwise, any such person.

(d) Mutual Non-Disparagement. The Executive agrees not to, at any time, make negative comments about or otherwise disparage any member of the Company Group or any officer, director, employee, shareholder, agent or product of any member of the Company Group, other than to officers, employees, or directors of the Company Group in the good faith performance of the Executive's duties to the Company while the Executive is employed by the Company. The Company agrees that it will direct the senior officers of the Company and its Subsidiaries as of the Termination Date and the members of the Board as of the Termination Date to refrain from making negative comments about the Executive or otherwise disparaging the Executive in any manner, including by making or issuing any official public statements or press releases disparaging the Executive. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

(e) Inventions.

(i) The Executive acknowledges and agrees that all ideas, methods, inventions, discoveries, improvements, work products, developments, software, know-how, processes, techniques, works of authorship, and other work product, whether patentable or unpatentable, (A) that are reduced to practice, created, invented, designed, developed, contributed to or improved with the use of any Company Group resources and/or within the scope of the Executive's work with the Company, or that relate to the business, operations or actual or demonstrably anticipated research or development of the Company Group, and that are made or conceived by the Executive, solely or jointly with others, during the Term, or (B) suggested by any work that the Executive performs in connection with the Company, either while performing the Executive's duties with the Company or on the Executive's own time, shall belong exclusively to the Company Group (or its designee), whether or not patent or other applications for intellectual property protection are filed thereon (the "Inventions"). The Executive will keep full and complete written records (the "Records"), in the manner prescribed by the Company, of all Inventions and will promptly disclose all Inventions completely and in writing to the Company. The Records shall be the sole and exclusive property of the Company, and the Executive will surrender them upon the termination of the Term, or upon the Company's earlier written request. The Executive irrevocably conveys, transfers and assigns to the Company the Inventions and all patents or other intellectual property rights that may issue thereon in any and all countries, whether during or subsequent to the Term, together with the right to file, in the Executive's name or in the name of the Company (or its designee), applications for patents and equivalent rights (the "Applications"). The Executive will, at any time during and subsequent to the Term, make such applications, sign such papers, take all rightful oaths and perform all other acts as may be requested from time to time by the Company to perfect, record, enforce, protect, patent or register the Company's rights in the Inventions, all without additional compensation to the Executive from the Company. The Executive will also execute assignments to the Company (or its designee) of the Applications, and give the Company and its attorneys all reasonable assistance (including the giving of testimony) to obtain the Inventions for the Company's benefit, all without additional compensation to the Executive from the Company, but entirely at the Company's expense.

(ii) In addition, the Inventions will be deemed Work for Hire, as such term is defined under the copyright laws of the United States, on behalf of the Company, and the Executive agrees that the Company will be the sole owner of the Inventions, and all underlying rights therein, in all media now known or hereinafter devised, throughout the universe and in perpetuity without any further obligations to the Executive. If the Inventions, or any portion thereof, are deemed not to be Work for Hire, or the rights in such Inventions do not otherwise automatically vest in the Company, the Executive hereby irrevocably conveys, transfers and assigns to the Company all rights, in all media now known or hereinafter devised, throughout the universe and in perpetuity, in and to the Inventions, including, without limitation, all of the Executive's right, title and interest in the copyrights (and all renewals, revivals and extensions thereof) to the Inventions, including, without limitation, all rights of any kind or any nature now or hereafter recognized, including, without limitation, the unrestricted right to make modifications, adaptations and revisions to the Inventions, to exploit and allow others to exploit the

Inventions and all rights to sue at law or in equity for any infringement, or other unauthorized use or conduct in derogation of the Inventions, known or unknown, prior to the date hereof, including, without limitation, the right to receive all proceeds and damages therefrom. In addition, the Executive hereby waives any so-called "moral rights" with respect to the Inventions. To the extent that the Executive has any rights in the results and proceeds of the Executive's service to the Company that cannot be assigned in the manner described herein, the Executive agrees to unconditionally waive the enforcement of such rights. The Executive hereby waives any and all currently existing and future monetary rights in and to the Inventions and all patents and other registrations for intellectual property that may issue thereon, including, without limitation, any rights that would otherwise accrue to the Executive's benefit by virtue of the Executive being an employee of or other service provider to the Company.

(iii) 18 U.S.C. Section 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. Section 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. Section 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(f) Conflicting Obligations and Rights. The Executive agrees to inform the Company of any apparent conflicts between the Executive's work for the Company and any obligations the Executive may have to preserve the confidentiality of another's proprietary information or related materials before using the same on the Company's behalf. The Company shall receive such disclosures in confidence and consistent with the objectives of avoiding any conflict of obligations and rights or the appearance of any conflict of interest.

(g) Reasonableness of Restrictive Covenants. In signing this Agreement, the Executive gives the Company assurance that the Executive has carefully read and considered all of the terms and conditions of this Agreement, including the restraints imposed under this Section 6 hereof. The Executive agrees that these restraints are necessary for the reasonable and proper protection of the Company and the other members of the Company Group and their Confidential Information, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area, and that these restraints, individually or in the aggregate, will not prevent the Executive from obtaining other suitable employment during the period in which the Executive is bound by the restraints. The Executive acknowledges that each of these covenants has a unique, very substantial and immeasurable value to the Company and the other members of the Company Group, and that the Executive has sufficient assets and skills to provide a livelihood while such covenants remain in force. The Executive further covenants that the Executive will not challenge the reasonableness or enforceability of any of the covenants set forth in this Section 6. It is also agreed that each member of the Company Group will have the right to enforce all of the Executive's obligations to any other member of the Company Group under this Agreement, including, without limitation, pursuant to this Section 6.

(h) Reformation. If it is determined by a court of competent jurisdiction in any state that any restriction in this Section 6 is excessive in duration or scope or is unreasonable or unenforceable under applicable law, it is the intention of the parties that such restriction may be modified or amended by the court to render it enforceable to the maximum extent permitted by the laws of that state.

(i) Enforcement. The Executive acknowledges that, in the event of any breach or threatened breach of this Section 6, the business interests of the Company and the other members of the Company Group might be irreparably injured, the full extent of the damages to the Company and the other members of the Company Group might be impossible to ascertain, monetary damages might not be an adequate remedy for the Company and the other members of the Company Group, and the Company will be entitled to seek to enforce this Agreement by a temporary, preliminary and/or permanent injunction or other equitable relief. The Executive understands that the Company may waive some of the requirements expressed in this Agreement, but that such a waiver to be effective must be made in writing and should not in any way be deemed a waiver of the Company's right to enforce any other requirements or provisions of this Agreement. The Executive agrees that each of the Executive's obligations specified in this Agreement is a separate and independent covenant and that the unenforceability of any of them shall not preclude the enforcement of any other covenants in this Agreement.

7. **Cooperation**. Upon the receipt of reasonable notice from the Company (including through outside counsel), the Executive agrees that, while employed by the Company and thereafter, the Executive will respond and provide information with regard to matters in which the Executive has knowledge as a result of the Executive's employment with the Company, and will provide reasonable assistance to the Company, other members of the Company Group and their respective representatives, in defense of any claims that may be made against the Company or any other member of the Company Group, and will assist the Company and other members of the Company Group in the prosecution of any claims that may be made by the Company or any other member of the Company Group, to the extent that such claims are based on facts occurring during the Executive's employment with the Company (collectively, the "Claims"). During the pendency of any litigation or other proceeding involving Claims, the Executive shall not communicate with anyone (other than the Executive's attorneys and tax and/or financial advisors**,** and except to the extent that the Executive determines in good faith is necessary in connection with the performance of the Executive's duties hereunder) with respect to the facts or subject matter of any pending or potential litigation or regulatory or administrative proceeding involving the Company or any other member of the Company Group without, to the extent legally permitted to do so, giving prior written notice to the Company or the Company's counsel. Upon presentation of appropriate documentation, the Company shall pay or reimburse the Executive for all reasonable out-of-pocket travel, duplicating or telephonic expenses incurred by the Executive in complying with this Section 7. The Company shall cooperate with the Executive on the timing and location of the Executive's cooperation and use its good faith efforts to limit any travel or interference with the Executive's other professional commitments. In addition, following the Executive's termination of employment, to the extent the Executive is not receiving any Severance Benefits in respect of such post-termination period, the Executive shall be compensated for the time spent for such cooperation at an hourly rate determined based on the Executive's Base Salary at the rate in effect as of the Termination Date.

8. **Whistleblower Protection; Protected Activity**.

(a) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede the Executive (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures, and the Executive shall not be required to notify the Company that such reports or disclosures have been made.

(b) The Executive hereby acknowledges and agrees that nothing in this Agreement shall in any way limit or prohibit the Executive from engaging for a lawful purpose in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean (i) filing a charge, complaint or report with, or otherwise communicating with, cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Equal Employment Opportunity Commission, the Department of Labor, the Occupational Safety and Health Administration, and the National Labor Relations Board (the "Government Agencies"); or (ii) any rights the Executive may have under Section 7 of the National Labor Relations Act or equivalent state law to engage in concerted protected activity or to discuss the terms of employment or working conditions with or on behalf of coworkers, or to bring such issues to the attention of the Board at any time. The Executive understands that, in connection with such Protected Activity, the Executive is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, the Executive agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Confidential Information to any parties other than the relevant Government Agencies. The Executive further understands that Protected Activity does not include the disclosure of any Company attorney-client privileged communications, and that any such disclosure without the Company's written consent shall constitute a material breach of this Agreement.

9. **Notices**. All notices, demands, requests or other communications, which may be or are required to be given or made by any party to any other party pursuant to this Agreement, shall be in writing and shall be hand delivered, mailed by first-class registered or certified mail, return receipt requested, postage prepaid, delivered by overnight air courier, or transmitted by e-mail or facsimile transmission, addressed as follows:

Each party may designate by notice in writing a new address to which any notice, demand, request or communication may thereafter be so given, served or sent. Each notice, demand, request or communication that shall be given or made in the manner described above shall be deemed sufficiently given or made for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, confirmation of facsimile transmission or the affidavit of messenger being deemed conclusive but not exclusive evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation.

10. **Severability**. The provisions of this Agreement shall be deemed severable. The invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by applicable law. If any term or provision of this Agreement is found to be invalid or unenforceable by a final determination of a court of competent jurisdiction, the invalid or unenforceable term or provision hereof shall be deemed replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision hereof.

11. **Survival**. It is the express intention and agreement of the parties hereto that the provisions of Sections 5 through 22 shall survive the termination of employment of the Executive. In addition, all obligations of the Company to make payments hereunder shall survive any termination of this Agreement on the terms and conditions set forth herein.

12. **No Assignments**. The rights and obligations of the parties to this Agreement shall not be assignable or delegable, except that (a) in the event of the Executive's death, the personal representative or legatees or distributees of the Executive's estate, as the case may be, shall have the right to receive any amount owing and unpaid to the Executive hereunder; and (b) the rights and obligations of the Company hereunder shall be assignable and delegable to an Affiliate or in connection with any subsequent merger, consolidation, sale of all or substantially all of the assets or equity interests of the Company, or similar transaction involving the Company or a successor corporation. The Company shall require any successor to the Company to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

13. **Binding Effect**. Subject to any provisions hereof restricting assignment, this Agreement shall be binding upon the parties hereto and shall inure to the benefit of the parties and their respective heirs, devisees, executors, administrators, legal representatives, successors and assigns.

14. **Amendments; Modifications; Waivers**. No provision of this Agreement may be amended, modified, waived or discharged, unless such amendment, modification, waiver or discharge is agreed to in writing and signed by the Executive and such officer or director of the Company as may be designated by the Board. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time unless such waiver specifically states that it is to be construed as a continuing waiver.

15. **Section Headings; Inconsistency**. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof. In the event of any inconsistency between the terms of this Agreement and any form, award, plan or policy of the Company, the terms of this Agreement shall govern and control, unless otherwise expressly provided.

16. **Governing Law**. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Louisiana (but not including any choice of law rule that would cause the laws of another jurisdiction to apply).

17. **Dispute Resolution**. Each of the parties hereto irrevocably and unconditionally (a) WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING RELATING TO THIS AGREEMENT OR THE EXECUTIVE'S EMPLOYMENT BY THE COMPANY OR ANY OTHER MEMBER OF THE COMPANY GROUP, or for the recognition and enforcement of any judgment in respect thereof (a "Proceeding"), whether such Proceeding is based on contract, tort or otherwise; (b) agrees that service of process in any such Proceeding may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at the Executive's or its address as provided in Section 9; and (c) agrees that nothing in this Agreement shall affect the right to effect service of process in any other manner permitted by applicable law.

18. **Entire Agreement; Advice of Counsel**. This Agreement constitutes the entire agreement between the parties respecting the employment of the Executive, there being no representations, warranties or commitments except as set forth herein, and supersedes and replaces all other agreements related to the subject matter hereof of, including, without limitation, the Original Agreement. The Executive acknowledges that, in connection with the Executive's entry into this Agreement, the Executive was advised, or had the opportunity to be advised, by an attorney of the Executive's choice on the terms and conditions of this Agreement, including, without limitation, on the application of Section 409A of the Code on the payments and benefits payable or to be paid to the Executive hereunder.

19. **Counterparts**. This Agreement may be executed (including by email with scan attachment) in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

20. **Withholding**. The Company may withhold from any and all amounts payable under this Agreement or otherwise such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

21. **Section 409A of the Code**.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code and the regulations and guidance promulgated thereunder (collectively, "Section 409A of the Code"), and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. If the Executive notifies the Company (with specificity as to the reason therefor) that the Executive believes that any provision of this Agreement (or of any award of compensation, including equity compensation or benefits) would cause the Executive to incur any additional tax or interest under Section 409A of the Code and the Company concurs with such belief or the Company (without any obligation whatsoever to do so) independently makes such determination, the Company shall, after consulting with the Executive, reform such provision to attempt to comply with Section 409A of the Code through good faith modifications to the minimum extent reasonably appropriate to conform with Section 409A of the Code. To the extent that any provision hereof is modified in order to comply with Section 409A of the Code, such modification shall be made in good faith and shall, to the maximum extent reasonably possible, maintain the original intent and economic benefit to the Executive and the Company of the applicable provision without violating the provisions of Section 409A of the Code. For the sake of clarity, the Company shall have no obligation to indemnify the Executive for liabilities incurred as a result of Section 409A of the Code.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A of the Code, and for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If the Executive is deemed on the Termination Date to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then with regard to any payment or the provision of any benefit that is considered deferred compensation under Section 409A of the Code payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6) month period measured from the date of such "separation from service" of the Executive, and (ii) the date of the Executive's death, to the extent required under Section 409A of the Code. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 22(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to the Executive in a lump sum with interest at the prime rate as published in *The Wall Street Journal* on the first business day following the date of the "separation from service," and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive; (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit; and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(d) For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Section 409A of the Code be subject to offset by any other amount unless otherwise permitted by Section 409A of the Code.

22. **Definitions**.

(a) "Affiliate" means any entity controlled by, in control of, or under common control with, the Company.

(b) "Cause" shall be limited to the following events: (i) the Executive's conviction of either (A) a felony involving moral turpitude or (B) any crime in connection with the Executive's employment that causes the Company Group a substantial detriment (in each case, excluding traffic offenses); (ii) actions or inactions by the Executive that clearly are contrary to the best interests of the Company Group and the express directives of the Board; provided, that, such actions or inactions by the Executive cause the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (iii) the Executive's willful failure to take actions permitted by law and necessary to implement policies of the Board that the Board has communicated to him in writing; provided, that, such policies that are reflected in minutes of a Board meeting attended in its entirety by the Executive shall be deemed communicated to the Executive to the extent the Executive received a copy of such minutes from the Secretary or the General Counsel of the Company promptly following approval by the Board; (iv) the Executive's continued failure to attend to his material duties as an executive officer of the Company Group following the Executive's receipt of written notice from the Board of such failure; provided, that, such failure by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (v) the Executive's commission of an act of fraud or material act of dishonesty or misappropriation involving the Company Group; (vi) the Executive's willful violation of law or gross negligence that is substantially detrimental to the Company; (vii) the material breach or material violation by the Executive of this Agreement or any other written agreement with a member of the Company Group, or any material violation of any written policy of the Company Group; provided, that, such material breach or material violation by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; or (viii) the Executive's habitual use of illicit drugs or habitual abuse of alcohol that, in the reasonable good faith opinion of the Board, renders the Executive unfit to serve as an officer of the Company Group. If any determination of habitual use or substantial dependence under clause (viii) is disputed by the Executive, the parties hereto agree to abide by the decision of a panel of three (3) physicians

appointed in the manner specified in Section 22(h) of the Agreement. For purposes of this "Cause" definition, no action or inaction will be considered "willful" or will constitute "gross negligence", if the Executive had a reasonable, good faith belief that such action or inaction was in the best interests of the Company Group. Anything herein to the contrary notwithstanding, the Executive shall not be terminated for "Cause" hereunder, unless (A) written notice stating the basis for the termination is provided to the Executive, and (B) with the exception of clause (i) of this paragraph, the Executive is given ten (10) business days to cure the neglect or conduct that is the basis of such claim, to the extent curable.

(c) "Change of Control" has the meaning set forth in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.

(d) "Company Group" means the Company and each of its Subsidiaries and Affiliates.

(e) "Competitive Enterprise" means the offshore transportation of refined and unrefined petroleum products, offshore towing, offshore supply vessel services, anchor handling and towing services, well stimulation vessel services, well-test services, offshore pipeline remediation services, ROV support services, offshore construction services, and other services required in the offshore construction, energy exploration and production industry and in specialty services in coastal waters in the Restricted Area.

(f) "Confidential Information" means all non-public information concerning trade secrets, know-how, software, developments, inventions, processes, technology, designs, financial data, strategic business plans or any proprietary or confidential information, documents or materials in any form or media, including any of the foregoing relating to research, operations, finances, current and proposed products and services, vendors, customers, advertising and marketing, and other non-public, proprietary and confidential information of the Company Group. Notwithstanding anything to the contrary contained herein, the general skills, knowledge and experience gained during the Executive's employment with the Company, information publicly available or generally known within the industry or trade in which the Company competes, and information or knowledge possessed by the Executive prior to the Executive's employment by the Company shall not be considered Confidential Information.

(g) "Customer" means any person, firm, corporation or other entity whatsoever to whom the Company or its Subsidiaries provided or actively sought to provide services or sold or actively sought to sell any products within a twelve (12)-month period on, before, or after the Executive's Termination Date.

(h) "Disability" means that the Executive is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, receiving income replacement benefits for a period of at least three (3) months under any long term disability plan maintained by the Company that covers the Executive. In the absence of such a long term disability plan, "Disability" means the inability of the Executive, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, to perform the duties required of him under this Agreement for a period of at least ninety (90) days in any one (1)-year period. Upon such determination, the Board may terminate the Executive's employment under this Agreement,

subject to providing ten (10) days' prior written notice. The Executive agrees, in the event of any dispute hereunder as to whether a Disability exists, the parties hereto agree to abide by the decision of a panel of three (3) physicians. The Executive and the Board shall each appoint one member to the panel, and the third member of the panel shall be appointed by the other two members. The Executive agrees to make himself available for, and submit to examinations by, such physicians as may be directed by the Board. Failure to submit to any such examination shall constitute a breach of a material part of this Agreement. This Section 22(h) shall be interpreted and applied so as to comply with the provisions of the Americans with Disabilities Act and any applicable state or local laws.

(i) "Good Reason" means, unless otherwise agreed to in writing by the Executive, (i) any material diminution in the Executive's titles, duties, responsibilities, status or authorities with the Company or any of its material operating Subsidiaries; (ii) a material reduction in the Executive's Base Salary or Target Bonus; (iii) a relocation of the Executive's primary place of employment to a location more than thirty-five (35) miles farther from the Executive's primary residence than the current location of the Company's offices in Louisiana as of the Effective Date; or (iv) a material breach by the Company of this Agreement or any other agreement between the Company and the Executive. In order to invoke a termination for Good Reason, (A) the Executive must provide written notice within forty-five (45) days of the Executive becoming aware of the occurrence of any event of "Good Reason," (B) the Company must fail to cure such event within thirty (30) days of the giving of such notice, and (C) the Executive must terminate employment within forty-five (45) days following the expiration of the Company's cure period.

(j) "Restricted Area" means (i) the United States or (ii) any other country in which the Company Group conducts or takes concrete, active steps to conduct the Competitive Enterprise during the Executive's employment or service with the Company Group during the Restricted Period, as evidenced by existing memoranda, Board minutes or other written correspondence.

**GENERAL RELEASE**

I, **Samuel A. Giberga**, in consideration of payment by Hornbeck Offshore Operators, LLC (together with its Subsidiaries, the "Company") of the amounts set forth in Section 4[(d)][(e)][1] of the Employment Agreement, dated as of September 4, 2020 (the "Agreement"), do hereby release and forever discharge, as of the date hereof, the Company and its Affiliates and all of their respective present, former and future managers, directors, officers, employees, successors and assigns of the Company and its Affiliates and direct or indirect owners[, (which, for the avoidance of doubt, shall include the Permitted Holders (as defined in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.))] (collectively, the "Released Parties") to the extent provided below (this "General Release"). The Released Parties are intended to be third-party beneficiaries of this General Release, and this General Release may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Released Parties hereunder. Terms used herein but not otherwise defined shall have the meanings given to them in the Agreement.

1. My employment with the Company terminated as of [Date], and I hereby resign from any position as an officer, member of the board of managers or directors (as applicable) or fiduciary of the Company or any other member of the Company Group (or reaffirm any such resignation that may have already occurred). I understand that any payments or benefits paid or granted to me under Section 4 of the Agreement represent, in part, consideration for signing this General Release and are not salary, wages or benefits to which I was already entitled. I understand and agree that I will not receive certain of the payments and benefits specified in Section 4 of the Agreement, unless I execute this General Release and do not revoke this General Release within the time period permitted hereafter. I understand and agree that such payments and benefits are subject to my continued material compliance with Section 6 of the Agreement (as more fully set forth in the Agreement) during the period in which I am paid the Severance Benefits pursuant to Section 4[(d)][(e)][2] of the Agreement, which (as noted below) expressly survive my termination of employment and the execution of this General Release. Such payments and benefits will not be considered compensation for purposes of any employee benefit plan, program, policy, or arrangement maintained or hereafter established by the Company or its Affiliates.

2. Except as provided in paragraphs 4 and 5 below and except for the provisions of the Agreement which expressly survive the termination of my employment with the Company, I knowingly and voluntarily (for myself and my heirs, executors, administrators and assigns) release and forever discharge the Company and the other Released Parties from any and all claims, suits, controversies, actions, causes of action, cross-claims, counter-claims, demands, debts, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs and attorneys' fees, or liabilities of any nature whatsoever in law and in equity, both past and present (through the date on which I execute this General Release) and whether known or unknown, suspected, or claimed against the Company or any of the Released Parties, which I, my spouse, or any of my heirs, executors, administrators or assigns may have, which arise out of or are connected with my employment with, or my separation or termination from, the Company (including, but not limited to, any allegation, claim, or violation, arising under: Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the Age

Discrimination in Employment Act of 1967, as amended (including the Older Workers Benefit Protection Act); the Equal Pay Act of 1963, as amended; the Americans with Disabilities Act of 1990; the Family and Medical Leave Act of 1993; the Worker Adjustment Retraining and Notification Act; the Employee Retirement Income Security Act of 1974; Sections 23:301 to 23:369 of the Louisiana Revised Statutes; Article 2315 of the Louisiana Civil Code; the Louisiana Workers' Compensation Act; any applicable Executive Order Programs; the Fair Labor Standards Act; or their state or local counterparts; or under any other federal, state or local civil or human rights law, or under any other local, state, or federal law, regulation or ordinance; or under any public policy, contract or tort, or under common law; or arising under any policies, practices or procedures of the Company; or any claim for wrongful discharge, breach of contract, infliction of emotional distress, or defamation; or any claim for costs, fees, or other expenses, including attorneys' fees, incurred in these matters) (all of the foregoing collectively referred to herein as the "Claims").

3. I represent that I have made no assignment or transfer of any right, claim, demand, cause of action or other matter covered by paragraph 2 above.

4. I agree that this General Release does not waive or release any rights or claims that I may have under the Age Discrimination in Employment Act of 1967 which arise after the date I execute this General Release. I acknowledge and agree that my separation from employment with the Company in compliance with the terms of the Agreement shall not serve as the basis for any claim or action (including, without limitation, any claim under the Age Discrimination in Employment Act of 1967).

5. I agree that I hereby waive all rights to sue or obtain equitable, remedial or punitive relief from any or all Released Parties of any kind whatsoever in respect of any Claim, including, without limitation, reinstatement, back pay, front pay and any form of injunctive relief. Notwithstanding the above, I further acknowledge that I am not waiving and am not being required to waive any right that cannot be waived under law, including the right to file an administrative charge or participate in an administrative investigation or proceeding; provided, however, that I disclaim and waive any right to share or participate in any monetary award resulting from the prosecution of such charge or investigation or proceeding. Additionally, I am not waiving (a) any right to the Accrued Benefits or any Severance Benefits to which I am entitled under Section 4[(d)][(e)][3] of the Agreement, (b) any rights I have under Section 4(e) of the Agreement in the event a Qualifying Termination becomes a Change of Control Qualifying Termination, (c) any claim relating to directors' and officers' liability insurance coverage or any right of indemnification under the Company's organizational documents or otherwise, or (d) my rights as an equity or security holder in the Company or its Affiliates.

6. In signing this General Release, I acknowledge and intend that it shall be effective as a bar to each and every one of the Claims hereinabove mentioned or implied. I expressly consent that this General Release shall be given full force and effect according to each and all of its express terms and provisions, including those relating to unknown and unsuspected Claims (notwithstanding any state or local statute that expressly limits the effectiveness of a general release of unknown, unsuspected and unanticipated Claims), if any, as well as those relating to any other Claims hereinabove mentioned or implied. I acknowledge and agree that this waiver

is an essential and material term of this General Release and that without such waiver the Company would not have agreed to the terms of the Agreement. I further agree that in the event I should bring a Claim seeking damages against the Company, or in the event I should seek to recover against the Company in any Claim brought by a governmental agency on my behalf, this General Release shall serve as a complete defense to such Claims to the maximum extent permitted by law. I further agree that I am not aware of any pending claim of the type described in paragraph 2 above as of the execution of this General Release.

7. I agree that neither this General Release, nor the furnishing of the consideration for this General Release, shall be deemed or construed at any time to be an admission by the Company, any Released Party or myself of any improper or unlawful conduct.

8. I agree that I will forfeit all amounts payable by the Company pursuant to the Agreement if I challenge the validity of this General Release. I also agree that if I violate this General Release by suing the Company or the other Released Parties, I will pay all costs and expenses of defending against the suit incurred by the Released Parties, including reasonable attorneys' fees, and return all payments received by me pursuant to the Agreement on or after the termination of my employment.

9. I agree that this General Release and the Agreement are confidential and agree not to disclose any information regarding the terms of this General Release or the Agreement, except to my immediate family and any tax, legal or other counsel I have consulted regarding the meaning or effect hereof or as required by law, and I will instruct each of the foregoing not to disclose the same to anyone. The Company agrees to disclose any such information only to any tax, legal, or other counsel of the Company as required by law.

10. Any non-disclosure provision in this General Release does not prohibit or restrict me (or my attorney) from responding to any inquiry about this General Release or its underlying facts and circumstances by the Securities and Exchange Commission (SEC), the National Association of Securities Dealers, Inc. (NASD), any other self-regulatory organization or governmental entity.

11. I hereby acknowledge that Sections 5 through 22 of the Agreement shall survive my execution of this General Release.

12. I represent that I am not aware of any claim by me other than the claims that are released by this General Release. I acknowledge that I may hereafter discover claims or facts in addition to or different than those which I now know or believe to exist with respect to the subject matter of the release set forth in paragraph 2 above and which, if known or suspected at the time of entering into this General Release, may have materially affected this General Release and my decision to enter into it, but I nonetheless shall continue to be bound by this General Release in all respects.

13. Notwithstanding anything in this General Release to the contrary, this General Release shall not relinquish, diminish, or in any way affect any rights or claims arising out of any breach by the Company or by any Released Party of the Agreement after the date hereof.

14. Whenever possible, each provision of this General Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this General Release is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this General Release shall be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

BY SIGNING THIS GENERAL RELEASE, I REPRESENT AND AGREE THAT:

(i) I HAVE READ IT CAREFULLY;

(ii) I UNDERSTAND ALL OF ITS TERMS AND KNOW THAT I AM GIVING UP IMPORTANT RIGHTS, INCLUDING, BUT NOT LIMITED TO, RIGHTS UNDER THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967, AS AMENDED; TITLE VII OF THE CIVIL RIGHTS ACT OF 1964, AS AMENDED; THE EQUAL PAY ACT OF 1963; THE AMERICANS WITH DISABILITIES ACT OF 1990; AND THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED;

(iii) I VOLUNTARILY CONSENT TO EVERYTHING IN IT;

(iv) I HAVE BEEN ADVISED TO CONSULT WITH AN ATTORNEY BEFORE EXECUTING IT AND I HAVE DONE SO OR, AFTER CAREFUL READING AND CONSIDERATION, I HAVE CHOSEN NOT TO DO SO OF MY OWN VOLITION;

(v) I HAVE HAD AT LEAST **TWENTY-ONE (21)** DAYS FROM THE DATE OF MY RECEIPT OF THIS GENERAL RELEASE TO CONSIDER IT AND THE CHANGES MADE SINCE MY RECEIPT OF THIS GENERAL RELEASE ARE NOT MATERIAL OR WERE MADE AT MY REQUEST AND WILL NOT RESTART THE REQUIRED TWENTY-ONE (21)-DAY PERIOD;

(vi) I UNDERSTAND THAT I HAVE SEVEN (7) DAYS AFTER THE EXECUTION OF THIS GENERAL RELEASE TO REVOKE IT AND THAT THIS GENERAL RELEASE SHALL NOT BECOME EFFECTIVE OR ENFORCEABLE UNTIL THE REVOCATION PERIOD HAS EXPIRED;

(vii) I HAVE SIGNED THIS GENERAL RELEASE KNOWINGLY AND VOLUNTARILY AND WITH THE ADVICE OF ANY COUNSEL RETAINED TO ADVISE ME WITH RESPECT TO IT; AND

(viii) I AGREE THAT THE PROVISIONS OF THIS GENERAL RELEASE MAY NOT BE AMENDED, WAIVED, CHANGED OR MODIFIED EXCEPT BY AN INSTRUMENT IN WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF THE COMPANY AND BY ME.

**AMENDED AND RESTATED EMPLOYMENT AGREEMENT**

This **AMENDED AND RESTATED EMPLOYMENT AGREEMENT** (this "Agreement") is entered into as of September 4, 2020, by and between Hornbeck Offshore Operators, LLC, a Delaware limited liability company (the "Company"), and Carl G. Annessa, an individual (the "Executive"). This Agreement shall become effective on the effective date of the Company's Plan of Reorganization (such date, the "Effective Date"). Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in Section 22.

**WHEREAS**, the Executive and the Company are party to that certain Amended and Restated Employment Agreement (as amended from time to time, the "Original Agreement"), which this Agreement will replace and supersede in its entirety, effective as of the Effective Date;

**WHEREAS**, the Executive is currently employed as the Executive Vice President of the Company; and

**WHEREAS**, the Company and the Executive desire to enter into this Agreement to set out the terms and conditions for the continued employment relationship of the Executive with the Company.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto agree as follows:

1. **Term**. The Company agrees to continue to employ the Executive pursuant to the terms of this Agreement, and the Executive agrees to continue to be so employed, commencing as of the Effective Date and ending on the fourth (4th) anniversary of the Effective Date (the "Initial Term"). On the last day of the Initial Term and on each one (1)-year anniversary thereof, the term of this Agreement shall be automatically extended for an additional one (1)-year period, unless either party hereto elects not to extend this Agreement by giving written notice to the other party at least ninety (90) days prior to any such renewal date. Notwithstanding the foregoing, the Executive's employment hereunder may be earlier terminated in accordance with Section 4 hereof. The period of time between the Effective Date and the termination of the Executive's employment hereunder is referred to herein as the "Term." Upon any termination of the Executive's employment with the Company, the Executive shall be deemed to have resigned from all positions with the Company and all of its Subsidiaries.

2. **Positions and Duties**.

(a) During the Term, the Executive shall serve as the Executive Vice President of the Company. In these capacities, the Executive shall have the duties, authorities and responsibilities generally commensurate with the duties, authorities and responsibilities of persons serving in similar capacities in similarly sized and situated companies, and such other duties, authorities and responsibilities as the Chief Executive Officer ("CEO") of the Company shall designate from time to time that are not inconsistent with the Executive's positions. The Executive shall report directly to the CEO.

(b) The Executive shall devote substantially all of the Executive's business time to the performance of the Executive's duties hereunder and the advancement of the business and affairs of the Company; provided, that, the Executive shall be entitled to: (i) serve as a member of the board of directors (or equivalent governing body) of, or advisor to, (A) the entities listed on Exhibit A attached hereto and (B) such other entities that are not Competitive Enterprises, subject to the Executive providing prior written notice to the Board of Directors of the Company (the "Board"), (ii) serve on civic, charitable, educational, religious, public interest or public service boards, and (iii) manage the Executive's personal and family investments, in each case, to the extent such activities do not interfere, individually or in the aggregate, with the performance of the Executive's duties and responsibilities hereunder or create a business or fiduciary conflict.

(c) The Executive's principal place of employment will continue to be in Covington, Louisiana; provided, that, the Executive may be required to travel from time to time for business purposes.

3. **Compensation and Benefits**.

(a) Base Salary. During the Term, the Company shall pay to the Executive a base salary at an annual rate of not less than $320,000, in substantially equal installments in accordance with the regular payroll practices of the Company, but not less frequently than monthly. The Executive's base salary shall be subject to annual review by the Compensation Committee of the Board (the "Committee") and may be increased, but not decreased, from time to time by the Committee. The base salary as determined herein and adjusted from time to time shall constitute "Base Salary" for purposes of this Agreement.

(b) Annual Bonus. During each fiscal year during the Term, the Executive shall be eligible to participate in the Company's annual bonus plan, as established by the Committee and in effect from time to time for its senior executives, and will be paid a cash annual bonus under such plan (the "Annual Bonus"), to the extent earned based on performance against reasonably obtainable objective performance criteria. The performance criteria for each fiscal year shall be determined by the Committee, after consultation with the CEO, no later than ninety (90) days following the commencement of the applicable fiscal year. The Executive's target Annual Bonus opportunity for each fiscal year shall equal 100% of the Executive's annualized Base Salary for that fiscal year (the "Target Bonus"). The Executive's actual Annual Bonus for each fiscal year will equal a percentage of the Target Bonus, determined as follows: (i) 100% of the Target Bonus, if target levels of performance for that fiscal year are achieved; (ii) 50% of the Target Bonus, if threshold levels of performance for that fiscal year are achieved; (iii) 200% of the Target Bonus, if maximum levels of performance for that fiscal year are achieved; and (iv) a percentage of the Target Bonus determined in accordance with the plan, if performance for that fiscal year is in between threshold, target and maximum levels of performance. Unless otherwise determined by the Committee, the Executive will not earn an Annual Bonus if threshold levels of performance are not achieved. The Executive's Annual Bonus for each fiscal year shall be determined by the Committee after the end of the applicable fiscal year and shall be paid to the Executive when bonuses for such fiscal year are paid to other senior executives of the Company generally, but in no event later than seventy-four (74) days following the end of such fiscal year, subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned. In carrying out its functions under this Section 3(b), the Committee shall at all times act reasonably and in good faith.

(c) Benefit Plans. During the Term, the Executive shall be entitled to participate in any employee benefit plan that the Company has adopted or may adopt, maintain or contribute to for the benefit of its employees generally and/or for the benefit of its senior executives as in effect from time to time, subject to satisfying the applicable eligibility requirements, except to the extent such plans are duplicative of the benefits otherwise provided hereunder; provided, however, that the Company shall make commercially reasonable efforts to ensure that any health insurance benefit plan will not provide for a preexisting condition limitation. The Executive's participation will be subject to the terms of the applicable plan documents and generally applicable Company policies. Notwithstanding the foregoing, the Company may modify or terminate any employee benefit plan at any time.

(d) Business Expenses. The Executive is authorized to incur reasonable business expenses in carrying out the Executive's duties and responsibilities under this Agreement. The Executive shall be promptly reimbursed for all reasonable out-of-pocket business expenses incurred and paid by the Executive during the Term, subject to and in accordance with the Company's expense reimbursement policy as in effect from time to time.

(e) Automobile. During the Term, the Company shall continue to provide the Executive with an automobile and pay for such automobile's auto insurance, maintenance, and fuel; provided, that, the Executive shall pay all taxes related to the Executive's personal use of the automobile.

4. **Termination of Employment; Severance**.

(a) General. The Executive's employment and the Term shall terminate upon the earliest to occur of (i) the Executive's death, (ii) a termination by the Company due to the Executive's Disability, (iii) a termination by the Company with or without Cause, (iv) a termination by the Executive with or without Good Reason, and (v) the expiration of the Term (the date of such termination, the "Termination Date"). On the Termination Date, the Executive's role as (A) an officer of any member of the Company Group, (B) a member of the Board or similar body of any member of the Company Group and (C) a fiduciary of any Company Group benefit plan shall be deemed to have terminated, in each case, to the extent applicable and the Executive shall confirm the foregoing by submitting to the Company a written confirmation of such resignations upon request by the Board; provided, that, the foregoing shall not modify or diminish in any way the rights and/or remedies otherwise available to the Executive in connection with such termination.

(b) Termination Due to the Executive's Death or Disability. The Executive's employment and the Term shall terminate automatically upon the Executive's death. The Company may terminate the Executive's employment and the Term upon a final determination as to the occurrence of the Executive's Disability (with such determination made, for the avoidance of doubt, in accordance with the definition of Disability set forth below), with such termination to be effective ten (10) days following the date on which the Company provides written notice to the Executive of such determination in accordance with this Agreement and of such termination. Upon a termination of the Executive's employment and the Term due to the Executive's death or Disability, the Executive's estate or the Executive, as applicable, shall be entitled to the following:

(i) payment of any earned but unpaid Base Salary through the Termination Date, no later than sixty (60) days following the Termination Date (or such earlier date as may be required by applicable law);

(ii) payment of any earned but unpaid Annual Bonus for the fiscal year preceding the fiscal year in which the Termination Date occurs, to be paid in accordance with Section 3(b) (the "Prior Year Bonus");

(iii) payment in lieu of any earned but unused vacation time in accordance with Company policy as in effect from time to time;

(iv) all other payments, benefits, or fringe benefits to which the Executive shall be entitled under the terms of any applicable compensation arrangement or benefit, equity or fringe benefit plan or program or grant or this Agreement, payable in accordance therewith;

(v) reimbursement for any unreimbursed business expenses incurred through the Termination Date, in accordance with Section 3(d) (with the payments and benefits described in subparagraphs (i), (ii), (iii), (iv) and (v) hereof, collectively, the "Accrued Benefits");

(vi) a pro-rata portion of the Annual Bonus for the fiscal year in which the Termination Date occurs, determined by multiplying (A) the Annual Bonus that the Executive would have received for such fiscal year, based on actual performance (provided, that, any subjective performance goals will be deemed satisfied at target levels), by (B) a fraction, (I) the numerator of which is the number of calendar days that the Executive was employed with the Company during the fiscal year in which the Termination Date occurs, and (II) the denominator of which is the total number of calendar days in the fiscal year in which the Termination Date occurs, which amount shall be paid in accordance with Section 3(b); provided, however, that, for the avoidance of doubt, the requirement in Section 3(b) that payment of the Annual Bonus be subject to the Executive's continued employment with the Company through the end of the fiscal year with respect to which such Annual Bonus was earned shall not apply (the "Pro-Rata Bonus"); and

(vii) subject to the Executive timely electing to continue the Executive's coverage, reimbursement for the employer portion of the monthly cost of maintaining medical, dental and/or vision benefits for the Executive under a group health plan of the Company for purposes of the Consolidated Omnibus Budget Reconciliation Act of 1985 (as amended, "COBRA"), based on the premium rate in effect on the Termination Date (the "Benefit Payment"), until the earlier to occur of (A) twelve (12) months following the Termination Date and (B) the date the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms. The first installment of the Benefit Payment shall be paid on the sixtieth ($60^{th}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay.

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following a termination of the Executive's employment due to death or Disability, except as set forth in this Section 4(b), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(c) Termination by the Company for Cause. The Company may terminate the Executive's employment at any time for Cause, effective upon delivery to the Executive of written notice of such termination. If the Executive's employment is terminated by the Company for Cause, the Executive shall be entitled only to the Accrued Benefits, exclusive, for the avoidance of doubt, of the Prior Year Bonus (if any), which shall be forfeited upon a termination for Cause.

Following the termination of the Executive's employment by the Company for Cause, except as set forth in this Section 4(c), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(d) Termination by the Company Without Cause, Termination by the Executive for Good Reason or Termination Due to the Company's Non-Renewal of the Term. The Company may terminate the Executive's employment at any time without Cause, effective upon delivery to the Executive of written notice of such termination. The Executive may terminate the Executive's employment for Good Reason by providing the Company written notice in the manner set forth below. In the event that the Executive's employment is terminated by the Company without Cause (other than due to the Executive's death or Disability), by the Executive for Good Reason or due to the Company's non-renewal of the Term (each, a "Qualifying Termination"), in each case, subject to Section 4(g) below, the Executive shall be entitled to:

(i) the Accrued Benefits;

(ii) if the Qualifying Termination occurs at least halfway through the applicable fiscal year, the Pro-Rata Bonus;

(iii) an amount equal to two (2) (the "Severance Multiple") times the sum of the Executive's (A) Base Salary, at the rate in effect as of the Termination Date, and (B) Target Bonus, at the rate in effect as of the Effective Date (provided, that, if the Qualifying Termination is due to the Executive's termination of employment for Good Reason caused, in whole or in part, by a reduction in the Executive's Base Salary and/or Target Bonus, or if the Executive would have had grounds to terminate the Executive's employment for Good Reason on such basis at the time of a Qualifying Termination, each such amount shall be included in the foregoing calculation at the rate in effect prior to any decrease thereof) (the "Cash Severance"), which amount shall be payable in equal monthly installments over the twenty-four (24) month period following the Termination Date, provided, that, the first installment shall be paid on the sixtieth ($60^{h}$) day following the Termination Date and shall include all amounts that would otherwise have been paid prior thereto absent the delay; and

(iv) the Benefit Payment for the twenty-four (24)-month period following the Termination Date, or, if earlier, until the date on which the Executive ceases to be eligible for such COBRA coverage under applicable law or plan terms (with the payments described in subparagraphs (ii), (iii), and (iv) hereof, collectively, the "Severance Benefits").

For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Payments and benefits provided in this Section 4(d) shall be in lieu of any termination or severance payments or benefits for which the Executive may be eligible under any of the plans, policies or programs of the Company or under the Worker Adjustment Retraining Notification Act of 1988 or any similar state statute or regulation.

Following the termination of the Executive's employment due to a Qualifying Termination, except as set forth in this Section 4(d), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(e) Change of Control Qualifying Termination. This Section 4(e) shall apply if (i) the Executive's Qualifying Termination occurs during the two (2)-year period immediately following a Change of Control, or (ii) the Executive is terminated by the Company without Cause within the six (6)-month period immediately prior to a Change of Control (each, a "Change of Control Qualifying Termination"). To the extent a Change of Control Qualifying Termination occurs and the Executive is already receiving the benefits described in Section 4(d) in accordance with the terms thereof, the Executive shall no longer be eligible for the benefits described in Section 4(d) and instead shall be entitled exclusively to all of the benefits provided in this Section 4(e); provided, that, the benefits set forth under this Section 4(e) shall be reduced by any payments and benefits that the Executive already received in accordance with the terms of Section 4(d). For the avoidance of doubt, there shall be no duplication of the benefits under Section 4(d). If any such Change of Control Qualifying Termination occurs, the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the Release (as defined in Section 4(g)) but before receiving such amount) shall receive the benefits set forth in Section 4(d), except that (A) the Severance Multiple shall be (I) three (3), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, on or prior to the first anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (II) two and one-half (2.5), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the first anniversary, but on or prior to the second anniversary, of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; and (III) as set forth in Section 4(d)(iii), if such Change of Control occurs, or the Company enters into a definitive agreement that would result in a Change of Control if consummated, in each case, after the second anniversary of the Effective Date, and a Change of Control Qualifying Termination occurs in connection therewith; (B) the Pro-Rata Bonus set forth in Section 4(d)(ii) shall be payable regardless of when in the applicable fiscal year the Termination Date occurs (*i.e.*, the Pro-Rata Bonus shall be payable even if the Termination Date occurs prior to the midpoint of the applicable fiscal year), and the amount of such Pro-Rata Bonus shall be determined based on deemed achievement of all performance criteria at target levels; and (C) the Pro-Rata Bonus, Cash Severance and Benefit Payment will be payable in a lump sum. For the avoidance of doubt, the Company's reorganization as of the Effective Date will not constitute a Change of Control.

(f) Termination by the Executive Without Good Reason or Due to the Executive's Non-Renewal of the Term. The Executive may terminate the Executive's employment without Good Reason by providing sixty (60) days' prior written notice to the Company or by electing not to renew the Term in accordance with Section 1 hereof. Upon receipt of such notice, the Company may, in its sole discretion, remove the Executive's title and require that the Executive not attend the workplace, perform any duties or contact any clients, suppliers or employees of the Company or any associated persons through the Termination Date ("the Garden Leave Period"); provided, that, for the avoidance of doubt, the foregoing restriction shall not prohibit the Executive from contacting employees for logistical or human resources purposes, in each case relating to the transition of the Executive's duties and/or termination of his employment, attending the workplace for purposes of removing the Executive's personal effects from the workplace (as reasonably permitted by the Company), or performing other ministerial tasks as required by the Company; and provided, further, that, during the Garden Leave Period, the Company shall continue to (i) pay to the Executive the Base Salary and (ii) provide to the Executive the existing benefits in accordance with the terms of the applicable plans. Upon the Executive's voluntary termination of employment without Good Reason, the Executive shall be entitled only to the Accrued Benefits. For the avoidance of doubt, any equity awards outstanding as of the Termination Date will receive the treatment set forth in the applicable award agreement. Following any such termination of the Executive's employment, except as set forth in this Section 4(f), the Executive shall have no further rights to any compensation or any other benefits under this Agreement.

(g) Release of Claims, Continued Compliance. Notwithstanding any provision herein to the contrary, the payment and provision of the Severance Benefits pursuant to Section 4(d) or Section 4(e) shall be conditioned upon the Executive's execution, delivery to the Company and non-revocation of the general release of claims substantially in the form attached hereto as Exhibit B (the "Release") (and the expiration of any revocation period contained in such Release) within sixty (60) days following the Termination Date, as well as the Executive's acknowledgement of, and the Executive's material compliance with, the Executive's obligations under Section 6, as further outlined in this paragraph below. If the Executive fails to execute the Release in such a timely manner so as to permit any revocation period to expire prior to the end of such sixty (60)-day period, or timely revokes such release following its execution, the Executive shall not be entitled to any of the Severance Benefits. If the period of time during which the Executive may consider the Release begins in one calendar year and ends in the next calendar year, any amounts payable under this Section 4 that are contingent upon the execution and non-revocation of the Release shall be paid as soon as practicable in the second calendar year (provided, that, the Release has become effective and non-revocable), even if the Release first became effective and non-revocable in the first calendar year. Notwithstanding any provision in this Agreement to the contrary, if the Executive materially breaches any of the covenants contained in Section 6 while receiving the Severance Benefits under Section 4(d), the Company shall have the right, but not the obligation, to cease providing such Severance Benefits under Section 4(d); provided, that, a material breach of Section 6 can only occur for purposes of this Section 4(g) (and otherwise, without limiting any other remedies with respect thereto) if (i) the Company provides the Executive with written notice of the circumstances constituting the alleged material breach of such covenants within ninety (90) days after becoming aware of such circumstances and (ii) the alleged breach, if curable (which includes any commercial relationship resulting from such prohibited conduct), has not been cured within fifteen (15) days after receipt of the written notice described in clause (i) above.

(h) No Offset. In the event of termination of the Executive's employment for any reason, the Executive shall be under no obligation to seek other employment, and there shall be no offset against amounts due to the Executive on account of any remuneration or benefits provided by any subsequent employment the Executive may obtain. The Company's obligation to make any payment pursuant to, and otherwise to perform its obligations under, this Agreement shall not be affected by any offset, counterclaim or other right that the Company or any other member of the Company Group may have against the Executive for any reason.

5. **Section 280G of the Code**.

(a) Shareholder Approval Exemption. If the Company is eligible for the shareholder vote exemption at the time of a Change of Control, the Company will subject the Executive's payments to a shareholder vote in accordance with Treasury Regulation Section 1.280G-1 and recommend approval thereof; provided, that, the Executive cooperates with all reasonable and customary requests in connection with such vote, including execution of any required documentation in connection therewith.

(b) Best-Net Cutback. Notwithstanding any other provision of this Agreement or any other plan, arrangement, or agreement to the contrary, if any of the payments or benefits provided or to be provided by the Company Group to the Executive or for the Executive's benefit pursuant to the terms of this Agreement or otherwise ("Covered Payments") constitute parachute payments within the meaning of Section 280G of the Internal Revenue of Code of 1986, as amended (the "Code"), and would, but for this Section 5, be subject to the excise tax imposed under Section 4999 of the Code (or any successor provision thereto) or any similar tax imposed by state or local law or any interest or penalties with respect to such taxes (collectively, the "Excise Tax"), then prior to making the Covered Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Executive of the Covered Payments after payment of the Excise Tax to (ii) the Net Benefit to the Executive if the Covered Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under subparagraph (i) above is less than the amount under subparagraph (ii) above will the Covered Payments be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax. "Net Benefit" shall mean the present value of the Covered Payments net of all federal, state, local, and foreign income, employment, and excise taxes.

(c) Method of Reduction. The Covered Payments shall be reduced in a manner that maximizes the Executive's economic position. In applying this principle, the reduction shall be made in a manner consistent with the requirements of Section 409A of the Code; provided, that, (i) cash payments shall be reduced before non-cash payments; and (ii) payments to be made on a later payment date shall be reduced before payments to be made on an earlier payment date.

(d) Determination. Any determination required under this Section 5, including whether any payments or benefits are parachute payments, shall be made in the sole discretion of a nationally recognized, independent accounting or consulting firm selected and paid for by the Company using reasonable assumptions on the Executive's tax rates (as determined by such firm). The Executive shall provide the Company with such information and documents as the Company and such accounting firm may reasonably request in order to make a determination under this Section 5. The parties shall cooperate to the extent necessary to reduce the Excise Tax, including determining "reasonable compensation" under Sections 280G and 4999 of the Code (which may involve the valuation of the Executive's non-compete obligations). The firm's determination shall be final and binding on the Executive and the Company absent manifest error.

6. **Restrictive Covenants**. The Company and the Executive acknowledge and agree that during the Executive's employment with the Company, the Executive will have access to and may assist in developing Confidential Information and will occupy a position of trust and confidence with respect to the affairs and business of the Company Group. The Executive further acknowledges that (I) the Executive performs services of a unique nature for the Company that are irreplaceable, and that the Executive's performance of such services to a competing business will result in irreparable harm to the Company Group; (II) the Executive has had and will continue to have access to Confidential Information which, if disclosed, would unfairly and inappropriately assist in competition against the Company Group; (III) in the course of the Executive's employment by a competitor, the Executive inevitably would use or disclose such Confidential Information; (IV) members of the Company Group have substantial relationships with their customers, and the Executive has had and will continue to have access to these customers; and (V) the Executive has received and will receive specialized training from the Company and other members of the Company Group. Accordingly, the Executive agrees that the following obligations are necessary to preserve the confidential and proprietary nature of Confidential Information and to protect the Company Group against harmful solicitation of employees and customers, harmful competition and other actions by the Executive that would result in serious adverse consequences for the Company Group:

(a) Confidentiality. During the Executive's employment and at all times thereafter, the Executive shall not, directly or indirectly, use, make available, sell, copy, disseminate, transfer, communicate or otherwise disclose any Confidential Information, other than as authorized in writing by the Company or within the scope of the Executive's duties with the Company as determined reasonably and in good faith by the Executive. Anything herein to the contrary notwithstanding, the term "Confidential Information" shall not include, and the provisions of this Section 6(a) shall not apply to, information that (i) was known to the public prior to its disclosure to the Executive; (ii) becomes generally known to the public subsequent to disclosure to the Executive through no wrongful act of the Executive or any representative of the Executive; or (iii) the Executive is required to disclose by applicable law, regulation or legal process (provided, that, to the extent permissible, the Executive provides the Company with prior notice of the contemplated disclosure and cooperates with the Company at its expense in seeking a protective order or other appropriate protection of such information).

(b) Materials. The Executive will use Confidential Information only for normal and customary use in the Company's business, as determined reasonably and in good faith by the Company. The Executive will return to the Company all Confidential Information and copies thereof and all other property of the Company or any other member of the Company Group at any time upon the request of the Company and in any event immediately after termination of the Executive's employment. The Executive agrees to identify and return to the Company any copies of any Confidential Information after the Executive ceases to be employed by the Company. Anything to the contrary notwithstanding, nothing in this Section 6 shall prevent the Executive from retaining a home computer (provided all Confidential Information has been removed), papers and other materials of a personal nature, including diaries, calendars and contact lists (excluding customer lists), information relating to the Executive's compensation or relating to reimbursement of expenses, information that may be needed for tax purposes, and copies of plans, programs and agreements relating to the Executive's employment.

(c) Non-Competition; Non-Solicitation.

(i) During the Restricted Period, the Executive shall not, directly or indirectly: (A) solicit, service, or assist any other individual, person, firm, or other entity in soliciting or servicing, any Customer for the purpose of providing and/or selling any products that are provided and/or sold by any member of the Company Group, or performing any services that are performed by any member of the Company Group, or performing any services or providing and/or selling any products that any member of the Company Group proposed to initiate performing, selling or providing during the twelve (12)-month period immediately preceding the Termination Date, based on active discussions with the Board that occurred during such twelve (12)-month period, as evidenced by existing memoranda, Board minutes or other written correspondence, and only to the extent the Company Group was capable of pursuing such proposals as a business and financial matter; (B) interfere with or damage any relationship and/or agreement between any member of the Company Group and any Customer; or (C) associate (including, but not limited to, association as a sole proprietor, owner, employer, partner, principal, investor, joint venturer, shareholder, associate, employee, member, consultant, contractor, director or otherwise) with any Competitive Enterprise; provided, however, that the Executive may own, as a passive investor, securities of any such entity that has outstanding publicly traded securities, so long as the Executive's direct holdings in any such entity shall not in the aggregate constitute more than 5% of the voting power of such entity. The Executive acknowledges that this covenant has a unique, very substantial, and immeasurable value to the Company, that the Executive has sufficient assets and skills to provide a livelihood for the Executive while such covenant remains in force, and that, as a result of the foregoing, in the event that the Executive breaches such covenant, monetary damages would be an insufficient remedy for the Company and equitable enforcement of the covenant would be proper.

(ii) During the Restricted Period, the Executive shall not solicit, entice, persuade, or induce any individual who is employed or engaged by any member of the Company Group (or who was so employed or engaged within six (6) months immediately preceding the Executive's Termination Date) to terminate or refrain from continuing such employment or engagement or to become employed by or enter into contractual relations with any other individual or entity other than a member of the Company Group, and the Executive shall not hire, directly or indirectly, on the Executive's behalf or on behalf of any other person, as an employee, consultant, or otherwise, any such person.

(d) Mutual Non-Disparagement. The Executive agrees not to, at any time, make negative comments about or otherwise disparage any member of the Company Group or any officer, director, employee, shareholder, agent or product of any member of the Company Group, other than to officers, employees, or directors of the Company Group in the good faith performance of the Executive's duties to the Company while the Executive is employed by the Company. The Company agrees that it will direct the senior officers of the Company and its Subsidiaries as of the Termination Date and the members of the Board as of the Termination Date to refrain from making negative comments about the Executive or otherwise disparaging the Executive in any manner, including by making or issuing any official public statements or press releases disparaging the Executive. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

(e) Inventions.

(i) The Executive acknowledges and agrees that all ideas, methods, inventions, discoveries, improvements, work products, developments, software, know-how, processes, techniques, works of authorship, and other work product, whether patentable or unpatentable, (A) that are reduced to practice, created, invented, designed, developed, contributed to or improved with the use of any Company Group resources and/or within the scope of the Executive's work with the Company, or that relate to the business, operations or actual or demonstrably anticipated research or development of the Company Group, and that are made or conceived by the Executive, solely or jointly with others, during the Term, or (B) suggested by any work that the Executive performs in connection with the Company, either while performing the Executive's duties with the Company or on the Executive's own time, shall belong exclusively to the Company Group (or its designee), whether or not patent or other applications for intellectual property protection are filed thereon (the "Inventions"). The Executive will keep full and complete written records (the "Records"), in the manner prescribed by the Company, of all Inventions and will promptly disclose all Inventions completely and in writing to the Company. The Records shall be the sole and exclusive property of the Company, and the Executive will surrender them upon the termination of the Term, or upon the Company's earlier written request. The Executive irrevocably conveys, transfers and assigns to the Company the Inventions and all patents or other intellectual property rights that may issue thereon in any and all countries, whether during or subsequent to the Term, together with the right to file, in the Executive's name or in the name of the Company (or its designee), applications for patents and equivalent rights (the "Applications"). The Executive will, at any time during and subsequent to the Term, make such applications, sign such papers, take all rightful oaths and perform all other acts as may be requested from time to time by the Company to perfect, record, enforce, protect, patent or register the Company's rights in the Inventions, all without additional compensation to the Executive from the Company. The Executive will also execute assignments to the Company (or its designee) of the Applications, and give the Company and its attorneys all reasonable assistance (including the giving of testimony) to obtain the Inventions for the Company's benefit, all without additional compensation to the Executive from the Company, but entirely at the Company's expense.

(ii) In addition, the Inventions will be deemed Work for Hire, as such term is defined under the copyright laws of the United States, on behalf of the Company, and the Executive agrees that the Company will be the sole owner of the Inventions, and all underlying rights therein, in all media now known or hereinafter devised, throughout the universe and in perpetuity without any further obligations to the Executive. If the Inventions, or any portion thereof, are deemed not to be Work for Hire, or the rights in such Inventions do not otherwise automatically vest in the Company, the Executive hereby irrevocably conveys, transfers and assigns to the Company all rights, in all media now known or hereinafter devised, throughout the universe and in perpetuity, in and to the Inventions, including, without limitation, all of the Executive's right, title and interest in the copyrights (and all renewals, revivals and extensions thereof) to the Inventions, including, without limitation, all rights of any kind or any nature now or hereafter recognized, including, without limitation, the unrestricted right to make modifications, adaptations and revisions to the Inventions, to exploit and allow others to exploit the

Inventions and all rights to sue at law or in equity for any infringement, or other unauthorized use or conduct in derogation of the Inventions, known or unknown, prior to the date hereof, including, without limitation, the right to receive all proceeds and damages therefrom. In addition, the Executive hereby waives any so-called "moral rights" with respect to the Inventions. To the extent that the Executive has any rights in the results and proceeds of the Executive's service to the Company that cannot be assigned in the manner described herein, the Executive agrees to unconditionally waive the enforcement of such rights. The Executive hereby waives any and all currently existing and future monetary rights in and to the Inventions and all patents and other registrations for intellectual property that may issue thereon, including, without limitation, any rights that would otherwise accrue to the Executive's benefit by virtue of the Executive being an employee of or other service provider to the Company.

(iii) 18 U.S.C. Section 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. Section 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. Section 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure.

(f) Conflicting Obligations and Rights. The Executive agrees to inform the Company of any apparent conflicts between the Executive's work for the Company and any obligations the Executive may have to preserve the confidentiality of another's proprietary information or related materials before using the same on the Company's behalf. The Company shall receive such disclosures in confidence and consistent with the objectives of avoiding any conflict of obligations and rights or the appearance of any conflict of interest.

(g) Reasonableness of Restrictive Covenants. In signing this Agreement, the Executive gives the Company assurance that the Executive has carefully read and considered all of the terms and conditions of this Agreement, including the restraints imposed under this Section 6 hereof. The Executive agrees that these restraints are necessary for the reasonable and proper protection of the Company and the other members of the Company Group and their Confidential Information, and that each and every one of the restraints is reasonable in respect to subject matter, length of time and geographic area, and that these restraints, individually or in the aggregate, will not prevent the Executive from obtaining other suitable employment during the period in which the Executive is bound by the restraints. The Executive acknowledges that each of these covenants has a unique, very substantial and immeasurable value to the Company and the other members of the Company Group, and that the Executive has sufficient assets and skills to provide a livelihood while such covenants remain in force. The Executive further covenants that the Executive will not challenge the reasonableness or enforceability of any of the covenants set forth in this Section 6. It is also agreed that each member of the Company Group will have the right to enforce all of the Executive's obligations to any other member of the Company Group under this Agreement, including, without limitation, pursuant to this Section 6.

(h) Reformation. If it is determined by a court of competent jurisdiction in any state that any restriction in this Section 6 is excessive in duration or scope or is unreasonable or unenforceable under applicable law, it is the intention of the parties that such restriction may be modified or amended by the court to render it enforceable to the maximum extent permitted by the laws of that state.

(i) Enforcement. The Executive acknowledges that, in the event of any breach or threatened breach of this Section 6, the business interests of the Company and the other members of the Company Group might be irreparably injured, the full extent of the damages to the Company and the other members of the Company Group might be impossible to ascertain, monetary damages might not be an adequate remedy for the Company and the other members of the Company Group, and the Company will be entitled to seek to enforce this Agreement by a temporary, preliminary and/or permanent injunction or other equitable relief. The Executive understands that the Company may waive some of the requirements expressed in this Agreement, but that such a waiver to be effective must be made in writing and should not in any way be deemed a waiver of the Company's right to enforce any other requirements or provisions of this Agreement. The Executive agrees that each of the Executive's obligations specified in this Agreement is a separate and independent covenant and that the unenforceability of any of them shall not preclude the enforcement of any other covenants in this Agreement.

7. **Cooperation**. Upon the receipt of reasonable notice from the Company (including through outside counsel), the Executive agrees that, while employed by the Company and thereafter, the Executive will respond and provide information with regard to matters in which the Executive has knowledge as a result of the Executive's employment with the Company, and will provide reasonable assistance to the Company, other members of the Company Group and their respective representatives, in defense of any claims that may be made against the Company or any other member of the Company Group, and will assist the Company and other members of the Company Group in the prosecution of any claims that may be made by the Company or any other member of the Company Group, to the extent that such claims are based on facts occurring during the Executive's employment with the Company (collectively, the "Claims"). During the pendency of any litigation or other proceeding involving Claims, the Executive shall not communicate with anyone (other than the Executive's attorneys and tax and/or financial advisors**,** and except to the extent that the Executive determines in good faith is necessary in connection with the performance of the Executive's duties hereunder) with respect to the facts or subject matter of any pending or potential litigation or regulatory or administrative proceeding involving the Company or any other member of the Company Group without, to the extent legally permitted to do so, giving prior written notice to the Company or the Company's counsel. Upon presentation of appropriate documentation, the Company shall pay or reimburse the Executive for all reasonable out-of-pocket travel, duplicating or telephonic expenses incurred by the Executive in complying with this Section 7. The Company shall cooperate with the Executive on the timing and location of the Executive's cooperation and use its good faith efforts to limit any travel or interference with the Executive's other professional commitments. In addition, following the Executive's termination of employment, to the extent the Executive is not receiving any Severance Benefits in respect of such post-termination period, the Executive shall be compensated for the time spent for such cooperation at an hourly rate determined based on the Executive's Base Salary at the rate in effect as of the Termination Date.

8. **Whistleblower Protection; Protected Activity**.

(a) Notwithstanding anything to the contrary contained herein, no provision of this Agreement shall be interpreted so as to impede the Executive (or any other individual) from reporting possible violations of federal law or regulation to any governmental agency or entity, including, but not limited to, the Department of Justice, the Securities and Exchange Commission, the Congress and any agency Inspector General, or making other disclosures under the whistleblower provisions of federal law or regulation. The Executive does not need the prior authorization of the Company to make any such reports or disclosures, and the Executive shall not be required to notify the Company that such reports or disclosures have been made.

(b) The Executive hereby acknowledges and agrees that nothing in this Agreement shall in any way limit or prohibit the Executive from engaging for a lawful purpose in any Protected Activity. For purposes of this Agreement, "Protected Activity" shall mean (i) filing a charge, complaint or report with, or otherwise communicating with, cooperating with or participating in any investigation or proceeding that may be conducted by, any federal, state or local government agency or commission, including the Equal Employment Opportunity Commission, the Department of Labor, the Occupational Safety and Health Administration, and the National Labor Relations Board (the "Government Agencies"); or (ii) any rights the Executive may have under Section 7 of the National Labor Relations Act or equivalent state law to engage in concerted protected activity or to discuss the terms of employment or working conditions with or on behalf of coworkers, or to bring such issues to the attention of the Board at any time. The Executive understands that, in connection with such Protected Activity, the Executive is permitted to disclose documents or other information as permitted by law, and without giving notice to, or receiving authorization from, the Company. Notwithstanding the foregoing, the Executive agrees to take all reasonable precautions to prevent any unauthorized use or disclosure of any information that may constitute Confidential Information to any parties other than the relevant Government Agencies. The Executive further understands that Protected Activity does not include the disclosure of any Company attorney-client privileged communications, and that any such disclosure without the Company's written consent shall constitute a material breach of this Agreement.

9. **Notices**. All notices, demands, requests or other communications, which may be or are required to be given or made by any party to any other party pursuant to this Agreement, shall be in writing and shall be hand delivered, mailed by first-class registered or certified mail, return receipt requested, postage prepaid, delivered by overnight air courier, or transmitted by e-mail or facsimile transmission, addressed as follows:

Each party may designate by notice in writing a new address to which any notice, demand, request or communication may thereafter be so given, served or sent. Each notice, demand, request or communication that shall be given or made in the manner described above shall be deemed sufficiently given or made for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, confirmation of facsimile transmission or the affidavit of messenger being deemed conclusive but not exclusive evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation.

10. **Severability**. The provisions of this Agreement shall be deemed severable. The invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by applicable law. If any term or provision of this Agreement is found to be invalid or unenforceable by a final determination of a court of competent jurisdiction, the invalid or unenforceable term or provision hereof shall be deemed replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision hereof.

11. **Survival**. It is the express intention and agreement of the parties hereto that the provisions of Sections 5 through 22 shall survive the termination of employment of the Executive. In addition, all obligations of the Company to make payments hereunder shall survive any termination of this Agreement on the terms and conditions set forth herein.

12. **No Assignments**. The rights and obligations of the parties to this Agreement shall not be assignable or delegable, except that (a) in the event of the Executive's death, the personal representative or legatees or distributees of the Executive's estate, as the case may be, shall have the right to receive any amount owing and unpaid to the Executive hereunder; and (b) the rights and obligations of the Company hereunder shall be assignable and delegable to an Affiliate or in connection with any subsequent merger, consolidation, sale of all or substantially all of the assets or equity interests of the Company, or similar transaction involving the Company or a successor corporation. The Company shall require any successor to the Company to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

13. **Binding Effect**. Subject to any provisions hereof restricting assignment, this Agreement shall be binding upon the parties hereto and shall inure to the benefit of the parties and their respective heirs, devisees, executors, administrators, legal representatives, successors and assigns.

14. **Amendments; Modifications; Waivers**. No provision of this Agreement may be amended, modified, waived or discharged, unless such amendment, modification, waiver or discharge is agreed to in writing and signed by the Executive and such officer or director of the Company as may be designated by the Board. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time unless such waiver specifically states that it is to be construed as a continuing waiver.

15. **Section Headings; Inconsistency**. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof. In the event of any inconsistency between the terms of this Agreement and any form, award, plan or policy of the Company, the terms of this Agreement shall govern and control, unless otherwise expressly provided.

16. **Governing Law**. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Louisiana (but not including any choice of law rule that would cause the laws of another jurisdiction to apply).

17. **Dispute Resolution**. Each of the parties hereto irrevocably and unconditionally (a) WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING RELATING TO THIS AGREEMENT OR THE EXECUTIVE'S EMPLOYMENT BY THE COMPANY OR ANY OTHER MEMBER OF THE COMPANY GROUP, or for the recognition and enforcement of any judgment in respect thereof (a "Proceeding"), whether such Proceeding is based on contract, tort or otherwise; (b) agrees that service of process in any such Proceeding may be effected by mailing a copy of such process by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such party at the Executive's or its address as provided in Section 9; and (c) agrees that nothing in this Agreement shall affect the right to effect service of process in any other manner permitted by applicable law.

18. **Entire Agreement; Advice of Counsel**. This Agreement constitutes the entire agreement between the parties respecting the employment of the Executive, there being no representations, warranties or commitments except as set forth herein, and supersedes and replaces all other agreements related to the subject matter hereof of, including, without limitation, the Original Agreement. The Executive acknowledges that, in connection with the Executive's entry into this Agreement, the Executive was advised, or had the opportunity to be advised, by an attorney of the Executive's choice on the terms and conditions of this Agreement, including, without limitation, on the application of Section 409A of the Code on the payments and benefits payable or to be paid to the Executive hereunder.

19. **Counterparts**. This Agreement may be executed (including by email with scan attachment) in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

20. **Withholding**. The Company may withhold from any and all amounts payable under this Agreement or otherwise such federal, state and local taxes as may be required to be withheld pursuant to any applicable law or regulation.

21. **Section 409A of the Code**.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Section 409A of the Code and the regulations and guidance promulgated thereunder (collectively, "Section 409A of the Code"), and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. If the Executive notifies the Company (with specificity as to the reason therefor) that the Executive believes that any provision of this Agreement (or of any award of compensation, including equity compensation or benefits) would cause the Executive to incur any additional tax or interest under Section 409A of the Code and the Company concurs with such belief or the Company (without any obligation whatsoever to do so) independently makes such determination, the Company shall, after consulting with the Executive, reform such provision to attempt to comply with Section 409A of the Code through good faith modifications to the minimum extent reasonably appropriate to conform with Section 409A of the Code. To the extent that any provision hereof is modified in order to comply with Section 409A of the Code, such modification shall be made in good faith and shall, to the maximum extent reasonably possible, maintain the original intent and economic benefit to the Executive and the Company of the applicable provision without violating the provisions of Section 409A of the Code. For the sake of clarity, the Company shall have no obligation to indemnify the Executive for liabilities incurred as a result of Section 409A of the Code.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination is also a "separation from service" within the meaning of Section 409A of the Code, and for purposes of any such provision of this Agreement, references to a "termination," "termination of employment" or like terms shall mean "separation from service." If the Executive is deemed on the Termination Date to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then with regard to any payment or the provision of any benefit that is considered deferred compensation under Section 409A of the Code payable on account of a "separation from service," such payment or benefit shall be made or provided at the date which is the earlier of (i) the expiration of the six (6) month period measured from the date of such "separation from service" of the Executive, and (ii) the date of the Executive's death, to the extent required under Section 409A of the Code. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 22(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to the Executive in a lump sum with interest at the prime rate as published in *The Wall Street Journal* on the first business day following the date of the "separation from service," and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) To the extent that reimbursements or other in-kind benefits under this Agreement constitute "nonqualified deferred compensation" for purposes of Section 409A of the Code, (i) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive; (ii) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit; and (iii) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(d) For purposes of Section 409A of the Code, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Section 409A of the Code be subject to offset by any other amount unless otherwise permitted by Section 409A of the Code.

22. **Definitions**.

(a) "Affiliate" means any entity controlled by, in control of, or under common control with, the Company.

(b) "Cause" shall be limited to the following events: (i) the Executive's conviction of either (A) a felony involving moral turpitude or (B) any crime in connection with the Executive's employment that causes the Company Group a substantial detriment (in each case, excluding traffic offenses); (ii) actions or inactions by the Executive that clearly are contrary to the best interests of the Company Group and the express directives of the Board; provided, that, such actions or inactions by the Executive cause the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (iii) the Executive's willful failure to take actions permitted by law and necessary to implement policies of the Board that the Board has communicated to him in writing; provided, that, such policies that are reflected in minutes of a Board meeting attended in its entirety by the Executive shall be deemed communicated to the Executive to the extent the Executive received a copy of such minutes from the Secretary or the General Counsel of the Company promptly following approval by the Board; (iv) the Executive's continued failure to attend to his material duties as an executive officer of the Company Group following the Executive's receipt of written notice from the Board of such failure; provided, that, such failure by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; (v) the Executive's commission of an act of fraud or material act of dishonesty or misappropriation involving the Company Group; (vi) the Executive's willful violation of law or gross negligence that is substantially detrimental to the Company; (vii) the material breach or material violation by the Executive of this Agreement or any other written agreement with a member of the Company Group, or any material violation of any written policy of the Company Group; provided, that, such material breach or material violation by the Executive causes the Company Group a substantial detriment or could reasonably be expected to cause a substantial detriment to the Company Group as determined by the Board in good faith; or (viii) the Executive's habitual use of illicit drugs or habitual abuse of alcohol that, in the reasonable good faith opinion of the Board, renders the Executive unfit to serve as an officer of the Company Group. If any determination of habitual use or substantial dependence under clause (viii) is disputed by the Executive, the parties hereto agree to abide by the decision of a panel of three (3) physicians

appointed in the manner specified in Section 22(h) of the Agreement. For purposes of this "Cause" definition, no action or inaction will be considered "willful" or will constitute "gross negligence", if the Executive had a reasonable, good faith belief that such action or inaction was in the best interests of the Company Group. Anything herein to the contrary notwithstanding, the Executive shall not be terminated for "Cause" hereunder, unless (A) written notice stating the basis for the termination is provided to the Executive, and (B) with the exception of clause (i) of this paragraph, the Executive is given ten (10) business days to cure the neglect or conduct that is the basis of such claim, to the extent curable.

(c) "Change of Control" has the meaning set forth in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.

(d) "Company Group" means the Company and each of its Subsidiaries and Affiliates.

(e) "Competitive Enterprise" means the offshore transportation of refined and unrefined petroleum products, offshore towing, offshore supply vessel services, anchor handling and towing services, well stimulation vessel services, well-test services, offshore pipeline remediation services, ROV support services, offshore construction services, and other services required in the offshore construction, energy exploration and production industry and in specialty services in coastal waters in the Restricted Area.

(f) "Confidential Information" means all non-public information concerning trade secrets, know-how, software, developments, inventions, processes, technology, designs, financial data, strategic business plans or any proprietary or confidential information, documents or materials in any form or media, including any of the foregoing relating to research, operations, finances, current and proposed products and services, vendors, customers, advertising and marketing, and other non-public, proprietary and confidential information of the Company Group. Notwithstanding anything to the contrary contained herein, the general skills, knowledge and experience gained during the Executive's employment with the Company, information publicly available or generally known within the industry or trade in which the Company competes, and information or knowledge possessed by the Executive prior to the Executive's employment by the Company shall not be considered Confidential Information.

(g) "Customer" means any person, firm, corporation or other entity whatsoever to whom the Company or its Subsidiaries provided or actively sought to provide services or sold or actively sought to sell any products within a twelve (12)-month period on, before, or after the Executive's Termination Date.

(h) "Disability" means that the Executive is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, receiving income replacement benefits for a period of at least three (3) months under any long term disability plan maintained by the Company that covers the Executive. In the absence of such a long term disability plan, "Disability" means the inability of the Executive, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months, to perform the duties required of him under this Agreement for a period of at least ninety (90) days in any one (1)-year period. Upon such determination, the Board may terminate the Executive's employment under this Agreement,

subject to providing ten (10) days' prior written notice. The Executive agrees, in the event of any dispute hereunder as to whether a Disability exists, the parties hereto agree to abide by the decision of a panel of three (3) physicians. The Executive and the Board shall each appoint one member to the panel, and the third member of the panel shall be appointed by the other two members. The Executive agrees to make himself available for, and submit to examinations by, such physicians as may be directed by the Board. Failure to submit to any such examination shall constitute a breach of a material part of this Agreement. This Section 22(h) shall be interpreted and applied so as to comply with the provisions of the Americans with Disabilities Act and any applicable state or local laws.

(i) "Good Reason" means, unless otherwise agreed to in writing by the Executive, (i) any material diminution in the Executive's titles, duties, responsibilities, status or authorities with the Company or any of its material operating Subsidiaries; (ii) a material reduction in the Executive's Base Salary or Target Bonus; (iii) a relocation of the Executive's primary place of employment to a location more than thirty-five (35) miles farther from the Executive's primary residence than the current location of the Company's offices in Louisiana as of the Effective Date; or (iv) a material breach by the Company of this Agreement or any other agreement between the Company and the Executive. In order to invoke a termination for Good Reason, (A) the Executive must provide written notice within forty-five (45) days of the Executive becoming aware of the occurrence of any event of "Good Reason," (B) the Company must fail to cure such event within thirty (30) days of the giving of such notice, and (C) the Executive must terminate employment within forty-five (45) days following the expiration of the Company's cure period.

(j) "Restricted Area" means (i) the United States or (ii) any other country in which the Company Group conducts or takes concrete, active steps to conduct the Competitive Enterprise during the Executive's employment or service with the Company Group during the Restricted Period, as evidenced by existing memoranda, Board minutes or other written correspondence.

(k) "Restricted Period" means the period commencing on the Effective Date and ending twenty-four (24) months following the Executive's Termination Date.

(l) "Subsidiary" means any subsidiary corporation of the Company within the meaning of Section 424(f) of the Code.

**GENERAL RELEASE**

I, **Carl G. Annessa**, in consideration of payment by Hornbeck Offshore Operators, LLC (together with its Subsidiaries, the "Company") of the amounts set forth in Section 4[(d)][(e)][1] of the Employment Agreement, dated as of September 4, 2020 (the "Agreement"), do hereby release and forever discharge, as of the date hereof, the Company and its Affiliates and all of their respective present, former and future managers, directors, officers, employees, successors and assigns of the Company and its Affiliates and direct or indirect owners[, (which, for the avoidance of doubt, shall include the Permitted Holders (as defined in the 2020 Management Incentive Plan of Hornbeck Offshore Services, Inc.))] (collectively, the "Released Parties") to the extent provided below (this "General Release"). The Released Parties are intended to be third-party beneficiaries of this General Release, and this General Release may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Released Parties hereunder. Terms used herein but not otherwise defined shall have the meanings given to them in the Agreement.

1. My employment with the Company terminated as of [Date], and I hereby resign from any position as an officer, member of the board of managers or directors (as applicable) or fiduciary of the Company or any other member of the Company Group (or reaffirm any such resignation that may have already occurred). I understand that any payments or benefits paid or granted to me under Section 4 of the Agreement represent, in part, consideration for signing this General Release and are not salary, wages or benefits to which I was already entitled. I understand and agree that I will not receive certain of the payments and benefits specified in Section 4 of the Agreement, unless I execute this General Release and do not revoke this General Release within the time period permitted hereafter. I understand and agree that such payments and benefits are subject to my continued material compliance with Section 6 of the Agreement (as more fully set forth in the Agreement) during the period in which I am paid the Severance Benefits pursuant to Section 4[(d)][(e)][2] of the Agreement, which (as noted below) expressly survive my termination of employment and the execution of this General Release. Such payments and benefits will not be considered compensation for purposes of any employee benefit plan, program, policy, or arrangement maintained or hereafter established by the Company or its Affiliates.

2. Except as provided in paragraphs 4 and 5 below and except for the provisions of the Agreement which expressly survive the termination of my employment with the Company, I knowingly and voluntarily (for myself and my heirs, executors, administrators and assigns) release and forever discharge the Company and the other Released Parties from any and all claims, suits, controversies, actions, causes of action, cross-claims, counter-claims, demands, debts, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs and attorneys' fees, or liabilities of any nature whatsoever in law and in equity, both past and present (through the date on which I execute this General Release) and whether known or unknown, suspected, or claimed against the Company or any of the Released Parties, which I, my spouse, or any of my heirs, executors, administrators or assigns may have, which arise out of or are connected with my employment with, or my separation or termination from, the Company (including, but not limited to, any allegation, claim, or violation, arising under: Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the Age

Discrimination in Employment Act of 1967, as amended (including the Older Workers Benefit Protection Act); the Equal Pay Act of 1963, as amended; the Americans with Disabilities Act of 1990; the Family and Medical Leave Act of 1993; the Worker Adjustment Retraining and Notification Act; the Employee Retirement Income Security Act of 1974; Sections 23:301 to 23:369 of the Louisiana Revised Statutes; Article 2315 of the Louisiana Civil Code; the Louisiana Workers' Compensation Act; any applicable Executive Order Programs; the Fair Labor Standards Act; or their state or local counterparts; or under any other federal, state or local civil or human rights law, or under any other local, state, or federal law, regulation or ordinance; or under any public policy, contract or tort, or under common law; or arising under any policies, practices or procedures of the Company; or any claim for wrongful discharge, breach of contract, infliction of emotional distress, or defamation; or any claim for costs, fees, or other expenses, including attorneys' fees, incurred in these matters) (all of the foregoing collectively referred to herein as the "Claims").

3. I represent that I have made no assignment or transfer of any right, claim, demand, cause of action or other matter covered by paragraph 2 above.

4. I agree that this General Release does not waive or release any rights or claims that I may have under the Age Discrimination in Employment Act of 1967 which arise after the date I execute this General Release. I acknowledge and agree that my separation from employment with the Company in compliance with the terms of the Agreement shall not serve as the basis for any claim or action (including, without limitation, any claim under the Age Discrimination in Employment Act of 1967).

5. I agree that I hereby waive all rights to sue or obtain equitable, remedial or punitive relief from any or all Released Parties of any kind whatsoever in respect of any Claim, including, without limitation, reinstatement, back pay, front pay and any form of injunctive relief. Notwithstanding the above, I further acknowledge that I am not waiving and am not being required to waive any right that cannot be waived under law, including the right to file an administrative charge or participate in an administrative investigation or proceeding; provided, however, that I disclaim and waive any right to share or participate in any monetary award resulting from the prosecution of such charge or investigation or proceeding. Additionally, I am not waiving (a) any right to the Accrued Benefits or any Severance Benefits to which I am entitled under Section 4[(d)][(e)][3] of the Agreement, (b) any rights I have under Section 4(e) of the Agreement in the event a Qualifying Termination becomes a Change of Control Qualifying Termination, (c) any claim relating to directors' and officers' liability insurance coverage or any right of indemnification under the Company's organizational documents or otherwise, or (d) my rights as an equity or security holder in the Company or its Affiliates.

6. In signing this General Release, I acknowledge and intend that it shall be effective as a bar to each and every one of the Claims hereinabove mentioned or implied. I expressly consent that this General Release shall be given full force and effect according to each and all of its express terms and provisions, including those relating to unknown and unsuspected Claims (notwithstanding any state or local statute that expressly limits the effectiveness of a general release of unknown, unsuspected and unanticipated Claims), if any, as well as those relating to any other Claims hereinabove mentioned or implied. I acknowledge and agree that this waiver

[3] Note to Draft: To specify applicable termination section.

is an essential and material term of this General Release and that without such waiver the Company would not have agreed to the terms of the Agreement. I further agree that in the event I should bring a Claim seeking damages against the Company, or in the event I should seek to recover against the Company in any Claim brought by a governmental agency on my behalf, this General Release shall serve as a complete defense to such Claims to the maximum extent permitted by law. I further agree that I am not aware of any pending claim of the type described in paragraph 2 above as of the execution of this General Release.

7. I agree that neither this General Release, nor the furnishing of the consideration for this General Release, shall be deemed or construed at any time to be an admission by the Company, any Released Party or myself of any improper or unlawful conduct.

8. I agree that I will forfeit all amounts payable by the Company pursuant to the Agreement if I challenge the validity of this General Release. I also agree that if I violate this General Release by suing the Company or the other Released Parties, I will pay all costs and expenses of defending against the suit incurred by the Released Parties, including reasonable attorneys' fees, and return all payments received by me pursuant to the Agreement on or after the termination of my employment.

9. I agree that this General Release and the Agreement are confidential and agree not to disclose any information regarding the terms of this General Release or the Agreement, except to my immediate family and any tax, legal or other counsel I have consulted regarding the meaning or effect hereof or as required by law, and I will instruct each of the foregoing not to disclose the same to anyone. The Company agrees to disclose any such information only to any tax, legal, or other counsel of the Company as required by law.

10. Any non-disclosure provision in this General Release does not prohibit or restrict me (or my attorney) from responding to any inquiry about this General Release or its underlying facts and circumstances by the Securities and Exchange Commission (SEC), the National Association of Securities Dealers, Inc. (NASD), any other self-regulatory organization or governmental entity.

11. I hereby acknowledge that Sections 5 through 22 of the Agreement shall survive my execution of this General Release.

12. I represent that I am not aware of any claim by me other than the claims that are released by this General Release. I acknowledge that I may hereafter discover claims or facts in addition to or different than those which I now know or believe to exist with respect to the subject matter of the release set forth in paragraph 2 above and which, if known or suspected at the time of entering into this General Release, may have materially affected this General Release and my decision to enter into it, but I nonetheless shall continue to be bound by this General Release in all respects.

13. Notwithstanding anything in this General Release to the contrary, this General Release shall not relinquish, diminish, or in any way affect any rights or claims arising out of any breach by the Company or by any Released Party of the Agreement after the date hereof.

14. Whenever possible, each provision of this General Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this General Release is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this General Release shall be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

BY SIGNING THIS GENERAL RELEASE, I REPRESENT AND AGREE THAT:

(i) I HAVE READ IT CAREFULLY;

(ii) I UNDERSTAND ALL OF ITS TERMS AND KNOW THAT I AM GIVING UP IMPORTANT RIGHTS, INCLUDING, BUT NOT LIMITED TO, RIGHTS UNDER THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967, AS AMENDED; TITLE VII OF THE CIVIL RIGHTS ACT OF 1964, AS AMENDED; THE EQUAL PAY ACT OF 1963; THE AMERICANS WITH DISABILITIES ACT OF 1990; AND THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED;

(iii) I VOLUNTARILY CONSENT TO EVERYTHING IN IT;

(iv) I HAVE BEEN ADVISED TO CONSULT WITH AN ATTORNEY BEFORE EXECUTING IT AND I HAVE DONE SO OR, AFTER CAREFUL READING AND CONSIDERATION, I HAVE CHOSEN NOT TO DO SO OF MY OWN VOLITION;

(v) I HAVE HAD AT LEAST**TWENTY-ONE (21)**] DAYS FROM THE DATE OF MY RECEIPT OF THIS GENERAL RELEASE TO CONSIDER IT AND THE CHANGES MADE SINCE MY RECEIPT OF THIS GENERAL RELEASE ARE NOT MATERIAL OR WERE MADE AT MY REQUEST AND WILL NOT RESTART THE REQUIRED TWENTY-ONE (21)-DAY PERIOD;

(vi) I UNDERSTAND THAT I HAVE SEVEN (7) DAYS AFTER THE EXECUTION OF THIS GENERAL RELEASE TO REVOKE IT AND THAT THIS GENERAL RELEASE SHALL NOT BECOME EFFECTIVE OR ENFORCEABLE UNTIL THE REVOCATION PERIOD HAS EXPIRED;

(vii) I HAVE SIGNED THIS GENERAL RELEASE KNOWINGLY AND VOLUNTARILY AND WITH THE ADVICE OF ANY COUNSEL RETAINED TO ADVISE ME WITH RESPECT TO IT; AND

(viii) I AGREE THAT THE PROVISIONS OF THIS GENERAL RELEASE MAY NOT BE AMENDED, WAIVED, CHANGED OR MODIFIED EXCEPT BY AN INSTRUMENT IN WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF THE COMPANY AND BY ME.

Subject to the terms and conditions set forth herein, each Lender severally agrees that it shall be deemed, pursuant to the Plan of Reorganization, to have made a Loan to the Borrower on the Effective Date in U.S. Dollars in an aggregate principal amount equal to such Lender's Commitment. The initial aggregate principal amount of the Loans deemed made on the Effective Date shall be equal to the aggregate amount of the Commitments set forth on Schedule 2.01. The deemed making of the Loans by the Lenders on the Effective Date as contemplated by this Section 2.01 shall satisfy, dollar for dollar, such Lender's obligation to make Loans on the Effective Date. Upon the deemed making of the Loans pursuant to this Section 2.01, the Commitments shall terminate in full. Any amounts paid or prepaid in respect of the Loans may not be reborrowed.

Section 2.02 [Reserved.].

Section 2.03 Borrowings; Several Obligations.

(a) Each Loan made shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Types of Loans. Subject to Section 3.03, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrowers may request in accordance herewith. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement and such domestic or foreign branch or Affiliate will be subject to the requirements under Section 5.03(g).

(c) Notes. Any Lender may request that the Loans made by it be evidenced by a promissory note. In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender or its registered assigns, substantially in the form of Exhibit A (with a copy to the Administrative Agent) dated (i) the Effective Date or (ii) the effective date of an Assignment pursuant to Section 12.04(b), in a principal amount equal to its Commitment as originally in effect and otherwise duly completed and such substitute Notes as required by Section 12.04(b); *provided,* that promissory notes requested in amounts less than $1,000,000 shall require the consent of the Parent Borrower, such consent not to be unreasonably withheld or delayed. The date, amount, Type, interest rate and Interest Period of each Loan made by each Lender and all payments made on account of the principal thereof, shall be recorded by such Lender on its books and maintained in accordance with its usual practice. Failure to make such recordation shall not affect any Lender's or the Borrowers' rights or obligations in respect of such Loans. In the event that one or more Notes shall be issued after the Effective Date, it shall not be necessary to tender or present any such Note to the Administrative Agent for any payment hereunder, including on the Maturity Date.

(d) Requests for Borrowings. To request a Borrowing, the Borrowers shall deliver to the Administrative Agent, for distribution to the Lenders, a written Borrowing Request in substantially the form of Exhibit B-1 and signed by the Borrowers (A) in the case of a Eurodollar Borrowing, not later than 12:00 p.m., Eastern time, three Business Days before the date of the proposed Borrowing (or such later date as agreed to by the Administrative Agent) or (B) in the case of an ABR Borrowing, not later than 12:00 p.m., Eastern time, three Business Days before the date of the proposed Borrowing (or such later date as agreed to by the Administrative Agent).

Section 2.04 Interest Elections.

(a) Conversion and Continuance. Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Parent Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.04. The Parent Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Subject to clause (b) below, each conversion or continuation shall be made by giving the Administrative Agent (x) in the case of a conversion or continuation into a Eurodollar Loan, at least three Business Days' prior written notice, and (y) in the case of a conversion into ABR Loans, at least one Business Day's prior written notice.

(b) [reserved]

(c) Information in Interest Election Requests. Each Interest Election Request shall specify the following information:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to Section 2.04(c)(iii) and (iv) shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Parent Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Notice to Lenders by the Administrative Agent. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Effect of Failure to Deliver Timely Interest Election Request and Events of Default. If the Parent Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Eurodollar Borrowing with an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing: (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing (and any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective) and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.05 [Reserved.].

Section 2.06 [Reserved.].

Section 2.07 Replacement of Lenders. The Parent Borrower shall be permitted to replace any Lender that (a) requests reimbursement for amounts owing pursuant to Section 5.01 or 5.03, (b) fails to vote in favor of any measure requiring the affirmative vote of one hundred percent (100%) of the Lenders or all affected Lenders (and such measure has otherwise received the affirmative vote by the Required Lenders) or (c) is a Defaulting Lender, with any Person that meets the requirements to be an assignee under Section 12.04; *provided*, that:

(i) such replacement does not conflict with any Governmental Requirement;

(ii) no Event of Default shall have occurred and be continuing at the time of such replacement that has not been waived in accordance with the terms hereof;

(iii) prior to any such replacement, such Lender shall have taken no action under Section 5.04 so as to eliminate the continued need for payment of amounts owing pursuant to Section 5.01 or 5.03(a);

(iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement;

(v) the Borrowers shall be liable to such replaced Lender under Section 5.02 if any Eurodollar Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto;

(vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 12.04 *(provided*, that any replaced Lender shall be deemed to have consented to the assignment and delegation of its interests, rights and obligations if it does not execute and deliver an Assignment to the Administrative Agent within three (3) Business Days after having received a request therefor, and the Borrowers shall be obligated to pay the registration and processing fee referred to therein);

(vii) until such time as such replacement shall be consummated, the Borrowers shall pay all additional amounts (if any) required pursuant to Section 5.01 or 5.03(a), as the case may be; and

(viii) any such replacement shall not be deemed to be a waiver of any rights that the Borrowers, the Administrative Agent or any other Lender shall have against the replaced Lender.

Section 2.08 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(b) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article X or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 12.08 shall be applied by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder (including any legal fees and expenses); second, as the Parent Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; third, if so determined by the Parent Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement (solely to the extent any such obligation exists); fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by any Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided,* that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 6.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of allnon-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata under the applicable facility. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

## ARTICLE III
## Payments of Principal and Interest; Prepayments; Fees

Section 3.01 Repayment of Loans. The Borrowers hereby unconditionally promise to pay to the Administrative Agent, for the account of each Lender, the then unpaid principal amount of each Loan on the Maturity Date.

Section 3.02 Interest.

(a) ABR Loans. The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Interest Rate, but in no event to exceed the Highest Lawful Rate.

(b) Eurodollar Loans. The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Interest Rate, but in no event to exceed the Highest Lawful Rate.

(c) Post-Default. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, upon the request of the Required Lenders, all Loans outstanding hereunder shall bear interest from and after the date of such Event of Default until such Event of Default has been cured or waived, after as well as before judgment, at a rate per annum equal to two percent (2.00%) plus the then applicable rate of interest accruing on such Loan as provided in Sections 3.02(a) and (b), but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and on the Maturity Date and shall be payable entirely in cash; provided that (i) interest accrued pursuant to Section 3.02(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than an optional prepayment of an ABR Loan prior to the Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable in cash on the date of such repayment or prepayment, and (iii) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year),and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error, and be binding upon the parties hereto.

Section 3.03 Alternate Rate of Interest; Effect of Benchmark Transition Event.

(a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate for such Interest Period; provided, that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Parent Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrowers may amend this Agreement to replace the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrowers so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the LIBO Rate with a Benchmark Replacement pursuant to this Section 3.03 will occur prior to the applicable Benchmark Transition Start Date.

(c) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent (acting at the direction of the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document (and the Lenders hereby (i) authorize and direct the Administrative Agent to make any Benchmark Replacement Conforming Changes (and to enter into any modifications to the Credit Agreement or Loan Documents implementing such Benchmark Replacement Conforming Changes) that have been consented or agreed to by the Required Lenders, or in respect of which the Administrative Agent has received a direction from the Required Lenders to implement and (ii) acknowledge and agree that the Administrative Agent shall be entitled to all of the exculpations, protection and indemnifications provided for in this Agreement in favor of the Administrative Agent in implementing any Benchmark Replacement Conforming Changes (or in entering into any modifications to the Credit Agreement or the other Loan Documents implementing the same) that have been consented or agreed to by the Required Lenders, or in respect of which the Administrative Agent has received a direction from the Required Lenders to implement), any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrowers and the Lenders of (i) any Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to clauses (b) through (e) of this Section 3.03 including any determination with respect to a tenor, rate or adjustment or of the occurrence ornon-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03.

(e) Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, the Parent Borrower may revoke any request for a Eurodollar Borrowing of, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Parent Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period, the component of ABR based upon the LIBO Rate will not be used in any determination of ABR.

(f) Certain Defined Terms. As used in this Section 3.03:

"Benchmark Replacement" means the sum of: (a) the alternate benchmark rate (which may include Term SOFR) that has been selected by the Administrative Agent, the Required Lenders, and the Parent Borrower giving due consideration to (i) any selection or recommendation of a replacement rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a rate of interest as a replacement to the LIBO Rate for U.S. dollar-denominated syndicated credit facilities and (b) the Benchmark Replacement Adjustment; *provided* that, if the Benchmark Replacement as so determined would be less than zero, the Benchmark Replacement will be deemed to be zero for the purposes of this Agreement; provided further that any such Benchmark Replacement shall be administratively feasible as determined by the Administrative Agent in its sole discretion.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the LIBO Rate with an Unadjusted Benchmark Replacement for each applicable Interest Period, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent, the Required Lenders and the Parent Borrower giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the LIBO Rate with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the LIBO Rate with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated syndicated credit facilities at such time, provided that any such Benchmark Replacement Adjustment shall be administratively feasible as determined by the Administrative Agent in its sole discretion.

Section 3.04 Prepayments.

(a) Optional Prepayments. The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with Section 3.04(b).

(b) Notice and Terms of Optional Prepayment. The Parent Borrower shall notify the Administrative Agent by delivery of a notice of prepayment in the form of Exhibit B-2 hereto ("Notice of Prepayment") executed by a Responsible Officer of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 1:00 p.m., Eastern time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 1:00 p.m., Eastern time, two (2) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, a Notice of Prepayment may state that such notice is conditioned upon the occurrence of a specified event, in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each prepayment hereunder shall be in an amount that is an integral multiple of $1,000,000 (or such lesser amount or integral to repay a Borrowing in full). Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02. The Borrowers shall be responsible for any break funding payments pursuant toSection 5.02 in connection with any prepayment under Section 3.04(a).

(c) Asset Sale and Specified Proceeds Mandatory Prepayments.

(i) Subject to Section 3.04(c)(iii) below, if a prepayment shall be required under this Section 3.04(c)(i), not later than five (5) Business Days following the date on which any Asset Sale is consummated (other than any Excluded Asset Sale) or the Parent Borrower or any Restricted Subsidiary receives any Specified Proceeds, the Parent Borrower shall deliver an Officer's Certificate to the Administrative Agent which shall specify in reasonable detail (x) the aggregate amount of Net Proceeds of such Asset Sale (or, as applicable, the aggregate amount of Specified Proceeds received by the Parent Borrower and its Restricted Subsidiaries) and (y) the amount of such Net Proceeds (or, as applicable, the amount of Specified Proceeds) that is required to be offered by the Parent Borrower to the Lenders to prepay the Loans, as determined pursuant to the table immediately below and taking into account the provisions in Sections 3.04(c)(ii) through (v).

| Type of Asset Sale or other event | Percentage of Net Proceeds (or Specified Proceeds) subject to prepayment requirement | Percentage of Net Proceeds (or Specified Proceeds) eligible for Reinvestment Right |
|---|---|---|
| "Event of Loss" | 100% | 100% |
| Receipt of "Specified Proceeds" | 100% | 100% |
| 9.08(b)(i): Asset Sales of Stacked Vessels or Vessels that are no longer useful in the business of the Parent Borrower and its Restricted Subsidiaries | 100% | 66% |
| 9.08(b)(ii): Sale Leaseback Transactions | 50% | 0% |
| 9.08(b)(iii): other Asset Sales | 100% | 100%, and in the case of each of HOS Warhorse and HOS Wild Horse, 66% |

The Administrative Agent shall provide such Officer's Certificate to the Lenders to be offered to prepay the Loans (a "Prepayment Offer"), each of whom may decline all but not less than all of its pro rata share of the Net Proceeds or Specified Proceeds, as applicable, required to prepay the Loans (any such amounts not accepted, the "Declined Amounts") by providing written notice (a "Rejection Notice") to the Administrative Agent and the Parent Borrower no later than 5:00 p.m., Eastern time, five Business Days after the date on which the Administrative Agent provides such Officer's Certificate to the Lenders (and the Administrative Agent shall provide the Parent Borrower with the date on which such Officer's Certificate is so provided). If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time period specified above, such Lender shall be deemed to have accepted the full amount of its share of the Prepayment Offer. The Borrowers shall prepay all Loans required to be prepaid by it under this Section 3.04(c)(i) no later than two Business Days after expiration of the time period specified above. Any Declined Amounts shall no longer be subject to this Section 3.04(c)(i) and may be used by the Parent Borrower or any of its Restricted Subsidiaries in any manner not prohibited by this Agreement, subject to any prepayment requirement under any other Debt.

(ii) [Reserved].

(iii) [Reserved].

(iv) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), with respect to any Net Proceeds realized or received with respect to any Asset Sale or any Specified Proceeds, in each case other than Net Proceeds that are not eligible for the Reinvestment Right (as defined below) pursuant to the table set forth in Section 3.04(c)(i), if the Parent Borrower elects to reinvest the permitted percentage (set forth in the table in Section 3.04(c)(i)) of such Net Proceeds or Specified Proceeds in assets useful in the business of the Loan Parties (excluding cash or Cash Equivalents), then the Parent Borrower shall not be required to make a mandatory prepayment offer under Section 3.04(c)(i) in respect of such Net Proceeds or Specified Proceeds that are so reinvested within 365 days following receipt thereof (such period, the "Reinvestment Period"; and such right to reinvest such Net Proceeds, the "Reinvestment Right"); provided that, that to the extent that such Net Proceeds or Specified Proceeds have not been so reinvested prior to the expiration of the Reinvestment Period, the Parent Borrower shall within three (3) Business Days of the expiration of the Reinvestment Period, apply such non-reinvested Net Proceeds or Specified Proceeds to the prepayment of Loans as provided in Section 3.04(c)(i).

(v) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), any prepayment referred to in Section 3.04(c)(i) attributable to any Foreign Subsidiary is subject to permissibility under local law (e.g., financial assistance, thin capitalization, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant Subsidiaries). Further, there will be no requirement to make any prepayment to the extent that the Parent Borrower or any of its Restricted Subsidiaries would suffer material adverse tax consequences as a result of upstreaming or repatriating cash to make such prepayment (including the imposition of withholding taxes); provided that, a material adverse tax consequence shall only arise to the extent that a prepayment would materially increase the amount of tax that the Parent Borrower or any of its Restricted Subsidiaries would otherwise be required to pay if such prepayment were not made, taking into account the availability of any items of deduction or credit (but excluding any net operating losses) of the Parent Borrower and its Restricted Subsidiaries to offset the amount of income required to be included or the amount of tax required to be paid by the Parent Borrower or any of its Restricted Subsidiaries. This non-application of amount as a result of the foregoing provisions will not constitute an Event of Default and such amounts shall be available for general corporate purposes of the applicable Foreign Subsidiary. The Parent Borrower and each Foreign Subsidiary will undertake to use its reasonable best efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant prepayment (all as determined in accordance with the Parent Borrower's reasonable business judgment). Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by the Parent Borrower (or its direct or indirect members) or any of its Restricted Subsidiaries and arising as a result of compliance with the preceding sentence, and the Parent Borrower and its Restricted Subsidiaries shall be permitted to make, directly or indirectly, a dividend or distribution to its affiliates in an amount sufficient to cover such tax liability, costs or expenses.

(d) Unpermitted Debt Mandatory Prepayment(e) . If following the Effective Date, the Parent Borrower or any Restricted Subsidiary incurs or issues any Debt or Disqualified Stock not expressly permitted to be incurred or issued pursuant to Section 9.02, the Parent Borrower shall cause to be prepaid an aggregate principal amount of Loans equal to 100% of all Net Proceeds received therefrom on or prior to the date which is two Business Days after the receipt of such Net Proceeds.

Section 3.05 Fees.

(a) Administrative Agent Fees. The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent in the applicable Fee Letter.

(b) Other Fees. The Borrowers agree to pay to the Lenders as of the Effective Date, fees payable in the amounts and at the times separately agreed upon between the Borrowers and such Lenders in the applicable Fee Letter.

**ARTICLE IV**
**Payments; Pro Rata Treatment; SharingSet-offs**

Section 4.01 Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrowers. The Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest, fees or reimbursement of amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 12:00 p.m., Eastern time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim. Fees, once paid, shall be fully earned and shall not be refundable under any circumstances. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate Recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in U.S. dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder (plus any fees and expenses owed to the Administrative Agent), pro rata among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations (other than pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03) greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided,* that:

(A) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and

(B) the provisions of this Section 4.01(c) shall not be construed to apply to (1) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or (2) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Parent Borrower or any of its Subsidiaries (except if such assignment is pursuant to Section 12.04(g), as to which the provisions of this Section 4.01(c) shall not apply). The Borrowers consent to the foregoing and agree, to the extent they may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrowers. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may (but shall have no obligation to), in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 4.02 then the Administrative Agent may (notwithstanding any contrary provision hereof) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid. If at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, all principal will be paid ratably as provided in Section 10.02(c).

## ARTICLE V
## Increased Costs; Break Funding Payments; Taxes; Illegality

Section 5.01 Increased Costs.

(a) Changes in Law. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient in accordance with Section 5.01(c), the Borrowers will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon request of such Lender in accordance with Section 5.01(c), the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 5.01(a) or (b) together with reasonable supporting documentation shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lenders to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's right to demand such compensation; *provided*, that the Borrowers shall not be required to compensate a Lender pursuant to this Section 5.01 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided, further,* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrowers shall compensate each Lender requesting a reimbursement for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 5.03 Taxes.

(a) For purposes of this Section 5.03, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. The Borrowers shall cause any and all payments by or on account of any obligation of any Loan Party under any Loan Document to be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes. Without duplication of Section 5.03(b) (Payments Free of Taxes), the Borrowers shall, and shall cause the other Loan Parties to, pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. Without duplication of any obligation under Section 5.03(b) (Payments Free of Taxes) and Section 5.03(c) (Payment of Other Taxes), the Borrowers shall, and shall cause the other Loan Parties to, jointly and severally indemnify each Recipient, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrowers by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, and shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 5.03, such Loan Party shall (or the Borrowers shall cause such Loan Party to) deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing any payment of Indemnified Taxes by such Loan Party to a Governmental Authority, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the

Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrowers within the meaning of Section 881(c) (3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each

beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner.

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrowers (and the Administrative Agent, if delivered by a Lender) at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(iii) The Administrative Agent (and any assignee or successor) will deliver, to the Borrowers, on or prior to the Effective Date (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI or any successor thereto with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a "qualified intermediary" or a "U.S. branch"), accompanied by IRS Form W-8 ECI, W-8BEN (or Form W-8BEN-E if applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9 or any successor thereto, whichever is applicable, and in each case of (i) and (ii), with the effect that the Borrowers can make payments to the Administrative Agent without deduction or withholding of any taxes imposed by the United States.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification (or a successor form thereto) upon the reasonable request of the Borrowers.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 5.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 5.04 Mitigation Obligations. If any Lender requests compensation under Section 5.01, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrowers and the Administrative Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the "Affected Loans") until such time as such Lender may again make and maintain such Eurodollar Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrowers and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans on the date specified by such Lender in such notice) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

(a) The Borrowers and the Guarantors shall maintain and preserve all of their respective Properties (and any Property leased by or consigned to any of them or held under title retention or conditional sales contracts) other than Vessels (which for the avoidance of doubt are covered by the next sentence) that are used or useful in the conduct of their respective business in the ordinary course in good working order and condition at all times, ordinary wear and tear excepted, all in accordance with standards maintained by other Persons engaged in the same or similar business types, and make all repairs, replacements, additions, betterments and improvements to such Properties (other than Vessels) to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect. Except during any period that a Vessel is undergoing repairs or maintenance or is a Stacked Vessel, the Borrowers and the Guarantors shall: (i) at all times maintain and preserve, or cause to be maintained and preserved, each Vessel in good running order and repair, so that such Vessel shall be, insofar as due diligence can make it so, tight, staunch, and sufficiently tackled, equipped and seaworthy and in good condition, ordinary wear and tear excepted, and fit for its intended service, and make all needful and proper repairs, renewals, betterments and improvements necessary to keep such Vessel well maintained and in seaworthy condition, to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect; (ii) at all times maintain each Vessel in class with the American Bureau of Shipping or another classification society that is a member of the International Association of Classification Societies and promptly take steps to remove or remedy or satisfy any exception, condition or recommendation of the Vessel's classification society affecting class, to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect; (iii) have on board each Vessel, when required by applicable Governmental Requirements, valid certificates required thereby to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect; (iv) furnish annually to the Collateral Agent a copy of any certificate of class that has been updated for any Vessel since the Effective Date; and (v) furnish annually upon request by the Collateral Agent, a confirmation of class certificate from the American Bureau of Shipping or another classification society that is a member of the International Association of Classification Societies showing that such classification has been maintained.

(b) (i) Each Loan Party that owns or operates, or will own or operate, Vessel Collateral will not transfer the ownership or change the flag or documentation or registration of such Vessel Collateral without: (x) except for any Approved Vessel Reflagging Transaction, the prior written consent of the Required Lenders requested no fewer than ten (10) Business Days (or such shorter period as the Required Lenders shall agree in their sole discretion) before the requested date of such transfer or change; and (y) with respect to any Approved Vessel Reflagging Transaction or to the extent otherwise so approved by the Required Lenders, (A) promptly in the case of transferring ownership of Vessel Collateral to a Foreign Subsidiary organized under the laws of, and/or changing the flag or registration of Vessel Collateral to, Liberia, the Marshall Islands, Panama or Vanuatu, and (B) within sixty (60) days (or such longer period as the Required Lenders shall agree in their reasonable discretion) in the case of transferring ownership of Vessel Collateral to a Foreign Subsidiary organized under the laws of, and/or changing the flag or registration of Vessel Collateral to, any other foreign jurisdiction, satisfying all applicable Vessel Collateral Requirements for such Vessel Collateral and executing and delivering (or causing to be executed and delivered) all such additional documents, agreements or other instruments and/or taking (or causing to be taken) all such actions (including the making of any recordings or filings) as are deemed necessary or desirable by the Collateral Agent to perfect, protect and preserve the security interest in favor of the Collateral Agent or trustee/mortgagee (acting on behalf of the Collateral Agent), as the case may be, for the benefit of the Secured Parties in such Vessel Collateral granted pursuant to the applicable Maritime Mortgage (or, if a Maritime Mortgage may not be granted, to provide an alternative security interest or other collateral reasonably acceptable to the Collateral Agent and the Required Lenders (in or with respect to such Vessel Collateral under the laws of the applicable foreign-flag jurisdiction in which such Vessel Collateral is being registered)); it being understood and agreed that, without limiting the foregoing, in order for such alternative security interest to be reasonably acceptable to the Collateral Agent and the Required Lenders, the Collateral Agent and the Lenders shall have received an opinion of counsel in the appropriate jurisdiction in form and substance reasonably satisfactory to the Collateral Agent and the Required Lenders (as to the creation, validity and perfection of such alternative security interest).

(ii) Notwithstanding anything in the Loan Documents to the contrary, in the event of a change of the ownership of and/or the flag or documentation or registration of Vessel Collateral permitted under this Section 8.11(b)), the Investment made in connection with such a transaction may be structured as a Foreign Vessel Reflagging Transaction. A "Foreign Vessel Reflagging Transaction" is defined as one or more Investments by the Parent Borrower or a Restricted Subsidiary of cash in one or more Subsidiaries, the proceeds of which will be used by a Restricted Subsidiary to purchase Vessel Collateral from a Loan Party, the net effect of which is that (x) the Vessel Collateral subject to such Foreign Vessel Reflagging Transaction shall continue to be Vessel Collateral (and the requirements under Section 8.11(b)(i) shall apply to such Vessel Collateral and Foreign Vessel Reflagging Transaction) and (y) such cash is substantially contemporaneously returned to the Parent Borrower or the Restricted Subsidiary making the initial Investment, in each case, in order to facilitate a change to the flag or documentation or registration of any Vessel Collateral (so long as such Investments constitute Permitted Investments or Investments not restricted by Section 9.01). After giving full effect to any Foreign Vessel

Reflagging Transaction where the cash-transfer transaction steps occur substantially simultaneously, a receipt by any Subsidiary of such cash and the existence of any intercompany loan receivable created by the further loaning of such funds by such Subsidiary to another Subsidiary shall not in itself trigger a requirement to provide additional Collateral or to enter into any additional Loan Documents.

Upon the request of any Lender or the Administrative Agent on behalf of any Lenders or Lenders, the Parent Borrower shall provide such Persons with the definitive documentation of any Material Debt consisting of debt for borrowed money or debt evidenced by bonds, debentures, notes, term loans or similar instruments, including any side letters or fee letters related thereto (provided that the amount of fees payable under such financings may be redacted in a customary manner).

Except as would not result in a material liability to a Loan Party, the Parent Borrower will comply with all of the applicable funding and other requirements of ERISA as such requirements relate to the Benefit Plans of the Loan Party.

(c) The Borrowers shall not, and shall not permit any Guarantor to, directly or indirectly, incur any Debt which by its terms (or by the terms of any agreement governing such Debt) is subordinated to any other Debt of the Parent Borrower, the Co-Borrower or of such Guarantor, as the case may be, unless such Debt is also by its terms (or by the terms of any agreement governing such Debt) made expressly subordinate to the Loans or the Loan Guarantee of such Guarantor, as the case may be, to the same extent and in the same manner as such Debt is subordinated pursuant to subordination provisions that are most favorable to the holders of any other Debt of the Parent Borrower, the Co-Borrower or of such Guarantor, as the case may be; provided, however, that no Debt shall be deemed to be contractually subordinated in right of payment to any other Debt solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 9.02, in the event that an item of proposed Debt meets the criteria of more than one of the categories of Debt described in Section 9.02(b), or is entitled to be incurred pursuant to Section 9.02(a), the Parent Borrower shall be permitted to divide or classify such item of Debt on the date of its incurrence (but shall not be permitted to later divide or reclassify all or a portion of such item of Debt after the date of its incurrence), in any manner that complies with this Section 9.02, and such item of Debt will be treated as having been incurred pursuant to one or more of such categories; provided that (x) [reserved] and (y) all Indebtedness under this Agreement and the other Loan Documents shall at all times be deemed outstanding under Section 9.02(b)(iv). ## ARTICLE XI
## The Agents

Section 11.01 Appointment; Powers. Each of the Lenders hereby appoints Wilmington Trust as its Administrative Agent and the Collateral Agent (including as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages). Each Lender authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms hereof and the other Loan Documents.

Section 11.02 Duties and Obligations of the Agents. The Agents shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term "Administrative Agent", "Collateral Agent" or "Agent" herein and in the other Loan Documents with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) no Agent shall have any

duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 11.03, and (c) except as expressly set forth herein, no Agent shall have a duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Subsidiaries that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. The Agents shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to a responsible officer of such Agent by the Parent Borrower, the Co-Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into:

(i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;

(ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith;

(iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document;

(iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document;

(v) the satisfaction of any condition set forth in Article VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or as to those conditions precedent expressly required to be to such Agent's satisfaction;

(vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Parent Borrower and its Subsidiaries or

(vii) any failure by the Parent Borrower, the Co-Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein.

For purposes of determining compliance with the conditions specified in Article VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless an Agent shall have received written notice from such Lender prior to the proposed Effective Date specifying its objection thereto.

Section 11.03 Action by Agents. Each Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and in all cases each Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) specifying the action to be taken and (b) be indemnified to its satisfaction by the

Lenders against any and all liability claims, losses, fees and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by an Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then an Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities satisfactory to it) described in this Section 11.03; *provided,* that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the interests of the Lenders. In no event, however, shall an Agent be required to take any action which exposes such Agent to a risk of personal liability or which is contrary to this Agreement, the Loan Documents or applicable law. If a Default has occurred and is continuing, no Agent shall have any obligation to perform any act in respect thereof. Each Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise such Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith including its own ordinary negligence, except for its own gross negligence or willful misconduct.

The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or with respect to any Benchmark Replacement or Benchmark Replacement Adjustment, including without limitation, whether the composition or characteristics of any such Benchmark Replacement or Benchmark Replacement Adjustment will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

Section 11.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon, except in the case of gross negligence or willful misconduct by such Agent and each of the Borrowers, the Guarantors, and the Lenders hereby waives the right to dispute such Agent's record of such statement absent manifest error. The Agent shall be entitled to request written instructions from the Borrower, the Guarantors, the Lenders and the other Loan Parties, and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Agent in accordance with such written direction. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with such Agent.

Section 11.05 Sub-Agents. Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-Agents appointed by such Agent. Each Agent and any such sub-Agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this Article XI shall apply to any such sub-Agent and to the Related Parties of such Agent and any such sub-Agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

Section 11.06 Resignation or Removal of Agents. Subject to the appointment and acceptance of a successor Agent, including as the case may be, the Collateral Agent, as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages, as provided in this Section 11.06, each Agent may resign at any time by notifying the Lenders and the Borrowers, and such Agent may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation or removal of the retiring Agent, then the retiring Agent may, on behalf of the Lenders and at the expense of the Borrowers, appoint a successor Agent, or an Affiliate of any such Lender as approved by the Required Lenders or if no such successor shall be appointed by the retiring Agent as aforesaid, the Required Lenders shall thereafter perform all of the duties of the retiring Agent hereunder (and the retiring Agent shall be discharged from its duties and obligations hereunder) until such appointment by the Required Lenders is made and accepted. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Agent's resignation hereunder, the provisions of this Article XI and Section 12.03 shall continue in effect for the benefit of such retiring Agent, its sub-Agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent. The institution acting as Collateral Agent shall always also act as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages.

Section 11.07 Agents as Lenders. Each Lender serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such Lender and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Parent Borrower or any of its Subsidiaries or other Affiliates as if it were not an Agent hereunder.

Section 11.08 Funds held by Agents. The Agents shall have no responsibility for interest or income on any funds held by it hereunder and any funds so held shall be held uninvested pending distribution thereof.

Section 11.09 No Reliance. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this

Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. No Agent shall be required to keep itself informed as to the performance or observance by the Parent Borrower or any of its Subsidiaries of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Property or books of the Parent Borrower or its Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by an Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrowers (or any of their Affiliates) which may come into the possession of such Agent or any of its Affiliates. Each party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

Section 11.10 Agents May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrowers, the Guarantors or any of their Subsidiaries, each Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether an Agent shall have made any demand on the Borrowers or the Guarantors) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file a proof-of-claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Indebtedness that are owing and unpaid and to file such other documents as may be necessary and directed by the Required Lenders in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under Section 12.03) allowed in such judicial proceeding;

(b) to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same; and

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized and directed by each Lender to make such payments to the Agents and, in the event that the Agents shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their agents and counsel, and any other amounts due the Agents under Section 12.03.

Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Indebtedness or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.11 Authority of the Agents to Release Collateral, Liens and Guarantors. Each Lender hereby authorizes the Collateral Agent to release any Collateral that is permitted to be sold or released pursuant to the terms of the Loan Documents and to release any Guarantor that is permitted to be released pursuant to the terms of the Loan Documents. Each Lender hereby

authorizes the Collateral Agent to execute and deliver to the Borrowers, at the Borrowers' sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrowers in connection with any sale or other disposition (including by Investment) of Property (in each case subject to the following sentence) to the extent such sale or other disposition is authorized by the terms of the Loan Documents and complies with Section 9.14 of the Guaranty and Collateral Agreement, as evidenced in an Officer's Certificate delivered to the Collateral Agent. Notwithstanding the foregoing, it is understood and agreed that the Liens on any Collateral securing the Indebtedness shall not be released upon a sale, transfer, Investment or other disposition of such Collateral (x) to any Person that is, or that is required to be, in each case at the time of such sale, transfer or other disposition, a Loan Party (but disregarding the grace period provided for in Section 8.14(a)(ii)) or (y) if such Collateral is Vessel Collateral, if the transferee is a Restricted Subsidiary of the Parent Borrower; *provided, however,* that in connection with an Approved Vessel Reflagging Transaction or a Foreign Vessel Reflagging Transaction that is permitted under this Agreement, if the Person to whom such Collateral is being transferred grants a new Lien on such Collateral in favor of the Collateral Agent, for the benefit of the Secured Parties that is comparable, in the good faith determination of the Required Lenders, in scope, validity and perfection to the existing Lien, then the Collateral Agent shall release such Collateral. Upon the request of the Borrowers, in connection with any transaction otherwise permitted hereunder, the Administrative Agent and/or the Collateral Agent is authorized to release (i) Collateral that is disposed of (other than to a Person that is, or that is required to be, in each case at the time of such sale, transfer or other disposition, a Loan Party (but disregarding the grace period provided for in Section 8.14(a)(ii)) or Collateral that is owned by a Person that ceases to be a Restricted Subsidiary of the Parent Borrower and (ii) any Guarantor from its Guaranty Agreement and its obligations thereunder if such Guarantor ceases to be a Restricted Subsidiary of the Parent Borrower; provided that, for the avoidance of doubt, in no event is the Administrative Agent or Collateral Agent authorized to release the Co-Borrower from its obligations under this Agreement other than is permitted under Section 12.02.

Section 11.12 Merger, Conversion or Consolidation of Agents. Any corporation into which the Agents may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Agents shall be a party, or any corporation succeeding to the corporate trust and loan agency business of the Agents, shall be the successor of the Agents hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Parent Borrower, the Co-Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any other Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof nor any Security Instrument nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; *provided,* that no such agreement shall

(i) increase the Commitment of any Lender without the written consent of such Lender,

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, or reduce any other Indebtedness hereunder or under any other Loan Document, without the written consent of each Lender affected thereby,

(iii) postpone the scheduled date of payment or prepayment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or any other Indebtedness hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Maturity Date without the written consent of each Lender affected thereby,

(iv) change Section 4.01(b) or Section 4.01(c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender,

(v) release all or substantially all of the collateral or all or substantially all of the value of the guarantees of the Indebtedness made by the Guarantors without the written consent of each Lender,

(vi) change any of the provisions of this Section 12.02(b) or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender, or

(vii) amend or modify this Agreement in any manner that would permit the incurrence, assumption or issuance of (a) any additional Indebtedness hereunder or (b) any additional Debt or Disqualified Stock that is permitted to be secured by all or any portion of the Collateral on a senior or pari passu basis relative to the Liens on such Collateral securing the Indebtedness, in each case of clause (a) and (b), without the consent of each Lender;

*provided, further,* that no such agreement shall amend, modify or otherwise affect the rights or duties of any Agent hereunder or under any other Loan Document without the prior written consent of such Agent. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment or Loans of such Lender may not be increased or extended without the consent of such Lender.

(c) Notwithstanding anything to the contrary contained in this Section 12.02, the Administrative Agent may, with the written consent of the Borrowers and the Required Lenders only, amend, modify or supplement this Agreement or any of the other Loan Documents to correct any clerical errors or cure any ambiguity, omission, mistake, defect or inconsistency so long as such correction is not materially adverse to the Lenders.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket fees and expenses incurred by the Agents and the Lenders and their respective Affiliates, including, without limitation, the reasonable and documented fees, charges and disbursements of counsel for the Agents and the Lenders (but limited to one primary counsel for each of (x) the Agents and their respective Affiliates, collectively and (y) the Lenders and their respective Affiliates, collectively, and in each case, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty (and, in the case of an actual conflict of interest, where the party affected by such conflict, informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected person), (ii) all reasonable and documented travel, photocopy, mailing, courier, telephone and other similar expenses, in connection with the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Agents and/or the Lenders as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions

hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (iii) all costs, expenses, Taxes, assessments, paralegal services, notary fees, language translation fees and other charges incurred by any Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, and (iv) all out-of-pocket fees and expenses incurred by any Agent or any Lender, including the fees, charges and disbursements of any counsel for any Agent or any Lender (but limited to one primary counsel for each of (x) the Agents and their respective Affiliates, collectively and (y) the Lenders and their respective Affiliates, collectively, and in each case, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty (and, in the case of an actual conflict of interest, where the party affected by such conflict, informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected person)), in connection with the enforcement or protection of its rights in connection with this Agreement or any other Loan Document, including its rights under this Section 12.03, and including, without limitation, all such out-of-pocket expenses incurred during any workout or restructuring in respect of such Loans.

(b) THE BORROWERS SHALL, AND SHALL CAUSE THE OTHER LOAN PARTIES TO, JOINTLY AND SEVERALLY INDEMNIFY THE ADMINISTRATIVE AGENT AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "INDEMNITEE") AGAINST, AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, LIABILITIES, FEES AND RELATED EXPENSES, INCLUDING THE FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE FAILURE OF THE PARENT BORROWER OR ANY SUBSIDIARY TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF ANY LOAN PARTY SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR THE USE OF THE PROCEEDS THEREFROM, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE PARENT BORROWER AND ITS SUBSIDIARIES BY THE PARENT BORROWER AND ITS SUBSIDIARIES, (vii) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) ANY ENVIRONMENTAL LIABILITY ARISING OUT OF THE OPERATIONS OF THE PARENT BORROWER OR ANY SUBSIDIARY OR ANY OF THEIR PROPERTIES, INCLUDING WITHOUT LIMITATION, THE PRESENCE, GENERATION, STORAGE, RELEASE, THREATENED RELEASE, USE, TRANSPORT, DISPOSAL, ARRANGEMENT OF

DISPOSAL OR TREATMENT OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON ANY OF THEIR PROPERTIES, (ix) THE BREACH OR NON-COMPLIANCE BY THE PARENT BORROWER OR ANY SUBSIDIARY WITH ANY ENVIRONMENTAL LAW APPLICABLE TO THE PARENT BORROWER OR ANY SUBSIDIARY, (x) THE PAST OWNERSHIP BY THE PARENT BORROWER OR ANY SUBSIDIARY OF ANY OF THEIR PROPERTIES OR PAST ACTIVITY ON ANY OF THEIR PROPERTIES WHICH, THOUGH LAWFUL AND FULLY PERMISSIBLE AT THE TIME, COULD RESULT IN PRESENT LIABILITY, (xi) THE PRESENCE, USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON OR AT ANY OF THE PROPERTIES OWNED OR OPERATED BY THE PARENT BORROWER OR ANY SUBSIDIARY OR ANY ACTUAL OR ALLEGED PRESENCE OR RELEASE OF HAZARDOUS MATERIALS ON OR FROM ANY PROPERTY OWNED OR OPERATED BY THE PARENT BORROWER OR ANY SUBSIDIARY, (xii) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE PARENT BORROWER OR ANY SUBSIDIARY, (xiii) ANY OTHER ENVIRONMENTAL, HEALTH OR SAFETY CONDITION IN CONNECTION WITH THE LOAN DOCUMENTS, OR (xiv) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; *PROVIDED,* THAT ANY OF THE ABOVE INDEMNITIES SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM (X) THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE OR (Y) ANY DISPUTE SOLELY AMONG INDEMNITEES (OTHER THAN ANY CLAIMS AGAINST AN INDEMNITEE IN ITS CAPACITY OR IN FULFILLING ITS ROLE AS AN AGENT OR ARRANGER OR ANY SIMILAR ROLE HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT AND OTHER THAN ANY CLAIMS ARISING OUT OF ANY ACT OR OMISSION OF THE PARENT BORROWER OR ANY OF ITS SUBSIDIARIES). This Section 12.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising out of any non-Tax claim.

(c) To the extent any Agent is not jointly and severally reimbursed and/or indemnified by the Borrowers and/or the other Loan Parties in accordance with the provisions of this Agreement, the Lenders will reimburse and indemnify such Agent, severally and not jointly, in proportion to each Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense of indemnity payment is sought), for and against any and all liabilities,

obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by such Agent in connection with or arising out of any act or omission of such Agent related to its duties hereunder or under any other Loan Document or the performance thereof or in any way relating to or arising out of this Agreement or any other Loan Document; *provided,* that no Lender, Borrower or other Loan Party shall be liable for any of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any claim for indemnification hereunder, this Section 12.03 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person.

(d) To the extent permitted by applicable law, no Loan Party hereto shall assert, and each Loan Party hereto hereby waives, any claim against each other, on any theory of liability, for special, indirect, consequential, incidental or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; *provided,* that the foregoing shall not limit the Borrower's, the Lenders' or the other Loan Parties' indemnification obligations pursuant to Section 12.03(b) to the extent such damages are included in any such claim that is entitled to such indemnification.

(e) All amounts due under this Section 12.03 shall be payable not later than ten (10) days after written demand therefor. ThisSection 12.03 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 12.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 9.04, no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by such Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 12.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 12.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than a Disqualified Lender) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments or the Loans at the time owing to it) pursuant to an Assignment and Assumption Agreement substantially in the form of Exhibit G (an "Assignment") with the prior written consent of the Borrowers (which consent shall be deemed to be provided if the Borrowers do not respond to a request for such

consent within 10 Business Days after written receipt of request thereof) and the Administrative Agent (in each case, such consent not to be unreasonably withheld); provided that (x) no such consent of the Borrowers shall be required if an Event of Default has occurred and is continuing and (y) no such consent of the Administrative Agent or the Borrowers shall be required if such assignment is to a Lender, an Affiliate of a Lender, an Approved Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless the Administrative Agent otherwise consents; *provided,* that simultaneous assignments to affiliated funds may be aggregated;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment, together with a processing and recordation fee of $3,500; *provided,* that (x) the Administrative Agent may, elect to waive or reduce such processing and recordation fee in the case of any assignment; *provided further,* that, such processing and recordation fee shall not be payable to the extent the assignee is an Affiliate of a Lender, an Approved Lender or an Approved Fund and (y) simultaneous assignments to affiliated funds shall be deemed to constitute a single assignment for purposes of the foregoing;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) notwithstanding anything to the contrary herein, no assignments shall be made to (1) a Defaulting Lender or any of its Subsidiaries or Affiliates or (2) the Parent Borrower or any of its Subsidiaries except as permitted by Section 12.04(g).

(iii) Subject to Section 12.04(b)(iv) and the acceptance and recording thereof, from and after the effective date specified in each Assignment the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment, be released from its obligations under this Agreement (and, in the case of an Assignment covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03 with respect to facts and circumstances occurring prior to the Effective Date). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c).

(iv) The Administrative Agent, acting for this purpose as an administrative agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment delivered to it and a register for the recordation of the names, addresses and telecopy number of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable required tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 12.04(b) and any written consent to such assignment required by Section 12.04(b), the Administrative Agent shall accept such Assignment and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register after meeting the requirements provided in this Section 12.04(b). The parties hereto agree and intend that the obligations under this Agreement shall be treated as being in "registered form" for the purposes of the Code (including Code Sections 163(f), 871(h)(2) and 8831(c)(2)), and the Register and Participant Register shall be maintained in accordance with such intention.

(c) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more Lenders or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided,* that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided,* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 12.02 that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.03. Subject to Section 12.04(c)(ii), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 5.01, 5.02 and 5.03 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender;*provided,* such Participant agrees to be subject to Section 4.01(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 5.02 or Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers' prior written consent or to extent such entitlement to

receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant shall not be entitled to the benefits of Section 5.03 unless such Participant agrees to comply withSection 5.03(g) as though it were a Lender (it being understood that the documentation shall be delivered to the participating Lender).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as anon-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); *provided,* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest;*provided,* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided,* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that affects such Participant. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.07 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender;*provided* that such Participant agrees to be subject toSection 4.01 as though it were a Lender.

(f) Notwithstanding anything in this Agreement to the contrary, in no event shall any Lender or Participant assign any portion of or sell any participations in its rights and obligations under this Agreement to any Disqualified Lender. This prohibition shall be included in any documentation effecting an assignment of any interest herein or in any Loans and any attempted assignment in violation of this provision shall be void ab initio.

(g) Notwithstanding anything in this Agreement to the contrary, any Lender may, at any time, assign all or a portion of its Loans on anon-pro rata basis to the Borrowers in accordance with the procedures set forth on Exhibit L, pursuant to an offer made by the Borrowers available to all Lenders on a pro rata basis (a "Dutch Auction"), subject to the following limitations:

(i) the Borrowers shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither it, its Affiliates nor any of its respective directors or officers has any Excluded Information that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Parent Borrower or its Subsidiaries or any of their respective securities) prior to such date;

(ii) immediately and automatically, without any further action on the part of the Borrowers, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Loans from a Lender to the Borrowers, such Loans and all rights and obligations as a Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid (provided that the Borrowers shall also pay any applicable premium or call protection), terminated, extinguished, cancelled and of no further force and effect and the Borrowers shall neither obtain nor have any rights as a Lender hereunder or under the other Loan Documents by virtue of such assignment;

(iii) the Borrowers shall not use the proceeds of any Loans for any such assignment; and

(iv) no Event of Default shall have occurred and be continuing before or immediately after giving effect to such assignment.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrowers herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 3.05, 5.01, 5.02, 5.03 and 12.03 and Article XI shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the resignation or removal of any Agent, the expiration or termination of the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Indebtedness or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any Debtor Relief Law, common law or equitable cause, then to such extent, the Indebtedness so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrowers shall take such action as may be reasonably requested by the Administrative Agent (as directed by the Required Lenders) to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the Lenders constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

(c) Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be as effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or

any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the obligations of the Borrowers or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or their respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such Loan Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application; *provided,* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12.09 GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO ANY LOAN DOCUMENT SHALL BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS; *PROVIDED*, THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE (I) ANY AGENT FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS UNDER THE LOAN DOCUMENTS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF THE ADMINISTRATIVE AGENT OR THE COLLATERAL AGENT OR (II) ANY PARTY FROM BRINGING ANY LEGAL ACTION OR PROCEEDING IN ANY JURISDICTION FOR THE RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT. EACH PARTY HEREBY AGREES THAT A FINAL JUDGMENT IN ANY SUCH LEGAL ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS.

(c) EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN; (ii) CERTIFIES THAT NO PARTY HERETO NOR ANY REPRESENTATIVE OR

ADMINISTRATIVE AGENT OR COUNSEL FOR ANY PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED THAT SUCH PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (iii) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed.

(a) to its and its Affiliates' directors, officers, employees and Administrative Agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential),

(b) to the extent requested by any regulatory authority,

(c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process,

(d) to any other party to this Agreement or any other Loan Document,

(e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Hedging Obligation relating to the Parent Borrower or the Co-Borrower, as applicable, and its obligations,

(g) with the consent of the Borrowers or

(h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrowers.

For the purposes of this Section 12.11, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Borrowers or any Subsidiary and their businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Parent Borrower or a Subsidiary;

*provided,* that in the case of information received from the Parent Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Indebtedness (or, to the extent that the principal amount of the Indebtedness shall have been or would thereby be paid in full, refunded by such Lender to the Borrowers); and (ii) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Indebtedness (or, to the extent that the principal amount of the Indebtedness shall have been or would thereby be paid in full, refunded by such Lender to the Borrowers). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans evidenced by the Notes until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12.

Section 12.13 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans hereunder are solely for the benefit of the Borrowers, the Guarantors and, unless expressly stated or referred to herein, no other Person (including, without limitation, any Subsidiary of the Borrowers, any Subsidiary of the Guarantors, any obligor, contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent or any Lender for any reason whatsoever. There are no third party beneficiaries other than the Guarantors or as otherwise expressly stated or referred to herein.

Section 12.14 Electronic Communications.

(a) The Borrowers hereby agree that, unless otherwise requested by the Administrative Agent, each will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement, (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder or (v) initiates or responds to legal process (all such non-excluded information being referred to herein collectively as the "Communications") by transmitting the Communications in an electronic/soft medium (*provided,* such Communications contain any required signatures) in a format acceptable to the Administrative Agent, to suche-mail address designated by the Administrative Agent from time to time. Each of the Agents and the Lenders hereby agrees that, unless otherwise requested by the Borrowers, to the extent such Agent or Lender delivers or furnishes any communication hereunder to the Loan Parties by electronic communications, unless receipt of such electronic communication is acknowledged by the Borrowers, such Agent or Lender will provide such notice or communication by telephone and hard copy communication as well.

(b) Each party hereto agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on IntraLinks or another relevant website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent) (the "Platform"). Nothing in this Section 12.14 shall prejudice the right of the Administrative Agent to make the Communications available to the Lenders in any other manner specified in the Loan Documents.

(c) The Parent Borrower hereby acknowledges that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material nonpublic information with respect to the Borrowers or their securities) (each, a "Public Lender"). The Parent Borrower hereby agrees that (i) Communications that may not be made available to Public Lenders shall be clearly and conspicuously marked "PRIVATE" which, at a minimum, shall mean that the word "PRIVATE" shall appear prominently on the first page thereof, (ii) by not marking Communications "PRIVATE," the Parent Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Communications as either publicly available information or not material information (although it may be sensitive and proprietary) with respect

to the Parent Borrower or its securities for purposes of United States federal and state securities laws, (iii) all Communications not marked "PRIVATE" are permitted to be made available through a portion of the Platform designated "Public Lender," and (iv) the Administrative Agent shall be entitled to treat any Communications that are marked "PRIVATE" as being suitable only for posting on a portion of the Platform not designated "Public Lender."

(d) Each Lender agrees that e-mail notice to it (at the address provided pursuant to the next sentence and deemed delivered as provided in the next paragraph) specifying that Communications have been posted to the Platform shall constitute effective delivery of such Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (i) to notify the Administrative Agent in writing (including by electronic communication) from time to time to ensure that the Administrative Agent has on record an effective e-mail address for such Lender to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address.

(e) Each party hereto agrees that any electronic communication referred to in this Section 12.14 shall be deemed delivered upon the posting of a record of such communication (properly addressed to such party at the e-mail address provided to the Administrative Agent) as "sent" in the e-mail system of the sending party or, in the case of any such communication to the Administrative Agent, upon the posting of a record of such communication as "received" in the e-mail system of the Administrative Agent; *provided,* that if such communication is not so received by the Administrative Agent during the normal business hours of the Administrative Agent, such communication shall be deemed delivered at the opening of business on the next Business Day for the Administrative Agent.

(f) Each party hereto acknowledges that (i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (ii) the Communications and the Platform are provided "as is" and "as available," (iii) none of the Administrative Agents, their affiliates nor any of their respective officers, directors, employees, Administrative Agents, advisors or representatives (collectively, the "Administrative Agent Parties") warrants the adequacy, accuracy or completeness of the Communications or the Platform, and each Administrative Agent Party expressly disclaims liability for errors or omissions in any Communications or the Platform, and (iv) no warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Administrative Agent Party in connection with any Communications or the Platform.

Section 12.15 USA Patriot Act Notice. Each Lender and the Administrative Agent hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names and addresses of each of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the USA PATRIOT Act. The Borrowers hereby each agree that it will provide each Lender and the Administrative Agent with such information as they may request in order to satisfy the requirement of the USA PATRIOT Act.

Section 12.16 Acknowledgement and Consent to Bail-In Action. Notwithstanding any other term of any Loan Document or any other agreement, arrangement or understanding between the parties hereto, each party hereto acknowledges and accepts any liability of any Affected Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution;

(b) the effects of any Bail-In Action in relation to any such liability, including, if applicable (i) a reduction, in full or in part, or cancellation of any such liability; (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document; and (iii) a variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 12.17 Intercreditor Agreements. Each Lender hereunder authorizes and instructs the Agents to enter into with respect to any Debt permitted hereunder which is expressly permitted to be secured by a Lien on the Collateral that is junior to the Liens securing the Indebtedness, any Acceptable Junior Lien Intercreditor Agreement as and when contemplated hereunder (including any and all amendments, amendments and restatements, modifications, supplements and acknowledgements thereto permitted hereby from time to time). The Agents and the Lenders hereby acknowledge and agree to be bound by all such provisions to the extent in effect. Notwithstanding anything herein to the contrary, each Lender, the Administrative Agent and the Collateral Agent acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Instruments and the exercise of any right or remedy by the Administrative Agent and/or the Collateral Agent thereunder, are subject to the provisions of any Acceptable Junior Lien Intercreditor Agreement to the extent in effect. In the event of a conflict or any inconsistency between the terms of any Acceptable Junior Lien Intercreditor Agreement, on the one hand, and the Security Instruments, on the other, the terms of the applicable Acceptable Junior Lien Intercreditor Agreement shall prevail to the extent then in effect.

Section 12.18 Force Majeure. In no event shall the Agents be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, pandemics, public emergencies, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services; it being understood that the Agents shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.19 Joint and Several Liability; Etc.

(a) The Borrowers shall have joint and several liability in respect of all Indebtedness hereunder without regard to any defense (other than the defense of payment), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Lenders, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and such Indebtedness of the Borrowers shall not be conditioned or contingent upon the pursuit by the Lenders or any other person at any time of any right or remedy against the Borrowers or against any other person which may be or become liable in respect of all or any part of the Indebtedness or against any Collateral or guarantee therefor or right of offset with respect thereto. The Borrowers hereby acknowledge that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered a Borrowing Request) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the Loans made to any other Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of such Loans, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other Loan Document or any other agreement or instrument referred to herein or against any other person under any other guarantee of, or security for, any of such amounts owing hereunder.

(b) Without in any way affecting or limiting Section 12.19(a), (x) the Co-Borrower hereby agrees that all actions required or permitted to be taken hereunder by the Borrowers may be taken by the Parent Borrower on behalf of the Co-Borrower, and any such action so taken by the Parent Borrower shall be binding on the Co-Borrower and (y) the Parent Borrower hereby agrees that all actions required or permitted to be taken hereunder by the Borrowers may be taken by the Co-Borrower on behalf of the Parent Borrower, and any such action so taken by theCo-Borrower shall be binding on the Parent Borrower.

**SCHEDULE 2.01**

**COMMITMENTS**

**SCHEDULE 7.05**

**LITIGATION**

(a) Gulf Island Shipyards, LLC ("Gulf Island") filed suit on October 2, 2018, against the Co-Borrower in the 22nd Judicial District Court in the Parish of St. Tammany, Louisiana, alleging that the Co-Borrower breached two Vessel Construction Agreements and disrupted Gulf Island's ability to perform the contracts. Gulf Island claims $38M in damages. The Co-Borrower considers these claims to be without merit, and has answered Gulf Island's lawsuit and filed counterclaims. The Co-Borrower also filed a reconventional demand against Zurich Insurance Company and Fidelity & Deposit Company of Maryland (collectively, the "Sureties") for breaching the terms of surety bonds issued by them that secured Gulf Island's obligations under each Vessel Construction Agreement. The Co-Borrower alleges breach of the bonds and bad faith. Both Gulf Island and the Sureties have filed general denials. In May 2019, the Court ruled in favor of the Co-Borrower's summary judgment motion finding that title of the hulls and inventory in the possession of Gulf Island vests with the Co-Borrower. The Court did not grant the Co-Borrower possession of the property and the Co-Borrower has filed a writ appealing the court's denial of summary judgment.

(b) Prompted by unfounded allegations made by competitors of Hornbeck Offshore Services de México, S. de R.L. de C.V. ("HOSMEX"), Marina Mercante commenced an investigation into the status of HOSMEX as a qualified naviera. HOSMEX filed Amparo proceedings in the Seventh Federal District Court of Administrative Affairs in Mexico City seeking preliminary and permanent injunctions because Marina Mercante lacks jurisdiction to perform investigations into the status of HOSMEX as a coastwise qualified shipping company under Mexican law and because HOSMEX satisfies all such conditions under Mexico's foreign investment laws. A favorable injunction was obtained by HOSMEX, which continues to operate in compliance with Mexican law. A final hearing on this matter has yet to be scheduled.

(c) The Company concluded an arbitration proceeding with Astromarítima Navegação S.A. ("Astromarítima") in Brazil in 2019. The arbitrators awarded the Company approximately $1,997,993.59, which is offset by an award in Astromaritima's favor of $908,595.92. Astromaritima is undergoing a court supervised Brazilian restructuring. It is unclear that the judgment can be collected. It is also unclear whether Astromaritima could enforce its judgment against the Company without set off.

**AFFILIATE TRANSACTIONS**

***Registration Rights***

Under the terms of certain agreements, various persons, including Todd M. Hornbeck, Troy A. Hornbeck, Larry D. Hornbeck, James O. Harp, Jr., Carl G. Annessa, Patricia B. Melcher, and the William Herbert Hunt Trust Estate, have the right to include some or all of their shares of existing common stock, par value $.01 per share (the "Old Common Stock"), of the Parent Borrower in any registration statement that the Parent Borrower files involving its Old Common Stock, subject to certain limitations. Messrs. Todd and Troy Hornbeck, are entitled to require the Parent Borrower to file a registration statement under the Securities Act of 1933 to sell some or all of the Old Common Stock held by them. Such registration rights will expire with the cancellation of the Parent Borrower's Old Common Stock on the Effective Date.

***Notice***

Todd M. Hornbeck and Troy A. Hornbeck have agreed to give the Parent Borrower notice of, and an opportunity to make a competing offer regarding, a decision by either of them to sell or consider accepting an offer to sell to a single person or entity shares of Old Common Stock representing 5% or more of the Parent Borrower's Old Common Stock, other than in compliance with Rule 144 or to an affiliate or family member of the holder. Such notice obligation will expire with the cancellation of the Parent Borrower's Old Common Stock on the Effective Date.

***Certain Indemnity Agreements***

The Parent Borrower has entered into a separate indemnity agreement with each of its executive officers and its directors that provide, among other things, that the Parent Borrower will indemnify such officer or director, under the circumstances and to the extent provided in the agreement, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings which he is or may be made a party by reason of his position as an executive officer or director of the Parent Borrower, and otherwise to the fullest extent permitted under Delaware law and the Parent Borrower's Bylaws. Effective on the Effective Date, the Parent Borrower is entering into new indemnification agreements with its executive officers and directors. These agreements are in addition to the indemnification provided to the Parent's Borrowers officers and directors under its Bylaws and in accordance with Delaware law. The Parent Borrower has agreed to indemnify Todd M. Hornbeck, the Parent Borrower's President and Chief Executive Officer, for any claims, demands, causes of action and damages that may arise from use of his personal watercraft for Parent Borrower business purposes.

***Facilities Use Agreement and Related Agreements.***

For the past twenty-two years, Larry D. Hornbeck's family has personally supported the development of the Parent Borrower by hosting numerous events at the Hornbeck Family Ranch, located in Houston County, Texas, including constructing at their own expense, a hunting lodge and related facilities and providing access to 4,700 acres adjoining the lodge and related facilities. The Hornbeck Family Ranch and related facilities have been used for functions intended to foster

client and vendor relations, management retreats, Board of Directors meetings and special Parent Borrower promotional events. The Hornbeck Family Ranch also plays a vital role in the Parent Borrower's business continuity plan in the event the Parent Borrower's corporate headquarters is impacted by a natural disaster. Until December 31, 2005, these facilities were used by the Parent Borrower without charge. The Board of Directors determined that the use of the Hornbeck Family Ranch in the past and going forward has been and is beneficial to the Parent Borrower's business. As of February 14, 2006, the Parent Borrower entered into a Facilities Use Agreement and implemented an amendment to an existing Indemnification Agreement with Larry D. Hornbeck, one of the Parent Borrower's directors. The Facilities Use Agreement and the amendment to such Indemnification Agreement became effective as of January 1, 2006, and were approved by the Parent Borrower's audit committee and by the independent members of the Board of Directors on February 14, 2006. On May 7, 2015, the Parent Borrower entered into an Amended and Restated Indemnification Agreement (the 'Restated Indemnification Agreement") with Larry D. Hornbeck, one of the Parent Borrower's directors, Joan M. Hornbeck and Hornbeck Family Ranch, LP, which amended and restated the Indemnification Agreement. The Restated Indemnification Agreement provides for indemnification by the Parent Borrower of such parties as well as certain other indemnitees, including the Parent Borrower's Chairman, President and Chief Executive Officer, Todd M. Hornbeck, for any claims, demands, causes of action and damages that may arise out of the Parent Borrower's current and expanded use of the Hornbeck Family Ranch and related facilities and premises for Parent Borrower functions such as client and vendor events, management retreats, Board of Directors meetings and special Parent Borrower promotional events. The Restated Indemnification Agreement also provides that the Parent Borrower shall secure and maintain insurance coverage of the types and amounts sufficient to provide adequate protection against the liabilities that may arise under the Restated Indemnification Agreement. The Restated Indemnification Agreement was approved by the independent members of the Board of Directors on April 28, 2015.

The agreements govern the Parent Borrower's use of the Hornbeck Family Ranch and related facilities. The Facilities Use Agreement will remain in effect until December 31, 2020 unless it is terminated or extended by its terms. The Facilities Use Agreement automatically renews on an annual basis unless either party provides the other party 30 days written notice of termination. The Facilities Use Agreement also provides that the Parent Borrower will pay Mr. Larry Hornbeck an annual use fee of $150,000 for the Parent Borrower's use of the facilities and reimburse Mr. Larry Hornbeck for certain other variable costs related to the Parent Borrower's use of the ranch facilities. In addition to costs incurred directly by the Parent Borrower's for such activities, the Parent Borrower replenishes expendable goods used by Parent Borrower invitees to the facilities.

In 2006, Larry D. Hornbeck transferred ownership of the land on which the Hornbeck Family Ranch is located to a family limited partnership in which trusts on behalf of the children of Todd M. Hornbeck and Troy A. Hornbeck are the limited partners. The general partner of the family limited partnership is controlled by Todd M. Hornbeck and Troy A. Hornbeck. The family limited partnership has entered into a long-term lease of the property to Larry Hornbeck and acknowledged and agreed to the Parent Borrower's use of the Hornbeck Family Ranch and related facilities under the Facilities Use Agreement and the Indemnification Agreement.

The Parent Borrower has provided, and may from time to time in the future at its own expense and with Mr. Larry Hornbeck's prior approval provide, additional amenities for its representatives and invitees. Certain of these amenities may, by their nature, remain with the property should the Parent Borrower ever cease to use the Hornbeck Family Ranch. In approving the Facilities Use Agreement and establishing the use fee amount, the audit committee and independent members of the Board of Directors considered the costs of comparable third party facilities and determined that the combined facilities use fee and anticipated reimbursement of variable costs was substantially lower than costs for the use of such comparable facilities.

On the Effective Date, the Parent Borrower is entering into an Amended and Restated Facilities Use Agreement with Larry D. Hornbeck to be effective as of June 1, 2020.

In the first quarter of 2012, the independent members of the Board of Directors acknowledged the service that Mr. Larry Hornbeck has provided the Parent Borrower and acknowledged that the commitment of time and energy associated with this service is substantial and is provided independently from his service as a director. In order to appropriately compensate Mr. Larry Hornbeck for these services, the independent members of the Board of Directors approved a consulting agreement between the Parent Borrower and Mr. Larry Hornbeck effective January 1, 2012. Under the terms of such agreement, Mr. Larry Hornbeck agreed, among other things, to make himself available to the Parent Borrower, the Chief Executive Officer of the Parent Borrower, the Board of Directors or any committee of the Board of Directors to assist in the assessment of potential targets for acquisitions, to travel for Parent Borrower projects, to attend industry meetings and to provide assistance in other ways, in exchange for consideration of $12,000 per month paid as consulting fees.

Effective on the Effective Date, the Parent Borrower is entering into an amended and restated consulting agreement with Larry D. Hornbeck, the terms of which will include consideration to Larry D. Hornbeck of $20,333 per month paid as consulting fees.

to “Credit Agreement”, “First Lien Credit Agreement”, “thereunder”, “thereof” or words of like import shall, unless the context otherwise requires, mean and be a reference to the Restated Credit Agreement as amended on the First Amendment Effective Date, and (ii) confirms that the Security Instruments to which each of the Loan Parties is a party and all of the Collateral described therein do, and shall continue to, secure the payment of all of the Indebtedness (including the 2021 Replacement Loans).

SECTION 8. Reference to and Effect on the Loan Documents. (a) On and after the First Amendment Effective Date, each reference in the Restated Credit Agreement to “hereunder”, “hereof”, “Agreement”, “this First Amendment” or words of like import and each reference in the other Loan Documents to “Credit Agreement”, “First Lien Credit Agreement”, “thereunder”, “thereof” or words of like import shall, unless the context otherwise requires, mean and be a reference to the Restated Credit Agreement as amended on the First Amendment Effective Date. From and after the First Amendment Effective Date, this First Amendment shall be a Loan Document under the Restated Credit Agreement.

(b) The Security Instruments and each other Loan Document, as specifically amended by this First Amendment, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed, and the respective guarantees, pledges, grants of security interests and other agreements, as applicable, under each of the Security Instruments, notwithstanding the consummation of the transactions contemplated hereby, shall continue to be in full force and effect and shall accrue to the benefit of the Secured Parties under the Restated Credit Agreement. Without limiting the generality of the foregoing, the Security Instruments and all of the Collateral described therein do and shall continue to secure the payment of all Indebtedness (including the 2021 Replacement Loans) of the Loan Parties under the Loan Documents, in each case, as amended by this First Amendment.

(c) The execution, delivery and effectiveness of this First Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents.

SECTION 9. Execution in Counterparts; Electronic Signature. This First Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which counterparts when executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 11. Acknowledgment of Non-Reliance. Each 2021 Replacement Term Lender represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to provide its 2021 Replacement Term Loans and the 2021 Delayed Draw Replacement Term Loans hereunder and enter into this Agreement and become (or continue to be) a Lender under the Restated Credit Agreement. Each 2021 Replacement Term Lender hereby (a) confirms that it has received a copy of the Restated Credit Agreement and each other Loan Document and such other documents (including financial statements) and information as it deems appropriate to make its decision to enter into this Agreement, (b) agrees that it shall (or shall continue to) be bound by the terms of the Restated Credit Agreement as a Lender thereunder and that it will perform in accordance with their terms all of the obligations by which the terms of the Loan Documents are required to be performed by it as a Lender, (c) irrevocably designates and appoints the Administrative Agent as the agent of such 2021 Replacement Term Lender under the Restated Credit Agreement and the other Loan Documents, and each 2021 Replacement Term Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of the Restated Credit Agreement and the other Loan Documents and to exercise such powers and perform such duties as are delegated to the Administrative Agent by the terms of the Restated Credit Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (d) specifies as its lending office and address for notices the offices set forth on the Administrative Questionnaire provided by it to the Administrative Agent prior to the date hereof.

SECTION 12. Governing Law; Etc.

(a) THIS FIRST AMENDMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS FIRST AMENDMENT, WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) WITH RESPECT TO ANY LEGAL ACTION OR PROCEEDING INVOLVING ANY LOAN PARTY INCORPORATED UNDER THE LAWS OF MEXICO WITH RESPECT TO OR ARISING OUT OF THIS FIRST AMENDMENT, EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY: (I) SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE UNITED STATES FEDERAL COURTS SITTING IN OR WITH DIRECT OR INDIRECT JURISDICTION OVER THE SOUTHERN DISTRICT OF NEW YORK OR ANY STATE OR SUPERIOR COURT SITTING IN NEW YORK COUNTY, NEW YORK; AND (II) WAIVES ANY RIGHT TO ANY OTHER JURISDICTION TO WHICH IT MAY BE ENTITLED TO BY REASON OF ITS PRESENT OR FUTURE DOMICILE OR OTHERWISE.

(c) EACH PARTY HERETO HEREBY AGREES AS SET FORTH IN SECTION 12.09 OF THE RESTATED CREDIT AGREEMENT AS IF SUCH SECTIONS WERE SET FORTH IN FULL HEREIN MUTATIS MUTANDIS.

SECTION 13. No Novation. This First Amendment shall not discharge or release the Lien or priority of any Security Instrument or any other security therefor. Nothing herein contained shall be construed as a substitution or novation of the instruments securing the Existing First Lien Credit Agreement or the Restated Credit Agreement, which shall remain in full force and effect, except to any extent modified hereby or by instruments executed concurrently herewith and except to the extent repaid as provided herein. Nothing implied in this First Amendment or in any other document contemplated hereby shall be construed as a release or other discharge of any of the Loan Parties under any Loan Document from any of its obligations and liabilities as a guarantor or pledgor under any of the Loan Documents.

Notwithstanding the foregoing, in any calculation of Consolidated Fixed Charge Coverage Ratio or Total Leverage Ratio based on the foregoing clause (c), the pro forma inclusion of Consolidated EBITDA attributable to such Qualified Services Contract for the Test Period shall be reduced by the actual Consolidated EBITDA from such Vessel (or Vessels) previously earned and accounted for in the actual results for the Test Period. (ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Parent Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Borrowers may amend this Agreement to replace the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Borrowers so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the LIBO Rate with a Benchmark Replacement pursuant to this Section 3.03 will occur prior to the applicable Benchmark Transition Start Date.

(c) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent (acting at the direction of the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document (and the Lenders hereby (i) authorize and direct the Administrative Agent to make any Benchmark Replacement Conforming Changes (and to enter into any modifications to the Credit Agreement or Loan Documents implementing such Benchmark Replacement Conforming Changes) that have been consented or agreed to by the Required Lenders, or in respect of which the Administrative Agent has received a direction from the Required Lenders to implement and (ii) acknowledge and agree that the Administrative Agent shall be entitled to all of the exculpations, protection and indemnifications provided for in this Agreement in favor of the Administrative Agent in implementing any Benchmark Replacement Conforming Changes (or in entering into any modifications to the Credit Agreement or the other Loan Documents implementing the same) that have been consented or agreed to by the Required Lenders, or in respect of which the Administrative Agent has received a direction from the Required Lenders to implement), any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrowers and the Lenders of (i) any Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to clauses (b) through (e) of this Section 3.03 including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03.

(e) Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, the Parent Borrower may revoke any request for a Eurodollar Borrowing of, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Parent Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. (f) Certain Defined Terms. As used in this Section 3.03:

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the LIBO Rate announcing that the LIBO Rate is no longer representative.

"Benchmark Transition Start Date" means (a) in the case of a Benchmark Transition Event, the earlier of (i) the applicable Benchmark Replacement Date and (ii) if such Benchmark Transition Event is a public statement or publication of information of a prospective event, the 90th day prior to the expected date of such event as of such public statement or publication of information (or if the expected date of such prospective event is fewer than 90 days after such statement or publication, the date of such statement or publication) and (b) in the case of an Early Opt-in Election, the date specified by the Administrative Agent or the Required Lenders, as applicable, by notice to the Borrowers, the Administrative Agent (in the case of such notice by the Required Lenders) and the Lenders.

"Benchmark Unavailability Period" means, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the LIBO Rate and solely to the extent that the LIBO Rate has not been replaced with a Benchmark Replacement, the period (x) beginning at the time that such Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the LIBO Rate for all purposes hereunder in accordance with the Section titled "Effect of Benchmark Transition Event" and (y) ending at the time that a Benchmark Replacement has replaced the LIBO Rate for all purposes hereunder pursuant to the Section titled "Effect of Benchmark Transition Event."

"Early Opt-in Election" means the occurrence of:

(1) (i) a determination by the Administrative Agent or (ii) a notification by the Required Lenders to the Administrative Agent (with a copy to the Borrowers) that the Required Lenders have determined that U.S. dollar-denominated syndicated credit facilities being executed at such time, or that include language similar to that contained in this Section 3.03 are being executed or amended, as applicable, to incorporate or adopt a new benchmark interest rate to replace the LIBO Rate, and

(2) (i) the election by the Administrative Agent or (ii) the election by the Required Lenders to declare that an Early Opt-in Election has occurred and the provision, as applicable, by the Administrative Agent of written notice of such election to the Borrowers and the Lenders or by the Required Lenders of written notice of such election to the Administrative Agent.

Section 3.04 Prepayments.

(a) Optional Prepayments.

(i) ~~The~~ Subject to Section 3.04(a)(ii), the Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with Section 3.04(b).

~~(i)~~(ii) If, prior to the first anniversary of the First Amendment Effective Date, any Borrower makes (A) any voluntary prepayment of the 2021 Replacement Term Loans then outstanding or the 2021 Delayed Draw Replacement Term Loans then outstanding in accordance with Section 3.04(a)(i) or (B) any mandatory prepayment of the 2021 Replacement Term Loans then outstanding or the 2021 Delayed Draw Replacement Term Loans then outstanding in accordance with Section 3.04(c) or (d), then the Borrowers shall pay to the Administrative Agent, for the benefit of 2021 Replacement Term Lenders, as compensation for the costs of 2021 Replacement Term Lenders being prepared to make funds available to Borrowers under this Agreement, a premium of 1.00% (the "Prepayment Premium") of the aggregate principal amount of such Loans so prepaid. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, it is understood and agreed that if the Obligations are accelerated as a result of the occurrence of any Event of Default (including by operation of law or otherwise), the Prepayment Premium will also be due and payable on the aggregate principal amount of such Loans outstanding as of the date of such acceleration, and will be treated and deemed as though the Loans were prepaid as of such date and shall constitute part of the Obligations for all purposes herein. Any Prepayment Premium payable in accordance with this Section 3.04(a)(i) shall be presumed to be equal to the liquidated damages sustained by the applicable Lenders as the result of the occurrence of the prepayment or Event of Default, and the

Loan Parties agree that it is reasonable under the circumstances currently existing. The Prepayment Premium shall also be due and payable on the aggregate principal amount of such Loans outstanding as of the date the Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE LOAN PARTIES EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREPAYMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Loan Parties expressly agree that (i) the Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) the Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Prepayment Premium, (iv) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this Section 3.04(a)(i), (v) the agreement to pay the Prepayment Premium is a material inducement to the applicable Lenders to provide the Commitments and make the Loans, and (vi) the Prepayment Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Lenders or profits lost by the Lenders as a result of such prepayment or Event of Default.

(b) Notice and Terms of Optional Prepayment. The Parent Borrower shall notify the Administrative Agent by delivery of a notice of prepayment in the form of Exhibit B-2 hereto ("Notice of Prepayment") executed by a Responsible Officer of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 1:00 p.m., Eastern time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 1:00 p.m., Eastern time, two (2) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, a Notice of Prepayment may state that such notice is conditioned upon the occurrence of a specified event, in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each prepayment hereunder shall be in an amount that is an integral multiple of $1,000,000 (or such lesser amount or integral to repay a Borrowing in full). Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02. The Borrowers shall be responsible for any break funding payments pursuant toSection 5.02 in connection with any prepayment under Section 3.04(a).

(c) Asset Sale and Specified Proceeds Mandatory Prepayments.

(i) Subject to Section 3.04(c)(iii) below, if a prepayment shall be required under this Section 3.04(c)(i), not later than five (5) Business Days following the date on which any Asset Sale is consummated (other than any Excluded Asset Sale) or the Parent Borrower or any Restricted Subsidiary receives any Specified Proceeds, the Parent Borrower shall deliver an Officer's Certificate to the Administrative Agent which shall specify in reasonable detail (x) the aggregate amount of Net Proceeds of such Asset Sale (or, as applicable, the aggregate amount

of Specified Proceeds received by the Parent Borrower and its Restricted Subsidiaries) and (y) the amount of such Net Proceeds (or, as applicable, the amount of Specified Proceeds) that is required to be offered by the Parent Borrower to the Lenders to prepay the Loans, as determined pursuant to the table immediately below and taking into account the provisions in Sections 3.04(c)(ii) through (v).

| Type of Asset Sale or other event | Percentage of Net Proceeds (or Specified Proceeds) subject to prepayment requirement | Percentage of Net Proceeds (or Specified Proceeds) eligible for Reinvestment Right |
|---|---|---|
| "Event of Loss" | 100% | 100% |
| Receipt of "Specified Proceeds" | 100% | 100% |
| 9.08(b)(i): Asset Sales of Stacked Vessels or Vessels that are no longer useful in the business of the Parent Borrower and its Restricted Subsidiaries | 100% | 66% |
| 9.08(b)(ii): Sale Leaseback Transactions | 50% | 0% |
| 9.08(b)(iii): other Asset Sales | 100% | 100%, and in the case of each of HOS Warhorse and HOS Wild Horse, 66% |

The Administrative Agent shall provide such Officer's Certificate to the Lenders to be offered to prepay the Loans (a "Prepayment Offer"), each of whom may decline all but not less than all of its pro rata share of the Net Proceeds or Specified Proceeds, as applicable, required to prepay the Loans (any such amounts not accepted, the "Declined Amounts") by providing written notice (a "Rejection Notice") to the Administrative Agent and the Parent Borrower no later than 5:00 p.m., Eastern time, five Business Days after the date on which the Administrative Agent provides such Officer's Certificate to the Lenders (and the Administrative Agent shall provide the Parent Borrower with the date on which such Officer's Certificate is so provided). If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time period specified above, such Lender shall be deemed to have accepted the full amount of its share of the Prepayment Offer. The Borrowers shall prepay all Loans required to be prepaid by it under this Section 3.04(c)(i) no later than two Business Days after expiration of the time period specified above. Any Declined Amounts shall no longer be subject to this Section 3.04(c)(i) and may be used by the Parent Borrower or any of its Restricted Subsidiaries in any manner not prohibited by this Agreement, subject to any prepayment requirement under any other Debt.

(ii) [Reserved].

(iii) [Reserved].

(iv) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), with respect to any Net Proceeds realized or received with respect to any Asset Sale or any Specified Proceeds, in each case other than Net Proceeds that are not eligible for the Reinvestment Right (as defined below) pursuant to the table set forth in Section 3.04(c)(i), if the Parent Borrower elects to reinvest the permitted percentage (set forth in the table in Section 3.04(c)(i)) of such Net Proceeds or Specified Proceeds in assets useful in the business of the Loan Parties (excluding cash or Cash Equivalents), then the Parent Borrower shall not be required to make a mandatory prepayment offer under Section 3.04(c)(i) in respect of such Net Proceeds or Specified Proceeds that are so reinvested within 365 days following receipt thereof (such period, the "Reinvestment Period"; and such right to reinvest such Net Proceeds, the "Reinvestment Right"); provided that, that to the extent that such Net Proceeds or Specified Proceeds have not been so reinvested prior to the expiration of the Reinvestment Period, the Parent Borrower shall within three (3) Business Days of the expiration of the Reinvestment Period, apply such non-reinvested Net Proceeds or Specified Proceeds to the prepayment of Loans as provided in Section 3.04(c)(i).

(v) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), any prepayment referred to in Section 3.04(c)(i) attributable to any Foreign Subsidiary is subject to permissibility under local law (e.g., financial assistance, thin capitalization, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant Subsidiaries). Further, there will be no requirement to make any prepayment to the extent that the Parent Borrower or any of its Restricted Subsidiaries would suffer material adverse tax consequences as a result of upstreaming or repatriating cash to make such prepayment (including the imposition of withholding taxes); provided that, a material adverse tax consequence shall only arise to the extent that a prepayment would materially increase the amount of tax that the Parent Borrower or any of its Restricted Subsidiaries would otherwise be required to pay if such prepayment were not made, taking into account the availability of any items of deduction or credit (but excluding any net operating losses) of the Parent Borrower and its Restricted Subsidiaries to offset the amount of income required to be included or the amount of tax required to be paid by the Parent Borrower or any of its Restricted Subsidiaries. This non-application of amount as a result of the foregoing provisions will not constitute an Event of Default and such amounts shall be available for general corporate purposes of the applicable Foreign Subsidiary. The Parent Borrower and each Foreign Subsidiary will undertake to use its reasonable best efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant prepayment (all as determined in accordance with the Parent Borrower's reasonable business judgment). Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by the Parent Borrower (or its direct or indirect members) or any of its Restricted Subsidiaries and arising as a result of compliance with the preceding sentence, and the Parent Borrower and its Restricted Subsidiaries shall be permitted to make, directly or indirectly, a dividend or distribution to its affiliates in an amount sufficient to cover such tax liability, costs or expenses.

(d) Unpermitted Debt Mandatory Prepayment. If following the Effective Date, the Parent Borrower or any Restricted Subsidiary incurs or issues any Debt or Disqualified Stock not expressly permitted to be incurred or issued pursuant to Section 9.02, the Parent Borrower shall cause to be prepaid an aggregate principal amount of Loans equal to 100% of all Net Proceeds received therefrom on or prior to the date which is two Business Days after the receipt of such Net Proceeds.

~~(d)~~(e) Application of Mandatory Prepayments. All mandatory prepayments of Loans shall be applied pro rata between the Loans according to the outstanding principal amounts thereof and, as to each Loan, pro rata to the remaining installments thereof (including the final installment due on the applicable Maturity Date).

Section 3.05 Fees.

(a) Administrative Agent Fees. The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent in the applicable Fee Letter.

(b) Other Fees. The Borrowers agree to pay to the Lenders as of the Effective Date, fees payable in the amounts and at the times separately agreed upon between the Borrowers and such Lenders in the applicable Fee Letter.

(c) Commitment Fees. The Borrowers agree to pay to the Administrative Agent (i) (for distribution to each 2021 Replacement Term Lender on a pro rata basis in accordance with its 2021 Replacement Term Loan Commitments) a fee in an aggregate amount equal to $750,000 (the "2021 Replacement Term Loan Commitment Fee") on the First Amendment Effective Date; provided that such 2021 Replacement Term Loan Commitment Fee shall take the form of original issue discount on the First Amendment Effective Date and (ii) (for distribution to each 2021 Replacement Term Lender on a pro rata basis in accordance with its 2021 Delayed Draw Replacement Term Loan Commitments) a fee in an aggregate amount equal to $750,000 (the "2021 Delayed Draw Replacement Term Loan Commitment Fee" and together with the 2021 Replacement Term Loan Commitment Fee, the "Commitment Fees"). The Commitment Fees shall be deemed fully earned upon the First Amendment Effective Date and shall be non-refundable when paid.

~~(b)~~(d) Extended Delayed Draw Fees. In the event that the Borrowers have delivered a 2021 Delayed Draw Extension Notice to the Administrative Agent in accordance with Section 2.02 of this Agreement, from and following July 15, 2022 and until the expiry of the 2021 Delayed Draw Availability Period, Borrowers shall pay to the Administrative Agent (for distribution to each 2021 Replacement Term Lender on a pro rata basis in accordance with its 2021 Delayed Draw Replacement Term Loan Commitments), a fee in an aggregate amount equal to (i) the average daily amount of the 2021 Delayed Draw Replacement Term Loan Commitments minus the 2021 Delayed Draw Replacement Term Loans outstanding during the preceding month multiplied by (ii) 0.50% per month. Commencing with the fiscal month ending on July 30, 2022, such fee is to be paid in arrears on the last day of each fiscal month and on expiry of the 2021 Delayed Draw Availability Period (or the Maturity Date, if the Maturity Date occurs during the 2021 Delayed Draw Availability Period).

## ARTICLE IV
## Payments; Pro Rata Treatment; Sharing Set-offs

Section 4.01 Pro Rata Treatment; Sharing of Set~~-~~offs.

(a) Payments by the Borrowers. The Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest, fees or reimbursement of

amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 12:00 p.m., Eastern time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim. Fees, once paid, shall be fully earned and shall not be refundable under any circumstances. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate Recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in U.S. dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder (plus any fees and expenses owed to the Administrative Agent), pro rata among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations (other than pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03) greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided,* that:

~~(A)~~ (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and

~~(B)~~ (ii) the provisions of this Section 4.01(c) shall not be construed to apply to (1) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or (2) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Parent Borrower or any of its Subsidiaries (except if such assignment is pursuant to Section 12.04(g), as to which the provisions of this Section 4.01(c) shall not apply). The Borrowers consent to the foregoing and agree, to the extent they may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrowers. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may (but shall have no obligation to), in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 4.02 then the Administrative Agent may (notwithstanding any contrary provision hereof) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid. If at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Class of Loan while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Class of Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Class of Loans then outstanding. After acceleration or maturity of the Loans, all principal will be paid ratably as provided in Section 10.02(c).

## ARTICLE V
## Increased Costs; Break Funding Payments; Taxes; Illegality

Section 5.01 Increased Costs.

(a) Changes in Law. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate);

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient in accordance with Section 5.01(c), the Borrowers will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon request of such Lender in accordance with Section 5.01(c), the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 5.01(a) or (b) together with reasonable supporting documentation shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lenders to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's right to demand such compensation; *provided*, that the Borrowers shall not be required to compensate a Lender pursuant to this Section 5.01 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided, further,* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrowers shall compensate each Lender

requesting a reimbursement for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 5.03 Taxes.

(a) For purposes of this Section 5.03, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. The Borrowers shall cause any and all payments by or on account of any obligation of any Loan Party under any Loan Document to be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes. Without duplication of Section 5.03(b) (Payments Free of Taxes), the Borrowers shall, and shall cause the other Loan Parties to, pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. Without duplication of any obligation under Section 5.03(b) (Payments Free of Taxes) and Section 5.03(c) (Payment of Other Taxes), the Borrowers shall, and shall cause the other Loan Parties to, jointly and severally indemnify each Recipient, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrowers by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, and shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 5.03, such Loan Party shall (or the Borrowers shall cause such Loan Party to) deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing any payment of Indemnified Taxes by such Loan Party to a Governmental Authority, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrowers within the meaning of Section 881(c) (3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner.

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrowers (and the Administrative Agent, if delivered by a Lender) at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(iii) The Administrative Agent (and any assignee or successor) will deliver, to the Borrowers, on or prior to the Effective Date (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI or any successor thereto with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a "qualified intermediary" or a "U.S. branch"), accompanied by IRS Form W-8 ECI, W-8BEN (or Form W-8BEN-E if applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9 or any successor thereto, whichever is applicable, and in each case of (i) and (ii), with the effect that the Borrowers can make payments to the Administrative Agent without deduction or withholding of any taxes imposed by the United States.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification (or a successor form thereto) upon the reasonable request of the Borrowers.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including

Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 5.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 5.04 Mitigation Obligations. If any Lender requests compensation under Section 5.01, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrowers and the Administrative Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the "Affected Loans") until such time as such Lender may again make and maintain such Eurodollar Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrowers and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans on the date specified by such Lender in such notice) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

## ARTICLE VII
## Representations and Warranties

Each Borrower represents and warrants to the Administrative Agent and each Lender that:

Section 7.01 Organization; Powers. Each Loan Party (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite corporate or limited liability company power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary, to own its Property and to carry on its business as now conducted, and (b) is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except where failure to have such power, authority, licenses, authorizations, consents, approvals and qualifications could not reasonably be expected to have a Material Adverse Effect.

Section 7.02 Authority; Enforceability. The Transactions are within each Borrower's and each Guarantor's limited liability company, corporate or partnership powers and have been duly authorized by all necessary limited liability company or corporate and, if required, member, or shareholder action. Each Loan Document to which such Borrower or a Guarantor is a party has been duly executed and delivered by such Borrower or such Guarantor and constitutes a legal, valid and binding obligation of such Borrower and such Guarantor, as applicable, enforceable in accordance with its terms, subject to applicable Bankruptcy Law, laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 7.03 Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other third Person (including members, partners or shareholders of the Borrowers, the Guarantors or any other Person), nor is any such consent, approval, registration, filing or other action necessary for the validity or enforceability of any Loan Document or the consummation of the transactions contemplated thereby, except such as have been obtained or made and are in full force and effect other than the recording and filing of the Security Instruments as required thereby or by this Agreement, (b) will not violate (i) any applicable law or regulation, (ii) the Organizational Documents of the Borrowers, the Guarantors or any Restricted Subsidiary of the Parent Borrower or (iii) any order of any Governmental Authority, (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing Material Debt binding upon the Borrowers or any Restricted Subsidiary of the Parent Borrower or their Properties, or give rise to a right thereunder to require any material payment to be made by the Borrowers or such Restricted Subsidiary of the Parent Borrower and (d) will not result in the creation or imposition of any Lien on any Property of the Borrowers or any Restricted Subsidiary of the Parent Borrower (other than the Liens created by the Loan Documents).

Section 7.04 No Material Adverse Change; Etc.

(a) Since May 19, 2020, there has been no event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect (other than, in the case of clause (a) of the definition of Material Adverse Effect, by virtue of the commencement of the Cases and the events and circumstances giving rise thereto).

(b) As of the Effective Date, none of the Parent Borrower or any of its Restricted Subsidiaries has any material Funded Debt or any contingent liabilities, off-balance sheet liabilities or partnerships, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments, except for those arising with respect to the Transactions and those arising under this Agreement and the Exit Second Lien Credit Agreement.

Section 7.05 Litigation.

(a) Except as set forth onSchedule 7.05, except with respect to the Cases, there are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Parent Borrower, threatened against or affecting the Parent Borrower or any of its Restricted Subsidiaries or any of their Properties (i) as to which there is a reasonable possibility of an adverse determination that could reasonably be expected to have a Material Adverse Effect, (ii) that involve any Loan Document or the Transactions or (iii) that otherwise constitutes a significant action, suit, investigation or proceeding, pending or, to the knowledge of the Parent Borrower, threatened.

Section 7.06 Environmental Matters. Except as could not be reasonably expected to have a Material Adverse Effect (or with respect to (c), (d) and (e) below, where the failure to take such actions could not be reasonably expected to have a Material Adverse Effect):

(a) Neither any Property of the Parent Borrower or any of its Restricted Subsidiaries nor any operations conducted by the Parent Borrower or any of its Restricted Subsidiaries is currently in violation of or has in the past five (5) years violated any Environmental Laws.

(b) Neither any Property of the Parent Borrower or any of its Restricted Subsidiaries nor the operations conducted or conditions existing thereon or, to the knowledge of the Parent Borrower, any prior owner or operator of such Property or operation or conditions, are subject to any existing, pending or, to the knowledge of the Parent Borrower, threatened action, suit, investigation, inquiry or proceeding by or before any court or Governmental Authority relating to any remedial obligations or other liabilities under Environmental Laws.

(c) All notices, permits, licenses, exemptions, approvals or similar authorizations, if any, required to be obtained or filed in connection with the operation or use of any and all Property of the Parent Borrower and each of its Restricted Subsidiaries, including, without limitation, past or present treatment, storage, disposal or release of a Hazardous Material into the environment, have been duly obtained or filed, and the Parent Borrower and each of its Restricted Subsidiaries are in compliance with the terms and conditions of all such notices, permits, licenses and similar authorizations.

(d) All Hazardous Material, if any, generated or otherwise handled by the Parent Borrower or any of its Restricted Subsidiaries or by any other Person at any and all Property of the Parent Borrower or any of its Restricted Subsidiaries, has been transported, treated and disposed of in accordance with Environmental Laws and so as not to pose an imminent and substantial endangerment to public health or welfare or the environment or give rise to liability under Environmental Law, and, to the knowledge of the Parent Borrower, all such transport carriers and treatment and disposal facilities have been and are operating in compliance with Environmental Laws and so as not to pose an imminent and substantial endangerment to public health or welfare or the environment, and are not the subject of any existing, pending or threatened action, investigation or inquiry by any Governmental Authority pursuant to any Environmental Laws.

(e) The Parent Borrower has no knowledge that any Hazardous Materials are now located on or in the Vessels or the Real Property Interests, or that any other Person has ever caused or permitted any Hazardous Materials to be placed, held, located or disposed of on, the Vessels or any part thereof or the Real Property Interests, except for such Hazardous Materials that may have been placed, held, or located on the Vessels or the Real Property Interests in accordance with and otherwise not in violation of or in a manner reasonably likely to give rise to liability under Environmental Laws.

(f) To the extent applicable under OPA, all Property of the Parent Borrower and each of its Restricted Subsidiaries currently satisfies all requirements imposed by OPA and, except as set forth on Schedule 7.06(f), the Parent Borrower does not have any reason to believe that such Property, to the extent subject to OPA, will not be able to maintain compliance with OPA requirements during the term of this Agreement.

(g) To the knowledge of the Parent Borrower, there has been no exposure of any Person or Property to any Hazardous Materials in connection with any Property or operation of the Parent Borrower or any Subsidiary that could reasonably be expected to form the basis of a claim for damages or compensation under Environmental Law.

Section 7.07 Compliance with the Laws and Agreements; No Defaults.

As to the Vessel Collateral, the Borrowers and the Guarantors hereby irrevocably appoint the Collateral Agent as their agent and attorney-in-fact, each such agency being coupled with an interest, to make, settle and adjust claims under such policy or policies of insurance (regardless of whether a settlement or adjustment of a claim is an Event of Default) and to endorse the name of the Borrowers and the Guarantors on any check or other item of payment for the proceeds thereof; *provided, however,* that the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided in this Section 8.08(c) unless one or more Events of Default exist under this Agreement.

(a) The Borrowers and the Guarantors shall maintain and preserve all of their respective Properties (and any Property leased by or consigned to any of them or held under title retention or conditional sales contracts) other than Vessels (which for the avoidance of doubt are covered by the next sentence) that are used or useful in the conduct of their respective business in the ordinary course in good working order and condition at all times, ordinary wear and tear excepted, all in accordance with standards maintained by other Persons engaged in the same or similar business types, and make all repairs, replacements, additions, betterments and improvements to such Properties (other than Vessels) to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect. Except during any period that a Vessel is undergoing repairs or maintenance or is a Stacked Vessel, the Borrowers and the Guarantors shall: (i) at all times maintain and preserve, or cause to be maintained and preserved, each Vessel in good running order and repair, so that such Vessel shall be, insofar as due diligence

(b) (i)Each Loan Party that owns or operates, or will own or operate, Vessel Collateral will not transfer the ownership or change the flag or documentation or registration of such Vessel Collateral without: (x) except for any Approved Vessel Reflagging Transaction, the prior written consent of the Required Lenders requested no fewer than ten (10) Business Days (or such shorter period as the Required Lenders shall agree in their sole discretion) before the requested date of such transfer or change; and (y) with respect to any Approved Vessel Reflagging Transaction or to the extent otherwise so approved by the Required Lenders, (A) promptly in the case of transferring ownership of Vessel Collateral to a Foreign Subsidiary organized under the laws of, and/or changing the flag or registration of Vessel Collateral to, Liberia, the Marshall Islands, Panama or Vanuatu, and (B) within sixty (60) days (or such longer period as the Required Lenders shall agree in their reasonable discretion) in the case of transferring ownership of Vessel Collateral to a Foreign Subsidiary organized under the laws of, and/or changing the flag or registration of Vessel Collateral to, any other foreign jurisdiction, satisfying all applicable Vessel Collateral Requirements for such Vessel Collateral and executing and delivering (or causing to be executed and delivered) all such additional documents, agreements or other instruments and/or taking (or causing to be taken) all such actions (including the making of any recordings or filings) as are deemed necessary or desirable by the Collateral Agent to perfect, protect and preserve the security interest in favor of the Collateral Agent or trustee/mortgagee (acting on behalf of the Collateral Agent), as the case may be, for the benefit of the Secured Parties in such Vessel Collateral granted pursuant to the applicable Maritime Mortgage (or, if a Maritime Mortgage may not be granted, to provide an alternative security interest or other collateral reasonably acceptable to the Collateral Agent and the Required Lenders (in or with respect to such Vessel Collateral under the laws of the applicable foreign-flag jurisdiction in which such Vessel Collateral is being registered)); it being understood and agreed that, without limiting the foregoing, in order for such alternative security interest to be reasonably acceptable to the Collateral Agent and the Required Lenders, the Collateral Agent and the Lenders shall have received an opinion of counsel in the appropriate jurisdiction in form and substance reasonably satisfactory to the Collateral Agent and the Required Lenders (as to the creation, validity and perfection of such alternative security interest).

(ii) Notwithstanding anything in the Loan Documents to the contrary, in the event of a change of the ownership of and/or the flag or documentation or registration of Vessel Collateral permitted under this Section 8.11(b)), the Investment made in connection with such a transaction may be structured as a Foreign Vessel Reflagging Transaction. A "Foreign Vessel Reflagging Transaction" is defined as one or more Investments by the Parent Borrower or a Restricted Subsidiary of cash in one or more Subsidiaries, the proceeds of which will be used by a Restricted Subsidiary to purchase Vessel Collateral from a Loan Party, the net effect of which is that (x) the Vessel Collateral subject to such Foreign Vessel Reflagging Transaction shall continue to be Vessel Collateral (and the requirements under Section 8.11(b)(i) shall apply to such Vessel Collateral and Foreign Vessel Reflagging Transaction) and (y) such cash is substantially contemporaneously returned to the Parent Borrower or the Restricted Subsidiary making the initial Investment, in each case, in order to facilitate a change to the flag or documentation or registration of any Vessel Collateral (so long as such Investments constitute Permitted Investments or Investments not restricted by Section 9.01). After giving full effect to any Foreign Vessel Reflagging Transaction where the cash ~~,~~ transfer transaction steps occur substantially simultaneously, a receipt by any Subsidiary of such cash and the existence of any intercompany loan receivable created by the further loaning of such funds by such Subsidiary to another Subsidiary shall not in itself trigger a requirement to provide additional Collateral or to enter into any additional Loan Documents.

## ARTICLE XI
## The Agents

Section 11.01 Appointment; Powers. Each of the Lenders hereby appoints Wilmington Trust as its Administrative Agent and the Collateral Agent (including as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages). Each Lender authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms hereof and the other Loan Documents.

Section 11.02 Duties and Obligations of the Agents. The Agents shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term "Administrative Agent", "Collateral Agent" or "Agent" herein and in the other Loan Documents with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 11.03, and (c) except as expressly set forth herein, no Agent shall have a duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Subsidiaries that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. The Agents shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to a responsible officer of such Agent by the Parent Borrower, the Co-Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into:

(i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;

(ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith;

(iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document;

(iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document;

(v) the satisfaction of any condition set forth inArticle VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or as to those conditions precedent expressly required to be to such Agent's satisfaction;

(vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Parent Borrower and its Subsidiaries or

(vii) any failure by the Parent Borrower, the Co-Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein.

For purposes of determining compliance with the conditions specified in Article VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless an Agent shall have received written notice from such Lender prior to the proposed Effective Date specifying its objection thereto.

Section 11.03 Action by Agents. Each Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and in all cases each Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability claims, losses, fees and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by an Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then an Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities satisfactory to it) described in this Section 11.03; *provided,* that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the interests of the Lenders. In no event, however, shall an Agent be required to take any action which exposes such Agent to a risk of personal liability or which is contrary to this Agreement, the Loan Documents or applicable law. If a Default has occurred and is continuing, no Agent shall have any obligation to perform any act in respect thereof. Each Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise such Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith including its own ordinary negligence, except for its own gross negligence or willful misconduct.

The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or with respect to any Benchmark Replacement or Benchmark Replacement Adjustment, including without limitation, whether the composition or characteristics of any such Benchmark Replacement or Benchmark Replacement Adjustment will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

Section 11.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon, except in the case of gross negligence or willful misconduct by such Agent and each of the Borrowers, the Guarantors, and the Lenders hereby waives the right to dispute such Agent's record of such statement absent manifest error. The Agent shall be entitled to request written instructions from the Borrower, the Guarantors, the Lenders and the other Loan Parties, and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Agent in accordance with such written direction. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with such Agent.

Section 11.05 Sub-Agents. Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-Agents appointed by such Agent. Each Agent and any such sub-Agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this Article XI shall apply to any such sub-Agent and to the Related Parties of such Agent and any such sub-Agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

Section 11.06 Resignation or Removal of Agents. Subject to the appointment and acceptance of a successor Agent, including as the case may be, the Collateral Agent, as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages, as provided in this Section 11.06, each Agent may resign at any time by notifying the Lenders and the Borrowers, and such Agent may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation or removal of the retiring Agent, then the retiring Agent may, on behalf of the Lenders and at the expense of the Borrowers, appoint a successor Agent, or an Affiliate of any such Lender as approved by the Required Lenders or if no such successor shall be appointed by the retiring Agent as aforesaid, the Required Lenders shall thereafter perform all of the duties of the retiring Agent hereunder (and the retiring Agent shall be discharged from its duties and obligations hereunder) until such appointment by the Required Lenders is made and accepted. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and

obligations hereunder. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Agent's resignation hereunder, the provisions of this Article XI and Section 12.03 shall continue in effect for the benefit of such retiring Agent, its sub-Agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent. The institution acting as Collateral Agent shall always also act as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages.

Section 11.07 Agents as Lenders. Each Lender serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such Lender and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Parent Borrower or any of its Subsidiaries or other Affiliates as if it were not an Agent hereunder.

Section 11.08 Funds held by Agents. The Agents shall have no responsibility for interest or income on any funds held by it hereunder and any funds so held shall be held uninvested pending distribution thereof.

Section 11.09 No Reliance. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. No Agent shall be required to keep itself informed as to the performance or observance by the Parent Borrower or any of its Subsidiaries of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Property or books of the Parent Borrower or its Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by an Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrowers (or any of their Affiliates) which may come into the possession of such Agent or any of its Affiliates. Each party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

Section 11.10 Agents May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrowers, the Guarantors or any of their Subsidiaries, each Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether an Agent shall have made any demand on the Borrowers or the Guarantors) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file a proof-of-claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Indebtedness that are owing and unpaid and to file such other documents as may be necessary and directed by the Required Lenders in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under Section 12.03) allowed in such judicial proceeding;

(b) to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same; and

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized and directed by each Lender to make such payments to the Agents and, in the event that the Agents shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their agents and counsel, and any other amounts due the Agents under Section 12.03.

Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Indebtedness or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.11 Authority of the Agents to Release Collateral, Liens and Guarantors. Each Lender hereby authorizes the Collateral Agent to release any Collateral that is permitted to be sold or released pursuant to the terms of the Loan Documents and to release any Guarantor that is permitted to be released pursuant to the terms of the Loan Documents. Each Lender hereby authorizes the Collateral Agent to execute and deliver to the Borrowers, at the Borrowers' sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrowers in connection with any sale or other disposition (including by Investment) of Property (in each case subject to the following sentence) to the extent such sale or other disposition is authorized by the terms of the Loan Documents and complies with Section 9.14 of the Guaranty and Collateral Agreement, as evidenced in an Officer's Certificate delivered to the Collateral Agent. Notwithstanding the foregoing, it is understood and agreed that the Liens on any Collateral securing the Indebtedness shall not be released upon a sale, transfer, Investment or other disposition of such Collateral (x) to any Person that is, or that is required to be, in each case at the time of such sale, transfer or other disposition, a Loan Party (but disregarding the grace period provided for in Section 8.14(a)(ii)) or (y) if such Collateral is Vessel Collateral, if the transferee is a Restricted Subsidiary of the Parent Borrower; *provided, however,* that in connection with an Approved Vessel Reflagging Transaction or a Foreign Vessel Reflagging Transaction that is permitted under this Agreement, if the Person to whom such Collateral is being transferred grants a new Lien on such Collateral in favor of the Collateral Agent, for the benefit of the Secured Parties that is comparable, in the good faith determination of the Required Lenders, in scope, validity and perfection to the existing Lien, then the Collateral Agent shall release such Collateral. Upon the request of the Borrowers, in connection with any transaction otherwise permitted hereunder, the Administrative Agent and/or the Collateral Agent is authorized to release (i) Collateral that is disposed of (other than to a Person that is, or that is required to be, in each case at the time of such sale, transfer or other disposition, a Loan Party (but disregarding the grace period provided for in Section 8.14(a)(ii)) or Collateral that is owned by a Person that ceases to be

a Restricted Subsidiary of the Parent Borrower and (ii) any Guarantor from its Guaranty Agreement and its obligations thereunder if such Guarantor ceases to be a Restricted Subsidiary of the Parent Borrower; provided that, for the avoidance of doubt, in no event is the Administrative Agent or Collateral Agent authorized to release the Co-Borrower from its obligations under this Agreement other than is permitted under Section 12.02.

Section 11.12 Merger, Conversion or Consolidation of Agents. Any corporation into which the Agents may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Agents shall be a party, or any corporation succeeding to the corporate trust and loan agency business of the Agents, shall be the successor of the Agents hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Parent Borrower, the Co-Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any other Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof nor any Security Instrument nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; provided, that no such agreement shall

(i) increase the Commitment of any Lender without the written consent of such Lender,

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, or reduce any other Indebtedness hereunder or under any other Loan Document, without the written consent of each Lender affected thereby,

(iii) postpone the scheduled date of payment or prepayment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or any other Indebtedness hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Maturity Date without the written consent of each Lender affected thereby,

(iv) change Section 4.01(b) or Section 4.01(c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender,

(v) release all or substantially all of the collateral or all or substantially all of the value of the guarantees of the Indebtedness made by the Guarantors without the written consent of each Lender,

(vi) change any of the provisions of this Section 12.02(b) or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender, or

(vii) amend or modify this Agreement in any manner that would permit the incurrence, assumption or issuance of (a) any additional Indebtedness hereunder or (b) any additional Debt or Disqualified Stock that is permitted to be secured by all or any portion of the Collateral on a senior or pari passu basis relative to the Liens on such Collateral securing the Indebtedness, in each case of clause (a) and (b), without the consent of each Lender;

*provided, further*, that no such agreement shall amend, modify or otherwise affect the rights or duties of any Agent hereunder or under any other Loan Document without the prior written consent of such Agent. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment or Loans of such Lender may not be increased or extended without the consent of such Lender.

(c) Notwithstanding anything to the contrary contained in this Section 12.02, the Administrative Agent may, with the written consent of the Borrowers and the Required Lenders only, amend, modify or supplement this Agreement or any of the other Loan Documents to correct any clerical errors or cure any ambiguity, omission, mistake, defect or inconsistency so long as such correction is not materially adverse to the Lenders.

~~(c)~~(d) Without limitation of the provisions of the preceding Section 12.02(b), no amendment, waiver or other modification to this Agreement shall, unless signed or otherwise approved by the Borrowers and 2021 Replacement Term Lenders that hold 2021 Delayed Draw Replacement Term Loan Commitments (or by the Administrative Agent with the prior written approval of 2021 Replacement Term Lenders that hold 2021 Delayed Draw Replacement Term Loan Commitments), (i) amend, waive or otherwise modify Sections 2.01(c) or 6.02 or the definitions of the terms used in such Sections insofar as the definitions affect the substance of such Sections or (ii) amend, waive or otherwise modify this Section 12.02(d) or the definitions of the terms used in this Section 12.02(d) insofar as the definitions affect the substance of this Section 12.02(d).

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket fees and expenses incurred by the Agents and the Lenders and their respective Affiliates, including, without limitation, the reasonable and documented fees, charges and disbursements of counsel for the Agents and the Lenders (but limited to one primary counsel for each of (x) the Agents and their respective Affiliates, collectively and (y) the Lenders and their respective Affiliates, collectively, and in each case, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty (and, in the case of an actual conflict of interest, where the party affected by such conflict, informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected person), (ii) all reasonable and documented travel, photocopy, mailing, courier, telephone and other similar expenses, in connection with the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Agents and/or the Lenders as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (iii) all costs, expenses, Taxes, assessments, paralegal services, notary fees, language translation fees and other charges incurred by any Agent or any Lender in connection

with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, and (iv) all out-of-pocket fees and expenses incurred by any Agent or any Lender, including the fees, charges and disbursements of any counsel for any Agent or any Lender (but limited to one primary counsel for each of (x) the Agents and their respective Affiliates, collectively and (y) the Lenders and their respective Affiliates, collectively, and in each case, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty (and, in the case of an actual conflict of interest, where the party affected by such conflict, informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected person)), in connection with the enforcement or protection of its rights in connection with this Agreement or any other Loan Document, including its rights under this Section 12.03, and including, without limitation, all such out-of-pocket expenses incurred during any workout or restructuring in respect of such Loans.

(b) THE BORROWERS SHALL, AND SHALL CAUSE THE OTHER LOAN PARTIES TO, JOINTLY AND SEVERALLY INDEMNIFY THE ADMINISTRATIVE AGENT AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "INDEMNITEE") AGAINST, AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, LIABILITIES, FEES AND RELATED EXPENSES, INCLUDING THE FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE FAILURE OF THE PARENT BORROWER OR ANY SUBSIDIARY TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF ANY LOAN PARTY SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR THE USE OF THE PROCEEDS THEREFROM, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE PARENT BORROWER AND ITS SUBSIDIARIES BY THE PARENT BORROWER AND ITS SUBSIDIARIES, (vii) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) ANY ENVIRONMENTAL LIABILITY ARISING OUT OF THE OPERATIONS OF THE PARENT BORROWER OR ANY SUBSIDIARY OR ANY OF THEIR PROPERTIES, INCLUDING WITHOUT LIMITATION, THE PRESENCE, GENERATION, STORAGE, RELEASE, THREATENED RELEASE, USE, TRANSPORT, DISPOSAL, ARRANGEMENT OF DISPOSAL OR TREATMENT OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON ANY OF THEIR PROPERTIES, (ix) THE BREACH OR NON-COMPLIANCE BY THE PARENT BORROWER OR ANY SUBSIDIARY WITH ANY

ENVIRONMENTAL LAW APPLICABLE TO THE PARENT BORROWER OR ANY SUBSIDIARY, (x) THE PAST OWNERSHIP BY THE PARENT BORROWER OR ANY SUBSIDIARY OF ANY OF THEIR PROPERTIES OR PAST ACTIVITY ON ANY OF THEIR PROPERTIES WHICH, THOUGH LAWFUL AND FULLY PERMISSIBLE AT THE TIME, COULD RESULT IN PRESENT LIABILITY, (xi) THE PRESENCE, USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON OR AT ANY OF THE PROPERTIES OWNED OR OPERATED BY THE PARENT BORROWER OR ANY SUBSIDIARY OR ANY ACTUAL OR ALLEGED PRESENCE OR RELEASE OF HAZARDOUS MATERIALS ON OR FROM ANY PROPERTY OWNED OR OPERATED BY THE PARENT BORROWER OR ANY SUBSIDIARY, (xii) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE PARENT BORROWER OR ANY SUBSIDIARY, (xiii) ANY OTHER ENVIRONMENTAL, HEALTH OR SAFETY CONDITION IN CONNECTION WITH THE LOAN DOCUMENTS, OR (xiv) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; *PROVIDED,* THAT ANY OF THE ABOVE INDEMNITIES SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM (X) THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE OR (Y) ANY DISPUTE SOLELY AMONG INDEMNITEES (OTHER THAN ANY CLAIMS AGAINST AN INDEMNITEE IN ITS CAPACITY OR IN FULFILLING ITS ROLE AS AN AGENT OR ARRANGER OR ANY SIMILAR ROLE HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT AND OTHER THAN ANY CLAIMS ARISING OUT OF ANY ACT OR OMISSION OF THE PARENT BORROWER OR ANY OF ITS SUBSIDIARIES). This Section 12.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising out of any non-Tax claim.

(c) To the extent any Agent is not jointly and severally reimbursed and/or indemnified by the Borrowers and/or the other Loan Parties in accordance with the provisions of this Agreement, the Lenders will reimburse and indemnify such Agent, severally and not jointly, in proportion to each Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense of indemnity payment is sought), for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by such Agent in connection with or arising out of any act or omission of such Agent related to its

duties hereunder or under any other Loan Document or the performance thereof or in any way relating to or arising out of this Agreement or any other Loan Document; *provided,* that no Lender, Borrower or other Loan Party shall be liable for any of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any claim for indemnification hereunder, this Section 12.03 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person.

(d) To the extent permitted by applicable law, no Loan Party hereto shall assert, and each Loan Party hereto hereby waives, any claim against each other, on any theory of liability, for special, indirect, consequential, incidental or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; *provided,* that the foregoing shall not limit the Borrower's, the Lenders' or the other Loan Parties' indemnification obligations pursuant to Section 12.03(b) to the extent such damages are included in any such claim that is entitled to such indemnification.

(e) All amounts due under this Section 12.03 shall be payable not later than ten (10) days after written demand therefor. ThisSection 12.03 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 12.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 9.04, no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by such Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 12.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 12.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b)(i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than a Disqualified Lender) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments or the Loans at the time owing to it) pursuant to an Assignment and Assumption Agreement substantially in the form of Exhibit G (an "Assignment") with the prior written consent of the Borrowers (which consent shall be deemed to be provided if the Borrowers do not respond to a request for such consent within 10 Business Days after written receipt of request thereof) and the Administrative Agent (in each case, such consent not to be unreasonably withheld); provided that (x) no such consent of the Borrowers shall be required if an Event of Default has occurred and is continuing and (y) no such consent of the Administrative Agent or the Borrowers shall be required if such assignment is to a Lender, an Affiliate of a Lender, an Approved Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless the Administrative Agent otherwise consents; provided, that simultaneous assignments to affiliated funds may be aggregated;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment, together with a processing and recordation fee of $3,500; provided, that (x) the Administrative Agent may, elect to waive or reduce such processing and recordation fee in the case of any assignment; provided further, that, such processing and recordation fee shall not be payable to the extent the assignee is an Affiliate of a Lender, an Approved Lender or an Approved Fund and (y) simultaneous assignments to affiliated funds shall be deemed to constitute a single assignment for purposes of the foregoing;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) notwithstanding anything to the contrary herein, no assignments shall be made to (1) a Defaulting Lender or any of its Subsidiaries or Affiliates or (2) the Parent Borrower or any of its Subsidiaries except as permitted by Section 12.04(g).

(iii) Subject to Section 12.04(b)(iv) and the acceptance and recording thereof, from and after the effective date specified in each Assignment the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment, be released from its obligations under this Agreement (and, in the case of an Assignment covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03 with respect to facts and circumstances occurring prior to the Effective Date). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c).

(iv) The Administrative Agent, acting for this purpose as an administrative agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment delivered to it and a register for the recordation of the names, addresses and telecopy number of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The

entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable required tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 12.04(b) and any written consent to such assignment required by Section 12.04(b), the Administrative Agent shall accept such Assignment and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register after meeting the requirements provided in this Section 12.04(b). The parties hereto agree and intend that the obligations under this Agreement shall be treated as being in "registered form" for the purposes of the Code (including Code Sections 163(f), 871(h)(2) and 8831(c)(2)), and the Register and Participant Register shall be maintained in accordance with such intention.

(c)(i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more Lenders or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided,* that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided,* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 12.02 that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.03. Subject to Section 12.04(c)(ii), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 5.01, 5.02 and 5.03 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender;*provided,* such Participant agrees to be subject to Section 4.01(c) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 5.02 or Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers' prior written consent or to extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant shall not be entitled to the benefits of Section 5.03 unless such Participant agrees to comply with Section 5.03(g) as though it were a Lender (it being understood that the documentation shall be delivered to the participating Lender).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); *provided,* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest; *provided,* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided,* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that affects such Participant. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.07 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender; *provided* that such Participant agrees to be subject toSection 4.01 as though it were a Lender.

(f) Notwithstanding anything in this Agreement to the contrary, in no event shall any Lender or Participant assign any portion of or sell any participations in its rights and obligations under this Agreement to any Disqualified Lender. This prohibition shall be included in any documentation effecting an assignment of any interest herein or in any Loans and any attempted assignment in violation of this provision shall be void ab initio.

(g) Notwithstanding anything in this Agreement to the contrary, any Lender may, at any time, assign all or a portion of its Loans on a non-pro rata basis to the Borrowers in accordance with the procedures set forth on Exhibit L, pursuant to an offer made by the Borrowers available to all Lenders on a pro rata basis (a "Dutch Auction"), subject to the following limitations:

(i) the Borrowers shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither it, its Affiliates nor any of its respective directors or officers has any Excluded Information that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Parent Borrower or its Subsidiaries or any of their respective securities) prior to such date;

(ii) immediately and automatically, without any further action on the part of the Borrowers, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Loans from a Lender to the Borrowers, such Loans and all rights and obligations as a Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid (provided that the Borrowers shall also pay any applicable premium or call protection), terminated, extinguished, cancelled and of no further force and effect and the Borrowers shall neither obtain nor have any rights as a Lender hereunder or under the other Loan Documents by virtue of such assignment;

(iii) the Borrowers shall not use the proceeds of any Loans for any such assignment; and

(iv) no Event of Default shall have occurred and be continuing before or immediately after giving effect to such assignment.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrowers herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 3.05, 5.01, 5.02, 5.03 and 12.03 and Article XI shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the resignation or removal of any Agent, the expiration or termination of the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Indebtedness or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any Debtor Relief Law, common law or equitable cause, then to such extent, the Indebtedness so satisfied shall

be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrowers shall take such action as may be reasonably requested by the Administrative Agent (as directed by the Required Lenders) to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the Lenders constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

(c) Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be as effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the obligations of the Borrowers or such Loan Party now or hereafter existing

under this Agreement or any other Loan Document to such Lender or their respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such Loan Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application; provided, that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12.09 GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO ANY LOAN DOCUMENT SHALL BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS; PROVIDED, THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE (I) ANY AGENT FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS UNDER THE LOAN DOCUMENTS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF THE ADMINISTRATIVE AGENT OR THE COLLATERAL AGENT OR (II) ANY PARTY FROM BRINGING ANY LEGAL ACTION OR PROCEEDING IN ANY JURISDICTION FOR THE RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT. EACH PARTY HEREBY AGREES THAT A FINAL JUDGMENT IN ANY SUCH LEGAL ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS.

(c) EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN; (ii) CERTIFIES THAT NO PARTY HERETO NOR ANY REPRESENTATIVE OR ADMINISTRATIVE AGENT OR COUNSEL FOR ANY PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED THAT SUCH PARTY

WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (iii) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed.

(a) to its and its Affiliates' directors, officers, employees and Administrative Agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential),

(b) to the extent requested by any regulatory authority,

(c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process,

(d) to any other party to this Agreement or any other Loan Document,

(e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Hedging Obligation relating to the Parent Borrower or the Co-Borrower, as applicable, and its obligations,

(g) with the consent of the Borrowers or

(h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrowers.

For the purposes of this Section 12.11, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Borrowers or any Subsidiary and their businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Parent Borrower or a Subsidiary; *provided,* that in the case of information received from the Parent Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Indebtedness (or, to the extent that the principal amount of the Indebtedness shall have been or would thereby be paid in full, refunded by such Lender to the Borrowers); and (ii) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Indebtedness (or, to the extent that the principal amount of the Indebtedness shall have been or would thereby be paid in full, refunded by such Lender to the Borrowers). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans evidenced by the Notes until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12.

Section 12.13 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans hereunder are solely for the benefit of the Borrowers, the Guarantors and, unless expressly stated or referred to herein, no other Person (including, without limitation, any Subsidiary of the Borrowers, any Subsidiary of the Guarantors, any obligor, contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent or any Lender for any reason whatsoever. There are no third party beneficiaries other than the Guarantors or as otherwise expressly stated or referred to herein.

Section 12.14 Electronic Communications.

(a) The Borrowers hereby agree that, unless otherwise requested by the Administrative Agent, each will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement, (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder or (v) initiates or responds to legal process (all such non-excluded information being referred to herein collectively as the "Communications") by transmitting the Communications in an electronic/soft medium (*provided,* such Communications contain any required signatures) in a format acceptable to the Administrative Agent, to such e-mail address designated by the Administrative Agent from time to time. Each of the Agents and the Lenders hereby agrees that, unless otherwise requested by the Borrowers, to the extent such Agent or Lender delivers or furnishes any communication hereunder to the Loan Parties by electronic communications, unless receipt of such electronic communication is acknowledged by the Borrowers, such Agent or Lender will provide such notice or communication by telephone and hard copy communication as well.

(b) Each party hereto agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on IntraLinks or another relevant website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent) (the "Platform"). Nothing in this Section 12.14 shall prejudice the right of the Administrative Agent to make the Communications available to the Lenders in any other manner specified in the Loan Documents.

(c) The Parent Borrower hereby acknowledges that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material nonpublic information with respect to the Borrowers or their securities) (each, a "Public Lender"). The Parent Borrower hereby agrees that (i) Communications that may not be made available to Public Lenders shall be clearly and conspicuously marked "PRIVATE" which, at a minimum, shall mean that the word "PRIVATE" shall appear prominently on the first page thereof, (ii) by not marking Communications "PRIVATE," the Parent Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Communications as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Parent Borrower or its securities for purposes of United States federal and state securities laws, (iii) all Communications not marked "PRIVATE" are permitted to be made available through a portion of the Platform designated "Public Lender," and (iv) the Administrative Agent shall be entitled to treat any Communications that are marked "PRIVATE" as being suitable only for posting on a portion of the Platform not designated "Public Lender."

(d) Each Lender agrees that e-mail notice to it (at the address provided pursuant to the next sentence and deemed delivered as provided in the next paragraph) specifying that Communications have been posted to the Platform shall constitute effective delivery of such Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (i) to notify the Administrative Agent in writing (including by electronic communication) from time to time to ensure that the Administrative Agent has on record an effective e-mail address for such Lender to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address.

(e) Each party hereto agrees that any electronic communication referred to in this Section 12.14 shall be deemed delivered upon the posting of a record of such communication (properly addressed to such party at the e-mail address provided to the Administrative Agent) as "sent" in the e-mail system of the sending party or, in the case of any such communication to the Administrative Agent, upon the posting of a record of such communication as "received" in the e-mail system of the Administrative Agent; *provided,* that if such communication is not so received by the Administrative Agent during the normal business hours of the Administrative Agent, such communication shall be deemed delivered at the opening of business on the next Business Day for the Administrative Agent.

(f) Each party hereto acknowledges that (i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (ii) the Communications and the Platform are provided "as is" and "as available," (iii) none of the Administrative Agents, their affiliates nor any of their respective officers, directors, employees, Administrative Agents, advisors or representatives (collectively, the "Administrative Agent Parties") warrants the adequacy, accuracy or completeness of the Communications or the Platform, and each Administrative Agent Party expressly disclaims liability for errors or omissions in any Communications or the Platform, and (iv) no warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Administrative Agent Party in connection with any Communications or the Platform.

Section 12.15 USA Patriot Act Notice. Each Lender and the Administrative Agent hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names and addresses of each of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the USA PATRIOT Act. The Borrowers hereby each agree that it will provide each Lender and the Administrative Agent with such information as they may request in order to satisfy the requirement of the USA PATRIOT Act.

Section 12.16 Acknowledgement and Consent to Bail-In Action. Notwithstanding any other term of any Loan Document or any other agreement, arrangement or understanding between the parties hereto, each party hereto acknowledges and accepts any liability of any Affected Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution;

(b) the effects of any Bail-In Action in relation to any such liability, including, if applicable (i) a reduction, in full or in part, or cancellation of any such liability; (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document; and (iii) a variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 12.17 Intercreditor Agreements. Each Lender hereunder authorizes and instructs the Agents to enter into with respect to any Debt permitted hereunder which is expressly permitted to be secured by a Lien on the Collateral that is junior to the Liens securing the Indebtedness, any Acceptable Junior Lien Intercreditor Agreement as and when contemplated hereunder (including any and all amendments, amendments and restatements, modifications, supplements and acknowledgements thereto permitted hereby from time to time). The Agents and the Lenders hereby acknowledge and agree to be bound by all such provisions to the extent in effect. Notwithstanding anything herein to the contrary, each Lender, the Administrative Agent and the Collateral Agent acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Instruments and the exercise of any right or remedy by the Administrative Agent and/or the Collateral Agent thereunder, are subject to the provisions of any Acceptable Junior Lien Intercreditor Agreement to the extent in effect. In the event of a conflict or any inconsistency between the terms of any Acceptable Junior Lien Intercreditor Agreement, on the one hand, and the Security Instruments, on the other, the terms of the applicable Acceptable Junior Lien Intercreditor Agreement shall prevail to the extent then in effect.

Section 12.18 Force Majeure. In no event shall the Agents be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, pandemics, public emergencies, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services; it being understood that the Agents shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.19 Joint and Several Liability; Etc.

(a) The Borrowers shall have joint and several liability in respect of all Indebtedness hereunder without regard to any defense (other than the defense of payment), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Lenders, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and such Indebtedness of the Borrowers shall not be conditioned or contingent upon the pursuit by the Lenders or any other person at any time of any right or remedy against the Borrowers or against any other person which may be or become liable in respect of all or any part of the Indebtedness or against any Collateral or guarantee therefor or right of offset with respect thereto. The Borrowers hereby acknowledge that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered a Borrowing Request) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the Loans made to any other Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of such Loans, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other Loan Document or any other agreement or instrument referred to herein or against any other person under any other guarantee of, or security for, any of such amounts owing hereunder.

This INTEREST RATE INDEX REPLACEMENT AGREEMENT AND SECOND AMENDMENT TO FIRST LIEN CREDIT AGREEMENT (this "Second Amendment"), executed on the date set forth below, to be effective as of the 20th day of July, 2023 ("Effective Date"), and is between **HORNBECK OFFSHORE SERVICES, INC.,** a Delaware corporation ("HOSI" or the "Parent Borrower"); **HORNBECK OFFSHORE SERVICES, LLC**, a Delaware limited liability company ("HOS" or the "Co-Borrower"; and the Parent Borrower together with the Co-Borrower, collectively, the "Borrowers" and each, a "Borrower"); each of the Lenders from time to time party hereto; **WILMINGTON TRUST, NATIONAL ASSOCIATION**, as administrative agent for the Lenders (in such capacity, together with its successors in such capacity, the "Administrative Agent"); and **WILMINGTON TRUST, NATIONAL ASSOCIATION**, as collateral agent for the Lenders (in such capacity, together with its successors in such capacity, the "Collateral Agent").

RECITALS:

A. Borrowers, Administrative Agent, Collateral Agent and Lenders are parties to that certain Amendment No. 1 to First Lien Credit Agreement and Amendment No. 1 to the Effective Date Junior Lien Intercreditor Agreement, dated December 22, 2021, pursuant to which the parties thereto amended and restated the First Lien Credit Agreement and entered into that certain Amended and Restated First Lien Term Loan Credit Agreement dated as of December 22, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, prior to the Effective Date of the Second Amendment, the "Existing Credit Agreement" and, as amended by this Second Amendment, the "Credit Agreement").

B. One of the two adjustable interest rate indexes applicable to the Borrowings, a Eurodollar Borrowing, is LIBO Rate based and the other, an ABR or Alternate Base Rate Borrowing, has a LIBO Rate based component.

C. Effective June 30, 2023 it became no longer possible for the Administrative Agent to get reliable quotations for LIBO Rate.

D. It is the intent of the Borrowers, Administrative Agent and the Required Lenders to change the adjustable interest rate indexes used to determine the interest rate applicable to the Borrowings evidenced by the Existing Credit Agreement from a LIBO Rate based index to a SOFR based index.

E. Accordingly, the Borrowers, Administrative Agent and the Required Lenders enter into this Second Amendment (i) to acknowledge and agree that a Benchmark Transition Event has occurred in accordance with the provisions of Sections 3.03 and 12.02 of the Existing Credit Agreement, (ii) to document the implementation of a SOFR based index as the Benchmark Replacement, and (iii) to make the other amendments to the Existing Credit Agreement as set forth herein.

"Adjusted Term SOFR" means, for purposes of any calculation, the rate per annum equal to (a) Term SOFR for such calculation plus (b) the Term SOFR Adjuster; provided that if Adjusted Term SOFR as so determined shall ever be less than 1.00%, then Adjusted Term SOFR shall be deemed to be 1.00%.

"Available Tenor" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, if such Benchmark is a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to Section 3.03(e).

Section 1.03 Types of Loans and Borrowings. For the purposes of this Agreement, Loans and Borrowings, respectively, may be classified and referred to by Class and/or Type (e.g., a "SOFR Loan", "SOFR Borrowing", a "2021 Replacement Term Loan" or "2021 Replacement Term Loan Borrowing").

Section 2.5 Amendment to Section 2.03(b) and Section 2.03(d) to the Credit Agreement. Effective as of the Effective Date, Section 2.03(b) and Section 2.03(d) of the Credit Agreement are amended and restated in their entirety to read as follows:

(b) Types of Loans. Subject to Section 3.03, each Borrowing occurring after the Effective Date of the Second Amendment made shall be comprised entirely of ABR Loans or SOFR Loans as the Borrowers may request in accordance herewith. Each Lender at its option may make any SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement and such domestic or foreign branch or Affiliate will be subject to the requirements under Section 5.03(g).

(d) Requests for Borrowings. To request a Borrowing, the Borrowers shall deliver to the Administrative Agent, for distribution to the Lenders, a written Borrowing Request in substantially the form of Exhibit B-1 and signed by the Borrowers (A) in the case of a SOFR Borrowing, not later than 12:00 p.m., Eastern time, three U.S. Government Securities Business Days before the date of the proposed Borrowing (or such later date as agreed to by the Administrative Agent) or (B) in the case of an ABR Borrowing, not later than 12:00 p.m., Eastern time, three Business Days before the date of the proposed Borrowing (or such later date as agreed to by the Administrative Agent).

(b) SOFR Loans. The Loans comprising each SOFR Borrowing shall bear interest at a rate per annum equal to Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Interest Rate, but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and on the Maturity Date applicable to such Loan and shall be payable entirely in cash; provided that (i) interest accrued pursuant to Section 3.02(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than an optional prepayment of an ABR Loan prior to the Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable in cash on the date of such repayment or prepayment, and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error, and be binding upon the parties hereto.

Section 2.9 Replacement of Section 3.03 of the Credit Agreement. Effective as of the Effective Date, Section 3.03 of the Credit Agreement is hereby amended and restated in its entirety as follows:

Section 3.03 Inability to Determine Rates; Benchmark Replacement Setting.

(a) Inability to Determine Rates. Subject to clauses (b) through (f) of this Section 3.03, if, on or prior to the first day of any Interest Period for any SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining "Adjusted Term SOFR" for such Interest Period, or

(ii) the Required Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Required Lenders have provided notice of such determination to the Administrative Agent,

then, in each case, the Administrative Agent will promptly so notify the Borrower and each Lender.

Upon notice thereof by the Administrative Agent to the Parent Borrower, any obligation of the Lenders to make SOFR Loans, and any right of the Borrower to continue SOFR Loans or to convert ABR Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (b), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 5.02. Subject to clauses (b) through (f) of this Section 3.03, if the

Administrative Agent determines (which determination shall be conclusive absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on ABR Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition of "Alternate Base Rate" until the Administrative Agent revokes such determination.

(b) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrowers may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrowers so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 3.03(b) will occur prior to the applicable Benchmark Transition Start Date.

(c) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent (acting at the direction of the Required Lenders) will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document (and the Lenders hereby (i) authorize and direct the Administrative Agent to make any Benchmark Replacement Conforming Changes (and to enter into any modifications to the Credit Agreement or Loan Documents implementing such Benchmark Replacement Conforming Changes) that have been consented or agreed to by the Required Lenders, or in respect of which the Administrative Agent has received a direction from the Required Lenders to implement and (ii) acknowledge and agree that the Administrative Agent shall be entitled to all of the exculpations, protection and indemnifications provided for in this Agreement in favor of the Administrative Agent in implementing any Benchmark Replacement Conforming Changes (or in entering into any modifications to the Credit Agreement or the other Loan Documents implementing the same) that have been consented or agreed to by the Required Lenders, or in respect of which the Administrative Agent has received a direction from the Required Lenders to implement), any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrowers and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.03(e) and (y) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.03, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.03.

(e) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Parent Borrower may revoke any request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Parent Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans and (ii) any outstanding affected SOFR Loans will be deemed to have been converted to ABR Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

(a) Certain Defined Terms. As used in this Section 3.03 and elsewhere in this Agreement:

"Benchmark Replacement" means, with respect to any Benchmark Transition Event, the sum of: (a) the alternate benchmark rate that has been selected by the Administrative Agent, the Required Lenders, and the Parent Borrower giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate of interest as a replacement to the then-current Benchmark for U.S. dollar-denominated syndicated credit facilities at such time and (b) the related Benchmark Replacement Adjustment; provided that, if the Benchmark Replacement as so determined would be less than zero, the Benchmark Replacement will be deemed to be zero for the purposes of this Agreement; provided further that any such Benchmark Replacement shall be administratively feasible as determined by the Administrative Agent in its sole discretion.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for each applicable Interest Period, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent, the Required Lenders and the Parent Borrower giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated syndicated credit facilities at such time, provided that any such Benchmark Replacement Adjustment shall be administratively feasible as determined by the Administrative Agent in its sole discretion.

"Benchmark Replacement Conforming Changes" means, with respect to either the use or administration of Adjusted Term SOFR or the use, administration, adoption or implementation of any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "ABR," "Business Day," the definition of "U.S. Government Securities Business Day," the definition of the definition of "Interest Period," or any similar or analogous definition (or the addition of a concept of "interest period"), timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, the applicability and length of lookback periods, the applicability of Section 5.02 and other technical, and other administrative or operational matters) that the Administrative Agent and the Required Lenders decide in their reasonable

discretion may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent and the Required Lenders determine that no market practice for the administration of the Benchmark Replacement exists, in such other manner of administration as the Administrative Agent and the Required Lenders decide is reasonably necessary in connection with the administration of this Agreement).

"Benchmark Replacement Date" means the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof); or

(b) in the case of clause (3) of the definition of "Benchmark Transition Event," the first date on which all Available Tenors of such Benchmark (or the published component used in the calculation thereof) has been or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, if such Benchmark is a term rate, the "Benchmark Replacement Date" will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, if such Benchmark is a term rate, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Start Date" means, in the case of a Benchmark Transition Event, the earlier of (i) the applicable Benchmark Replacement Date and (ii) if such Benchmark Transition Event is a public statement or publication of information of a prospective event, the 90th day prior to the expected date of such event as of such public statement or publication of information (or if the expected date of such prospective event is fewer than 90 days after such statement or publication, the date of such statement or publication).

"Benchmark Unavailability Period" means the period (if any) (x) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with this Section 3.03 and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with this Section 3.03.

"Relevant Governmental Body" means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

"Unadjusted Benchmark Replacement" means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

Section 2.10 Amendment to Section 3.04(b) to the Credit Agreement. Effective as of the Effective Date, Section 3.04(b) of the Credit Agreement is hereby amended by deleting the reference to "Eurodollar Borrowing" and replacing such reference with "SOFR Borrowing".

Section 2.11 Amendment to Section 5.02 to the Credit Agreement. Effective as of the Effective Date, Section 5.02 is hereby amended and restated in its entirety as follows:

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrowers shall compensate each Lender requesting a reimbursement for the loss, cost and expense attributable to such event.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to thisSection 5.02 shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Section 2.12 Amendment to Section 5.05 to the Credit Agreement. Effective as of the Effective Date, Section 5.05 of the Credit Agreement is hereby amended and restated in its entirety as follows:

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Loans whose interest is determined by reference to SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or to determine or charge interest based upon SOFR, the

Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, then (a) such Lender shall promptly notify the Borrowers and the Administrative Agent thereof and such Lender's obligation to make such SOFR Loans shall be suspended (the "Affected Loans") until such time as such Lender may again make and maintain such SOFR Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrowers and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans on the date specified by such Lender in such notice) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

Section 2.13 Conversion of Existing Eurodollar Loans. Notwithstanding anything to the contrary set forth in this Second Amendment or the Credit Agreement (as amended hereby), each Eurodollar Loan outstanding on the date hereof (each, an "Existing Eurodollar Loan") shall continue to accrue interest at a rate equal to the sum of (a) Adjusted LIBO Rate applicable to such Existing Eurodollar Loan on the Effective Date, plus (b) the Applicable Margin until the date the Interest Period for such Existing Eurodollar Loan expires in accordance with its terms or, if earlier, as of the date of any acceleration or prepayment of such Existing Eurodollar Loan (the earlier of such dates, the "LIBO Rate Expiration Date"). Upon the applicable LIBO Rate Expiration Date for each Existing Eurodollar Loan, such Existing Eurodollar Loan shall cease to bear interest at a rate that is based upon LIBO Rate and each such Existing Eurodollar Loan shall be converted to a SOFR Loan (as defined in the Credit Agreement, as amended by this Second Amendment) or repaid, as applicable, in accordance with the Credit Agreement, as amended by this Second Amendment. For the avoidance of doubt, (i) other than any Existing Eurodollar Loan, no Loan from and after July 1, 2023 shall bear interest at a rate that is based upon LIBO Rate; (ii) from and after July 1, 2023 until the applicable LIBO Rate Expiration Date, each Existing Eurodollar Loan shall bear interest at a rate equal to the sum of (A) Adjusted LIBO Rate applicable to such Existing Eurodollar Loan on the July 1, 2023, plus (B) the Applicable Margin; (iii) from and after July 1, 2023, no Loan may be renewed, extended or continued as a LIBO Rate priced Eurodollar Loan but must be renewed, extended or continued as a SOFR Loan; (iv) all terms and provisions of the Credit Agreement (prior to giving effect to this Second Amendment) that relate to Eurodollar Loan (including provisions relating to breakage costs) shall continue to apply to the Existing Eurodollar Loans; and (v) unless otherwise indicated or defined in this Second Amendment, each capitalized term in this Section 2.5 shall have the meaning ascribed to such term in the Credit Agreement (prior to giving effect to this Second Amendment).

Section 2.14 Administrative Agent's Use of SOFR. Administrative Agent makes no representation or warranty concerning the SOFR index rate, and does not accept responsibility for, and shall have no responsibility with respect to, the administration, submission or any other matters related to the rates in the definition of "SOFR" or any Benchmark Replacement Conforming Changes. Initially and over time, the SOFR index rate will differ from LIBO Rate. Administrative Agent shall not be liable in any manner with respect to such fluctuation or the determination of the SOFR index rate. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission

of, calculation of or any other matter related to SOFR index rate, or Adjusted Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement) or any relevant adjustments thereto, including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the LIBO Rate, Adjusted Term SOFR, SOFR index rate or any other Benchmark prior to its discontinuance or unavailability; or (b) the effect, implementation or composition of any Benchmark Replacement Conforming Changes. The Administrative Agent may engage in transactions that affect the calculation of the SOFR index rate, Adjusted Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain the SOFR index rate, Adjusted Term SOFR or any other Benchmark, in each case pursuant to the terms of this Second Amendment, and shall have no liability to either Borrower, any Lender or any other Person for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

## ARTICLE III

## Conditions Precedent

Section 3.1 Conditions. The effectiveness of this Second Amendment is subject to the satisfaction of the following conditions precedent:

(a) The representations and warranties contained herein and in all other Loan Documents, as amended hereby, shall be true and correct as of the date hereof as if made on the date hereof, except to the extent any such representations and warranties are expressly limited to an earlier date (in which case such representations and warranties shall be true and correct on and as of such earlier date); provided, that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct in all respects on such respective dates;

(iii) prior to any such replacement, such Lender shall have taken no action under Section 5.04 so as to eliminate the continued need for payment of amounts owing pursuant to Section 5.01 or 5.03(a);

(iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement;

(v) [reserved];

(vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 12.04 *(provided*, that any replaced Lender shall be deemed to have consented to the assignment and delegation of its interests, rights and obligations if it does not execute and deliver an Assignment to the Administrative Agent within three (3) Business Days after having received a request therefor, and the Borrowers shall be obligated to pay the registration and processing fee referred to therein);

(vii) until such time as such replacement shall be consummated, the Borrowers shall pay all additional amounts (if any) required pursuant to Section 5.01 or 5.03(a), as the case may be; and

(viii) any such replacement shall not be deemed to be a waiver of any rights that the Borrowers, the Administrative Agent or any other Lender shall have against the replaced Lender.

Section 2.04 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(b) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article X or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 12.08 shall be applied by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder (including any legal fees and expenses); second, as the Parent Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; third, if so determined by the Parent Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential

future funding obligations with respect to Loans under this Agreement (solely to the extent any such obligation exists); fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by any Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided,* that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 6.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata under the applicable facility. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

## ARTICLE III
## Payments of Principal and Interest; Prepayments; Fees

Section 3.01 Repayment of Loans. The Borrowers hereby unconditionally promise to pay to the Administrative Agent, for the account of each Lender, the then unpaid principal amount of each Loan on the Maturity Date.

Section 3.02 Interest.

(a) Loans. The Loans shall bear interest at the Applicable Interest Rate, but in no event to exceed the Highest Lawful Rate.

(b) [Reserved].

(c) Post-Default. Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, upon the request of the Required Lenders, all Loans outstanding hereunder shall bear interest from and after the date of such Event of Default until such Event of Default has been cured or waived, after as well as before judgment, at a rate per annum equal to two percent (2.00%) plus the then applicable rate of interest accruing on such Loan as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and on the Maturity Date and, except as expressly set forth in Section 3.02(f), shall be payable entirely in cash; provided that (i) interest accrued pursuant to Section 3.02(c) shall be payable on demand and (ii) in the event of any repayment or prepayment of any Loan, accrued interest (including any PIK Interest) on the principal amount repaid or prepaid shall be payable in cash on the date of such repayment or prepayment.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(f) Interest Paid in Kind.

(i) Except as expressly set forth in this Section 3.02(f), interest on each Loan for any Interest Period shall be payable entirely in cash (such interest, "Cash Interest"). In lieu of paying interest on the Loans entirely in Cash Interest, at the Parent Borrower's election and upon written notice to the Administrative Agent (for further distribution to the Lenders) at least five (5) Business Days prior to the commencement of any Interest Period (such election, a "PIK Interest Election"), interest payable at the end of such Interest Period shall be payable in part as Cash Interest and in part as PIK Interest, with the split between Cash Interest and PIK Interest determined pursuant to the definition of Applicable Interest Rate (any Interest Period in which the Parent Borrower has elected to pay a portion of interest at the end of such Interest Period in PIK Interest, a "PIK Election Period"); provided that, (i) notwithstanding the foregoing, the Parent Borrower may, upon written notice to the Administrative Agent (for further distribution to the Lenders) at least five Business Days prior to the Interest Payment Date at the end of any PIK Election Period, irrevocably revoke any PIK Interest Election, in which case (x) interest on each Loan for such Interest Period shall be payable entirely in cash (and the amount of interest payable in cash shall be determined pursuant to the definition of Applicable Interest Rate) and (y) such Interest Period shall, from and after the date on which the Administrative Agent receives such notice, cease to constitute a PIK Election Period and (ii) in the case of any prepayment or repayment of the principal amount of any Loans, including on the Maturity Date, all accrued and unpaid interest on the principal amount prepaid or repaid shall be payable in cash. Unless the context otherwise requires, for all purposes hereof, references to "principal amount" of Loans refers to the original face amount of the Loans, less where applicable any previous principal payments, plus any increase in the principal amount of the outstanding Loans, including as a result of payments of PIK Interest. The entire unpaid balance of principal resulting from all PIK Interest shall be immediately due and payable in full in immediately available funds on the Maturity Date.

(ii) Notwithstanding any other provision of this Agreement, on any Interest Payment Date on or after any accrual period that ends after the date that is five years after the Effective Date, the Borrowers shall also pay a minimum amount of accrued and unpaid interest on the Loan (including any PIK Interest) in cash as shall be necessary to ensure that the Loan shall not be considered "applicable high yield discount obligations" ("AHYDOs") within the meaning of Section 163(i) of the Code, or any successor provision. If definitive guidance is published by the Internal Revenue Service clarifying the application of the AHYDO rules in such a way that would require lesser payments than those described in the preceding paragraph, the amounts of the required payments shall be reduced or eliminated to the greatest extent that would permit the Loans to be exempt from treatment as AHYDOs under such guidance.

Section 3.03 [Reserved]

Section 3.04 Prepayments.

(a) Optional Prepayments. The Borrowers shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with Section 3.04(b).

(b) Notice and Terms of Optional Prepayment. The Parent Borrower shall notify the Administrative Agent by delivery of a notice of prepayment in the form of Exhibit B-2 hereto ("Notice of Prepayment") executed by a Responsible Officer of any prepayment hereunder not later than 1:00 p.m., Eastern time, two (2) Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, a Notice of Prepayment may state that such notice is conditioned upon the occurrence of a specified event, in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each prepayment hereunder shall be in an amount that is an integral multiple of $1,000,000 (or such lesser amount or integral to repay a Borrowing in full). Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02.

(c) Asset Sale and Specified Proceeds Mandatory Prepayments.

(i) Subject to Section 3.04(c)(iii) below, if a prepayment shall be required under this Section 3.04(c)(i), not later than five (5) Business Days following the date on which any Asset Sale is consummated (other than any Excluded Asset Sale) or the Parent Borrower or any Restricted Subsidiary receives any Specified Proceeds, the Parent Borrower shall deliver an Officer's Certificate to the Administrative Agent which shall specify in reasonable detail (x) the aggregate amount of Net Proceeds of such Asset Sale (or, as applicable, the aggregate amount of Specified Proceeds received by the Parent Borrower and its Restricted Subsidiaries) and (y) the amount of such Net Proceeds (or, as applicable, the amount of Specified Proceeds) that is required to be offered by the Parent Borrower to the Lenders to prepay the Loans, as determined pursuant to the table immediately below and taking into account the provisions in Sections 3.04(c)(ii) through (v).

| Type of Asset Sale or other event | Percentage of Net Proceeds (or Specified Proceeds) subject to prepayment requirement | Percentage of Net Proceeds (or Specified Proceeds) eligible for Reinvestment Right |
|---|---|---|
| "Event of Loss" | 100% | 100% |
| Receipt of "Specified Proceeds" | 100% | 100% |
| 9.08(b)(i): Asset Sales of Stacked Vessels or Vessels that are no longer useful in the business of the Parent Borrower and its Restricted Subsidiaries | 100% | 66% |

| | | |
|---|---|---|
| 9.08(b)(ii): Sale Leaseback Transactions | 50% | 0% |
| 9.08(b)(iii): other Asset Sales | 100% | 100%, and in the case of each of HOS Warhorse and HOS Wild Horse, 66% |

The Administrative Agent shall provide such Officer's Certificate to the Lenders to be offered to prepay the Loans (a "Prepayment Offer"), each of whom may decline all but not less than all of its pro rata share of the Net Proceeds or Specified Proceeds, as applicable, required to prepay the Loans (any such amounts not accepted, the "Declined Amounts") by providing written notice (a "Rejection Notice") to the Administrative Agent and the Parent Borrower no later than 5:00 p.m., Eastern time, five Business Days after the date on which the Administrative Agent provides such Officer's Certificate to the Lenders (and the Administrative Agent shall provide the Parent Borrower with the date on which such Officer's Certificate is so provided). If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time period specified above, such Lender shall be deemed to have accepted the full amount of its share of the Prepayment Offer. The Borrowers shall prepay all Loans required to be prepaid by it under this Section 3.04(c)(i) no later than two Business Days after expiration of the time period specified above. Any Declined Amounts shall no longer be subject to this Section 3.04(c)(i) and may be used by the Parent Borrower or any of its Restricted Subsidiaries in any manner not prohibited by this Agreement.

(ii) Subject to Section 3.04(c)(iii) below, notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), if, at the time that any such prepayment offer would be required under Section 3.04(c)(i), the Parent Borrower or any of its Restricted Subsidiaries is required to prepay, repay or repurchase (or offer to prepay, repay or repurchase) any Pari Passu Equity-Paired Debt (to the extent any such Debt is then outstanding) with Net Proceeds of an Asset Sale or with any Specified Proceeds, then the relevant Person may apply the Net Proceeds or Specified Proceeds, as applicable, that are required to be applied to the Loans under this Section 3.04(c) on a pro rata basis to the prepayment of the Loans and to the prepayment, repurchase or repayment of such Pari Passu Equity-Paired Debt (determined on the basis of the aggregate outstanding principal amount of the Loans and such Pari Passu Equity-Paired Debt at such time); it being understood that (1) the portion of the Net Proceeds or Specified Proceeds, as applicable, allocated to Pari Passu Equity-Paired Debt shall not exceed the amount of the Net Proceeds or Specified Proceeds required to be allocated to Pari Passu Equity-Paired Debt pursuant to the terms thereof (and the remaining amount, if any, of such Net Proceeds shall be allocated to the Loans in accordance with the terms hereof), and the amount of the prepayment of the Loans that would have otherwise been required pursuant to Section 3.04(c)(i) shall be reduced accordingly and (2) to the extent the holders of Pari Passu Equity-Paired Debt decline to have such Debt prepaid or repurchased, the declined amount shall promptly be offered to prepay the Loans pursuant to a Prepayment Offer in accordance with Section 3.04(c)(i), and shall be applied to prepay the Loans in accordance with Section 3.04(c)(i) (other than with respect to any Declined Amounts).

(iii) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), if, at the time that any such prepayment offer would be required under Section 3.04(c)(i), the Parent Borrower or any of its Restricted Subsidiaries is required to prepay, repay or repurchase (or offer to prepay, repay or repurchase) any Permitted Priority Lien Debt (to the extent any such Debt is then outstanding) with Net Proceeds of an Asset Sale or with Specified Proceeds, then the relevant Person may apply 100% of the Net Proceeds or Specified Proceeds, as applicable, that would otherwise be required to be applied to the Loans under this Section 3.04(c) to the prepayment, repurchase or repayment of any such Permitted Priority Lien Debt; it being understood that (1) the portion of the Net Proceeds or Specified Proceeds, as applicable, allocated to the Permitted Priority Lien Debt shall not exceed the amount of the Net Proceeds or Specified Proceeds required to be allocated to the Permitted Priority Lien Debt pursuant to the terms thereof (and the remaining amount, if any, of such Net Proceeds or Specified Proceeds shall be allocated to the Loans in accordance with the terms hereof), and the amount of the prepayment of the Loans that would have otherwise been required pursuant to Section 3.04(c)(i) shall be reduced accordingly and (2) to the extent the holders of the Permitted Priority Lien Debt decline to have such Debt prepaid or repurchased, the declined amount shall promptly be offered to prepay the Loans pursuant to a Prepayment Offer in accordance with Section 3.04(c)(i) (or the Loans and the Pari Passu Equity-Paired Debt under Section 3.04(c)(ii), if applicable), and shall be applied to prepay the Loans in accordance with Section 3.04(c)(i) or Section 3.04(c)(ii), as applicable (other than with respect to any Declined Amounts).

(iv) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i), with respect to any Net Proceeds realized or received with respect to any Asset Sale or any Specified Proceeds, in each case other than Net Proceeds that are not eligible for the Reinvestment Right (as defined below) pursuant to the table set forth in Section 3.04(c)(i), if the Parent Borrower elects to reinvest the permitted percentage (set forth in the table in Section 3.04(c)(i)) of such Net Proceeds or Specified Proceeds in assets useful in the business of the Loan Parties (excluding cash or Cash Equivalents), then the Parent Borrower shall not be required to make a mandatory prepayment offer under Section 3.04(c)(i) in respect of such Net Proceeds or Specified Proceeds that are so reinvested within 365 days following receipt thereof (such period, the "Reinvestment Period"; and such right to reinvest such Net Proceeds, the "Reinvestment Right"); provided that, that to the extent that such Net Proceeds or Specified Proceeds have not been so reinvested prior to the expiration of the Reinvestment Period, the Parent Borrower shall, subject to Section 3.04(c)(iii), within three (3) Business Days of the expiration of the Reinvestment Period, apply such non-reinvested Net Proceeds or Specified Proceeds to the prepayment of Loans as provided in Section 3.04(c)(i)—(iii).

(v) Notwithstanding the prepayment offer requirement set forth in Section 3.04(c)(i) and subject to Section 3.04(c)(iii), any prepayment referred to in Section 3.04(c)(i) attributable to any Foreign Subsidiary is subject to permissibility under local law (e.g., financial assistance, thin capitalization, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant Subsidiaries). Further, there will be no requirement to make any prepayment to the extent that the Parent Borrower or any of its Restricted Subsidiaries would suffer material adverse tax consequences as a result of upstreaming or repatriating cash to make such prepayment

(including the imposition of withholding taxes); provided that, a material adverse tax consequence shall only arise to the extent that a prepayment would materially increase the amount of tax that the Parent Borrower or any of its Restricted Subsidiaries would otherwise be required to pay if such prepayment were not made, taking into account the availability of any items of deduction or credit (but excluding any net operating losses) of the Parent Borrower and its Restricted Subsidiaries to offset the amount of income required to be included or the amount of tax required to be paid by the Parent Borrower or any of its Restricted Subsidiaries. This non-application of amount as a result of the foregoing provisions will not constitute an Event of Default and such amounts shall be available for general corporate purposes of the applicable Foreign Subsidiary. The Parent Borrower and each Foreign Subsidiary will undertake to use its reasonable best efforts to overcome or eliminate any such restrictions and/or minimize any such costs of prepayment (subject to the considerations above) to make the relevant prepayment (all as determined in accordance with the Parent Borrower's reasonable business judgment). Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by the Parent Borrower (or its direct or indirect members) or any of its Restricted Subsidiaries and arising as a result of compliance with the preceding sentence, and the Parent Borrower and its Restricted Subsidiaries shall be permitted to make, directly or indirectly, a dividend or distribution to its affiliates in an amount sufficient to cover such tax liability, costs or expenses.

(d) Unpermitted Debt Mandatory Prepayment(e) . If following the Effective Date, the Parent Borrower or any Restricted Subsidiary incurs or issues any Debt or Disqualified Stock not expressly permitted to be incurred or issued pursuant to Section 9.02, the Parent Borrower shall cause to be prepaid an aggregate principal amount of Loans equal to 100% of all Net Proceeds received therefrom on or prior to the date which is two Business Days after the receipt of such Net Proceeds.

Section 3.05 Fees.

(a) Administrative Agent Fees. The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent in the applicable Fee Letter.

(b) Other Fees. The Borrowers agree to pay to the Lenders as of the Effective Date, fees payable in the amounts and at the times separately agreed upon between the Borrowers and such Lenders in the applicable Fee Letter.

## ARTICLE IV
## Payments; Pro Rata Treatment; SharingSet-offs

Section 4.01 Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrowers. The Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest, fees or reimbursement of amounts payable under Section 5.01, Section 5.03 or otherwise) prior to 12:00 p.m., Eastern time, on the date when due, in immediately available funds, without defense, deduction, recoupment,

set-off or counterclaim. Fees, once paid, shall be fully earned and shall not be refundable under any circumstances. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except that payments pursuant to Section 5.01, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate Recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in U.S. dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder (plus any fees and expenses owed to the Administrative Agent), pro rata among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations (other than pursuant to Section 5.01, Section 5.03 and Section 12.03) greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided,* that:

(A) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and

(B) the provisions of this Section 4.01(c) shall not be construed to apply to (1) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or (2) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Parent Borrower or any of its Subsidiaries (except if such assignment is pursuant to Section 12.04(g), as to which the provisions of this Section 4.01(c) shall not apply). The Borrowers consent to the foregoing and agree, to the extent they may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrowers. Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may (but shall have no obligation to), in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 4.02 then the Administrative Agent may (notwithstanding any contrary provision hereof) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid. If at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, all principal will be paid ratably as provided in Section 10.02(c).

## ARTICLE V
## Increased Costs; Taxes; Illegality

Section 5.01 Increased Costs.

(a) Changes in Law. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient in accordance with Section 5.01(c), the Borrowers will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon request of such Lender in accordance with Section 5.01(c), the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 5.01(a) or (b) together with reasonable supporting documentation shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lenders to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's right to demand such compensation; *provided*, that the Borrowers shall not be required to compensate a Lender pursuant to this Section 5.01 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided, further,* that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 5.02 [Reserved]

Section 5.03 Taxes.

(a) For purposes of this Section 5.03, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. The Borrowers shall cause any and all payments by or on account of any obligation of any Loan Party under any Loan Document to be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the

applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes. Without duplication of Section 5.03(b) (Payments Free of Taxes), the Borrowers shall, and shall cause the other Loan Parties to, pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. Without duplication of any obligation under Section 5.03(b) (Payments Free of Taxes) and Section 5.03(c) (Payment of Other Taxes), the Borrowers shall, and shall cause the other Loan Parties to, jointly and severally indemnify each Recipient, within ten (10) days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrowers by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, and shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 5.03, such Loan Party shall (or the Borrowers shall cause such Loan Party to) deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing any payment of Indemnified Taxes by such Loan Party to a Governmental Authority, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrowers within the meaning of Section 881(c) (3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS FormW-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided*, that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner.

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrowers (and the Administrative Agent, if delivered by a Lender) at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

(iii) The Administrative Agent (and any assignee or successor) will deliver, to the Borrowers, on or prior to the Effective Date (or, assignment or succession, if applicable), either (i) (A) two (2) executed copies of IRS Form W-8ECI or any successor thereto with respect to any amounts payable to the Administrative Agent for its own account and (B) two (2) duly completed copies of IRS Form W-8IMY (certifying that it is either a "qualified

intermediary" or a "U.S. branch") , accompanied by IRS Form W-8 ECI, W-8BEN (or Form W-8BEN-E if applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents for the amounts the Administrative Agent receives for the account of others, or (ii) two (2) executed copies of IRS Form W-9 or any successor thereto, whichever is applicable, and in each case of (i) and (ii), with the effect that the Borrowers can make payments to the Administrative Agent without deduction or withholding of any taxes imposed by the United States.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification (or a successor form thereto) upon the reasonable request of the Borrowers.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 5.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 5.04 Mitigation Obligations. If any Lender requests compensation under Section 5.01, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

**ARTICLE VI**
**Conditions Precedent**

Section 6.01 Effective Date. The obligations of the Lenders to make (or to be deemed to have made) Loans shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 12.02):

(b) Neither the Parent Borrower nor any of its Restricted Subsidiaries is in default nor has any event or circumstance occurred which, but for the expiration of any applicable grace period or the giving of notice, or both, would constitute a default under, or would require the Parent Borrower or any of its Restricted Subsidiaries to Redeem or make any offer to Redeem under any indenture, note, credit agreement or instrument pursuant to which any Material Debt is outstanding or by which the Parent Borrower or any such Restricted Subsidiary or any of their Properties is bound.

Section 8.10 Right of Inspection. The Borrowers and the Guarantors will permit any officer, employee or agent of the Collateral Agent (acting upon written direction from the Required Lenders) or any Lender to visit and inspect the books of record and accounts, the Real Property Interests and the Vessel Collateral subject to (i) applicable safety rules and procedures, and (ii) with respect to Real Property Interests, rights of landlords, tenants and other third parties pursuant to written agreements, at such reasonable times and on reasonable notice and without hindrance or delay and as often as the Administrative Agent (acting upon the written direction from the Required Lenders) may reasonably desire. Notwithstanding the foregoing, except following an Event of Default that has occurred and is continuing, the Collateral Agent (acting upon written direction from the Required Lenders) shall not visit or inspect the Real Property Interests and the Vessel Collateral more frequently than twice a year, individually or as a group, and then at their own expense, except that the Borrowers will be responsible for such expense following the occurrence and during the continuance of an Event of Default; *provided,* that any such visits or inspections shall occur when the applicable Vessel is shoreside at a location involved in the ordinary course of providing its services under its then applicable charter or other vessel service contract.

Section 8.11 Maintenance of Properties.

(a) The Borrowers and the Guarantors shall maintain and preserve all of their respective Properties (and any Property leased by or consigned to any of them or held under title retention or conditional sales contracts) other than Vessels (which for the avoidance of doubt are covered by the next sentence) that are used or useful in the conduct of their respective business in the ordinary course in good working order and condition at all times, ordinary wear and tear excepted, all in accordance with standards maintained by other Persons engaged in the same or similar business types, and make all repairs, replacements, additions, betterments and improvements to such Properties (other than Vessels) to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect. Except during any period that a Vessel is undergoing repairs or maintenance or is a Stacked Vessel, the Borrowers and the Guarantors shall: (i) at all times maintain and preserve, or cause to be maintained and preserved, each Vessel in good running order and repair, so that such Vessel shall be, insofar as due diligence can make it so, tight, staunch, and sufficiently tackled, equipped and seaworthy and in good condition, ordinary wear and tear excepted, and fit for its intended service, and make all needful and proper repairs, renewals, betterments and improvements necessary to keep such Vessel well maintained and in seaworthy condition, to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect; (ii) at all times maintain each Vessel in class with the American Bureau of Shipping or another classification society that is a member of the International Association of Classification Societies and promptly take steps to remove or remedy or satisfy any exception, condition or recommendation of the Vessel's classification society affecting class, to the extent necessary so that any failure will not reasonably be expected to have a Material Adverse Effect; (iii) have on board each Vessel, when required by applicable Governmental Requirements, valid certificates required thereby to the extent necessary so that any

failure will not reasonably be expected to have a Material Adverse Effect; (iv) furnish annually to the Collateral Agent a copy of any certificate of class that has been updated for any Vessel since the Effective Date; and (v) furnish annually upon request by the Collateral Agent, a confirmation of class certificate from the American Bureau of Shipping or another classification society that is a member of the International Association of Classification Societies showing that such classification has been maintained.

(b) (i) Each Loan Party that owns or operates, or will own or operate, Vessel Collateral will not transfer the ownership or change the flag or documentation or registration of such Vessel Collateral without: (x) except for any Approved Vessel Reflagging Transaction, the prior written consent of the Required Lenders requested no fewer than ten (10) Business Days (or such shorter period as the Required Lenders shall agree in their sole discretion) before the requested date of such transfer or change; and (y) with respect to any Approved Vessel Reflagging Transaction or to the extent otherwise so approved by the Required Lenders, (A) promptly in the case of transferring ownership of Vessel Collateral to a Foreign Subsidiary organized under the laws of, and/or changing the flag or registration of Vessel Collateral to, Liberia, the Marshall Islands, Panama or Vanuatu, and (B) within sixty (60) days (or such longer period as the Required Lenders shall agree in their reasonable discretion) in the case of transferring ownership of Vessel Collateral to a Foreign Subsidiary organized under the laws of, and/or changing the flag or registration of Vessel Collateral to, any other foreign jurisdiction, satisfying all applicable Vessel Collateral Requirements for such Vessel Collateral and executing and delivering (or causing to be executed and delivered) all such additional documents, agreements or other instruments and/or taking (or causing to be taken) all such actions (including the making of any recordings or filings) as are deemed necessary or desirable by the Collateral Agent to perfect, protect and preserve the security interest in favor of the Collateral Agent or trustee/mortgagee (acting on behalf of the Collateral Agent), as the case may be, for the benefit of the Secured Parties in such Vessel Collateral granted pursuant to the applicable Maritime Mortgage (or, if a Maritime Mortgage may not be granted, to provide an alternative security interest or other collateral reasonably acceptable to the Collateral Agent and the Required Lenders (in or with respect to such Vessel Collateral under the laws of the applicable foreign-flag jurisdiction in which such Vessel Collateral is being registered)); it being understood and agreed that, without limiting the foregoing, in order for such alternative security interest to be reasonably acceptable to the Collateral Agent and the Required Lenders, the Collateral Agent and the Lenders shall have received an opinion of counsel in the appropriate jurisdiction in form and substance reasonably satisfactory to the Collateral Agent and the Required Lenders (as to the creation, validity and perfection of such alternative security interest).

(ii) Notwithstanding anything in the Loan Documents to the contrary, in the event of a change of the ownership of and/or the flag or documentation or registration of Vessel Collateral permitted under this Section 8.11(b)), the Investment made in connection with such a transaction may be structured as a Foreign Vessel Reflagging Transaction. A "Foreign Vessel Reflagging Transaction" is defined as one or more Investments by the Parent Borrower or a Restricted Subsidiary of cash in one or more Subsidiaries, the proceeds of which will be used by a Restricted Subsidiary to purchase Vessel Collateral from a Loan Party, the net effect of which is that (x) the Vessel Collateral subject to such Foreign Vessel Reflagging Transaction shall continue to be Vessel Collateral (and the requirements under Section 8.11(b)(i) shall apply to such Vessel Collateral and Foreign Vessel Reflagging Transaction) and (y) such cash is substantially

contemporaneously returned to the Parent Borrower or the Restricted Subsidiary making the initial Investment, in each case, in order to facilitate a change to the flag or documentation or registration of any Vessel Collateral (so long as such Investments constitute Permitted Investments or Investments not restricted by Section 9.01). After giving full effect to any Foreign Vessel Reflagging Transaction where thecash-transfer transaction steps occur substantially simultaneously, a receipt by any Subsidiary of such cash and the existence of any intercompany loan receivable created by the further loaning of such funds by such Subsidiary to another Subsidiary shall not in itself trigger a requirement to provide additional Collateral or to enter into any additional Loan Documents.

Section 8.12 Notice of Certain Events; Other Information. (a) The Parent Borrower shall promptly notify the Administrative Agent in writing:

(i) if the Parent Borrower learns of the occurrence of:

(B) any action, suit, investigation, litigation or proceeding by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Parent Borrower, threatened against or affecting the Parent Borrower or any of its Restricted Subsidiaries or any of their Properties (i) as to which there is a reasonable possibility of an adverse determination that could reasonably be expected to have a Material Adverse Effect or (ii) that involves any Loan Document or the Transactions; or

(ii) upon the formation or acquisition of any Subsidiary that is a P.A. Subsidiary or Specified Newbuild Subsidiary; or

(iii) upon the occurrence of any Approved Vessel Reflagging Transaction (specifying the Vessels subject to such transaction and the resulting flag of such Vessels).

(b) The Parent Borrower shall promptly notify the Administrative Agent in writing of any change in organizational jurisdiction, location of the principal place of business or the office where records concerning accounts and contract rights are kept, or any change in the federal taxpayer identification number or organizational identification number of the Parent Borrower or any other Loan Party.

Upon the request of any Lender or the Administrative Agent on behalf of any Lenders or Lenders, the

Parent Borrower shall provide such Persons with the definitive documentation of any Material Debt consisting of debt for borrowed money or debt evidenced by bonds, debentures, notes, term loans or similar instruments, including any side letters or fee letters related thereto (provided that the amount of fees payable under such financings may be redacted in a customary manner).

Except as would not result in a material liability to a Loan Party, the Parent Borrower will comply with all of the applicable funding and other requirements of ERISA as such requirements relate to the Benefit Plans of the Loan Party.

## ARTICLE XI
## The Agents

Section 11.01 Appointment; Powers. Each of the Lenders hereby appoints Wilmington Trust as its Administrative Agent and the Collateral Agent (including as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages). Each Lender authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms hereof and the other Loan Documents.

Section 11.02 Duties and Obligations of the Agents. The Agents shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term "Administrative Agent", "Collateral Agent" or "Agent" herein and in the other Loan Documents with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 11.03, and (c) except as expressly set forth herein, no Agent shall have a duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Subsidiaries that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. The Agents shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to a responsible officer of such Agent by the Parent Borrower, the Co-Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into:

(i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;

(ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith;

(iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document;

(iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document;

(v) the satisfaction of any condition set forth in Article VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or as to those conditions precedent expressly required to be to such Agent's satisfaction;

(vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Parent Borrower and its Subsidiaries or

(vii) any failure by the Parent Borrower, the Co-Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein.

For purposes of determining compliance with the conditions specified in Article VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless an Agent shall have received written notice from such Lender prior to the proposed Effective Date specifying its objection thereto.

Section 11.03 Action by Agents. Each Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and in all cases each Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability claims, losses, fees and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by an Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then an Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with

indemnities satisfactory to it) described in this Section 11.03; *provided,* that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the interests of the Lenders. In no event, however, shall an Agent be required to take any action which exposes such Agent to a risk of personal liability or which is contrary to this Agreement, the Loan Documents or applicable law. If a Default has occurred and is continuing, no Agent shall have any obligation to perform any act in respect thereof. Each Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise such Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith including its own ordinary negligence, except for its own gross negligence or willful misconduct.

Section 11.04 Reliance by Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon, except in the case of gross negligence or willful misconduct by such Agent and each of the Borrowers, the Guarantors, and the Lenders hereby waives the right to dispute such Agent's record of such statement absent manifest error. The Agent shall be entitled to request written instructions from the Borrower, the Guarantors, the Lenders and the other Loan Parties, and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Agent in accordance with such written direction. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with such Agent.

Section 11.05 Sub-Agents. Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-Agents appointed by such Agent. Each Agent and any such sub-Agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this Article XI shall apply to any such sub-Agent and to the Related Parties of such Agent and any such sub-Agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such Agent.

Section 11.06 Resignation or Removal of Agents. Subject to the appointment and acceptance of a successor Agent, including as the case may be, the Collateral Agent, as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages, as provided in this Section 11.06, each Agent may resign at any time by notifying the Lenders and the Borrowers, and such Agent may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30)

days after the retiring Agent gives notice of its resignation or removal of the retiring Agent, then the retiring Agent may, on behalf of the Lenders and at the expense of the Borrowers, appoint a successor Agent, or an Affiliate of any such Lender as approved by the Required Lenders or if no such successor shall be appointed by the retiring Agent as aforesaid, the Required Lenders shall thereafter perform all of the duties of the retiring Agent hereunder (and the retiring Agent shall be discharged from its duties and obligations hereunder) until such appointment by the Required Lenders is made and accepted. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After an Agent's resignation hereunder, the provisions of this Article XI and Section 12.03 shall continue in effect for the benefit of such retiring Agent, its sub-Agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Agent. The institution acting as Collateral Agent shall always also act as trustee/mortgagee under the Maritime Mortgages and Real Property Interests Mortgages.

Section 11.07 Agents as Lenders. Each Lender serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such Lender and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Parent Borrower or any of its Subsidiaries or other Affiliates as if it were not an Agent hereunder.

Section 11.08 Funds held by Agents. The Agents shall have no responsibility for interest or income on any funds held by it hereunder and any funds so held shall be held uninvested pending distribution thereof.

Section 11.09 No Reliance. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. No Agent shall be required to keep itself informed as to the performance or observance by the Parent Borrower or any of its Subsidiaries of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Property or books of the Parent Borrower or its Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by an Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrowers (or any of their Affiliates) which may come into the possession of such Agent or any of its Affiliates. Each party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

Section 11.10 Agents May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrowers, the Guarantors or any of their Subsidiaries, each Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether an Agent shall have made any demand on the Borrowers or the Guarantors) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file a proof-of-claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Indebtedness that are owing and unpaid and to file such other documents as may be necessary and directed by the Required Lenders in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under Section 12.03) allowed in such judicial proceeding;

(b) to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same; and

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized and directed by each Lender to make such payments to the Agents and, in the event that the Agents shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their agents and counsel, and any other amounts due the Agents under Section 12.03.

Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Indebtedness or the rights of any Lender or to authorize any Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.11 Authority of the Agents to Release Collateral, Liens and Guarantors. Each Lender hereby authorizes the Collateral Agent to release any Collateral that is permitted to be sold or released pursuant to the terms of the Loan Documents and to release any Guarantor that is permitted to be released pursuant to the terms of the Loan Documents. Each Lender hereby authorizes the Collateral Agent to execute and deliver to the Borrowers, at the Borrowers' sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrowers in connection with any sale or other disposition (including by Investment) of Property (in each case subject to the following sentence) to the extent such sale or other disposition is authorized by the terms of the Loan Documents and complies with Section 9.14 of the Guaranty and Collateral Agreement, as evidenced in an Officer's Certificate delivered to the Collateral Agent. Notwithstanding the foregoing, it is understood and agreed that the Liens on any Collateral securing the Indebtedness shall not be released upon a sale, transfer, Investment or other disposition of such Collateral (x) to any Person that is, or that is required to be, in each case at the time of such sale, transfer or other disposition, a Loan Party (but disregarding the grace period provided for in Section 8.14(a)(ii)) or (y) if such Collateral is Vessel Collateral, if the transferee is a Restricted Subsidiary of the Parent Borrower; *provided, however,* that in

connection with an Approved Vessel Reflagging Transaction or a Foreign Vessel Reflagging Transaction that is permitted under this Agreement, if the Person to whom such Collateral is being transferred grants a new Lien on such Collateral in favor of the Collateral Agent, for the benefit of the Secured Parties that is comparable, in the good faith determination of the Required Lenders, in scope, validity and perfection to the existing Lien, then the Collateral Agent shall release such Collateral. Upon the request of the Borrowers, in connection with any transaction otherwise permitted hereunder, the Administrative Agent and/or the Collateral Agent is authorized to release (i) Collateral that is disposed of (other than to a Person that is, or that is required to be, in each case at the time of such sale, transfer or other disposition, a Loan Party (but disregarding the grace period provided for in Section 8.14(a)(ii)) or Collateral that is owned by a Person that ceases to be a Restricted Subsidiary of the Parent Borrower and (ii) any Guarantor from its Guaranty Agreement and its obligations thereunder if such Guarantor ceases to be a Restricted Subsidiary of the Parent Borrower; provided that, for the avoidance of doubt, in no event is the Administrative Agent or Collateral Agent authorized to release the Co-Borrower from its obligations under this Agreement other than is permitted under Section 12.02.

Section 11.12 Merger, Conversion or Consolidation of Agents. Any corporation into which the Agents may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Agents shall be a party, or any corporation succeeding to the corporate trust and loan agency business of the Agents, shall be the successor of the Agents hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Parent Borrower, the Co-Borrower or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any other Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any provision hereof nor any Security Instrument nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders or by the Borrowers and the Administrative Agent with the consent of the Required Lenders; *provided,* that no such agreement shall

(i) increase the Commitment of any Lender without the written consent of such Lender,

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, or reduce any other Indebtedness hereunder or under any other Loan Document, without the written consent of each Lender affected thereby,

(iii) postpone the scheduled date of payment or prepayment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or any other Indebtedness hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Maturity Date without the written consent of each Lender affected thereby,

(iv) change Section 4.01(b) or Section 4.01(c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender,

(v) release all or substantially all of the collateral or all or substantially all of the value of the guarantees of the Indebtedness made by the Guarantors without the written consent of each Lender,

(vi) change any of the provisions of this Section 12.02(b) or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender, or

(vii) amend or modify this Agreement in any manner that would permit the incurrence, assumption or issuance of (a) any additional Indebtedness hereunder or (b) any additional Debt or Disqualified Stock that is permitted to be secured by all or any portion of the Collateral on a senior or pari passu basis relative to the Liens on such Collateral securing the Indebtedness, in each case of clause (a) and (b), without the consent of each Lender;

*provided, further,* that no such agreement shall amend, modify or otherwise affect the rights or duties of any Agent hereunder or under any other Loan Document without the prior written consent of such Agent. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment or Loans of such Lender may not be increased or extended without the consent of such Lender.

(c) Notwithstanding anything to the contrary contained in this Section 12.02, the Administrative Agent may, with the written consent of the Borrowers and the Required Lenders only, amend, modify or supplement this Agreement or any of the other Loan Documents to correct any clerical errors or cure any ambiguity, omission, mistake, defect or inconsistency so long as such correction is not materially adverse to the Lenders.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket fees and expenses incurred by the Agents and the Lenders and their respective Affiliates, including, without limitation, the reasonable and documented fees, charges and disbursements of counsel for the Agents and the Lenders (but limited to one primary counsel for each of (x) the Agents and their respective Affiliates, collectively and (y) the Lenders and their respective Affiliates, collectively, and in each case, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty (and, in the case of an actual conflict of interest, where the party affected by such conflict, informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected person), (ii) all reasonable and documented travel, photocopy, mailing, courier, telephone and other similar expenses, in connection with the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Agents and/or the Lenders as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (iii) all costs, expenses, Taxes, assessments, paralegal services, notary fees, language translation fees and other charges incurred by any Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, and (iv) all out-of-pocket fees and expenses incurred by any Agent or any Lender, including the fees, charges and disbursements of any counsel for any Agent or any Lender (but limited to one primary counsel for

each of (x) the Agents and their respective Affiliates, collectively and (y) the Lenders and their respective Affiliates, collectively, and in each case, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty (and, in the case of an actual conflict of interest, where the party affected by such conflict, informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for each such affected person)), in connection with the enforcement or protection of its rights in connection with this Agreement or any other Loan Document, including its rights under this Section 12.03, and including, without limitation, all such out-of-pocket expenses incurred during any workout or restructuring in respect of such Loans.

(b) THE BORROWERS SHALL, AND SHALL CAUSE THE OTHER LOAN PARTIES TO, JOINTLY AND SEVERALLY INDEMNIFY THE ADMINISTRATIVE AGENT AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "INDEMNITEE") AGAINST, AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, LIABILITIES, FEES AND RELATED EXPENSES, INCLUDING THE FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE FAILURE OF THE PARENT BORROWER OR ANY SUBSIDIARY TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF ANY LOAN PARTY SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR THE USE OF THE PROCEEDS THEREFROM, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE PARENT BORROWER AND ITS SUBSIDIARIES BY THE PARENT BORROWER AND ITS SUBSIDIARIES, (vii) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) ANY ENVIRONMENTAL LIABILITY ARISING OUT OF THE OPERATIONS OF THE PARENT BORROWER OR ANY SUBSIDIARY OR ANY OF THEIR PROPERTIES, INCLUDING WITHOUT LIMITATION, THE PRESENCE, GENERATION, STORAGE, RELEASE, THREATENED RELEASE, USE, TRANSPORT, DISPOSAL, ARRANGEMENT OF DISPOSAL OR TREATMENT OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON ANY OF THEIR PROPERTIES, (ix) THE BREACH OR NON-COMPLIANCE BY THE PARENT BORROWER OR ANY SUBSIDIARY WITH ANY ENVIRONMENTAL LAW APPLICABLE TO THE PARENT BORROWER OR ANY SUBSIDIARY, (x) THE PAST OWNERSHIP BY THE PARENT BORROWER OR ANY SUBSIDIARY OF ANY OF THEIR PROPERTIES OR PAST ACTIVITY ON ANY OF THEIR PROPERTIES WHICH, THOUGH LAWFUL AND FULLY PERMISSIBLE AT THE TIME,

COULD RESULT IN PRESENT LIABILITY, (xi) THE PRESENCE, USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON OR AT ANY OF THE PROPERTIES OWNED OR OPERATED BY THE PARENT BORROWER OR ANY SUBSIDIARY OR ANY ACTUAL OR ALLEGED PRESENCE OR RELEASE OF HAZARDOUS MATERIALS ON OR FROM ANY PROPERTY OWNED OR OPERATED BY THE PARENT BORROWER OR ANY SUBSIDIARY, (xii) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE PARENT BORROWER OR ANY SUBSIDIARY, (xiii) ANY OTHER ENVIRONMENTAL, HEALTH OR SAFETY CONDITION IN CONNECTION WITH THE LOAN DOCUMENTS, OR (xiv) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; *PROVIDED,* THAT ANY OF THE ABOVE INDEMNITIES SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM (X) THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE OR (Y) ANY DISPUTE SOLELY AMONG INDEMNITEES (OTHER THAN ANY CLAIMS AGAINST AN INDEMNITEE IN ITS CAPACITY OR IN FULFILLING ITS ROLE AS AN AGENT OR ARRANGER OR ANY SIMILAR ROLE HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT AND OTHER THAN ANY CLAIMS ARISING OUT OF ANY ACT OR OMISSION OF THE PARENT BORROWER OR ANY OF ITS SUBSIDIARIES). This Section 12.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising out of any non-Tax claim.

(c) To the extent any Agent is not jointly and severally reimbursed and/or indemnified by the Borrowers and/or the other Loan Parties in accordance with the provisions of this Agreement, the Lenders will reimburse and indemnify such Agent, severally and not jointly, in proportion to each Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense of indemnity payment is sought), for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by such Agent in connection with or arising out of any act or omission of such Agent related to its duties hereunder or under any other Loan Document or the performance thereof or in any way relating to or arising out of this Agreement or any other Loan Document; *provided,* that no Lender, Borrower or other Loan Party shall be liable for any of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting

from such Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any claim for indemnification hereunder, this Section 12.03 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person.

(d) To the extent permitted by applicable law, no Loan Party hereto shall assert, and each Loan Party hereto hereby waives, any claim against each other, on any theory of liability, for special, indirect, consequential, incidental or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; *provided,* that the foregoing shall not limit the Borrower's, the Lenders' or the other Loan Parties' indemnification obligations pursuant to Section 12.03(b) to the extent such damages are included in any such claim that is entitled to such indemnification.

(e) All amounts due under this Section 12.03 shall be payable not later than ten (10) days after written demand therefor. ThisSection 12.03 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 12.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 9.04, no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by such Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 12.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in Section 12.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than a Disqualified Lender) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments or the Loans at the time owing to it) pursuant to an Assignment and Assumption Agreement substantially in the form of Exhibit G (an "Assignment") with the prior written consent of the Borrowers (which consent shall be deemed to be provided if the Borrowers do not respond to a request for such consent within 10 Business Days after written receipt of request thereof) and the Administrative Agent (in each case, such consent not to be unreasonably withheld); provided that (x) no such consent of the Borrowers shall be required if an Event of Default has occurred and is continuing and (y) no such consent of the Administrative Agent or the Borrowers shall be required if such assignment is to a Lender, an Affiliate of a Lender, an Approved Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless the Administrative Agent otherwise consents; *provided,* that simultaneous assignments to affiliated funds may be aggregated;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment, together with a processing and recordation fee of $3,500; *provided,* that (x) the Administrative Agent may, elect to waive or reduce such processing and recordation fee in the case of any assignment; *provided further,* that, such processing and recordation fee shall not be payable to the extent the assignee is an Affiliate of a Lender, an Approved Lender or an Approved Fund and (y) simultaneous assignments to affiliated funds shall be deemed to constitute a single assignment for purposes of the foregoing;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) notwithstanding anything to the contrary herein, no assignments shall be made to (1) a Defaulting Lender or any of its Subsidiaries or Affiliates or (2) the Parent Borrower or any of its Subsidiaries except as permitted by Section 12.04(g).

(iii) Subject to Section 12.04(b)(iv) and the acceptance and recording thereof, from and after the effective date specified in each Assignment the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment, be released from its obligations under this Agreement (and, in the case of an Assignment covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.03 and Section 12.03 with respect to facts and circumstances occurring prior to the Effective Date). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c).

(iv) The Administrative Agent, acting for this purpose as an administrative agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment delivered to it and a register for the recordation of the names, addresses and telecopy number of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable required tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 12.04(b) and any written consent to such assignment required by Section 12.04(b), the Administrative Agent shall accept such Assignment and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register after meeting the requirements provided in this Section 12.04(b). The parties hereto agree and intend that the obligations under this Agreement shall be treated as being in "registered form" for the purposes of the Code (including Code Sections 163(f), 871(h)(2) and 8831(c)(2)), and the Register and Participant Register shall be maintained in accordance with such intention.

(c) (i) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to one or more Lenders or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided,* that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided,* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 12.02 that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.03. Subject to Section 12.04(c)(ii), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 5.01 and 5.03 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender; *provided,* such Participant agrees to be subject to Section 4.01(c) as though it were a Lender.

(i) A Participant shall not be entitled to receive any greater payment under Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrowers' prior written consent or to extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant shall not be entitled to the benefits of Section 5.03 unless such Participant agrees to comply with Section 5.03(g) as though it were a Lender (it being understood that the documentation shall be delivered to the participating Lender).

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); *provided,* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest; *provided,* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided,* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that affects such Participant. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.03 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 4.01 as though it were a Lender.

(f) Notwithstanding anything in this Agreement to the contrary, in no event shall any Lender or Participant assign any portion of or sell any participations in its rights and obligations under this Agreement to any Disqualified Lender. This prohibition shall be included in any documentation effecting an assignment of any interest herein or in any Loans and any attempted assignment in violation of this provision shall be void ab initio.

(g) Notwithstanding anything in this Agreement to the contrary, any Lender may, at any time, assign all or a portion of its Loans on a non-pro rata basis to the Borrowers in accordance with the procedures set forth on Exhibit L, pursuant to an offer made by the Borrowers available to all Lenders on a pro rata basis (a "Dutch Auction"), subject to the following limitations:

(i) the Borrowers shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that neither it, its Affiliates nor any of its respective directors or officers has any Excluded Information that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to the Parent Borrower or its Subsidiaries or any of their respective securities) prior to such date;

(ii) immediately and automatically, without any further action on the part of the Borrowers, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Loans from a Lender to the Borrowers, such Loans and all rights and obligations as a Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid (provided that the Borrowers shall also pay any applicable premium or call protection), terminated, extinguished, cancelled and of no further force and effect and the Borrowers shall neither obtain nor have any rights as a Lender hereunder or under the other Loan Documents by virtue of such assignment;

(iii) the Borrowers shall not use the proceeds of any Loans for any such assignment; and

(iv) no Event of Default shall have occurred and be continuing before or immediately after giving effect to such assignment.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrowers herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 3.05, 5.01, 5.03 and 12.03 and Article XI shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the resignation or removal of any Agent, the expiration or termination of the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Indebtedness or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any Debtor Relief Law, common law or equitable cause, then to such extent, the Indebtedness so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrowers shall take such action as may be reasonably requested by the Administrative Agent (as directed by the Required Lenders) to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the Lenders constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof.

(c) Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be as effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the obligations of the Borrowers or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or their respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers or such Loan Party may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application; *provided,* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12.09 GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO ANY LOAN DOCUMENT SHALL BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS; *PROVIDED*, THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE (I) ANY AGENT FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS UNDER THE LOAN DOCUMENTS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF THE ADMINISTRATIVE AGENT OR THE COLLATERAL AGENT OR (II) ANY PARTY FROM BRINGING ANY LEGAL ACTION OR PROCEEDING IN ANY JURISDICTION FOR THE RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT. EACH PARTY HEREBY AGREES THAT A FINAL JUDGMENT IN ANY SUCH LEGAL ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS.

(c) EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN; (ii) CERTIFIES THAT NO PARTY HERETO NOR ANY REPRESENTATIVE OR ADMINISTRATIVE AGENT OR COUNSEL FOR ANY PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED THAT SUCH PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (iii) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed.

(a) to its and its Affiliates' directors, officers, employees and Administrative Agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential),

(b) to the extent requested by any regulatory authority,

(c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process,

(d) to any other party to this Agreement or any other Loan Document,

(e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Hedging Obligation relating to the Parent Borrower or the Co-Borrower, as applicable, and its obligations,

(g) with the consent of the Borrowers or

(h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrowers.

For the purposes of this Section 12.11, "Information" means all information received from the Parent Borrower or any Subsidiary relating to the Borrowers or any Subsidiary and their businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Parent Borrower or a Subsidiary; *provided,* that in the case of information received from the Parent Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Indebtedness (or, to the extent that the principal amount of the Indebtedness shall have been or would thereby be paid in full, refunded by such Lender to the Borrowers); and (ii) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Indebtedness (or, to the extent that the principal amount of the Indebtedness shall have been or would thereby be paid in full, refunded by such Lender to the Borrowers). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans evidenced by the Notes until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12.

Section 12.13 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans hereunder are solely for the benefit of the Borrowers, the Guarantors and, unless expressly stated or referred to herein, no other Person (including, without limitation, any Subsidiary of the Borrowers, any Subsidiary of the Guarantors, any obligor, contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent or any Lender for any reason whatsoever. There are no third party beneficiaries other than the Guarantors or as otherwise expressly stated or referred to herein.

Section 12.14 Electronic Communications.

(a) The Borrowers hereby agree that, unless otherwise requested by the Administrative Agent, each will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including, without limitation, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement, (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit hereunder or (v) initiates or responds to legal process (all such non-excluded information being referred to herein collectively as the "Communications") by transmitting the Communications in an electronic/soft medium (*provided,* such Communications contain any required signatures) in a format acceptable to the Administrative Agent, to suche-mail address designated by the Administrative Agent from time to time. Each of the Agents and the Lenders hereby agrees that, unless otherwise requested by the Borrowers, to the extent such Agent or Lender delivers or furnishes any communication hereunder to the Loan Parties by electronic communications, unless receipt of such electronic communication is acknowledged by the Borrowers, such Agent or Lender will provide such notice or communication by telephone and hard copy communication as well.

(b) Each party hereto agrees that the Administrative Agent may make the Communications available to the Lenders by posting the Communications on IntraLinks or another relevant website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent) (the "Platform"). Nothing in this Section 12.14 shall prejudice the right of the Administrative Agent to make the Communications available to the Lenders in any other manner specified in the Loan Documents.

(c) The Parent Borrower hereby acknowledges that certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material nonpublic information with respect to the Borrowers or their securities) (each, a "Public Lender"). The Parent Borrower hereby agrees that (i) Communications that may not be made available to Public Lenders shall be clearly and conspicuously marked "PRIVATE" which, at a minimum, shall mean that the word "PRIVATE" shall appear prominently on the first page thereof, (ii) by not marking Communications "PRIVATE," the Parent Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Communications as either publicly available information or not material information (although it may be sensitive and proprietary) with respect to the Parent Borrower or its securities for purposes of United States federal and state securities laws, (iii) all Communications not marked "PRIVATE" are permitted to be made available through a portion of the Platform designated "Public Lender," and (iv) the Administrative Agent shall be entitled to treat any Communications that are marked "PRIVATE" as being suitable only for posting on a portion of the Platform not designated "Public Lender."

(d) Each Lender agrees that e-mail notice to it (at the address provided pursuant to the next sentence and deemed delivered as provided in the next paragraph) specifying that Communications have been posted to the Platform shall constitute effective delivery of such Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (i) to notify the Administrative Agent in writing (including by electronic communication) from time to time to ensure that the Administrative Agent has on record an effective e-mail address for such Lender to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such e-mail address.

(e) Each party hereto agrees that any electronic communication referred to in this Section 12.14 shall be deemed delivered upon the posting of a record of such communication (properly addressed to such party at the e-mail address provided to the Administrative Agent) as "sent" in the e-mail system of the sending party or, in the case of any such communication to the Administrative Agent, upon the posting of a record of such communication as "received" in the e-mail system of the Administrative Agent; *provided,* that if such communication is not so received by the Administrative Agent during the normal business hours of the Administrative Agent, such communication shall be deemed delivered at the opening of business on the next Business Day for the Administrative Agent.

(f) Each party hereto acknowledges that (i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (ii) the Communications and the Platform are provided "as is" and "as available," (iii) none of the Administrative Agents, their affiliates nor any of their respective officers, directors, employees, Administrative Agents, advisors or representatives (collectively, the "Administrative Agent Parties") warrants the adequacy, accuracy or completeness of the Communications or the Platform, and each Administrative Agent Party expressly disclaims liability for errors or omissions in any Communications or the Platform, and (iv) no warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Administrative Agent Party in connection with any Communications or the Platform.

Section 12.15 USA Patriot Act Notice. Each Lender and the Administrative Agent hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names and addresses of each of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the USA PATRIOT Act. The Borrowers hereby each agree that it will provide each Lender and the Administrative Agent with such information as they may request in order to satisfy the requirement of the USA PATRIOT Act.

Section 12.16 Acknowledgement and Consent to Bail-In Action. Notwithstanding any other term of any Loan Document or any other agreement, arrangement or understanding between the parties hereto, each party hereto acknowledges and accepts any liability of any Affected Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution;

(b) the effects of any Bail-In Action in relation to any such liability, including, if applicable (i) a reduction, in full or in part, or cancellation of any such liability; (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document; and (iii) a variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 12.17 Intercreditor Agreements. Each Lender hereunder authorizes and instructs the Agents to enter into (i) with respect to any Permitted Priority Lien Debt, any Acceptable Priority Lien Intercreditor Agreement and (ii) with respect to any Debt permitted hereunder which is expressly permitted to be secured by a Lien on the Collateral that is pari passu with or junior to the Liens securing the Indebtedness, any Acceptable Pari/Junior Lien Intercreditor Agreement, in each case, as and when contemplated hereunder (including, in each case, any and all amendments, amendments and restatements, modifications, supplements and acknowledgements thereto permitted hereby from time to time). The Agents and the Lenders hereby acknowledge and agree to be bound by all such provisions to the extent in effect. Notwithstanding anything herein to the contrary, each Lender, the Administrative Agent and the Collateral Agent acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Instruments and the exercise of any right or remedy by the Administrative Agent and/or the Collateral Agent thereunder, are subject to the provisions of any Acceptable Pari/Junior Lien Intercreditor Agreement or Acceptable Priority Lien Intercreditor Agreement to the extent in effect. In the event of a conflict or any inconsistency between the terms of any Acceptable Pari/Junior Lien Intercreditor Agreement or Acceptable Priority Lien Intercreditor Agreement, on the one hand, and the Security Instruments, on the other, the terms of the applicable Acceptable Pari/Junior Lien Intercreditor Agreement or Acceptable Priority Lien Intercreditor Agreement shall prevail to the extent then in effect.

Section 12.18 Force Majeure. In no event shall the Agents be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, pandemics, public emergencies, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services; it being understood that the Agents shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.19 Joint and Several Liability; Etc.

(a) The Borrowers shall have joint and several liability in respect of all Indebtedness hereunder without regard to any defense (other than the defense of payment), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Lenders, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and such Indebtedness of the Borrowers shall not be conditioned or contingent upon the pursuit by the Lenders or any other person at any time of any right or remedy against the Borrowers or against any other person which may be or become liable in respect of all or any part of the Indebtedness or against any Collateral or guarantee therefor or right of offset with respect thereto. The Borrowers hereby acknowledge that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered a Borrowing Request) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the Loans made to any other Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of such Loans, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other Loan Document or any other agreement or instrument referred to herein or against any other person under any other guarantee of, or security for, any of such amounts owing hereunder.

(b) Without in any way affecting or limiting Section 12.19(a), (x) the Co-Borrower hereby agrees that all actions required or permitted to be taken hereunder by the Borrowers may be taken by the Parent Borrower on behalf of the Co-Borrower, and any such action so taken by the Parent Borrower shall be binding on the Co-Borrower and (y) the Parent Borrower hereby agrees that all actions required or permitted to be taken hereunder by the Borrowers may be taken by the Co-Borrower on behalf of the Parent Borrower, and any such action so taken by theCo-Borrower shall be binding on the Parent Borrower.

**LITIGATION**

(a) Gulf Island Shipyards, LLC ("Gulf Island") filed suit on October 2, 2018, against the Co-Borrower in the 22nd Judicial District Court in the Parish of St. Tammany, Louisiana, alleging that the Co-Borrower breached two Vessel Construction Agreements and disrupted Gulf Island's ability to perform the contracts. Gulf Island claims $38M in damages. The Co-Borrower considers these claims to be without merit, and has answered Gulf Island's lawsuit and filed counterclaims. The Co-Borrower also filed a reconventional demand against Zurich Insurance Company and Fidelity & Deposit Company of Maryland (collectively, the "Sureties") for breaching the terms of surety bonds issued by them that secured Gulf Island's obligations under each Vessel Construction Agreement. The Co-Borrower alleges breach of the bonds and bad faith. Both Gulf Island and the Sureties have filed general denials. In May 2019, the Court ruled in favor of the Co-Borrower's summary judgment motion finding that title of the hulls and inventory in the possession of Gulf Island vests with the Co-Borrower. The Court did not grant the Co-Borrower possession of the property and the Co-Borrower has filed a writ appealing the court's denial of summary judgment.

(b) Prompted by unfounded allegations made by competitors of Hornbeck Offshore Services de México, S. de R.L. de C.V. ("HOSMEX"), Marina Mercante commenced an investigation into the status of HOSMEX as a qualified naviera. HOSMEX filed Amparo proceedings in the Seventh Federal District Court of Administrative Affairs in Mexico City seeking preliminary and permanent injunctions because Marina Mercante lacks jurisdiction to perform investigations into the status of HOSMEX as a coastwise qualified shipping company under Mexican law and because HOSMEX satisfies all such conditions under Mexico's foreign investment laws. A favorable injunction was obtained by HOSMEX, which continues to operate in compliance with Mexican law. A final hearing on this matter has yet to be scheduled.

(c) The Company concluded an arbitration proceeding with Astromarítima Navegação S.A. ("Astromarítima") in Brazil in 2019. The arbitrators awarded the Company approximately $1,997,993.59, which is offset by an award in Astromaritima's favor of $908,595.92. Astromaritima is undergoing a court supervised Brazilian restructuring. It is unclear that the judgment can be collected. It is also unclear whether Astromaritima could enforce its judgment against the Company without set off.

**SCHEDULE 9.06(L)**

**AFFILIATE TRANSACTIONS**

***Registration Rights***

Under the terms of certain agreements, various persons, including Todd M. Hornbeck, Troy A. Hornbeck, Larry D. Hornbeck, James O. Harp, Jr., Carl G. Annessa, Patricia B. Melcher, and the William Herbert Hunt Trust Estate, have the right to include some or all of their shares of existing common stock, par value $.01 per share (the "Old Common Stock"), of the Parent Borrower in any registration statement that the Parent Borrower files involving its Old Common Stock, subject to certain limitations. Messrs. Todd and Troy Hornbeck, are entitled to require the Parent Borrower to file a registration statement under the Securities Act of 1933 to sell some or all of the Old Common Stock held by them. Such registration rights will expire with the cancellation of the Parent Borrower's Old Common Stock on the Effective Date.

***Notice***

Todd M. Hornbeck and Troy A. Hornbeck have agreed to give the Parent Borrower notice of, and an opportunity to make a competing offer regarding, a decision by either of them to sell or consider accepting an offer to sell to a single person or entity shares of Old Common Stock representing 5% or more of the Parent Borrower's Old Common Stock, other than in compliance with Rule 144 or to an affiliate or family member of the holder. Such notice obligation will expire with the cancellation of the Parent Borrower's Old Common Stock on the Effective Date.

***Certain Indemnity Agreements***

The Parent Borrower has entered into a separate indemnity agreement with each of its executive officers and its directors that provide, among other things, that the Parent Borrower will indemnify such officer or director, under the circumstances and to the extent provided in the agreement, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings which he is or may be made a party by reason of his position as an executive officer or director of the Parent Borrower, and otherwise to the fullest extent permitted under Delaware law and the Parent Borrower's Bylaws. Effective on the Effective Date, the Parent Borrower is entering into new indemnification agreements with its executive officers and directors. These agreements are in addition to the indemnification provided to the Parent's Borrowers officers and directors under its Bylaws and in accordance with Delaware law. The Parent Borrower has agreed to indemnify Todd M. Hornbeck, the Parent Borrower's President and Chief Executive Officer, for any claims, demands, causes of action and damages that may arise from use of his personal watercraft for Parent Borrower business purposes.

***Facilities Use Agreement and Related Agreements.***

For the past twenty-two years, Larry D. Hornbeck's family has personally supported the development of the Parent Borrower by hosting numerous events at the Hornbeck Family Ranch, located in Houston County, Texas, including constructing at their own expense, a hunting lodge and related facilities and providing access to 4,700 acres adjoining the lodge and related facilities.

The Hornbeck Family Ranch and related facilities have been used for functions intended to foster client and vendor relations, management retreats, Board of Directors meetings and special Parent Borrower promotional events. The Hornbeck Family Ranch also plays a vital role in the Parent Borrower's business continuity plan in the event the Parent Borrower's corporate headquarters is impacted by a natural disaster. Until December 31, 2005, these facilities were used by the Parent Borrower without charge. The Board of Directors determined that the use of the Hornbeck Family Ranch in the past and going forward has been and is beneficial to the Parent Borrower's business. As of February 14, 2006, the Parent Borrower entered into a Facilities Use Agreement and implemented an amendment to an existing Indemnification Agreement with Larry D. Hornbeck, one of the Parent Borrower's directors. The Facilities Use Agreement and the amendment to such Indemnification Agreement became effective as of January 1, 2006, and were approved by the Parent Borrower's audit committee and by the independent members of the Board of Directors on February 14, 2006. On May 7, 2015, the Parent Borrower entered into an Amended and Restated Indemnification Agreement (the "Restated Indemnification Agreement") with Larry D. Hornbeck, one of the Parent Borrower's directors, Joan M. Hornbeck and Hornbeck Family Ranch, LP, which amended and restated the Indemnification Agreement. The Restated Indemnification Agreement provides for indemnification by the Parent Borrower of such parties as well as certain other indemnitees, including the Parent Borrower's Chairman, President and Chief Executive Officer, Todd M. Hornbeck, for any claims, demands, causes of action and damages that may arise out of the Parent Borrower's current and expanded use of the Hornbeck Family Ranch and related facilities and premises for Parent Borrower functions such as client and vendor events, management retreats, Board of Directors meetings and special Parent Borrower promotional events. The Restated Indemnification Agreement also provides that the Parent Borrower shall secure and maintain insurance coverage of the types and amounts sufficient to provide adequate protection against the liabilities that may arise under the Restated Indemnification Agreement. The Restated Indemnification Agreement was approved by the independent members of the Board of Directors on April 28, 2015.

The agreements govern the Parent Borrower's use of the Hornbeck Family Ranch and related facilities. The Facilities Use Agreement will remain in effect until December 31, 2020 unless it is terminated or extended by its terms. The Facilities Use Agreement automatically renews on an annual basis unless either party provides the other party 30 days written notice of termination. The Facilities Use Agreement also provides that the Parent Borrower will pay Mr. Larry Hornbeck an annual use fee of $150,000 for the Parent Borrower's use of the facilities and reimburse Mr. Larry Hornbeck for certain other variable costs related to the Parent Borrower's use of the ranch facilities. In addition to costs incurred directly by the Parent Borrower's for such activities, the Parent Borrower replenishes expendable goods used by Parent Borrower invitees to the facilities.

In 2006, Larry D. Hornbeck transferred ownership of the land on which the Hornbeck Family Ranch is located to a family limited partnership in which trusts on behalf of the children of Todd M. Hornbeck and Troy A. Hornbeck are the limited partners. The general partner of the family limited partnership is controlled by Todd M. Hornbeck and Troy A. Hornbeck. The family limited partnership has entered into a long-term lease of the property to Larry Hornbeck and acknowledged and agreed to the Parent Borrower's use of the Hornbeck Family Ranch and related facilities under the Facilities Use Agreement and the Indemnification Agreement.

The Parent Borrower has provided, and may from time to time in the future at its own expense and with Mr. Larry Hornbeck's prior approval provide, additional amenities for its representatives and invitees. Certain of these amenities may, by their nature, remain with the property should the Parent Borrower ever cease to use the Hornbeck Family Ranch. In approving the Facilities Use Agreement and establishing the use fee amount, the audit committee and independent members of the Board of Directors considered the costs of comparable third party facilities and determined that the combined facilities use fee and anticipated reimbursement of variable costs was substantially lower than costs for the use of such comparable facilities.

On the Effective Date, the Parent Borrower is entering into an Amended and Restated Facilities Use Agreement with Larry D. Hornbeck to be effective as of June 1, 2020.

In the first quarter of 2012, the independent members of the Board of Directors acknowledged the service that Mr. Larry Hornbeck has provided the Parent Borrower and acknowledged that the commitment of time and energy associated with this service is substantial and is provided independently from his service as a director. In order to appropriately compensate Mr. Larry Hornbeck for these services, the independent members of the Board of Directors approved a consulting agreement between the Parent Borrower and Mr. Larry Hornbeck effective January 1, 2012. Under the terms of such agreement, Mr. Larry Hornbeck agreed, among other things, to make himself available to the Parent Borrower, the Chief Executive Officer of the Parent Borrower, the Board of Directors or any committee of the Board of Directors to assist in the assessment of potential targets for acquisitions, to travel for Parent Borrower projects, to attend industry meetings and to provide assistance in other ways, in exchange for consideration of $12,000 per month paid as consulting fees.

Effective on the Effective Date, the Parent Borrower is entering into an amended and restated consulting agreement with Larry D. Hornbeck, the terms of which will include consideration to Larry D. Hornbeck of $20,333 per month paid as consulting fees.

***Trade Name and Trademark License Agreement***

(a) During the Term of this Agreement, Licensee shall, at its sole cost, take all reasonable and necessary action, including without limit, the initiation of legal proceedings, in order to protect the Licensed Marks and Trade Names from unauthorized use, infringement or dilution by third parties in the offshore marine transportation services industry and other businesses related thereto. Licensor shall convey to Licensee any power of attorney or other power or cooperation required by Licensee in order to take action required hereby. If Licensee breaches its obligation under this clause, Licensor may, in its sole discretion, take actions it deems to be reasonably necessary in order to protect the Licensed Marks and Trade Names and Licensee shall reimburse to Licensor all costs incurred thereby.

(b) All damages, awards, and settlement proceeds which result from an action brought by Licensee pursuant to Section 3.2(a) shall belong entirely to Licensee. In the event that Licensee breaches its obligations under Section 3.2(a) and as a result thereof Licensor brings a legal action against a third party, then all damages, awards and settlement proceeds resulting from the action brought by Licensor shall belong entirely to Licensor.

3.3 Maintenance of the Licensed Marks. During the Term of this Agreement Licensee shall, at its sole cost and expense, maintain the effectiveness of all state or federal trademark registrations affecting the Licensed Marks and Trade Names at the Commencement Date such that upon the Termination Date, any such federal or state trademark registrations shall be deemed to be in full force and effect and duly registered in the name of Licensor. Licensee shall, at the request of Licensor and at Licensee's expense, execute and deliver such further documents and legal instruments, and do all other things reasonably necessary to secure any registration of the Licensed Marks and Trade Names in the name of Licensor and/or to enforce Licensor's rights and interest in and to the Licensed Marks and Trade Names and the associated goodwill, including without limitation executing and delivering any and all powers of attorney, applications, declarations and affidavits. Licensor shall, at Licensee's sole cost and expense, execute and deliver to Licensee all documents and legal instruments and do all other things reasonably necessary as reasonably requested by Licensee to secure and/or maintain any registration of the Licensed Marks and Trade Names in the name of Licensor and/or to enforce Licensor's rights and interest in and to the Licensed Marks and Trade Names and associated goodwill, including without limitation executing and delivering any and all powers of attorney, applications, declarations and affidavits consistent with the purpose and intent of this Agreement.

## Article 5
## Term and Termination

5.1 Term. Unless terminated sooner as provided herein, the term of this Agreement and the license granted hereby shall commence on the Commencement Date and shall continue in force and effect for as long as Licensee utilizes the Licensed Marks and Trade Names in accordance with the license granted in Article 1 and maintains the quality of the Licensed Marks and Trade Names in accordance with Article 2 (the "Term").

5.2 Termination for Default. Upon Licensee's material breach of this Agreement and failure to take all available measures to cure such material breach within sixty (60) days after Licensee's receipt of written notice of such material breach from Licensor, Licensor may terminate this Agreement upon giving written notice to Licensee.

5.3 Termination without Cause by Licensee. Licensee may terminate this Agreement, with or without cause, upon giving written notice to Licensor.

(b) If TODD HORNBECK ceases to hold any of the offices of Chairman, President and CEO of Licensee or Parent due to being terminated for Cause (as defined in TODD HORNBECK's employment agreement with Licensee then in effect) as Chairman, President or CEO of Licensee or Parent (a "Termination For Cause").

5.5 Effect of Termination. If this Agreement is terminated in accordance with this Article 5, the date on which this Agreement shall terminate (the "Termination Date") shall be (a) in the case of any such termination (other than a Termination For Cause in accordance with Section 5.4(b)), the second (2nd) anniversary of the date that notice of termination is validly given by a Party to the other Party and (b) in the case of a Termination For Cause in accordance with Section 5.4(b), eighteen (18) months from the date that notice of termination is validly given by Licensee to Licensor; provided that, notwithstanding the foregoing, (x) in the event of an initial public offering of the common stock of Licensee or Parent (an "IPO"), the Termination Date shall be the fifth (5th) anniversary of the date of completion of such IPO if the fifth anniversary is later than the date otherwise provided for in clause (a) or (b), as applicable and (y) in any event, following notice of a termination pursuant to clause (a) or (b), if, prior to the

date that this Agreement is otherwise scheduled to terminate in accordance with this Section 5.5, Licensee delivers written notice (an "Early Termination Notice") to Licensor certifying that Licensee has ceased any and all use of, and no longer is exercising, any of Licensee's rights under Section 1.1 or Section 1.2 of this Agreement, the Termination Date shall be the date on which Licensee delivers such Early Termination Notice to Licensor. All costs associated with ceasing to offer Licensee's goods and services under the Licensed Marks and Trade Names, including without limitation the removal of the Licensed Marks and Trade Names from all marketing, letterhead, business cards, signs, buildings, vessels, brochures or the like and from changing of Licensee's and its Affiliate's entity names, shall be borne entirely by Licensee. Licensee shall continue to pay the applicable License Fee through the Termination Date, unless such termination is a Termination For Cause in accordance with Section 5.4(b), in which case the Licensee shall pay the applicable License Fee through the date of such notice of termination.

8.2 Severability. If any of the provisions of this Agreement are determined to be invalid or unenforceable under present or future laws effective during the term of this Agreement, such invalidity or unenforceability will not invalidate or render unenforceable the remainder of the Agreement, but rather the entire Agreement will be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligations of the Parties shall be construed and enforced accordingly. The parties hereby acknowledge that if any provision of this Agreement is determined to be invalid or unenforceable, it is their desire and intention that such provision be reformed and construed in such a manner that it will, to the maximum extent practical, be deemed valid and enforceable.

8.3 Assignments. Licensor shall have the right, in its sole discretion, to assign its rights under this Agreement to any principal, member, trust, trustee or administrator of Licensor or to the executor or administrator of TODD HORNBECK's estate and TROY HORNBECK's estate or the beneficiaries thereof following the death of TODD HORNBECK and TROY HORNBECK. Affiliate without the prior written consent of Licensor, which consent may be withheld or granted in the sole discretion of Licensor. Any assignment conveyed by Licensee without the required prior written consent of Licensor shall be null and void. Any assignee must assume all obligations of the assigning party in connection with this Agreement and shall have executed and agreed to be bound by the terms of this Agreement in substantially the same form as is set forth herein. Any assignments not made in accordance with this Agreement shall be void.

8.4 Section Headings, Number and Gender. The Section headings are for convenience of reference only and shall not constitute a part hereof. Whenever the context requires, references in this Agreement to the singular number shall include the plural, and the plural number shall include the singular, and words denoting gender shall include the masculine, feminine and neuter.

8.5 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware without giving effect to the principles of conflicts of law thereof or of any other jurisdiction. The federal and state courts in Delaware shall have exclusive jurisdiction over disputes with respect to this Agreement.

8.6 Further Assurances. At and from time to time after the Commencement Date, at the request of Licensee, but without further consideration, Licensor shall execute and deliver such other instruments of conveyance, license, assignment, transfer and delivery and take such other action as Licensee may reasonably request in order to more effectively consummate the transactions contemplated by this Agreement.

8.7 Warranty of No Brokers. Each Party represents and warrants to the other Party that it has not incurred any obligation or liability, contingent or otherwise, for brokerage or finders' fees or agents' commissions or other like payment in connection with this Agreement or the transactions contemplated hereby, for which the other Party will have any liability, and each Party agrees to indemnify and hold the other Party harmless against and in respect to any such obligation or liability based in any way on any agreement, arrangement, or understanding claimed to have been made by such Party with any third party.

8.8 Non-Waiver. The delay or omission of any Party to exercise rights or powers under this Agreement shall not impair any such right or power and shall not be construed to be a waiver of any event of default or acquiescence therein. No waiver of any default shall be construed, taken or held to be a waiver of any other default or waiver, acquiescence in, or consent to any further or succeeding default of the same nature.

8.9 Successors and Assigns. This Agreement and all of the terms and provisions hereof shall be binding upon and shall inure to the benefit of each of the Parties and their respective successors and permitted assigns.

8.11 Amendment. This Agreement may be amended only by the written consent of the Parties.

8.12 No Partnership. No individual, partnership, joint venture, corporation, trust or other unincorporated entity or organization, not a Party to this Agreement, shall be deemed to be a third-party beneficiary hereunder or entitled to any rights hereunder.

8.13 Specific Performance. Each Party acknowledges that a breach or threatened breach by such Party of any of its obligations under this Agreement may give rise to irreparable harm to the other Party, for which monetary damages may not be an adequate remedy, and hereby agrees that in the event of a breach or a threatened breach by such Party of any such obligations, the other Party shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to seek equitable relief, including a permanent or temporary restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond or other security). **SCHEDULE 1.3**
**LICENSE FEE**

**Part A: Base Fee**

1. Annual fee of $1 million, payable from the Commencement Date until the applicable Termination Date, paid quarterly in equal installments on the last business day of each calendar quarter for which such fee is payable in the amount of $250,000 (the "Base Fee"); provided, that if Licensee has negative free cash flow for any quarter in which a Base Fee is due, the Base Fee payable for such quarter may, at Licensee's discretion, accrue and be deferred to the next quarter in which each of them has positive free cash flow; provided, that Licensee shall make any such determination and notify Licensor of such determination within thirty (30) calendar days following the last day of the applicable quarter. Any deferred Base Fee payments shall accrue interest at an annual rate of 9.85% (the "Interest Rate"), which interest shall accrue and compound quarterly unless and until the amount of the Base Fee deferred and all interest accrued thereon have been paid in full. Any payments thereafter shall be applied first to accrued but unpaid interest and then to any deferred Base Fee.

2. Payment of the first Base Fee payment shall be due at the end of the first calendar quarter immediately following the Commencement Date, which amount shall be prorated such that the payment made for the first calendar quarter will equal $250,000 multiplied by a fraction, the numerator of which is the number of days in the calendar quarter following the Commencement Date and the denominator of which is the total number of days in such calendar quarter.

3. Payment of the Base Fee shall be prorated during the calendar quarter in which the Termination Date occurs, such that the payment made for such calendar quarter shall equal $250,000 multiplied by a fraction, the numerator of which is the number of days in such calendar quarter prior to the Termination Date and the denominator of which is the total number of days in such calendar quarter.

4. The obligation to pay any Base Fee through the Termination Date shall survive termination of the Agreement.

5. Any Base Fee, or portions thereof, which are not paid when due shall bear interest equal to the Interest Rate, calculated based on the number of days such payment is delinquent.

**Part B: Performance Fee**

1. An additional fee (the "Performance Fee") calculated and payable annually from the Commencement Date until the applicable Termination Date, as follows:

    a) If EBITDA is less than $200 million, no Performance Fee;

b) If EBITDA is $200 million or greater, a Performance Fee of $1 million for each $100 million of EBITDA in excess of $199,999,999.99 (e.g., EBITDA of $200 million to $299 million, a Performance Fee of $1 million, EBITDA of $300 million to $399 million, a Performance Fee of $2 million, EBITDA of $400 million to $499 million, a Performance Fee of $3 million, etc.)

c) For purposes of the above calculations, "EBITDA" is as defined as Parent's consolidated net income or loss, as determined in accordance with U.S. generally accepted accounting principles, consistently applied for the most recent fiscal year of the Parent then ended, plus (i) total interest, net of interest income, plus (ii) income taxes, if any, plus (iii) depreciation, plus (iv) amortization, plus (v) any stock-based compensation expense, plus (vi) any losses on early extinguishment of debt, in each case, of the Parent for such fiscal year.

d) The Performance Fee shall be paid no later than March 31 of the year following the year for which the Performance Fee is due.

2. Payment of the Performance Fee shall be prorated during the calendar year in which the Termination Date occurs, such that the Performance Fee payment for such calendar year shall equal the amount that would be payable as a Performance Fee for the EBITDA of the trailing twelve (12) months from the Termination Date, multiplied by a fraction, the numerator of which is the number of days in the calendar year prior to the Termination Date and the denominator of which is the total number of days in such calendar year.

3. The obligation to pay any Performance Fee through the Termination Date shall survive termination of the Agreement.

4. Any Performance Fee, or portions thereof, which are not paid when due shall bear interest equal to 5% per annum, calculated based on the number of days such payment is delinquent.
